School Goals

1. Sustainable Growth: Sustainable growth through strategic planning and optimizing resources in relationship to our budget. New student recruitment initiatives through community outreach, relationship building, demographic research and marketing through diverse mixed media.
2. Retention: Sustainably retaining students through high academic expectations, intervention, innovation, quality programs and collaboration. Staff retention through improvements and initiatives that increase positive culture, oversight, accountability, professional development and support.
3. Quality Programs: Offer students innovative personalized programs that offer flexibility, leadership and independent learning. Develop and empower individual teams to deliver Diverse programs and offering CTE various paths to success, flex based independence, integrity, accountability and compliance.
4. Professional Development: Growing, enhancing and developing skills in our staff. Defining and demonstrating roles and responsibilities, identifying strengths and weaknesses. Providing methods of support including training and access to materials to enhance performance. Emphasizing how teamwork and using individual strengths contribute to success.

(Digital Media)

Lindsay Baker
ETL Teacher

*ETL =
Excel
Teacher
Lead

Substitute Pool

Selina Edwards-Hyde
Virtual Path Substitute

Kari Tackett
Virtual Path Substitute

Alina Moreno
Virtual Path Substitute

Tiffany Cuthbert
Virtual Path Substitute

Virtual Path

- Onboarded a pool of substitute teachers for our Virtual and ETL teachers when staff are out of office
- Improved the Virtual Path classroom experience and control with GoGuardian Teacher, which enables teachers to see what students are working on in real time
- The Virtual Path is growing in enrollment!

Elementary

- Elementary rolled out school wide reading fluency assessments in addition to i-Ready
- Recruited an internal Excel Academy staff member as a Support Counselor to focus on Elementary needs

Secondary

- Welcome 2 new counselors and 2 new high school teachers
- Opened up new Excel Teacher Led classes:
 - CTE Digital Media
 - AP PreCalculus
 - Student Leadership
 - Spanish 2
 - Music Appreciation
 - Visual Arts

Special Education

Introduced our new mini-seminar PD format for staff training on SpEd/GenEd collaboration

Implementing use of The CORE Project (counseling curriculum) for students in Middle School and High School

Implementing use of Generation Genius for supplemental SpEd math support K-8
