The Committee also discuss the importance of proactive outreach and encouraging current board members to recommend qualified candidates for consideration.

B. Board Structure

Potential options for filling upcoming board officer roles were discussed, and the Committee agreed to continue recruitment and succession planning efforts in advance of upcoming term transitions.

C. Monitoring Results

The Committee reviewed the school's recent monitoring results and related compliance findings. Four findings were identified, including:

- Gaps related to staff training records (2)
- Policy documentation (1)
