

Maine Virtual Academy Amendment Request – Enrollment Expansion

Charter District Information

Date of Request: July 18, 2023.

Charter District Name: Maine Virtual Academy (MEVA).

Mailing Address: 6 East Chestnut Street, Suite 230, Augusta, Maine 04330.

Contact Person: Dr. Melinda Browne, Head of School.

Contact Telephone Number: (207) 613-8900.

Contact Email Address: mbrowne@mainevirtualacademy.org.

Please address all the following criteria in your request.

- 1. Describe how the amendment request is consistent with the school's mission and vision.*

MEVA's mission and vision focus on helping students' academic achievement, proficiency, and growth, postsecondary readiness, and twenty-first century skills. MEVA develops excellent virtual teachers and faculty who work tirelessly to improve students' outcomes. Given our differentiated educational alternatives and strong stakeholder satisfaction, MEVA wishes to serve more students and families.

- 2. Describe the need to adjust enrollment and/or increase the grade span. How was that need determined? Demonstrate a compelling case that there is demand for the expansion.*

MEVA benefits from expanding enrollment for funding an added science teacher and sustaining our summer programming. We decided MEVA's needs through the multi-year financial planning process.

3. *Provide evidence that the school has engaged and responded to community stakeholders, including families and school staff.*

MEVA weighed the proposed enrollment expansion with our faculty. The MEVA governing board reviewed and discussed the enrollment expansion proposal at their July 18th, 2023, governing board meeting. The expansion responds to the families who want to join our school community, but who are on the waitlist due to space limitations. MEVA's waitlist was typically about one hundred students.

4. *Describe the desired results from an enrollment adjustment and/or increase in grade span.*

MEVA is requesting to increase our enrollment cap from 390 students to 450 students, keeping the plus/minus ten percent margin.

5. *Provide a table showing the historical distribution of enrolled students in the present grade span, and the projected distribution of students by grade if the amendment request is granted.*

Grade	10/1/2021	10/1/2022	Projected
7	38	31	40
8	44	56	60
9	67	55	60
10	94	85	90
11	98	113	100
12	96	98	100
Total	437	438	450

The proposed enrollment expansion increases our student count by about a dozen students during the first year of implementation.

6. *Explain any unique circumstances related to the school's academic performance and academic growth, and corrective actions taken to address challenges in these areas of school performance.*

Supporting documents in the attached Appendix illustrate that:

- MEVA students outperformed the state during the spring 2022 Maine Educational Assessment (MEA) math and English Language Arts.
- MEVA students met fall to spring growth targets and increased their achievement percentiles in combined grades 7-11, math, reading, and language usage, for School Year 2022/2023.
- Longitudinal NWEA data (2018-2023) indicates that students who stay enrolled at MEVA make consistent academic gains year after year.
- MEVA School Year 2022/2023 Maine Charter School (MCSC) Annual Monitoring data shows that MEVA is meeting/exceeding its academic performance measures.
- MEVA is addressing students' learning losses due to the pandemic and other disruptions by applying aggressive interventions, including offering customized courses and high-quality tutoring during the academic year and summer.

7. *Provide an action plan for implementation. Include: a timeline, action(s) to be taken, designated point person, and start date and projected completion date.*

MEVA is requesting to implement the enrollment expansion beginning in spring 2024, with a view towards enrolling 450 students by 10/1/2024.

8. *Provide a staffing chart and narrative staffing plan to support the planning and implementation of the proposed increase in enrollment and/or grade span.*

MEVA Faculty	SY-2023/2024 (Current)	Projected
CEO/Head of School	1	
Classroom Teachers:		
• Math	6	
• English	7	
• Science	4	+1
• Social Studies	4	
• Fine Art	2	
• Physical Education/Health	1	
• World Languages	2	
Title IA Teachers	2	
Special Education Teachers/Case Managers	8	
Educational Technicians	13	
Guidance Counselors	2	
Operations Manager	1	
Academic Administrator	1	
Special Education Administrator	1	
Attendance Technology Support Liaison	1	
Registrar	1	
Secretaries	2	
Human Resources/Accounts Payable	1	
Business Manager	1	
Total Headcount	61	+1

As the above table illustrates, MEVA plans to increase our current employee headcount by one science teaching position, resulting in a faculty of sixty-two (62) people.

9. Describe the financial resources that are necessary to implement the school's expansion, including the sources of revenue for the successful implementation of the proposed change. Describe contingency planning for potential challenges in cash flow or budget shortfalls.

MEVA's strong financial position allows us the flexibility to implement the proposed enrollment expansion using our existing revenues and reserves.

10. Provide financial projections for the proposed expansion. Financial projections should reflect both immediate and long-term considerations that have been identified in implementation of the proposed amendment. Provide a detailed narrative explaining the financial forecasts, and the assumptions.

MEVA is sending a multi-year financial plan, under separate cover, which incorporates the proposed enrollment expansion. We have no concerns about the school's financial forecasts.

11. Indicate if the current facility will accommodate the expansion, or if additional space and/or renovations will be required.

MEVA's current facility will accommodate the enrollment expansion.

12. If the school contracts with an ESP, describe how the ESP will support the planning and implementation of the proposed amendment.

MEVA contracts with Stride (K12) for our enrollment services. We are confident that the Stride enrollment team can support MEVA's proposed expanded enrollment. Stride has an excellent record to date.

Appendix

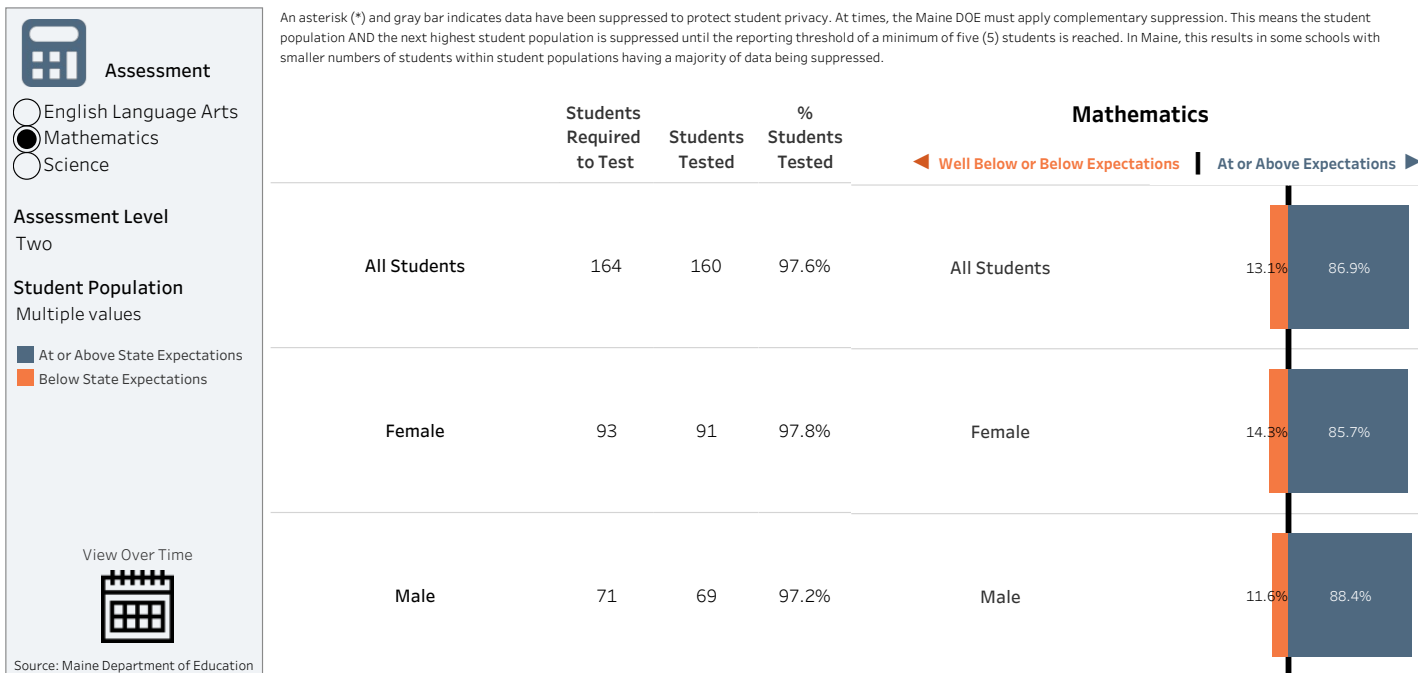

The attached appendix supplies supporting data, as follows:

- Spring 2022 Math/ELA State Testing Results from the ESSA Dashboard.
- Spring 2023 NWEA Math Growth and Achievement.
- Spring 2023 NWEA Reading Growth and Achievement.
- Spring 2023 NWEA Language Usage Growth and Achievement.
- Longitudinal NWEA Data 2018-2023.
- SY-2022/2023 Annual Monitoring Performance Data.

Academic Performance on the Assessments by Student Population

State and federal laws require that all students participate in summative assessments in designated content areas and grades. These assessments are a single data point and do not fully demonstrate what a student can do. Summative assessments should be used in conjunction with local assessments and other measures to help educators, parents and educational leaders support students.

NOTE: As a direct result of the pandemic and need for Maine educators to have immediate access to assessment data to inform teaching and learning regardless of the mode of instruction, Maine transitioned to the NWEA assessment during the 2020-21 school year. **The NWEA assessment (2021-2022) and the prior eMPowerME assessments (2015-2019) are not the same type of assessment. The student data or results cannot be compared.**

2022-23 Performance Framework Form

Dr. Melinda Browne, Head of School

SECTION 1: STUDENT ACHIEVEMENT

1.1a Student Academic Proficiency, MDOE Through Year Assessment, ELA

Schools will report the percentage of students assessed at each grade level, and at the campus and district levels.

Schools will report the percentage of students “at state expectation” and “above state expectation” on proficiency.

NOTE - This indicator will not be rated in SY 22-23. Ratings will be developed after the baseline is established.

SECTION 3: ORGANIZATIONAL SUSTAINABILITY

3.1 Governing Board effectiveness

Legal and Fiduciary Responsibilities

- Board of trustee members are active and engaged, fulfill their legal responsibilities and obligations, comply with the board's bylaws, and always act in the best interests of the school community.

Talent strategy and accountability

- The Governing Board demonstrates appropriate oversight of the Charter District Leadership administration, financial health, progress towards meeting academic and other school goals, and alignment with the mission and other terms of the charter, without managing the day-to-day operations of the school. The board conducts appropriate oversight of the officers and leaders of the organization, including an annual evaluation of the leader and considers succession planning.

Culture of Collaboration

- *The Governing Board has clear and well-understood systems for decision-making and communication processes; board of trustee's meetings are designed to foster open, deliberate, and thorough discussions to facilitate and ensure public accountability.*

Focus on Improvement

- *The Governing Board engages in continuous and strategic improvement planning by setting, and regularly monitoring progress relative to, priorities and goals that are aligned with the school's mission, vision, and educational philosophy and the accountability cycles of the authorizer.*

MEVA students in grades 7-11 completed the NWEA MAP math, reading, and language usage three times during the academic year. MEVA students’ median conditional fall to spring growth percentile exceeded the target in math for grades 7, 8, and 11, and in language for grade 10. MEVA students’ median fall to spring growth percentile met the target in math for grade 10, in reading for grades 10 and 11, and in language for grades 7, 8, 9, and 11. MEVA students’ median fall to spring median growth percentile approached the target in math for grade 10, and in reading for grades 7, 8, and 9.

MEVA met the customized target in all three subject areas (math, reading, and language usage) for combined grades 7-11.

Overall, we believe that these strong results show that MEVA takes its growth-oriented mission and vision to heart and works tirelessly to improve students’ academic achievement outcomes. .
