### **B. Looking at anticipated goals and milestones for the Board in 2025**

Needs more time for an in-depth discussion that may be a special meeting.  
Preparing to be in compliance with board training,  
Fill in gaps in the roles on the board,  
Building robust committees & task forces to take on issues within board perview.  
When school number is acquired, the board will need to be more prepared - making

There will be roles to be filled as Margaritte transitions to the more school based  
involvement.  
Stan will create a list of goals and milestones to be discussed at a future meeting.

So that it may shape itself  
In human love and human works.
