Founding Team & Staffing

The school is fully staffed at the leadership level. Two recent teacher resignations have prompted active recruitment efforts. Existing staff are being adjusted to ensure classroom coverage, and hiring is underway to fill the remaining roles before the school year begins.

Enrollment

95 students are currently enrolled, with 106 acceptances. To accommodate demand, the school will open a second seventh-grade classroom, totaling five classrooms (three sixth-grade and two seventh-grade).

Internet Access (E-Rate)

Simple Vue Academy was unexpectedly removed from the state's E-Rate internet funding list as of July 1. Efforts are ongoing to appeal this decision. In the interim, the school is operating on Angels in Progress Academy's internet. A contract with AT&T has been initiated, but installation will take 3-4 weeks. The school year will begin with hotspots and a low-tech approach.

Monitoring

Charter Schools Program (CSP) monitoring is scheduled for August 19, 2025.

School Safety & Policy

The Board is referring the development of a *Weapons in Schools* policy to the Governance Committee and has requested a written School Safety Plan from school
