Admissions

- **TK enrollment:** The deadline for TK entry has been extended. Students turning 5 years old between September 2- **June 2nd** may begin TK with Excel at the beginning of the school year. This has changed from December 2nd being the cutoff.
- **Content & Community Providers Acknowledgement Form:** This year, parents will be able to sign this document electronically in their RegOnline! New families completed it during their application process, and returning parents can log back into their RegOnline account to re-sign it for each of their students.

Community

- Service requirements won't be tracked by hours. Rather, Personalized ToRs may choose one of the following options (see table below) to fulfill their yearly requirements. Throughout the school year each ToR will document what they have completed in each column and change the pink cell to **green**. By the end of the school year, each column that is highlighted in pink should appear in green.

Please use the subject line “First initial.Last Name MA - New Student” in your email and provide the student’s full name, parent’s full name, and parent contact information within the body of the email. The special education team will follow-up with required next steps.

Secondary

- ToRs will meet with each family twice in person, once in the fall and once in the spring. If the family prefers the LP meetings to be held virtually, then these in-person meetings may be met via a field trip or other school event.

Reporting All Homicidal Threats is Required by Law

The new statutes require any school district employee interacting with students in grades 7 through 12, inclusive, who observes a threat or perceived threat that a student is going to “commit a homicidal act related to school or school activity” to immediately report such threat to local law enforcement. (Ed. Code, § 49393.) Any report of a homicidal threat must include any evidence associated with the threat or perceived threat. If two or more school employees observe the same concerning conduct, a report by one of the employees is sufficient to meet the obligation of all of the employees.

A “threat or perceived threat” is defined by the law as: “any writing or action of a pupil that creates a reasonable suspicion that the pupil is preparing to commit a homicidal act related to

school or a school activity.” (Ed. Code, § 49390(e).) A threat or perceived threat may be based on a student’s “possession, use, or depictions of firearms, ammunition, shootings, or targets in association with infliction of physical harm, destruction, or death in a social media post, journal, class note, or other media associated with the pupil.” A threat or perceived threat may also be based on “a warning by a parent, pupil, or other individual.”

If local law enforcement is notified of any threat or perceived threat, SB 906 requires the law enforcement agency or school site police—with LEA support—to immediately conduct an investigation and assessment of the reported threat. The investigation must include “a review of the firearm registry of the Department of Justice” and if justified by reasonable suspicion, a search of the school site. (Ed. Code, § 49394.)

SB 906 mandates each LEA provide all parents TK-12 “information related to the safe storage of firearms” in the required annual notification, which means an LEA’s first disclosure would be required in the upcoming 2023-2024 school year. This is included in the Parent/Student Handbook. (Ed. Code § 49392.)

Signs of Suicide, Self-Harm, & Emotional Distress

Instructional Funds, Materials, and Content & Community Providers

Instructional Funds Information and Guidelines

Each California state student generates funds by his/her average daily attendance (ADA). The funds are budgeted for use as outlined in the school's Local Accountability Plan (LCAP). Guidelines are as follows:

- Excel Academy may not provide any funds or other things of value to the pupil, or his or her parent or guardian, that a school district could not legally provide to a similarly situated pupil of the school district, or to his or her parents or guardian.
- Excel Academy may only receive funding for the provision of independent study to pupils who are residents of the counties the school serves.
- The Instructional Funds (IF) are appropriated for education purposes to deliver the student's educational plan. The funding may only be spent on appropriate educational materials for the enrolled student. They may not be used to provide educational materials/admissions for siblings or parents or anyone else not enrolled in Excel Academy, or for materials not applicable to the enrolled student's educational plan.
- IFs may be used on educational materials or services that are approved by the Teacher of Record (ToR).
- These funds can NOT be used for items designated in the Policy for Criteria of Materials or activities/product/instructors disallowed in the Conflict of Interest Policy. They also cannot be spent on any item or activity that requires payment for transportation. Excel Academy does not pay for transportation, as we receive no transportation funding. For our students, core learning occurs remotely and anything the parent/guardian/student chooses to do outside of their home needs to be within the realm of what transportation they can and want to arrange/provide.
- The amount of funding is based on the ADA calendar the state uses to appropriate school funds. The IF amount is prorated and differs depending on the student's enrollment date.
- Students who are enrolled on the first day of the school year will have the maximum amount of appropriated funds when planning their educational program. Students who enroll later in the year will have less than the maximum amount of appropriated funds with which to plan.
- For the 23/24 school year, the maximum IF appropriation for each student on the personalized path is \$2,900 for TK-8, and \$3,400 for Grades 9-12; and 1-8 virtual path students is \$1,600, for those students who are enrolled for the entire 175 school days.

The IF's are placed into the fund account in multiple disbursements throughout the school year. No school funding is provided directly to parents or students for any purpose.

- All families must have the [Content & Community Provider Agreement](#) on file with their TOR before being allowed to request purchase orders
- Excel Academy reserves the right to determine what services and materials will best promote the student's academic achievement. IF spending ought to be considered as being ultimately at the school's discretion.
- April 12, 2024 is the deadline for orders to be submitted and approved in OPS. It is vitally important to place orders earlier than the deadline. After the deadline, no purchase orders can be submitted. IFs do not roll over from year to year. If the IFs are not used by the deadline the parent will no longer have access to them.
- IFs should be spent evenly throughout the year. All orders containing excessive quantities of anything will be reviewed by the Business Services Purchasing Coordinator, Business Services Manager, or administration. It is imperative that the parent and ToR ensure that students receive services and materials throughout the year.
- Students must reasonably be able to use all items by the last day of school. If the Business Services Department (also called Student Services) does not believe all items can be used in time, items will be reviewed and non-essential items may be canceled from the order.

Management of Instructional Funds

The parent/guardian and the ToR will work in cooperation to evaluate the most effective use of funds to produce the best possible outcomes in terms of student learning. It is the ToR's responsibility to help each family manage their IF account within the guidelines set forth. Please be mindful that while these funds are allotted to each student, the funds remain part of the Excel Academy's budget and the items purchased with these funds remain Excel Academy's property. It is the ToR's responsibility to make sure that each family does not spend in excess of their allotted IFs. Parents can obtain information on their IF balance at any time by contacting their ToR or logging into their access point in OPS. Parents are encouraged to assist in determining the allocation of these funds, however, the ultimate responsibility for ethical and professional distribution of these funds is the ToR's. This responsibility is not shared and the ToR is responsible to ensure that all core curriculum has been put in place prior to requesting purchase orders for extracurricular activities. The administration will mediate any disagreements between parents/guardians and ToRs regarding IF purchases.

Criteria for Materials That Can Be Purchased with Instructional Funds

Excel Academy receives funding from the state to support student learning and progress toward the state's standards. Therefore, IFs need to be spent on educational items that meet the criteria below. - Excel Academy cannot pay for uniforms, belts, costumes, makeup, and/or ticket costs.
- All non-core/elective VCIs over \$500/mo must have a ToR note on the PO stating the student is doing well academically and has a core curriculum in place.
- Any orders placed after the first of the month for that month MUST be prorated to only pay for services provided 10 days after the order was placed and must include the service start date on the description line. Per the Content & Community Provider Agreement, Excel Academy will not pay for any services rendered prior to POs being created, including the 10 day approval time frame. For example, an order placed on 9/10/2022 must be prorated for services given on or after 9/20/2022

Field Trips

Field Trips are group activities that are organized and overseen by the Field Trip Coordinator and school representatives. Field trips are a great, fun way for students and parents to join other students while pursuing their individual learning plans.

Field Trips are school activities for which a parent can decide if their students and family would like to attend. Students' participation in a trip is paid through their IFs, and parents and siblings will pay out of pocket.

Subscriptions

Excel Academy allows students to order educational subscriptions from CCPs like, Kiwi Crate, and History Unboxed. The following guidelines apply to subscriptions purchased in the 23/24 school year.

- 12 month subscriptions must be ordered between September and December 15.
- 6 month subscriptions can be ordered between December 15 and February 28.

After February 28 all subscription orders must be for 3 months or fewer.

Gardening

Some providers offer gardening materials to students. The following restrictions apply to gardening items purchased in the 23/24 school year.

- All items must be basic in nature.
- Only enough materials for one educational project are allowed per semester.
- Educational projects must be documented through learning samples and monitored by the ToR.
- Items like seeds, bulbs, and soil are allowed but must be basic in nature.
- Gardening tools may be ordered but cannot be sharp or dangerous to the student, and must be basic in nature.
- Additional items such as composters, sprouting trays, label sticks, and small pots may be ordered, but must be basic in nature.
- No items that students will wear, such as gloves or aprons, may be ordered.
- All equipment must be deemed fit for child educational gardening use.
- No furniture is allowed.
- No already grown plants are allowed -- seeds only.
- No potentially dangerous items such as weedkiller, insect repellent, or fertilizer.

LEGO® Education

LEGO® provides educational kits that are subject to the following guidelines in the 23/24 - school year:

- All orders must be placed for kits from the [LEGO® Education Website](#).
- All orders must have clear educational value (no minifigure kits allowed).
- Any LEGO® Education orders must be documented through learning samples monitored by the ToR, and documented on the AWR.
- Kits must be grade-level appropriate.

Cancellation Policy

We cannot cancel an EMR order after they are processed and sent to the Content Provider. Once materials are requested, the Student Services Department will order them and they cannot be canceled. If an order has not been processed and is still in “Pre-Pending Status,” the parent can cancel or edit the purchase order in OPS. For VCI orders, Community Providers **must** be notified, by the parent or guardian, of cancellation prior to orders being canceled in OPS.

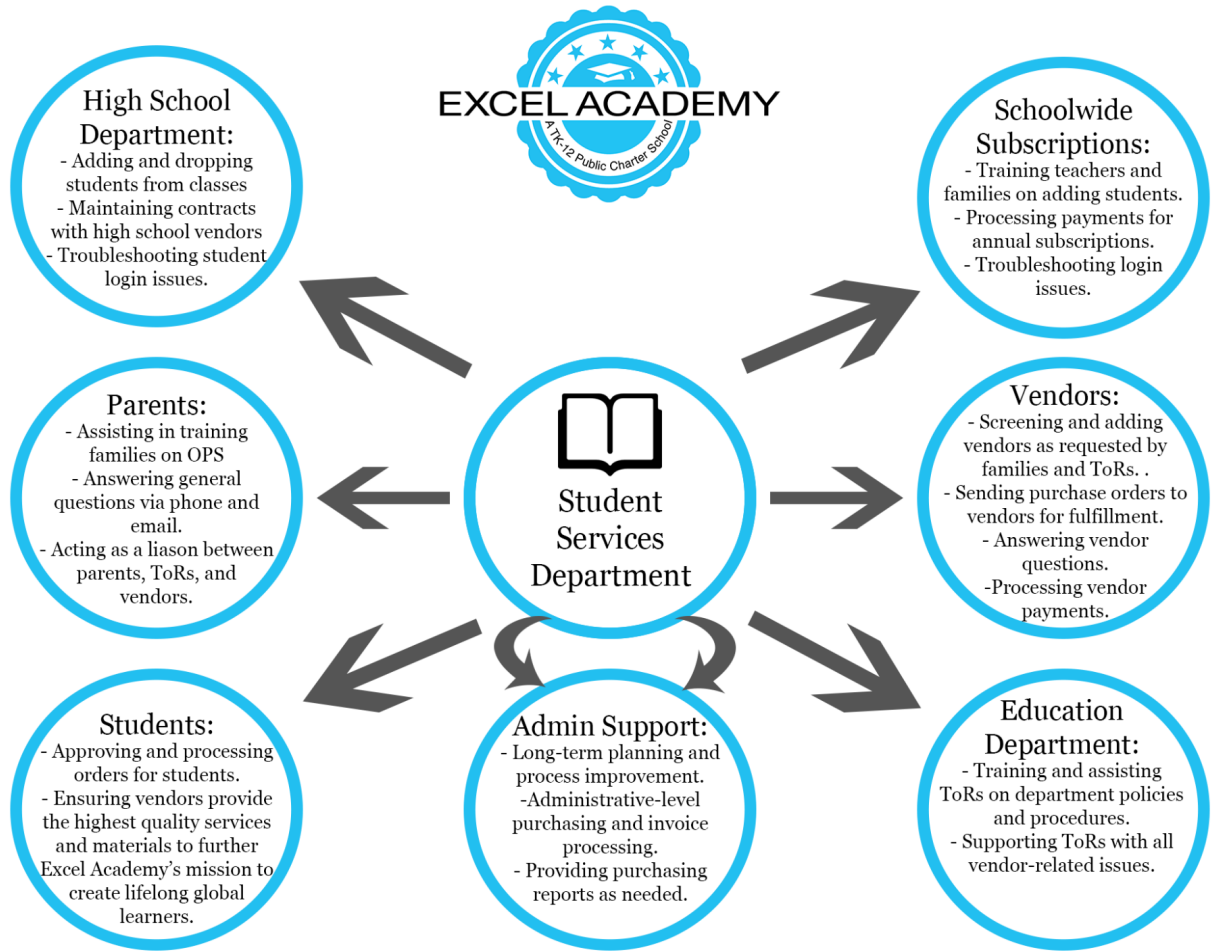

Disallowed Educational Activities

The following activities are examples of disallowed activities that cannot be paid for with IFs since they impose high liability and/or political risk to the school. CCP’s who provide the below services will not be approved.

- Religious, sectarian, or denominational services or materials
- Scuba Diving
- SkyDiving
- Water / Jet Skiing
- Skiing / Snowboarding
- Aircraft-related activities
- Behind the wheel driver’s education
- Any motorized vehicle operation
- Extreme sports that expose the student to unnecessary risk: outdoor rock climbing, white water rafting, paragliding, etc.

ORDERING INSTRUCTIONS

Content & Community Provider (CCP) List Located on Website

Families can log in to their online profile to search for appropriate CCPs in their area.

If a parent is only looking for local classes/instructors (community providers), we have a fantastic new app for that on our website: [Map Search](#)

Please make sure your families are aware of these search tools! They can both be found under the CCP tab on our website.

Glossary of Terms

- EMR: Educational Materials
- VCI: Educational Services
- OPS: Online Purchasing System. The system we use for ordering educational materials and services.
- Red notes: Individual guidelines for placing orders.
- Internal notes: Notes placed on orders after they have been created. Method for admin and teachers of record (ToRs) to communicate about a specific order.
- Consumable items: Items that (A) are under \$30 and/or (B) cannot be reused by another student. Examples of consumable items include: workbooks, pens, paper, pencils, printer ink, etc.
- Non-consumable items: Items that (A) are over \$30 and/or (B) can be reused by another student.
- Purchase order status terms:
 - **Pre-Pending:** Order has been placed by the parent and is *pending review by the ToR*.
 - **Pending:** ToR has carefully reviewed the order to ensure that the items or services being ordered correspond to Excel Academy guidelines and selected “Pending,” OR the ToR has placed the order on behalf of the parent (*orders placed by ToR are assumed to have been carefully reviewed*).
 - **Approved:** Order has been reviewed and approved by the Student Services Department.
 - **Processed:** Order has been sent to the CCP for fulfillment.
 - **Received Partial (EMR ONLY):** ToR has indicated that some, but not all, of the items on the order have been received.
 - **Received Fully (EMR ONLY):** ToR has indicated that all items on the order have been received.
 - **Invoice Matched:** Student Services Department has received the invoice from the content or community provider and matched the order in OPS to match what the charge shows on the invoice.

Content & Community Provider (CCP) Agreement

A signed copy of the [Content & Community Provider Agreement](#) must be on file before the ToR can begin placing purchase orders for services. **As of 2023/24, all new families have signed this document during the registration process. Returning families need to go back into their student's RegOnline account to re-sign, or you can send them the paper version.** This is critically important! The ToR must go over the CCP Agreement carefully with each parent before signing. **If the parent doesn't understand their role in requesting service purchase orders correctly, it will cause problems for the ToR, the Business Services Department, the community provider, and the parent.** (Parent must contact a community provider to see if they are able to accommodate the student *before* placing an order. The community provider will then hold a place for the student.)

The ToR may be asked to produce a copy of the signed Content & Community Provider Agreement at any time.

ToR RESPONSIBILITY

While families are able to place orders, and the Business Services Department screens each for compliance, *it is ultimately the ToR's responsibility* to ensure that all items correspond to the [Ordering Guidelines](#) and that families adhere to the CCP Agreement. Keeping in compliance with these guidelines is critical to ensure both our students' academic success and the longevity of our school. Read the guidelines carefully, and follow all instructions listed in the red notes.

NON-CORE CURRICULUM ORDERING

Student academic achievement is of paramount importance to Excel Academy, and it is the ToR's responsibility to ensure that core curriculum is in place before allowing families to place orders for electives and other non-core materials or activities. It is the duty of the ToR to exercise their best judgment in approving all orders.

EMR ORDERS

Placing EMR Orders

To place an EMR (Educational Materials) order you must first review the order for content and appropriateness of educational material requests.

Look up each item on the provider's website and confirm the item number, description, cost and availability. You must verify that items do not contain religious content as well as the cost of the item.

****Please note:**

- 12 month subscriptions must be ordered between September and December 15.
- 6 month subscriptions can be ordered between December 15 and February 28.

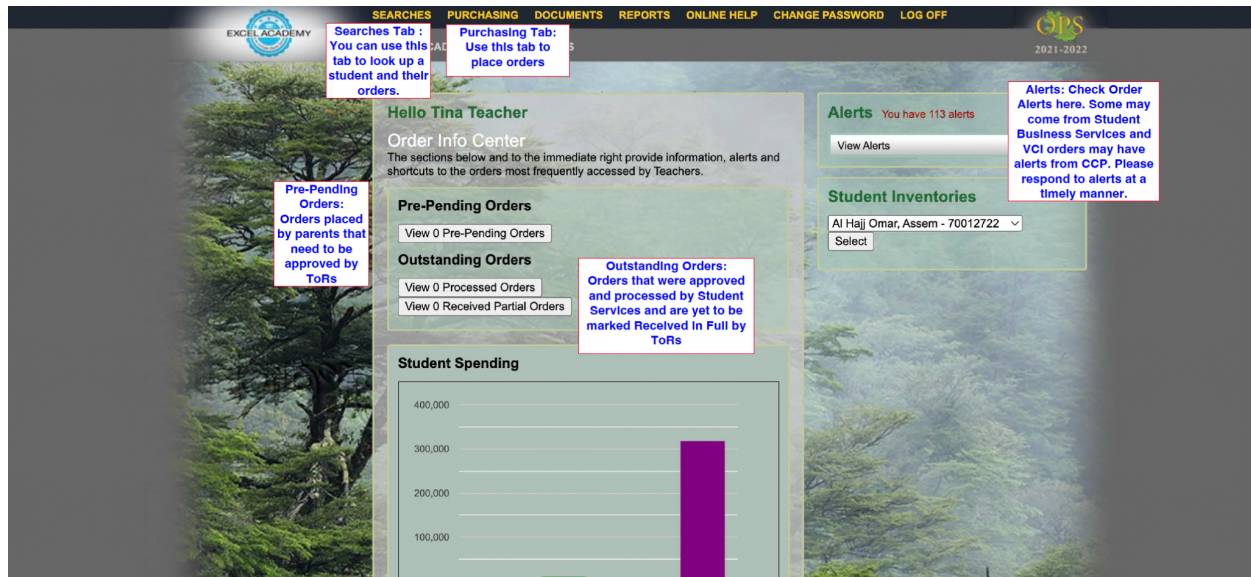

- After February 28 all subscription orders must be for 3 months or fewer.

1. Log in to [OPS](#). The dashboard will show any applicable alerts and orders that need to be marked received. ****OPS uses the word vendor which we refer to as Content Provider or Community Provider****

2. Click on the **“Purchasing”** tab on the top and a list of available content and community providers will be shown. Select the student from the “Select Student” drop-down list. You will see the available funds for the student there. **You must be sure there are enough funds in the account to cover the order plus about 30% for shipping, handling and tax. These costs are estimates and will be adjusted when we receive the invoice.**

Marking EMR Orders Received

All materials are shipped directly to the students' residence. **It is critical that the ToR mark the order received within 48 hours of receipt.** For all materials received, the ToR verifies the contents of the box against the packing list. To mark an order received, locate the purchase order in OPS (see "Searching for Orders" section on how to perform a PO search). Change the status of each item received to "Received." When finished select "Update Order."

- These item descriptions are incomplete. All orders must have the full name of the product in order to be approved and processed. Full Description of items must be in the Description section.
- Line item 4 has an incomplete item description and price. Look up the item number on the Rainbow Resource website (or whichever vendor the order is for) and find the correct item. Update the item description and unit cost to the correct item and press “Update Order” at the bottom.
- It is also the ToR’s responsibility to ensure that items are correctly marked as consumable or non-consumable.

3. In OPS, there are many ways to find the orders you are looking for. Instead of the above process, you can also use the Order Combination Search under the “Searches” tab.

On the combination search, you may designate multiple criteria to assist you in locating orders. If you would like to see all orders of a particular status, type, or provider, you may select that criteria from the drop-down list. You may also combine this criteria: for example, select “Pending” and “VCI” from the Choose Status and Choose Type drop-downs to see all pending VCI orders. **TIP:** Scrolling through a long list of providers can be a daunting process. When you click on the drop-down menu, you may begin typing the name of the provider you are searching for. The list will then jump to that provider.

- Amazon
- ASTEME Learning Center
- Staples
- Start ASL

These instructions are located in the [Student Services Department Ordering Instructions](#) folder. Along with Provider-specific ordering instructions, this folder will also contain processes that will assist you in completing your duties as a ToR.

Transferring Funds Between Siblings

Excel Academy Charter School allows families to transfer funds between siblings to place combined orders to save on shipping costs. **It is the ToR's responsibility to ensure that each student has core curriculum in place and is sufficiently supported in their education.**

To place a budget transfer request, navigate to the "Searches" tab, and scroll to the "Students" section. There, you will see the "Student Budget Transfer Request."

Student Budget Transfer Request:	<div style="display: flex; justify-content: space-between;"> <div> <div style="border: 1px solid #ccc; padding: 2px; margin-bottom: 2px;">From Student ▼</div> <div style="border: 1px solid #ccc; padding: 2px; margin-bottom: 2px;">To Student ▼</div> <div style="display: flex; align-items: center;"> Amount: \$ <input style="width: 80px;" type="text"/> </div> </div> <div style="border: 1px solid #ccc; padding: 2px; background-color: #f0f0f0;">Request Budget Transfer</div> </div>

Select the student FROM whom you would like to transfer the funds, and the student you would like to receive the funds. Then, enter the amount and select "Request Budget Transfer."

On the next screen, you **MUST** add an explanation for the request. Enter why the request is being made, then click confirm.

Staying Within Budget

The ToR is responsible for making sure the student stays within budget. This is a very important part of the ToR's job. Do not rely on the parent to stay within budget. In order to make sure you are staying within budget, you must estimate an extra 30% for EMR orders to account for shipping and tax. Once our student services department has paid the final bill, an accurate total will be updated in OPS. This is especially important to pay attention to in the spring when the ordering window is closing and parents are sending off many material orders to use up the remainder of funds.

No Out of Pocket Payments

Parents will not be reimbursed for the curriculum. It is critical to make parents aware of the ordering procedures so that they don't believe they can hand you a receipt and expect reimbursement. Under no circumstances will parents be reimbursed.

Basic Materials Only

All EMR orders must be basic school supplies. In other words, we can only purchase the type of supplies that could be found in a brick and mortar public school. We also cannot pay for high priced/overpriced lessons, classes or materials. Please refer to the "[Ordering Guidelines](#)" Google Doc for a detailed list of allowed/disallowed items.

Cancellation Policy

We cannot cancel an EMR order after they are processed and sent to the content provider. Once materials are requested, the Student Services Department will order them and they cannot be canceled. If an order has not been processed and is still in "Pre-Pending Status," the ToR can cancel or edit the purchase order in OPS. For VCI orders, community providers must be notified of cancellation prior to orders being canceled in OPS. It is the responsibility of the ToR to ensure that the community provider has been notified and any outstanding payments have been reviewed and adjusted accordingly in OPS.

To cancel a purchase order in the pending stage, you must pull up the purchase order by completing a search. Then click on the drop down menu "**Pre-Pending**" and choose "**Canceled.**" Then click "**Update Order.**" If you don't click "**Update Order**" the order will not cancel.

Backordered items

When items are backordered, two things *can* happen. Sometimes our Student Services Department is notified by the content provider and will send you an alert in OPS. Other times, we find out when we get the order and the item is not with the other items in the box. Usually there will be a note on the packing slip that the item was backordered. If this happens, search for the purchase order in OPS and add an internal note. Backordered items are especially unfortunate when we find out after the end of the ordering window in spring. If it is past the ordering window, the parent cannot request an alternate item. Please encourage families to complete their orders well in advance of the deadline.

Ordering Deadline

April 12th, 2024 is the deadline for the parents to get PO requests submitted for review. ToRs will submit all approved orders requests no later than April 26th, 2024. After the deadline, no purchase orders can be submitted. IFs do not roll over from year to year. If the IFs are not used by the deadline, the parent will no longer have access to them.

It is a good idea to **periodically check your students' funds**. Funds should be used evenly throughout the year and not all at once at the end of the year. The Ordering Guidelines state that excessive quantities of anything will be rejected, and this likewise applies to extremely large orders at the end of the year.

For EMR orders late in the year: Students must reasonably be able to use all items by the last day of school. If the Student Services Department believes not all items can be used in time, you will be asked to cancel some from the order.

Computers

Each year we will put out a [list](#) of computer providers and the items that may be purchased from them. **We will not allow any computer purchases from providers or items that are not on that list.** The list may continue to change throughout the year and we will keep you updated as to what the current selections are. To place a computer order, you will follow all of the above instructions for content providers. (Computers may come either to the office in Irvine, or to your house, depending on the provider. You will be notified if a computer arrives in the office for your family.)

Other Questions

For other questions, please read the materials in the Student Services Department Ordering Instructions folder in the Shared Drive and the [ToR FAQ](#).

Once the ToR has logged into SIS, go to “Teachers,” then “PLS/Student Roster.”

The student roster will appear. Check to see that the correct dates and semester are showing at the top. If the date needs adjusting, make sure to click “Update” (under the first large blue and white box) after the date and/or semester has been changed. To print a roster, click “Print/Export” under the first large blue and white box.

ToR Roster in SIS

Enrollment status and Additional Information

Each time the enrollment team assigns a student to a ToR after school begins, the student will be highlighted in **RED** in the PLS/Student Roster portion of the teacher’s roster. This notifies the ToR that the student has been added, but still needs to **verify the exit date** of when they withdrew from their previous school. They can verify this date by having the parent send their

ToR an email stating the date they withdrew from [list name of previous] school. The ToR needs to forward this email to admissions@excelacademy.education. The student will NOT be able to start school until the day they turn in their withdrawal email verification to our admissions clerk and are not fully enrolled in our school. A finalized master agreement is what finalizes their enrollment. ToRs should communicate this to a new family. Additionally, most secondary students need an unofficial transcript before MAs can be created ([please see below](#)).

Once admissions has received exit date verification, or if it is before the first day of the school year, the student will be given a pre-enroll date and they will show up in the ToR SIS roster in **BLUE**. This indicates that the MA is ready to be prepared and sent to the family for signature. **(Note: Every student will show up in BLUE before the school year starts. We do not need withdrawal verification before the first day of school 08/28/2023)**

When the MA has been signed and approved, the student will show up in **GREEN** on the SIS roster. The student in green is now active in school and will acquire attendance.

The ToR will now be able to see all the necessary information to make initial contact with all of their families.

RED- Do Not Enroll-Parent *needs to send enrollment verification of the exit date of when they withdrew from their previous school*. Parents may send ToR an email stating the date they withdrew from (name of) school. Upon receipt ToR sends the email to admissions and registrar. Please see below for Prospective Student Contact instructions.

All incoming secondary students must submit their academic records including an unofficial transcript and report card in order to process the Course of Student and create the MA. The

only exception is for foster, homeless (McKinney Vento) youth - these students must be enrolled immediately. ToRs should remind families to submit these. They may email the ToR or send to the Registrar - registrar@excelacademy.education.

BLUE- Enroll! MA is ready to be sent to the parent for signature. It's in the student's best interest for the parent to sign and return the MA the day they first receive it so as not to lose any funding. However, ensure that you follow the procedures laid out for contacting families and that they understand the responsibilities of the parent before you send the MA.

GREEN- You did it! You have successfully enrolled your student with Excel Academy.

How to Add Student Courses in SIS

(High School and JH students taking high school-level courses only)

Before the beginning of the school year, ToRs must add high school courses in SIS. ***TK - 8th grade students will have their courses loaded for them. If a TK-8th grade student is missing their preloaded courses add their names and the needed information*** onto the [TK-12 Missing Students Classes/Curriculum](#) doc. All Tk-8 students should have five classes for their grade level: math, language arts, science, social studies and PE. If you need to add an advanced curriculum for 5th or 6th grader, please use the instructions below. If you need to add a HS course for an [advanced 7th or 8th grader](#), please use the instructions in the linked bookmark. Upon approval, junior high students may enroll in a high school math and/or world language course.

High school courses for both semesters need to be added at the beginning of the year to create the Master Agreement. Consult the [High School Course Catalog](#) for course descriptions, codes, for prerequisites. Please watch this video for [Adding Classes to SIS](#) before creating a master agreement.

Instructions:

1. Once in the roster in SIS, click on the blue arrow ► next to the student's name. The box will expand and no courses should show. Click on the green + Add Class button. You will be directed to the next screen.

A screenshot of a software interface for adding classes. At the top, there are two tabs: 'Semester 1 (Fall) (2014 - 2015) C' and 'Semester 2 (Spring) (2014 - 2015) C', both with red checkmarks. Below the tabs are three buttons: 'Info', 'Course/Assign/Eval', and 'Reports'. A blue downward-pointing arrow is visible on the left. The main area contains the text 'There are no classes for this student in the selected term, select a different term tab or click below to add a class'. At the bottom left of this area is a green circle with a white plus sign and the text 'Add Class'.

2. This box below will open up. Please watch the ToR training video on [How to Add Courses in SIS](#), which will give a thorough explanation of what information to choose in this box. [Click here for written instructions.](#)

3. **If you cannot locate a course in SIS:** Try searching with multiple keywords and filters. If your course is missing from SIS, please add it to [this doc](#).
 - a. For a-g courses, the course names will be prefaced by CP, BYU, EDG, EDY (except for ASL), FLV, LB, and TGS.
 - b. For junior high school students taking high school courses, you will need to unclick the “Filter School Type” to find the high school courses.

How to Create a Master Agreement

The Master Agreement (MA) is a student-parent-teacher contract outlining the conditions and responsibilities of all parties for our independent study at Excel Academy. When a student opts into independent study, Ed Code requires that there is an agreement as to how it will be completed. This document fully enrolls a student.

The MA lists all of the courses that a student is attempting during the school year. TK-6th grades students will have courses loaded automatically by the back office. ToRs will add classes for 7th through 12th grade students.

If a TK-8th grade student is missing their preloaded courses, please add their names and the needed information onto the TK-12 Missing Students Classes/Curriculum doc. Important: An MA cannot be completed for a student if the student is missing classes!

Dates and signatures on a master agreement are very important:

- The student’s signature date marks the first day of attendance for that student.
- Dates should NEVER be altered on a master agreement.
- The parent and student must sign/type first and last names in the designated areas. Last names must be included for parents and students older than 1st grade. You must send it for a new signature if it is not signed correctly.
- Any parent or guardian who will sign attendance must be listed as a signatory on the MA.

Please see the High School 10-Day Add/Drop Deadline for changing and adjusting curriculum.

How to Add Curriculum Content to a Course in SIS

You must add curriculum content to all classes. Curriculum content is the scope and sequence of the course in the form of lists of objectives/standards and assignments associated with textbooks, classes, or the state standards. You can add curriculum content when you first add a course or at any point in the year. Some TK-8 curriculum content will be pre-populated. Please see the High School 10-Day Add/Drop Deadline for changing and adjusting curriculum.

Please watch these helpful videos and read the directions below:

[Introduction to Curriculum Content](#)
[Adding Curriculum Content to Courses in SIS](#)

1. To add/edit curriculum content from the dashboard, choose the green  icon next to the student's course.
2. Choose the "Curriculum" tab to open the search.

3. Use the filters to find the correct curriculum and click the box next to the desired curriculum content to add it. You may add a single or multiple curricula to any TK-12 course to individualize the student's record.
 - a. Always add the standards to TK-8 courses, in addition to any specific textbook-based curriculum content, so you can use them when students work on teacher-created assignments or curriculum that is not in SIS.
 - b. For high school a-g courses, **you must use the CP curriculum content as the default if the specific curriculum for the CCP or textbook is not in SIS.**

4. For additional detailed information about choosing appropriate curriculum, see the section [How to Complete AWRs](#).

How to Create an Addendum

Addendums are created for a variety of clerical purposes that are a *change* to the original MA:

- A transfer of a student to a new ToR
- An update to the student's classes (adding or changing a class)
 - Addendums are not needed when a student drops a class.
- Adding an additional parent or guardian signatory
- Changing the student's grade level

Addendums are dated **the date of change**. This is very important that the date is correct because it affects attendance, samples, and all ancillary documents in SIS.

Addendums are only created *after* the first day of instruction. If an adjustment is needed prior to the first day of instruction a new MA is created. The teacher, parent, and student will all sign the addendum.

Please see the [High School 10-Day Add/Drop Deadline](#) for changing and adjusting curriculum before creating an addendum for high school students. Remember to **include a parent and the student for signature**.

How to check Grid Logs for Engagement

How to check grid logs for a single student:

1. In SIS, go to "Teacher Pages" and go to your student roster.

How to Take Attendance in SIS

Each ToR will officially claim attendance by the Wednesday following the last day of each learning period.

Prior to claiming attendance, a ToR should have met each student, reviewed the student's body of work, and collected samples for the respective learning period.

First, make sure that all Attendance Grid Logs are sent out on the last day of the learning period. Make sure that the days in which a learning activity took place are checked. They cannot be sent *before* the last day of the learning period. Parents will sign electronically. You will be automatically notified via email that the parent has signed the grid log. Follow the link to the grid log to sign or find the log in your 'Sign Document Compliance' section of SIS. . You will sign **AFTER** the parent does.

Second, once **all** of your attendance grid logs are returned, take attendance for your whole roster. Your signature should fall on a work day, not a weekend or holiday. (A parent signature on a weekend or holiday is fine.)

To do so, log into SIS, go to "Teacher Pages" and go to your student roster. Once there, go to the box located above your roster and click on the "Att"  icon next to the correct learning period. (see below)

How to Complete AWRs

AWR= “Assignment and Work Record”

AWRS are a digital list of work assigned to a student. It is, essentially, a gradebook with no grades. Teachers of Record create AWRs for each student to show assignments that work towards progress in their grade-level standards and curriculum.

AWRS (Assignments and Work Record) must be completed before the beginning of each LP. This pre-loading of objectives and assignments will create a default pacing guide, and help hold the home educator accountable for progress. After meeting with families, the AWRs should be reviewed and/or adjusted to reflect the actual work completed and reflected in the body of work.

AWRs Fundamentals:

- Choose objectives/standards that were attempted and the assignments that correlate. Each module must have objectives and assignments
- Reflect the number of days in the LP
- Utilize most up-to-date curriculum in SIS
- Add any applicable curricular that is part of the core curriculum

Please use the curriculum/textbook your student is using, if at all possible:

1. Curriculum content must be added to a course before AWRs can be loaded. Curriculum content is the scope and sequence of the course in the form of lists of objectives/standards and assignments associated with textbooks, classes or the state standards.
2. When choosing a curriculum content for your AWRs, make sure you are selecting the curriculum from the proper range (excelcs or exceleast).

3. Make sure you are looking at the correct edition. Usually, you can still use a different edition, but check off the assignments in a different order, as the books are usually very similar.
4. If you are using a curriculum already in the system, make sure it has both *Objectives and Assignments listed*.
5. For any new curricular requests, there will be a review process, a submission window and deadlines. Please contact your education coordinator for the appropriate deadline.

If your textbook is not in the system, please choose standards for the TK-8th student, and high school students should be choosing the corresponding CP curriculum content:

1. Choose the current grade level standards for Math or Language Arts.
2. Science and Social Studies may be outside of the grade level for TK-8, but you must use the multi-grade level standards found in “**excelcs**” and “**exceleast.**” (Make sure that 6-8th grade students hit all of the science for those grade levels before high school, if they decide to go out of the order listed in the standards.) **You can use the search function with the keyword ‘Excel’ to find these.**
3. Standards that are in SIS mainly read as objectives. Each module must have both objectives and assignments. If you must use curriculum content that do not have assignments listed, you must add assignments as custom comments. (For example: Student will complete worksheets. Student will read textbooks. Student will complete assessments on the above objectives/standards.)

Step -by-step instructions are below. You can also watch this video on how to complete AWRs: [Adding AWRs from Assigned Curriculum](#)

AWRs Step-by-Step

Before the new LP:

1. From your roster page, choose toggle the arrow next to a student’s name to see all of their classes.
2. Choose the curriculum that you want to populate and the LP# next to that curriculum. This will open your “add/edit assignments” window.
3. Type in the ‘assigned on’ date. It will be the first day of the learning period.
4. Click on the module that you want to open.
5. Choose any additional objectives that will be attempted and methods/assignments that will be used to complete these objectives/assignments.
6. There must be assignments if you choose an objective.
7. Scroll down to the bottom and click ‘assign’
8. This will open the records page. In the top left corner, choose *save*. If you're done, close the tab.
9. If you need to add more, you can choose the + sign.
10. Sometimes you have to choose the module.
 - a. It will open to add/edit window
 - b. Choose assign from curriculum
 - c. Choose the additional assignments/objectives that need to be added.
 - d. Add the assigned on date
 - e. Choose assign
11. Repeat this process for each relevant curricula in each class.
12. You might not use each curriculum every time
 - a. You might need to use a combination of textbooks and standards
 - b. You might have a student working from multiple books

After the LP meeting

1. Review the AWRs for accuracy against the body of work. You may need to add or delete some objectives/standards and/or assignments to create an accurate record.
2. During your review, find the objective and assignment that matches your sample. It is helpful to think of the sample as a picture and the objective & assignment as its caption.
The auditor and your peer reviewer will look for this to match.
3. This video will help you add/edit objectives and standards

How to complete a custom comment in SIS:

This should not be a common practice used to create AWRs. Custom comments should only be used to refine the AWRs when clarity might be needed for the auditor. They should be written so that they connect and flow within the curriculum that is being used. They should not 'stick-out' in an obvious way.

1. Watch the following videos on how to write custom comments or add a comment(s) to standards.
 - a. [Adding Assignments \(Custom Comments\) to Standards](#)
2. Custom comments should have:
 - a. Objective/WHAT was learned: "Student will identify parts of a butterfly," "Student will observe butterflies in their natural habitat," "Student will learn about the jobs of an Ichthyologist," "Student will identify the plants eaten by Monarch Butterflies." "Student will observe butterfly collections from around the world." etc.
 - b. Assignments/HOW it was learned: "Student will read a book." "Student will watch a video." "Student will study charts identifying butterfly parts." "Student will complete a worksheet." "Student will attend a field trip to the butterfly museum." "Student will complete an art project."

Loading Samples Into SIS

In addition to completing AWRs, teachers must also load samples into SIS. See the section "Sample Requirements" for more information about sample requirements, acceptable vs unacceptable samples and labeling.

1. Go to *Teachers > Compliance > Archive Compliance*
2. Make sure the following information is chosen:
 - a. Report title: Work samples
 - b. Include students "with or without Archived reports"
 - c. Staff: your name

- d. Range: the correct LP
3. Choose “Generate Report” button
4. Watch this video on [how to load samples](#):
5. You may load TK-8 samples in each section or load them as a single document into “Language Arts”. They must be in the following order: ELA, math science, social studies and PE
6. High school samples must be loaded into their individual classes.
7. Samples must be /jpeg or .pdf files.
8. Uploading options:

a. Option #1: Upload from a computer or Google drive using the

b. Option #2: Direct upload from your phone via text message: This works for single

pages only.

Sample Archive Compliance:

Below is a sample screenshot from Archive Compliance after samples have been uploaded.

Please note that high school classes, including those for junior high school students, are loading into the individual classes. This helps HQT's to check for their specific subject.

 - a. *"The number of attendance days possible for this student's learning period is 19. In my professional judgment, the student has completed work that has a value of 19."*
 - b. You do not want to see the value '0' here. If you see '0' here that means you have not claimed attendance yet. AWRs are to be completed and archived after attendance has been claimed.
6. If you see the correct number of days, choose 'Send Invitations/Submit Agreement' in the bottom right corner after the last AWR.

Completion of Compliance

*Grading for Students
w/ Little to No Assignments*

Q: Should the AWR show all objectives and assignments for each Learning Period?

A: Yes. All objectives and assignments noted on the pacing guide should be noted on the AWR. Remember that AWRs are written in the future tense by showing what the student is planning to complete. The purpose is to establish the intended learning and workload for each student per LP. Ex: Student will complete lesson 6.

Q: What if a student only completes a few of the total assignments?

A: Place a custom note (see below).

Q: Can the uploaded sample reflect a student's best work even if they are failing a course? (ex. Uploaded sample earned an "A" but the student earned an "F" in the course.)

A: Yes, but ideally the sample should reflect the grade they have in the course. The lack of work completion as noted in the custom comments or low grades on their other assignments will also support the lower grade in the course. If the lower grade occurred because the student failed to turn in assignments, the comment on the AWR should show less work was completed, indicating the purpose of lowering the grade.

Ex: "Student completed 2 out of 10 assignments." ~which would be an "F"

Q: Should I note a lack of work completion on the report card?

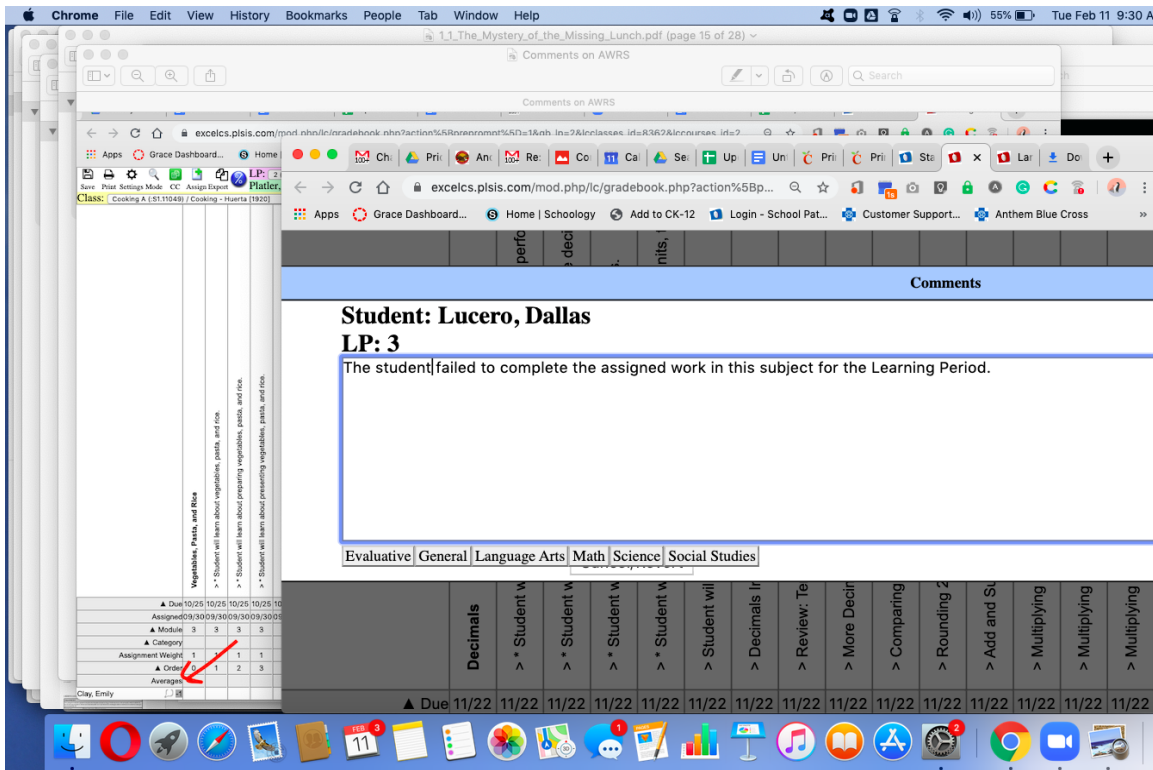

A: The report card should include a line about why the grade was lowered. Ex: Student only completed 20% of work, resulting in a lower grade and/or failing of the course.

How to Complete AWRs for Little to No Assignments Completed for the LP

1. Choose assignments for your AWRs that represent the 20 days of learning the student SHOULD have completed for the LP.
2. Then, you will write a comment (see below for instructions) for each subject area affected that reads: "Student did not complete assigned work in this subject."

How to Include a Comment on AWRs:

1. While in the AWR for the class with no samples, click on the little speech bubble at the bottom of the assigned AWRs next to their name.

ToR Roster Requests:

ToR will send (**admissions@excelacademy.education**) requests for the following:

1. Names of anticipated students you would like on your roster *this is a request, not a guarantee*. (Follow Request Format previously sent out-ToR not to tell families they have room on roster)
2. Incoming siblings-Name and Grade level
3. Desired roster count (Admin approval required)

Custody Notes in SIS

At times there will be parents that share custody or have special custody arrangements that we need to know about. There are also times when parents have restricted custody arrangements (certain persons are not to be near the students.) For all of these situations, court papers must

be on file in the office. We cannot restrict a parent from their child unless we have this information.

If a student's parents are divorced, ask them about any custody arrangements they might have. If the parents have joint legal custody, we will need to have **both the father and mother sign the Master Agreement in SIS before archiving.** If you need to add a signature after, you can always do an addendum.

Go to the dashboard of the student.

This icon is where you will find all of the necessary information about custody arrangements:

*Please contact **the Registrar's office** (registrar@excelacademy.education) if you have any questions or need to make Excel aware of custody arrangements that are not in the system.

Report Cards in SIS

*****Please refer to the shared report card folder for pertinent information and specific details.**

11. **Comments - Please refer to the report card folder.** Every student in grades TK - 12 should have at minimum one comment on the report card that has been chosen from the dropdown. Some students may have more than one depending on their progress in each subject. In the column titled Comments, you do not have to type any comments in line with the designated subject for your students in grades TK-12, **unless the student is performing below grade level as specified on the directions and FAQ documents in the shared Report Card Resource Folder. There is a specific example for 6-8 grade students. Please refer to the shared folder.**
12. If you had a student drop prior to the withdrawal deadline, simply hide the course; do not do an addendum. If your student withdrew after the deadline, remember to include the "W" or the "F" based on the withdrawal date.

13. ToRs will input "IP" for the grade of all concurrently enrolled courses and zero out the credit earned. Upon the receipt of the official transcript, the registrar will input the grade and credit earned and then email ToRs when complete. At this point ToRs can update the report card to reflect the college class grade if requested by the parent. However, once the registrar department inputs the grade and credit for college courses, then the parent can automatically see that reflected in their parent portal on the transcript view, thus updating the RC is not a necessity.
14. At the bottom of the report card, you will see another box titled *Comments*. For TK-5 students, please cut and paste the appropriate 4-1 grading scale.

15. *****IMPORTANT - DO NOT INDICATE SPED OR EL ANYWHERE ON THE REPORT CARD. Prior to creating a report card, please confirm with the Case Managers the grades of students with IEPs.**
16. If you have questions about comments, please email Jenny Craig.
17. Please make sure to click *Save All* if you are not ready to finalize the report card, so you can come back to it at a later time.

Documentation within Contact Manager and Student Notes

Recording important interactions with your families is crucial to maintaining a professional record of each student's time at Excel Academy. While not every interaction will need to be recorded in the Student Information System (SIS), the following instances warrant documentation in the contact manager by the appropriate person(s).

Contact Manager

Documenting contact with your families and important student information is easy in the SIS. The first area this is possible is through Contact Manager, which will be used for the following:

- ❖ Documenting a Phone Call Rescheduled LP Meetings or concerns
- ❖ Document meetings that are held and include the date: SST, IEP, Manifestation, etc.
- ❖ Any other type of "contact" with the family that was successful OR unsuccessful (meaning you talked with them or attempted to talk with them and left a message).

*****Examples:***

- ❖ You met with a parent outside of the usual LP meetings and helped them to navigate the curriculum; providing a pacing guide and suggestions for streamlining the work.
- ❖ A first meeting with a parent who is new to Excel Academy Charter School.
- ❖ Injury or Incident at a School Event/Field Trip (contact should be made with BOTH the parent and admin and you would document that you talked with both.)
- ❖ A conversation with a parent discussing a PIN or any conversations about opting-out of assessments.
- ❖ Dates SSTs took place with the SST Doc uploaded

To Access Contact Manager:

- ❖ **Go To "Teachers" Tab and scroll down to "Content Manager" and Select "Contact Manager" again in the menu.**

- You can also get to Contact Manager from the Home Screen and when on the student dashboard. Just look for the words “contact manager” and it will take you to the same place.

❖ **Then, you will get to a screen that looks like this:**

- Make sure the dates are set to the correct year and that your name is in the teacher spot at the top and then click “Update” in the lower, right-hand corner

❖ **You will see student names pop up at the bottom (scroll down), then select the student for whom you are creating a contact log for and click “contact now.”**

- ❖ **On the Contact Information Page, you will fill out the portion with the date, time of contact in minutes, toggle the type of contact (in-person, phone, etc.), whether it was successful, etc. and put a description of what the contact was and if follow up is needed.**

Student Notes Section:

The second area you will log information will be in the “Student Notes” section of the SIS. *This section will be used for things that need to be recorded, but are not necessarily interactions with the student or parent.* Some of the following reasons would qualify:

- Instances of Plagiarism (upload the plagiarized copy to the notes section; change to pdf if you have difficulty uploading)
- Behavioral Issues
-
- CHYA opt-out letters from parents
- Important Information that Any Admin Should See When Logging in SIS (Parent Dislikes being on Video, Student Accelerated a grade on _____ (date), etc.

If you go to the student dashboard (you can get to Student Notes by clicking on the student name anywhere in the SIS, including your roster page); then, scroll down to the Student Notes section of the dashboard.

First Steps with Assigned Families

Assigned Students: You will be assigned students both before school starts and throughout the school year. Before school starts, your roster will be in the Student Information System (SIS), for which you all should have logins. If the family does not have a login, please reach out to Keri Schneeweiss @ kschneeweiss@excelacademy.education. For students assigned **after** the school year begins, the admissions office will send you an email letting you know a student has been placed. Once you receive this email, please look carefully in the SIS for any pertinent information about the student, **including the receipt of transcripts for secondary students**. (See the SIS section for instructions on how to access student information.) Once the student is highlighted in **blue**, you may contact the parent. See the section on [Enrollment status and Additional Information](#) for an explanation of the different colors in SIS.

Transfer Students: At times it is necessary to transfer a student from one ToR to a new ToR. The process is similar to that of an assigned student, except, once the school year begins, you will complete an addendum to the original Master Agreement (MA), rather than a completely new Master Agreement. For instructions on this process, please see the [addendum video](#) located in the “Training Materials and Manuals” folder of the Education folder.

Your Role as ToR: The ToR/family relationship is very important to most families. They are looking for someone who can be there to guide them, provide encouragement and work alongside them to ensure a successful academic year for their child(ren).

Please note: ToRs should never contact a student via email, phone, text, social media or any other messaging system without the parent/guardian also being included in the correspondence. Even then, prior permissions from the parent/guardian should be granted before including students in a conversation with you and the parent. **At no time should conversations between a ToR and student occur without the parent/guardian.**

- **Initial Email:** Send a welcome email to all new students before reaching out via telephone or Zoom. Even if it is the same day, it's less intimidating for the parent and more likely that they will answer the first time. In the introduction email, attach applicable documents of help. (ie. [TK-8 Curriculum Handbook](#), school calendar, etc.)
 - If the parent replies, this is a great opportunity to set-up a Zoom meeting to discuss the curriculum. Let them know that the Zoom will be long (approximately 45 minutes).

- **Initial Phone Call:** This call is a **brief** time to confirm student details and ensure the family knows how our school functions. You can use [this checklist](#) to guide your phone call.
 - **Ask the parent questions about their family and how they came to Excel Academy.** Ask them what their goal is for independent study (escape bullying in school, desire character building, improve academics, etc.). This will give you a feel for what is important to the family and how you can best approach them as a teacher.
 - **Introduce yourself and your role as their Teacher of Record.** Feel free to let them know a little about your family or hobbies, as well as your passions within education.
 - **Confirm Name, Grade Level, Birthdate, Telephone Number, Address and Email** of each student in the family. Each year we have students with incorrect information or the wrong grade level in the SIS! Also use this time to ask for alternative contact information (like additional phone # or email.) *Let the family know that we communicate primarily via email and that they should check it daily for important information from you. Let them know you will always email them back within 24 hours (1 business day) and they must respond to emails within 48 hours (2 business days.)
 - **Ask the parent about any custody arrangements.** Say: “We want to make sure to respect any family arrangements that you may have, so if there are any custody arrangements or special concerns you wish for us to honor, please let me know. If your child(ren) splits their time between homes, that is completely fine, just let me know so I can include both parents’ signatures on the Master Agreement and Acknowledgement of Responsibilities.” *Refer to instructions in the SIS section of the manual for reporting legal custody arrangements to the Registrar’s office: registrar@excelacademy.education.
 - **Describe the role of the parent as the primary teacher for the student for Personalized Families.**
 - ◆ The day-to-day teaching and correction of learning assignments is completed by the parent/guardian. You will support them as the credentialed teacher, but you do not tutor the student in any way,
 - ◆ Parents/guardians must oversee student learning on a day to day basis, be responsible for all work completion and ensure all necessary student work learning is brought to the Learning Period (LP) meeting.
 - ◆ Instructional funds (IFs) can be used to purchase curriculum or classes, **with the ToR having ultimate say over where funds are allocated if a child needs resources allocated differently to support their comprehensive Course of Study.** Core curriculum **must** be in place before supplemental classes and curriculum are purchased. Religious material is not acceptable.
 - ◆ There will be daily teacher-student instruction offered and the parent must log their attendance daily.
 - ◆ Parents will provide samples monthly at a meeting with the ToR.

→ ***Set up an in-person meeting or Zoom to discuss curriculum, courses and sign paperwork. This will need to be within the next few days.***

Please note: All Content and Community Provider classes must be ordered **10 business days before the student's first day of classes.**

→ Let them know to bring any curriculum they already have on hand so that you can approve it and take a picture of the Table of Contents for each book for reference throughout the year.

→ *Have them think about their curriculum choices* before they meet with you. Share the TK-8 Curriculum Menu and Handbook and High School Course Catalog with the parent ahead of time,.

→ Let them know that the meeting will last about one hour.

→ ***End the phone call by asking if they have any questions.***

- **Send a follow-up email.** Thank the parent for their time and send all of the resources, including free subscriptions, resources, etc. that were discussed on the phone.

Prospective Student Contact:

ToR will contact parents via email and phone to welcome the family to Excel Academy and to ask them for withdrawal date verification from their previous school. (Students in **RED** need withdrawal verification)

1. Phone and send follow up email to pending student(s) on your SIS roster.

The following are example emails for families assigned to your roster. Please use the appropriate emails based on the color students show up on the roster. Students in RED still need a withdrawal confirmation.

1. ToR will attempt to make contact for 5 school days through phone calls and emails.
2. If there is no response from the parent after 5 school days-the ToR will send the following email with the appropriate student/family information.

No Parent Response After 5 Days

Hello Mr. and Mrs. _____

My name is _____ and I am a Teacher of Record with Excel Academy and have been assigned as your ToR.

I have attempted to contact you via phone and email several times during the last few days but have been unsuccessful in reaching you. I am eager to partner with you on your educational journey. However, if I do not hear from you within the next 2 calendar days, I will assume you are no longer interested in our school, and you will be placed on a waitlist with the Admissions Department.

Thank you,

(Excel Academy Signature)

1. Notify Salmeh Zahedi (admissions@excelacademy.education) and cc Nick Romo and the Registrar to let them know the newly assigned family has made no contact with you or is not interested in enrollment with Excel at this time.
2. Admissions will attempt to contact the family and/or place the student(s) back on student intake with a designation of previously placed (PP).

Personalized Pathway: Initial Meeting

The initial in-person or Zoom meeting is a time to go over the responsibilities of the parent and/or any changes in policies for the current school year for returning parents. You will introduce parents to the ordering system (OPS), Beehively, and the many resources available to them (TK-8 Curriculum Handbook, free school-wide subscriptions, etc.) If the parent/guardian understands and agrees with the policies set forth in the Master Agreement (MA) and AoR, they will sign them at this time for TK-8th. High school students will sign their MA following their initial meeting with the School Counselor. Secondary ToRs should have reviewed this in their initial phone call and then be available for any follow-up questions.

This meeting may be in-person or virtual. With a shortened ordering time in August, Zoom and Google Meets are the virtual meeting platform options for reviewing important documents with families while still 'seeing' each other for the first time. New families may want to meet in person before committing to our school. Please work with each family to address their needs and comfort level.

Returning Students in August: Because policies and procedures change throughout the years, it is important that parents have the most up-to-date information. Please contact your returning families with updated procedures and any additional questions. **This is a yearly requirement with all families.** This allows parents to get essential updates for the school year. You might also consider having a webinar for all of the parents on your roster to discuss any new policies and procedures and answer questions.

Hand Out the Following Documents/Email in advance if the meeting is virtual

1. **Excel School Calendar-** [2023-24 School Calendar](#) (Print in Color) available on the website or in EACS Handbook as well
2. **CCP Acknowledgement:** This is signed by families in RegOnline, but if your returning students are unable to log back into their RegOnline account, feel free to email it to them.
3. **[Acknowledgement of Responsibilities \(AoR\)](#):** see section below

5. **Course Content:** *(may be shown on your screen if virtual)* Print course content for approved TK-8 and HS curriculum from SIS by clicking “view” and scrolling to the bottom to “print”

Topics to Cover During the Meeting:

1. Acknowledgment of Responsibilities and Master Agreement

- ❖ Place the [Acknowledgement of Responsibilities](#) in front of you and go through it line by line with the parent. (located in SIS, along with the MA.)
 - ❑ This is absolutely crucial, as many parents get to a point in the semester where they are issued [Progress Improvement Notifications \(PINs\)](#) because they did not understand the policies set forth in our Acknowledgement of Responsibilities.
 - ❑ Review with families any new and relevant changes to our program.
- ❖ Explain policy changes for this school year that will directly affect parents, especially veteran parents.
- ❖ Have the parent sign the [Master Agreement/Acknowledgement of Responsibilities](#) for each child if it was not signed in the spring
 -
 - Confirm the student information in SIS for accuracy (name, grade level, birthdate, telephone number, address and email).
 - For inaccuracies, please email **admissions@excelacademy.education** **with the** corrections that need to be made. Email subject line: SIS Corrections
 - If the student grade level is wrong, you can have them sign an addendum later to correct this inaccuracy on the MA.

2. CCP Agreement (CCPA)

- ❖ [Go through this document thoroughly with your families](#), so they understand how funds work. Some of the most important items are:
 - Non-consumable items are the property of the school and must be returned.
 - Content and Community Providers (CCPs) may not have room in their classes. Parents/guardians must contact the CCP first to see if there is room for the

student and ask that their place be held. ***Excel Academy does not pay registration fees.***

- CCP class orders must be received by the ToR **10 working days** before the first day of school. Teachers can enter the orders 7 days prior to the start of a course.
- Materials will be shipped to parents as a default. Confirm this option and shipping address with them. In unique circumstances, some orders may need to come to you.

3. Curriculum (Course of Study)

- ❖ Discuss curriculum options with the parent. If the parent does not know where to begin, you may suggest the TK-12 Curriculum Menu. If the family does not find a curriculum through the menu, they may use the TK-8 Handbook/High School Course Catalog. ****Students must have curriculum content and a pacing guide in place for each core course before the start of school.**
 - Fill out the [Course of Study Elementary Doc](#) or the [Course of Study Secondary Doc](#) with the parent, explaining areas that need another curriculum to fill in the gaps. Make sure to write down everything the student is using for curricula and check for gaps in learning (spelling, reading literature, writing). Families might need a few days to make final decisions.
 - Parents/guardians must choose complete curriculum, for all courses, **within 5 days of signing the Master Agreement if school has already begun.** ToRs must order curriculum for the student if a full week has gone by and the parent still has not chosen a Course of Study.
 - For those that have curriculum in hand that they would like to use, take a picture of the [Table of Contents](#) for each course. You will need this to ensure it hits all standards for pacing purposes/AWRs.

4. Pacing Guide

- ❖ ***The ToR must complete a Pacing Guide for all core subjects*** a student is taking. Explain to the parent their responsibility for following the pacing guide on a weekly basis.
 - Pacing guide [templates](#) can be found in the Shared Drive under Education and Curriculum.
 - ToRs may also send copies of the pre-loaded AWRs to families as pacing guides.
 - Families must receive their pacing guides before the first day of the learning period.
 - Help parents to understand what a 'body of work' is.

5. Recording Student Learning

- Explain the options for parents to record student learning in preparation for the LP meeting each month.
- Parents should bring a copy of the Pacing Guide to each LP meeting, in order to reference the material the student completed. The ToR may need to adjust the Pacing Guide each LP for the parent/guardian and provide them with an updated copy.
- Tier System should be embedded here.

6. Ordering: Parents must have an academic plan and all necessary curricula ordered before the ToR can order supplemental courses (PE, art, field trips, etc.)

7. Graduation Goals: (8th grade and up): ToR must communicate that our

goal is to have students graduate and meet graduation requirements. We recommend that all students begin the college a-g track so that they have the widest set of options when they graduate. This is why all students follow a-g curriculum. With either the college or graduation track, all students meet with a School Counselor to schedule classes. For specific and individual college requirements we remind families that the PARENT is responsible for contacting colleges of interest to clarify specific admission requirements. Use the generic HS MAs as a guideline for common courses by grade level.

8. **Start Date:** Inform the parent that a student's start date on the Master Agreement is the beginning of academic learning. It will be either the first day of school, or the date in which the family signs the Master Agreement (after school begins). Families must log academic progress for each subject/course from that point on (even if they start supplemental CCP classes at a later date.)
 - Please note: If a family wishes to start on a date later than their signature date on the MA, please contact **Noel Park in Admissions** and she will adjust the date in school pathways. The MA does **not** need to be redone.
9. **LP meeting location/time:** This must be a public location; no home visits are allowed for liability reasons. *Make sure your LP meeting schedule is established and set before the first day of school.* All LP meetings must be held during work days (M-F) and work hours (8:30am-4:30pm)
 - **Read the section below on LP Meeting Scheduling before establishing your schedule. Elementary and Secondary pathways have different requirements.**

LP Meeting Scheduling

Please note: **At no time should families see the names of the other families you are meeting with on a shared schedule. It is easy to create confidential Calendar Sign Ups in Google Calendar for your LP meetings. See the following video tutorial for instructions!*

1. **LP Week:** Reserve the last week of the LP for your meetings. *If an LP ends on Friday the 5th, meetings should be held the 1-4th or the previous week* Refer to the *Excel 23/24 School Calendar* for school year LP dates. Reserve the Friday of LP week for make-up meetings and taking attendance.
2. **Elementary Pathway- alternating virtual and in-person meetings:** Beginning in 2022-23, ToRs are allowed to alternate LP meetings in-person or virtually on a rotating schedule.
 - Half of a roster *may* be seen virtually, while the other half **must** be seen in person.
 - The following month, ToRs must alternate those families to have in-person meetings with families that were virtual the LP prior.
 - Recommendation: Maintain the same schedule for both virtual and in-person meetings to avoid confusion.
3. **Secondary Pathway- mostly virtual**

- Must either complete two in-person LP meetings, one in the first semester (should be near the beginning of the semester) and one in the second semester. Or, if all LP meetings are virtual, attend two additional in-person school functions to meet family and student in person.
- 4. **Locations:** Pick locations central to your families, doing your best to never make a family drive over 15-20 minutes except in special circumstances that the parent has agreed to ahead of time. Pick a location with ample seating and internet access if you want to work in between meetings. Keep families of small children in mind; the children might squirm and make noise.
- 5. **Duration:** Meetings should be scheduled at least one hour apart for single students in order to make time for a 45 minute meeting. If there are multiple students in a family, schedule an additional 30-45 mins for each student, depending on grade level. High School students may take even more time. It is always better to allow more time than to run out of time.
- 6. **Mandatory:** Stress the importance that LP meetings ***cannot be rescheduled*** unless there is an unavoidable emergency. A doctor's appointment is not a valid excuse, as they should work appointments around monthly meetings. Be kind, yet firm, setting the tone the first time you meet with the family. If a family arrives late, cancels or misses meetings, refer them to the policies in the EACS Handbook. If a family misses their meeting or fails to turn in work, a PIN may be necessary. Give the parent until the attendance deadline for each LP and, if they still have not met with you and/or provided samples, reach out to Erin Petersen (TK-8) or Victoria Firetag (7-12) for a possible PIN.

The Scheduling Email:

*(All emails to families should be **bcc'd** so families cannot see one another's email addresses.)*

- [Create a Google Calendar appointment invite](#), with time slots for parents to sign up their children for an LP meeting. Give a cushion of 10-15 minutes between families to allow for transition time.
- Ensure that you have included the meeting location in the sign-ups. For COVID, we will be virtual and you can utilize Google Meet/Hangouts or Zoom invite links in your calendar appointments.

Make sure your email is friendly, and includes:

- An explanation of what an LP meeting is
- The link to the calendar sign ups
- A reminder that LP Meetings are **mandatory and cannot be rescheduled**, unless there is an unforeseen emergency
- Both the student(s) AND parent(s) are required to be at all LP meetings, no exceptions.
- Students must arrive on time for scheduled time-slots, or risk having it rescheduled.
- Meetings will last approximately 45 minutes per student, depending on grade level.
 - Families with a high school student should expect to give an entire 45-60 minutes for the high school student plus the amount of time needed for any remaining TK-8 siblings.

Progress Monitoring

The primary responsibility of the Teacher of Record is progress monitoring. This comes in many forms:

- Weekly check-ins
- Weekly monitoring of grid logs to document engagement
- Regular and timely communication with families
- Monitoring online classes
- Learning period meetings (monthly or as needed)
 - Goal-setting
 - Monitoring completion of work outlined by the pacing guide
 - Measuring student academic growth
- Assigning additional work if needed
- Monitoring IEP goals
- Using Tier 1-core differentiation strategies to address academic issues

Engagement and Re-Engagement Programs and Policies (AB130/Ed Code 51747)

Recent changes to Ed Code 51747 through AB130, added July, 2021, require independent study programs to outline, offer, engage and re-engage students in synchronous instruction and live interaction. These guidelines and Excel's program adaptations to meet these guidelines are listed below. This new legislation has made programming fluid and may change as needed.

Tiered Engagement

Excel has adopted a tiered re-engagement strategy, which is outlined in the Acknowledgement of Responsibilities signed as part of the Master Agreement. Students must engage in educational

activities on a daily basis.

ToR steps for monitoring engagement:

1. Parents are required to mark daily engagement on the student's grid log, which will be reviewed by the ToR at the end of each LP.
2. ToRs are required to monitor school work on a weekly basis.
3. If proof of school work cannot be provided, the ToR will begin the [PIN process](#).

Synchronous Instruction and Live Interaction

Students are invited to participate in daily, synchronous learning opportunities. Excel Academy offers art, music, and SEL classes on a weekly basis.

Elementary & Secondary:

Monday through Friday: Virtual, daily engagement via Zoom for 30 minutes daily

- Students will be provided with additional learning opportunities with one day of the week being designated for SEL.
- Students will be broken into grade-level bands.

Learning Period Meetings

Learning Period (LP) meetings are required every 20 school days by the State of California and are scheduled by the ToR based on the end date of Learning Period (LP). Generally, meetings occur the week an LP ends, but may be held earlier if needed. All meetings should take place before the last day of the learning period. That way, if there is an emergency, there is a chance to reschedule and take attendance before the deadline. **(Please note: You are required to have all samples in-hand before taking attendance.)**

REQUIREMENT: New teachers are required to observe one learning record meeting of their Lead ToR before they meet with their families for LP1. These observations will be scheduled the week prior to LP1 meeting week. The ToR Trainer will then schedule a time to observe the new teachers during their first two learning period meetings.

Each student's curriculum is paced out by the ToR for the school year, with clear expectations for what the student is to complete each Learning Period (LP). The ToR, parent/guardian, and

student will meet together to review the student's body of work and academic progress at the end of each LP. Students meet with their ToR monthly for their LP meeting. These meetings may be in person or online. TK-6 students will alternate LP meetings between in person and virtual. 7-12 students and families must meet with their ToR once each semester in person, in the fall and in the spring. The 7-12 in-person meeting requirement may be met during a Learning Period meeting, a field trip, or a school event.

Purpose of the LP meeting

The purpose is to oversee and assess student attendance and student progress towards subject mastery by reviewing the body of work. This can be a very rewarding part of the ToR position. It is a time to encourage students in their learning and offer parent support. Students and parents may start out very insecure, especially if they are new to independent study, so lots of encouragement may be needed. This is a time to reassure them that they CAN do this! Training parents in what is expected may take several LP's. However, when parents are trained well and follow expectations, you will have meaningful and productive meetings.

What does a meeting look like?

The order of a meeting is flexible, but should include these components:

1. Announcements/scheduling/pressing matters
2. Review of samples for each child
3. Collect samples from every category (ELA, math, sci, ss and PE)
4. Parent mentoring

Objectives during a meeting

1. Review work to assess learning for participation, attendance and mastery
2. Record the work that was completed so you know what to put in the Assignment and Work Record (AWRs)
3. Collect samples to upload into SIS for compliance to match AWRs
4. Assist parents in planning, pacing and troubleshooting

Objective #1: Work Review to Assess Learning

As a ToR, one way to assess student learning occurs during Learning Period meetings. Participating in student centered discussions, based on the student's complete body of work is a great way to connect with students and find out if they understand the material. Beforehand, ensure you communicate with your families the need to bring a body of work from each subject, not just a sample.

- Each student should take 30-45 minutes to review:
 - Take charge of the questions; don't let parent guide the conversation.
 - When possible, allow the meeting to be student-led to promote student advocacy.
 - Allow students to use their notes and samples to answer questions. It's not a test-- it's a conversation.
 - Try to review students separately or require they answer separately.
 - Use samples as a starting point for discussing and assessing mastery.

As students review their work with you, ask meaningful open-ended questions that include a variety of Bloom's Taxonomy and critical thinking. Remain friendly and down-to-earth to build strong relationships. Don't unnecessarily quiz students or put them on the spot, but work towards assessing their knowledge in a variety of ways. You can work on math problems, listen to them spell or read and have them explain concepts based on their work from the month. The types of questions below can be helpful. (Please see [Questions to Check for Understanding Doc](#)).

- *I see you learned about butterflies! Were you able to see real butterflies? Did you read a book about butterflies? Did you color any pictures or do a project?*
- *What steps did you take to create this final draft/project?*
- *What was the most interesting fact you learned about _____?*
- *What are you reading at home? Tell me about your favorite character...*
- *What do you think will happen next in the story?*

***It may take a couple of meetings to break the ice with some new students, but hang in there!*

Assessing Learning in a Virtual Meeting:

During virtual meetings, ToRs should maintain high standards for assessing work. Students must still provide a body of work and should have their workbooks and papers with them. ToRs may need to use creative methods and leverage technology to assess student learning in a virtual setting. See the [Virtual LP Meetings and Training Resources folder](#).

Objective #2: Recording Learning for the LP:

Parents need to communicate the monthly learning that takes place for their student(s). They may use reflection logs, learning logs or pacing guides to do this.

While a pacing guide should be in place before the LP begins, at times students complete slightly more or less than what was planned. The easiest way to communicate the learning from the LP (about 20 school days) is to print out a pdf of the curriculum from SIS and have the family check off the completed assignments. To retrieve the pdf from SIS, follow these instructions:

1. Go to your roster PLS/Student Roster.
2. Scroll down to the student and expand the blue arrow on the left.
3. Click on the green dot next to the subject you would like to open.
4. For the curriculum entered for that subject, click on the “view” button to the right of the curriculum title. (This will open up a pdf that you can then save and print.)
5. Repeat this for each subject for each student. Talk and add notes to grasp a full picture of learning that took place for the LP.

For curriculum that is NOT in SIS, parents can communicate learning with a reflection log, learning log or by referring to the table of contents:

1.
 1. The **Pacing guide** is used to monitor the progress of a student each LP. The pacing guide ensures that the student is making adequate progress and completing the yearly requirement for each core subject. It is required for the ToR to communicate with the family on a weekly basis and make adjustments if necessary.
 2. The **Learning Log** is found in the Parent portal and can be used to record completed work
 3. **Table of Contents:** Teachers can refer to the Table of Contents for that curriculum and take notes as you talk to the student. (Take a picture or Obtain a copy at the beginning of the year.)

Objective #3: Collecting Samples to Upload into SIS for Compliance

During the Personalized Path learning period meeting, your goal is to take a variety of samples from the body of work. You can take paper copies or digital copies. Always take more than you'll need.

- Take lots of pictures with CamScan
- Have parents send them to you in advance if it's a virtual meeting

TK - 8th: Review the entire body of work and collect several graded work samples for each core subject listed on the MA:

- Language Arts
- Math
- Social Science/History
- Science
- PE: Students may complete a PE Log or assignment, such as:
 - **TK-2** A picture with a simple written description by a student or dictated and written by the parent/ToR.

- **Grades 3-5:** A picture with 3-5 sentences of their PE activities related to the picture.
- **Grades 6-8:** A paragraph or two about their PE activities

High School: Review the entire body of work and collect multiple graded work samples for each course title listed on the Master Agreement. High school students must be enrolled in a minimum of five courses per their approved four-year plan ([see High School section](#)).

Objective #4: Assist parents in planning, pacing and troubleshooting

- Leave time to answer parent questions about curriculum, lessons and goals
- Briefly review the next month's goals/pacing
- Don't be afraid to ask for more samples, better quality, or assignments that cover missing standards/objectives
- Ask them how you can help during the next LP
- Remind them that you'll be checking in weekly and that you need a response within 24 hours.
- Remind them about daily attendance

Sample Requirements

As Teachers of Record, the student's *complete body of work* allows us to assess student learning and provide feedback to the parent/guardian. In addition to examining the body of work for the LP, teachers will also be required to **pull a sample from each content area** to upload into the student records system. These samples must contain the following:

1. Samples must be graded/marked:

- a) [Grades \(6-12\)](#) Please include a letter grade, percentage, or fraction (all are okay) that indicates how well a student did on the assignment. If the student misses several questions on the assignment, but the page that is uploaded is free from error, it is advised to please write "page 1 of ____," at the top so that it is understood the missed questions occurred on the pages not included. (Stickers, stars, checks, etc.. are not acceptable substitutes for a letter grade.) *
- b) [Writing Samples](#): The sample should have comments and corrections throughout the piece, along with a letter grade from the parent/teacher, showing they have read through it and provided feedback to the student. High school writing samples earning an A should include a corresponding rubric.
- c) [Grades \(TK-5\)](#): Stickers, stars, checks or comments are acceptable forms of grading. A letter grade is NOT required. However, for math, students should show their work and wrong answers should be clearly marked. Ideally you will include the amount incorrect at the top of the paper, but again not necessary. (ie. -4 or 6/10)

*When labeling a sample digitally, please make sure the font and color is distinctly different

from the front of the sample. This avoids confusion for the auditor.

2. Samples must show as much student work as possible:

- a) Acceptable Samples:
 - i) A picture of a science lab, accompanied by a lab write-up, detailing what the student learned.
 - ii) Math homework in which all the student computations are shown (not just answers).
- b) Unacceptable Samples:
 - i) A photograph of the student completing a lab with NO write-up
 - ii) Multiple choice or T/F exams or worksheets
 - iii) Maps or coloring pages not accompanied by a brief description;
 - iv) Math homework which shows only the answers.
- c) For very young students (TK and K), the parent may write what the child dictates. Have them use quotation marks to indicate it was a dictation. *Once the student is able, they should be encouraged to write independently.*

3. **Samples must be nonsectarian (no religious content)** - please double check the content, as well as the publisher at the bottom of the page.

4. **Samples should represent the student's work for that Learning Period.** The ToR, along with the student and parent should select something that truly reflects the student's abilities.

- a) Equally important is showing a progression of work. For example, a 1st grade student may start with copy work samples and by the end of the year be writing original paragraphs.
- b) Do not accept the same type of sample each Learning Period. For example, language arts includes writing, reading comprehension, spelling, etc. Do not upload a spelling test for each Learning Period sample.
- c) A student's BEST work does not necessarily mean it will be an "A" on every paper. Get to know your students and what they are capable of and educate parents that an "A" is above grade level work.

5. **Samples should represent the student's original work** and may not be plagiarized in any way. (Please refer to the Plagiarism section of the Student/Parent Handbook for more information.)

Withdrawal Process

(During the School Year-First Day of School Until Last Day)

Summer Months: No withdrawal form is needed for students that decide not to enroll during the **summer** months Excel is not in school.

Simply notify:

1. **Registrar:** Previously enrolled students
2. **Admissions:** New Students with No Previous Enrollment

Withdrawals During School Year:

Meet with the parent one last time, if possible, to collect:

1. **Withdrawal Form:** Have the parent sign the withdrawal form that is located in the shared drive. Or, click the link [here](#).
2. Collect **non-consumable books and computers** purchased with Excel student funds.
 - a. If parents refuse to return items or they are not responding to your requests, please send a list of the items not returned to the Registrar's Office. She will follow up with the family to obtain the items.
 - b. Cancel any outstanding orders in OPS.
3. **Attendance Roll (Grid) Log:**
 - a. Send the parent the attendance grid log to sign **with only the dates that the student was actively enrolled checked off**. The last day checked off should be the **date of the withdrawal**.
 - b. You can also print the grid log if the parent is meeting with you and wishes to sign it in person. The signature date on the Grid Log **will be the date of the withdrawal or after** (typically within one week if you are meeting in person).
4. **Collect Work Samples for the days enrolled during the LP:**
 - a. Reach out to April Saade (TK-6) or Lorrie Wood (7-12) and Registrar if you are unable to take full attendance.

Discipline - PINs and BIPs

Progress Improvement Notifications (PINs)

Excel Academy aims to partner with families to create a positive atmosphere in which mutual trust is built between the ToR and parent. In order to achieve this, it is crucial that teachers explain policies and expectations *thoroughly* with parents at the beginning of each school year. Most families will only need this one explanation to smoothly navigate through the rest of the year without a problem. However, some families will fall short of fulfilling Excel Academy Charter School policies and expectations. For those families, we have set up our Progress Improvement Notification (PIN) system, which works to inform parents of their failure to follow policy. Hopefully, this will correct the behavior and show that we have done our due diligence of identifying needed improvement and informing the parent.

Excel Academy has procedures in place to address violation(s) of school policies and student discipline when it comes to academic progress and behavior issues. These processes are categorized as Progress Improvement Notification (PIN) or a Behavior Improvement Plan (BIP) and detail how Excel Academy addresses a variety of respective infractions.

How Do I Know When to PIN?

Students and parents are responsible for complying with the responsibilities as outlined in the Master Agreement, Acknowledgement of Responsibilities, and other independent study policies. If you feel that a parent or student has failed to comply with Excel Academy expectations and policies, please contact the Elementary Coordinator, Secondary Coordinator, or Virtual Path Coordinator respectively prior to issuing or threatening a PIN.

[Click here for the PIN Template](#)

*Instructions are included in the PIN Template

Some of the most common times PINs are issued:

1. Lack of work completion or failure to show work completion.

2. Failure to attend a learning period meeting or other mandatory school meeting.
3. Lack of communication for more than 5 school days, despite attempts at contact by phone and email.
4. Late cancellation of a meeting or cancellation of more than two required school meetings for non emergency reasons.
5. Failure to complete required WIN and/or ELD assignments.

Weekly Check-Ins and PINs

ToRs will conduct weekly check-ins and will monitor student progress.

Prior to submitting a PIN, all ToRs are responsible to reference the Levels of Support to guide students through areas of concern. Issuing a PIN requires evidence that the ToR utilized the Levels of Support to get the student/family back on track.

Levels of Support

Attendance

In our non-classroom based model, attendance is calculated two ways via work progress and daily engagement. Daily engagement is recorded daily in School Pathways. **Please Note:** If you are unable to take full attendance for any reason, please contact Elementary Principal or Secondary Principal and the Registrar. They will work together to ensure that attendance is properly recorded for each ToR for the LP.

Completion of PINs

It is the ToR's responsibility to fill out all PINs. PIN templates are located in the ***Shared Drive***, in the ***Dept. of Education Folder***, then ***PIN Template Folder***. This year we are utilizing one PIN template that can be used for all types of PINs. Detailed directions are in the [PIN Template](#). Always make a copy of the template and save it to your drive before continuing with filling out the information. Any time a second PIN is issued, an AIM meeting will be required. In some cases an SST may be held in lieu of the AIM meeting to ensure the student is being supported adequately. The respective department will make this determination and will inform families for which meeting they should attend. PINs remain in the student file for the academic school year and start over each new school year. If a student receives three PINs in one school year, a third party review may be held by the respective elementary or secondary Principal.in conjunction with the parent, ToR, and an unbiased third party to see if independent study is in the best interest of the student. The determination is final and immediate. For students receiving special education, an IEP team meeting is required to be held following the issuance of a third PIN. SPED Program Specialist should be made aware of all PINs being issued to students with IEPs. Students with IEPs may not be referred to third party review until after the IEP meeting is held to discuss the impact of the student's disability.

Behavior Improvement Plans

Excel Academy will issue a Behavioral Improvement Plan for a student if they violate Excel Academy's behavioral standards. The consequence of violating these behavioral standards as outlined in the BIP, may lead to suspension or from Excel Academy.

[Click here for the BIP Template](#)

Elementary - send to Elementary Coordinator

Secondary - send to Secondary Coordinator

Virtual - send to Virtual Coordinator

For students who commit violations such as dishonesty, cheating, disruption, and inappropriate language, a BIP will be issued with consequences individually designed to help restore the individual student back into good standing with the school. These include but are not limited to a family meeting with the Teacher of Record and Administration, reflecting on the violation, creating a plan of action for redirecting future behavior, writing a letter of apology, rewriting an assignment in question, removal from extra-curricular and/or co-curricular opportunities, removal from the National Honor Society, and/or an in-school suspension.

For students who commit plagiarism, the first offense will result in a zero on the assignment until the behavior is corrected. For the second offense, the student will be removed from the class and will receive an F in the course. If a student earns an F in a course that is required for graduation, then they will be required to repeat this course for credit. Any subsequent offenses will be dealt with on a case-by-case manner.

Violations that may result in suspension or immediate involuntary withdrawal are included in the school's charter petition.

Excel Academy has reviewed Education Code Section 48900 et seq., which describes the non charter schools' list of offenses and procedures to establish its procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 et seq. The Charter School is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a student from regular instruction. This policy shall serve as EACS's policy and procedures for student suspension and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements. EACS staff shall enforce disciplinary rules and procedures fairly and consistently among all students.

High School

HS Terms

Course Title: The course title is the general name recognized for what your student is taking, these are the required courses over the 4 years of high school.

Ex: CP English 9 A/B, CP Algebra 1 A/B, CP Biology w/lab A/B, CP Visual Arts, CP Spanish 1

- Course titles are what the state refers to when we must report which courses our students are enrolled in each year.

Class Name: The class name is specific to the class they are taking.

Ex: EDG English 9.

- Class names are what are shown on the report card and transcript giving a more specific picture to the students' educational journey.

Curriculum Content: The scope and sequence of a course. These contain the objectives and corresponding assignments for each unit and should align with the state standards.

CoCo: Compliance Coordinator - Every teacher who holds a valid, single-subject credential is a Compliance Coordinator.

Pacing Guide: A division of the curriculum content into monthly requirements to ensure that students complete the scope of the work in one school year. The curriculum content in SIS may serve as the pacing guide. ToRs need to download the CC from SIS, indicate work to complete per LP, make a copy, and share with the student and family.

Acceptable Samples: Student work that is acceptable to collect as monthly samples. These include:

- A unit test-strongly prefer that it comes from the publisher or course. All assessments must demonstrate high school level rigor. Final determination on acceptance will be determined by the CoCo.

- A final draft multi-paragraph essay or paper on a related topic. Paper must follow MLA formatting rules. **Papers/essays are required twice a semester.**
- A rough draft of an in-progress paper - a final draft is always preferred and cannot use final draft for future sample. ToRs need to ensure a final draft is completed.
- A lab write-up (science courses only) - must include title, intro/purpose, materials list, method, data, results, analysis, conclusion, and graphs or figures, if applicable. Refer to a [Lab Report Template](#). **Labs are required twice a semester.**
- A project/presentation showing significant learning and application.
- A book report with critical analysis - may not be a simple summary.
- A written copy of a student-written speech or an oral presentation.
- Answers to a section of chapter questions or a chapter review.
- A timeline or map that clearly reflects high school level work/detail.
- A reflective paper (VAPA).
- Another high school-level sample as agreed upon by ToR/parent/student in advance.

Withdrawals may only be issued to students who hold a minimum of six courses prior to the withdrawal and wherein the drop will not impact graduation requirements. Seniors carrying five courses may drop to a minimum of four courses as long as they carry sufficient credits to graduate.

- The minimum & maximum course policy is in place to ensure academic success.
- The minimum number of courses that high school students can register for is 5-6 courses per semester depending on the student’s respective grade level (see graduation track options below for details).
- 12th graders who have earned 180 credits prior to the start of their senior year, can register for 4 courses per semester, equaling 40 credits for the school year.
- If a student is participating in concurrent enrollment, then a minimum of 4 Excel Academy high school-level courses must be taken each semester they are registered for a college course.
- The maximum number of courses high school students can register for is 8 courses per semester including concurrent enrollment courses. See below for concurrent enrollment requirements.

Understanding A-G

- [A Parent's Guide to A-G Requirements](#)
- [UC admissions requirements by subject](#)
- [CSU admissions requirements](#)

A-G Protocol:

- 1) Every core high school is now considered A-G approved. Therefore, students must choose and complete course curricula from the [High School Course Curriculum Catalog](#).
- 2) For students completing courses from an in-person provider, ToRs must verify that the corresponding course syllabus aligns with the Excel Academy approved CP coursework. This is because Excel Academy is the institution issuing the credits and not the provider.
- 3) For Master Agreements, the course names will be prefaced by BT for some electives, CP, EDG, EDY, FLV, LB, or TGS.

Community College Courses

Community College Courses - Concurrent Enrollment Policy

Students may request concurrent enrollment courses by following these steps:

1. Students and parents/guardians discuss concurrent enrollment options with their ToR.
2. ToR will discuss eligibility requirements which include the following: Students must have a minimum 3.0 GPA for academic courses or a 2.7 GPA for elective/vocational courses. Students must show college readiness in their respective core courses (ie. each community college sets their own prerequisites for determining high-school eligibility).
3. School Counselors will only approve college-level courses which are defined as courses that will earn college credit and are either UC/CSU transferable or applicable to earning an Associate's degree or higher. Courses not receiving credit will not be approved.
4. ToR completes Concurrent Enrollment Course Survey.
5. The High School Department either grants or denies approval for a student to take the requested community college course.
6. High School (9th-12th) students must be enrolled in at least 4 Excel classes (20 credits) per semester at Excel Academy to be considered eligible for concurrent enrollment at a community college. Students may take a maximum of 2 community college classes per semester while concurrently enrolled in Excel Academy. This may include one semester-length course and one interim session or two semester-length courses per semester.
7. Junior high (7th-8th) students interested in taking community college courses are limited to math (Algebra 1 or higher math) and/or world language. Please see the [Community College Handbook](#) for grade-level policy per community college.
8. Students must complete and sign the concurrent enrollment form obtained from the community college Admissions office and submit it to the Excel Registrar's office (registrar@excelacademy.education). Please note: The turn-around time for concurrent enrollment approval is 3-7 days depending on wet signature requirements.
9. It is the responsibility of each student to take this signed form back to their respective community college to submit and finalize registration.

10. It is also the responsibility of the student to know the community college's fees, registration, and deadline dates (information can be found on the college's website).
11. If a student's first choice is unavailable and/or if they are unable to register for courses, the student is responsible for informing their ToR and High School Counselor. In this circumstance, students **must** work with their ToR in either finding another course to add to their Master Agreement or removing the course from their schedule. Students need to be aware that if they are unable to register for a late-start college course, then they will be required to enroll in a late-start accelerated high school course with Excel Academy depending on their minimum course count. If an additional community college course is chosen, students must complete and submit an additional concurrent enrollment form to reinitiate the process.
12. Students must be aware and adhere to all college rules and regulations.
13. In order to confirm the course will transfer to the university of the student's choice, please consult with a Community College Counselor.
14. Per the Community College regulations and the CDE, only 5% of Excel Academy students per grade level can attend a community college during the summer. Priority approval will be given to those needing courses to graduate.
15. If a student is found to enroll in a college course that has not been approved by the School Counselor and does not meet Excel Academy's prerequisites for college courses, even if the student completes the course, they will not earn dual credit. The student will earn college credit but not high school credit. The student will be required to complete the respective high school course for graduation purposes.
16. Students will only receive dual college credit in courses that have prior approval from the School Counselor. This **MUST** be pre-approved via the concurrent enrollment form.
17. Grades from any concurrent enrollment course will not be reflected on the Excel Academy transcript until the official college transcript has been received and verified. Upon completion of the college course, students are required to send an **official transcript** to the Excel Academy Registrar's office. Upon receipt, the high school transcript will be updated to reflect grades/credits earned. Please send all transcript requests to:

Excel Academy Charter School
ATTN: Registrar Department
1 Technology Drive, Ste. I-811
Irvine, CA 92618

****If a student fails the community college class and the class/credits were planned toward graduation, then the ToR needs to alert Counselors ASAP to adjust the 4-year plan.

Honors Courses Process & Requirements:

Honors courses are designed to be more in-depth, challenging, and rigorous. Students may take honors courses with prior written approval. The student may submit the course for approval by following these steps:

1. ToR will discuss honors options with students and family
2. Student requests to register for an honors course
3. ToR completes [Advanced Course Request Survey](#)
4. HS department verifies eligibility for a student to enroll in advanced coursework
5. Honors courses require quarterly projects (see above dates)
6. ToR will assist students in meeting additional honors requirements
7. Students must meet the full criteria, or the course will not receive the honors designation
8. Honors credit will not be issued retroactively

AP Courses

Students may take AP courses through one of our online content and community providers with prior approval:

1. ToR will discuss AP options with students and family
2. Student requests to register for an honors course
3. ToR completes [Advanced Course Request Survey](#)
4. HS department verifies eligibility for a student to enroll in advanced coursework
5. ToR informs the student and family that the AP exam must be scheduled and completed through their local public high school. This should be done in early fall
6. Students take an AP exam through their local public high school in the spring

Additional Advanced Course Options

For students wishing to complete a year-long course in one semester (i.e. English 9 A/B) or two courses in the same subject simultaneously (i.e. English 9 A/B and English 10 A/B), they must choose an online curriculum from the High School Course Catalog or enroll in a concurrent enrollment course.

1. ToR will discuss advanced course options with student and family
2. Student requests to register for an accelerated course
3. ToR completes [Advanced Course Request Survey](#)
4. HS department verifies eligibility for a student to enroll in advanced coursework
5. ToR will aid the student in choosing curriculum that would work for this designation or follow the process for concurrent enrollment

For students who are credit deficient, they may request to complete two courses in the same subject simultaneously (i.e. English 9 A/B and English 10 A/B) if summer school is not an option. They must choose a curriculum from the [High School Course Curriculum Handbook](#) with the exception of in-person provider courses.

Junior High students:

Qualified junior high students may take up to two, high school-level courses in either math (Algebra 1 or higher math) and/or world language.

Junior high students requesting to take a high school-level math course must meet the following eligibility requirements:

- Take a proctored and approved Algebra 1 or Integrated Math I readiness assessment with a score of 85 or higher.

And at least one of the following:

- Earn an 85% in a pre algebra course using approved pre algebra curriculum
- Earn 'exceeds standards' in math CAASP for the respective year requested
- Score 'At or above grade level' for 8th grade on 'end-of-year' view of local assessment (i.e. iReady)

Junior High students requesting to take a high school-level world language course must meet two of the following eligibility requirements:

- Student earns a "meets standards" on their CAASPP ELA for the respective year requested.
- Student earns an 85% or higher in English on their report card.
- Student completes a middle school LOTE course with an 85% or higher.
- Student demonstrates fluency in reading or writing in a LOTE.
- Student receives a recommendation from their Teacher of Record or former teacher.

All junior high students may enroll in a junior high or middle school level language course using instructional funds. No credit will be given on the transcript.

Junior high students may submit the course/s for approval, by following these steps:

- Student requests to take high school math and/or world language course/s with their ToR
- ToR completes the Survey for Advanced Courses
- High School Department will review each request to verify eligibility
- If approved, the high school course(s) will be overseen by the High School Department
- The course(s) will be indicated on the Master Agreement for credits, not weeks
- If a student wishes to take an honors-level math and/or world language course, in addition to requesting approval for the core course, they must also request for the honors designation. Please refer to the above honors request process. Upon approval for an honors-level math and/or world language course, students must follow Excel Academy honors requirements for this designation. The GPA will not be weighted because these courses do not count toward graduation credits

- Course/s must be approved by the High School Administration. Junior high school students will have to follow the same add/drop policies as high school students (see above policies).
- Transfer junior high students must show proof of current course enrollment from their previous school via their transcript in order to maintain a high school-level course approval.
- *Per the [CA Dept. of Education](#), junior high students who take Algebra 1 or higher math and/or world language courses are still required to complete courses in both the respective high school math and world language required categories while in grades 9th-12th. Thus, high school-level courses taken in junior high do not count towards the 220 credits required for graduation.*

Sample Compliance:

- 1) Include the student's first name as it appears on MA - This can also be a nickname, if it makes sense. For example, Michael may appear on the MA, and Mike is fine for the sample. If the student's name is Jennifer and they write Carol, that will not work.
- 2) Include the full course title as it appears on the MA - Example Algebra 1 not math - if a teacher forgets the A or the B for a course, and the intended class is clearly evident, sample will be accepted.
- 3) Include the LP #.
- 4) Scan the document to make sure it is free of religious content. Content may include reference to religion only from an academic perspective.
- 5) Assignment must meet grade-level standards – readings must be high school level and work must reflect high school caliber.
Pro Tip: If you are unsure if the literature is high school level, try the following search tools (lexile.com, download apps such as Levelit or Literacy Leveler)
- 6) Grade the assignment – This should be done by the parent/teacher but must be completed by the ToR if the parent does not grade the assignment (ToR can override if they disagree - they have final say). Do not cross out the parent grade. Simply write the “teacher grade” alongside.
- 7) If the sample is an essay, written book report, science lab, or major project and earned an A, it needs a rubric to show the grading – see [rubrics](#) in specific folders in Shared Drive>HSD.
- 8) There must be some indication for why a student earned the specific grade. For example, if a student earns a B-, it needs to be clear why they received a lower grade. This can be accomplished through teacher comments.
- 9) Page numbers are not necessary. However, if the work on the sample appears to be an insufficient amount of work for a high school course, then note page $\frac{1}{2}$, for example.
- 10) Label all pages for work samples with more than one page (Name, LP, subject).
- 11) Assignment must show work (ie. math problems worked out, full sentence explanations for history and English).
- 12) Online work samples do not need additional work shown; the work printed from the online assignment or activity is sufficient.
- 13) Refer to the ToR Training Manual *Compliance* section for more details and the [Compliance FAQs doc](#) for answers to difficult and common questions.

The Compliance Coordinator (CoCo) Team

and their role in helping ToRs

- 1) **Checking curricula** – Compliance Coordinators, in conjunction with the Education Coordinators will verify if the new curriculum is acceptable to use. **Checking state standards** – All curricula needs to adhere to the current CA state standards. The CoCo for each specific subject will verify that the course closely aligns with the state standards.
- 2) **Checking monthly samples** -Every month the CoCos look at each uploaded high school sample to review for compliance and credibility. Each sample is either accepted or rejected. When you open SIS and notice a rejected sample notification, this is a notification that changes need to be made to the sample. Enter the sample section and click on the rejected sample. A note from the team will indicate what needs to be corrected. Please make the correction/s and reupload the new sample.
There is no need to email the CoCo that your sample has been corrected.

ToR Responsibilities –

Each ToR is responsible for the following:

- 1) Helping new students [HS New Student Checklist](#)
- 2) Ensuring every student uses an approved curriculum from [HS Curriculum Handbook](#)
- 3) Filling out the [Course of Study Elementary Doc](#) or the [Course of Study Secondary Doc](#)
- 4) Adding course name to MA - [TK - 12th missing student classes/curriculum](#)
- 5) Bring the following to your first meeting: Curriculum Content for each course, copy of the [Plagiarism Academic Honesty Pact](#) for student to sign, [Parent Letter and Google Fact Sheet](#).
- 6) Creating a [Google Classroom](#)
- 7) Creating a pacing guide for each course
- 8) Weekly checking online course work; highlighting which items have been completed; identifying which items student plans to complete for the next month
- 9) Monitor monthly progress for both online and textbook courses.
- 10) Viewing a body of work and collecting multiple samples (may need as backup)
- 11) Ensuring that students submit two essays each semester to Google Classroom to run through the plagiarism checker. Additionally, two science labs are required each semester as monthly samples.

- 12) Discussing grades ~ current progress & anticipated progress – keeping a written log or gradebook
- 13) Providing support to [struggling students](#) using [the levels of support spreadsheet](#)
- 14) Identify any students working at a 70% or below on a [monthly progress doc](#).
- 15) Keeping written log of concerns in portal and creating a student support log (this will make any SST meeting much more successful and productive)
- 16) Students are required to take one CHYA course in junior high school and once when in high school. Parents can OPT OUT via email/letter. Place in SIS notes and archive.
- 17) Reviewing each sample for the following – proper heading, legible, enough work to merit a passing grade, no religious content, incorrect answers or work are marked accordingly, and an accurate grade with rubric when needed
- 18) Proctoring A-G online final exams in the fall and spring.

It is the ToR's responsibility to be checking in with HS students on a weekly basis. Specifically for online courses, it is important to view the 'score to date' which is the most accurate grade the student has in the course. Example: If a student is showing 87% as their current grade, but only completed 36% of a course, that just means their average grade on assignments is a B. However, if you add in the zeros for the incomplete work, the student would actually be receiving an F in the course. To sum up: The 'score to date' shows the actual grade with the zeros included.

Report Cards

Report cards are required for students in grades TK - 12. Please have the necessary discussions with parents prior to grading so parents are aware of the grades prior to receiving the report card(s). The grades administered on the report card are final, as determined by the ToR and the

administration. Please refer to the *Grading Scales* document (included in the handbook and shared assessment folder) and the directions for administering grades.

Grading Scales

TK-5 Students

The 4 – 1 grading scale that Excel Academy implements will give parents a clear understanding of student performance and progress.

4 Exemplary – Student consistently demonstrates an in-depth understanding of the standards, concepts, and skills taught during this reporting period. Student is working above grade level and produces outstanding work with little help or reteaching.

3 Proficient: Student consistently demonstrates an understanding of the standards, concepts, and skills taught during this reporting period. Student is meeting grade-level expectations, and able to complete assignments with appropriate amount of instruction and assistance.

2 Approaching Proficiency: Student is approaching an understanding of the standards, concepts, and skills taught during this reporting period. Student is working towards grade-level expectations. Student requires many tools and reteaching to understand concepts being taught, works at a slower pace, or works slightly below grade level at a faster pace.

1 Non-proficient: Student does not yet demonstrate an understanding of the standards, concepts, and skills taught during this reporting period. Student is working far below grade-level expectations. Student may have difficulty understanding new concepts.

***Please understand that a student who earns a “3” is at grade level and is where he/she needs to be working at this time. A student who earns a “4” is working above grade level and consistently provides excellent work in all areas of the course.**

Grades 6 – 12

Students in grades 6 through 12 will earn grades using the standard A-F scale (see below). Grades will be specific to the grading scale.

*Outstanding performance in mastery of the subject. Achievement of superior quality.

98 - 100 = A+

93 - 97 = A

90 - 92 = A-

*Consistent performance in achievement beyond the usual requirement. Achievement of high quality.

88 - 89 = B+

83 - 87 = B

80 - 82 = B-

*Performance meets grade-level standards and expectations. Achievement suggests sufficient understanding of the subject/course.

78 - 79 = C+

73 - 77 = C

70 - 72 = C-

*Minimally acceptable performance of course-level material. Achievement suggests below-average understanding.

68 - 69 = D+

63 - 67 = D

60 - 62 = D-

*Achievement is at a level insufficient to demonstrate an understanding of the basic elements of the course and will not count towards graduation requirements.

59 and below = F

*****Students taking online A-G courses or Community College courses will be graded by the instructor teaching the course**

OPTING OUT OF STATE TESTING

As TORs and representatives of a state funded charter school, we want to discourage parents from opting out students from testing, and emphasize the positive aspects of test taking. Please refer to the information provided below to help you address this subject if necessary.

Q: Are there specific forms approved for opting out?

The answer is **NO**. There are many created forms found online, but there is not an official form for opting out of state testing.

Q: As employees of Excel Academy, why is it important to encourage state testing?

The state has issued a mandatory 95% participation rate for state testing. It is our role as teachers to encourage and educate our families to participate in testing. Opting out of state testing cannot be an option. Effective during the 21/22 school year, if CAASPP participation rates fall below 95%, our charter school will suffer significant penalties when it comes to reporting the school's performance measurement. Students who do not participate in testing will ultimately be assigned the lowest scale score possible which will hinder the overall performance score of the school. Charter Schools who are designated as low performing are subject to non-renewal. At Excel Academy, our priority is always our students and sustaining longevity in the incredible model we offer to our families. We want to work together to continue to provide a one of a kind top notch educational experience for our students.

Q: What can we share with parents to encourage participation in state testing?

We must let parents know that instructional funds and our charter are dependent upon participation in state testing. State testing is the primary way data is gathered to show stability and growth in a school. **Without data and accountability, districts do not want to hold a charter; therefore, Excel Academy could be at risk.**

Please reiterate the following message to parents/guardians.

Effective during the 21/22 school year, if CAASPP participation rates fall below 95%, our charter school will suffer significant penalties when it comes to reporting the school's performance measurement. Students who do not participate in testing will ultimately be assigned the lowest scale score possible which will hinder the overall performance score of the school. Charter Schools who are designated as low performing are subject to non-renewal. At Excel Academy, our priority is always our students and sustaining longevity in the incredible model we offer to our families. We want to work together to continue to provide a one of a kind top notch educational experience for our students.

Excel Academy is successful in making testing a fun and positive experience for the students and the parents. We want to encourage and support parents and assure them that there is nothing to be afraid of. We must be very mindful of our delivery and attitude and how much that will influence the decisions our parents make. If a parent is negative about state testing, ask the parents what their concerns are and work to address them through understanding, compassion, and education.

- Share with parents that testing is an important life skill.
- Results from testing can be helpful in guiding curriculum choices and instruction.
- Parents have the right to choose if they want to share the test scores with their student(s).
- The experience of test taking is important.
- In person testing - TBD - More than likely we will remain virtual.

- The testing sites are safe, and our students are monitored and supervised by our credentialed teachers and staff in and out of the testing rooms, outside of the restrooms, and in the snack area.
- Parents are welcome to stay at most of the testing locations outside of the testing rooms, and can carpool to the designated locations.
- The state requires 95% participation in state testing or Excel's charter could be at stake.
- The state provides the funding for Excel Academy's charter which is passed down to Excel families through instructional funding. Without a charter, our families would not have the instructional funding to enhance their students' education through purchased curriculum, materials, and vendor courses.

Q: Is there a consequence for students who do not participate in state testing?

Although it is the parent or legal guardian's right to opt out of state testing, as a public charter school, Excel Academy is required and legally has the right to request data for all students to show academic growth and progress.

If testing is in person, participation in an alternative assessment *at the testing location* for the required two days will need to be enforced. If testing is virtual, ELA and math testing will be separated over two set sessions.

*****IMPORTANT*****

When do we mention the alternative assessment to state testing to parents who want to opt out their student(s) from state testing?

The alternative assessment can only be suggested if a parent strongly refuses participation in the state assessments AND is starting the opt out process described below.

- 1. DO NOT mention the alternative assessment prior to having parents understand the importance of state testing.**
- 2. We DO NOT want our Excel Academy families to choose the alternative assessments in lieu of state testing.**
- 3. Excel Academy DOES NOT receive participation credit from the state of California for these internal assessments.**
- 4. CAASPP results are reflected on the state's dashboard, not internal assessments.**

Parents who decline the alternative assessments are to be notified that their student(s) will earn a PIN for EACH assessment that is not completed.

What is an alternative assessment?

- An alternative assessment will be issued in both math and language arts.
- The paper pencil assessments will cover grade level standards and will be multiple choice and some fill in completion.
- The assessments will be completed and graded, and parents will be notified of the scores. Parents will not receive copies of the assessments, as these tests are the property of Excel Academy.

Where do students take the alternative assessments?

If in person testing takes place, parents of students taking the alternative assessments will register as they would if their students were taking the state assessments. They would choose a testing location and two dates to attend (one for math and one for language arts). **STUDENTS WILL NOT BE ALLOWED TO TAKE THESE ASSESSMENTS AT AN LP MEETING OR ANOTHER LOCATION. These students will be treated equally to those who are taking the state assessments.**

If virtual testing resumes, ToRs will set two Zoom sessions to test their students in ELA and math.

Does the TOR need to notify the Director of Assessment and Accountability if a student is opting out of the state assessments, but has agreed to take the alternative assessments?

Yes, the Director of Assessment and Accountability will need to be informed by the ToR that the student is taking the alternative assessments either at the specific location (in person) or via Zoom (virtual) and the specific dates to ensure that the Director of Assessment and Accountability provides the assessments on time.

Can a student earn a PIN for NOT participating in state testing?

We cannot issue a PIN for a student who does not participate in state testing because parents have the legal right to opt out. **HOWEVER**, because Excel Academy has the legal right to assess students “in house” and collect data showing progress and growth, and is required to do so by the Governing Board and districts holding our charters, we can issue a PIN for each day the student does not show up to one of the designated testing locations to take the alternative assessments. **Students can earn two PINS for not participating in both language arts and math alternative assessments at the testing locations or virtually.**

Example - A PIN will be administered if a student does not take the math alternative assessment. A PIN will be administered if a student does not take the language arts alternative assessment.

Will PINs be given to students who are “no shows” at testing and make-ups?

Yes, this policy will also hold true for students who are “no shows” at testing and make-ups.

What are the proper steps to handle parents who insist on opting out of state testing?

Parents will need to follow the opt out process AFTER the ToR has tried to encourage participation AND has explained the alternative assessment.

All parents of students who opt out of state testing will need to complete the following steps to submit an opt out notification to Excel Academy’s Director of Assessment and Accountability. (Including parents of students who choose to have their students participate in the alternative assessment.) These opt out letters will be filed in case of an audit.

If the family is persistent about opting out, inform the parent that a letter **MUST** be submitted via email to the Director of Assessment and Accountability.

Letter **MUST** include:

- Student(s) names
- Grade level(s)
- Parent Name
- Waiving - **ALL** CAASPP testing (SBAC Math, SBAC ELA & CAST Science for grades 5, 8, or grade level determined by the state of California) **OR PART** of testing and **MUST SPECIFY** which test(s)
- Include whether or not the student will be taking the alternative assessments in lieu of state testing at a designated testing location (if in person) or via Zoom (if virtual).

Please reach out to the Director of Assessment and Accountability if you have any questions. **As the TOR, it is your responsibility to share all aspects of testing with your families, including the PIN policy, prior to the Director of Assessment and Accountability contacting the families.**

State and Local Assessments

(CAASPP, ELPAC, PFT, and i-Ready)

Standardized Testing

The California Assessment of Student Performance and Progress (CAASPP) is the state-mandated academic testing program. All charter schools are required to administer the CAASPP as well as other state-mandated assessments such as the ELPAC and PFT (Ed. Code, §

47605(c)(1). CAASPP is a system intended to provide information that can be used to monitor student progress on an annual basis and ensure that all students leave high school ready for college and career. Following the spring of each year, individual student test score reports are provided to parents. Student score reports will include an overall score and a description of the student's achievement level for English Language Arts (ELA) and mathematics.

In California, parents may opt out of state mandated academic testing by submitting a written request to the school each year, but this only applies to the state mandated assessments. *We do not recommend opting out.* There is no law permitting a parent to opt out of the school's internal assessments, and therefore, students are required to participate in all internal assessments. **Every ToR MUST read the document titled Excel Academy - Protocol for Opting Out of Assessments 23-24- ASMT located in the shared drive under assessments.**

Charter schools exist in a performance-based accountability system where they are held accountable for student academic performance. In fact, a charter school cannot continue to exist without collecting data on students' performance on a variety of assessments and indicators. When a charter authorizer is evaluating whether to revoke a school's charter, or to grant a school's charter renewal petition, "increases in pupil academic achievement" is the most important factor in the decision. (Ed. Code, §§ 47607(c)(2) , 47607(a)(3)(A).) Therefore, it is important during the revocation and renewal processes for a school to gather as much positive academic achievement data as possible to show progress in student performance. Evaluating graduation, attendance, suspension, and English Learner (EL) reclassification rates are also ways to show student progress. However, student participation and performance on state mandated assessments is by far the most common and used method, and results are indicated on the California School Dashboard and System of Support. The Dashboard is a powerful online tool to help districts and schools identify strengths and weaknesses and pinpoint student groups that may be struggling (<https://www.cde.ca.gov/ta/ac/cm/>). Your student's participation in state mandated assessments is highly encouraged and recommended. **Please remember that results and attendance from all state tests are directly tied to school funding per recent LCFF legislation and are an integral part in maintaining partnerships with our chartering school districts.**

If you have any questions, please contact Excel Academy's Director of Assessment and Accountability, Jenny Craig at jcraig@excelacademy.education.

Proctoring

- ToRs will proctor the i-Ready assessments virtually. For specific details, see Assessments-ASMT > i-Ready Information
- - i-Ready proctoring will be done by ToRs

- Testing window #1 - 9/5 - 9/18 - ALL K- 11th GRADE STUDENTS
 - Testing window #2 - 11/6 - 11/17 WIN AND SHORELINE STUDENTS ONLY & THOSE WHO CHOOSE TO TAKE A MID-YEAR ASSESSMENT
 - Testing window #3 - 3/4 - 3/15 - ALL K - 11th GRADE STUDENTS
 - Each testing window will begin with 5 days for math, 5 days for reading, and 5 days for make-ups.
 - ToRs will create their own schedules for testing (i.e. block two hours per day for students to attend a Zoom session - students will login on their own) It is highly suggested that ToRs test students the first two weeks of each window and team with other ToRs to proctor.
 - As of July 18, 2021, Google Chrome Versions 80 and below will no longer be able to access the i-Ready Platform. Students will have access to borrowing an EACS computer if needed.
- ToRs will proctor CAASPP assessments
 - CAASPP proctoring days will be based on student enrollment and the need of 1:1 test takers. The SPED team will proctor students with 1:1 accommodations provided the students have current IEPs. The number of necessary ToR proctoring days assigned are not set at this time if the state moves forward with in person testing. If EACS continues with virtual testing, ToRs will resume testing students on their own. It is highly suggested that ToRs work with other ToRs to create a schedule and share the proctoring responsibilities.

English Language Proficiency Assessments for California (ELPAC)

The English Language Proficiency Assessments for California (ELPAC) is aligned with the 2012 California English Language Development Standards. The ELPAC consists of two separate assessments: one for the initial identification of students as English Learners (ELs) and a second for the annual summative assessment to measure a student's progress in learning English and to identify the student's level of ELP (cde.ca.gov).

- Grades K-12 - TK students take the kindergarten assessment
- English Learners only
- Test Administration
 1. Initial Identification - When student enrolls with Excel Academy - Dates and Locations TBD (Assessment will be administered by trained proctors.)
 2. Annual Summative Assessment - Beginning in the Spring

- Results are provided by the California Department of Education and sent to the school. Once received, parents will receive a letter explaining student score reports.

English Learners (ELs)

ELs are targeted for ELPAC testing when the Home Language Survey indicates that their primary home language is a language other than English and are tested during the school year.

- Excel Academy students are in an English Language Mainstream academic program with an English Language Development (ELD) Support Curriculum. The mainstream curriculum is taught and/or supported by CLAD certified teachers and includes vocabulary and visual thematic-based support. ELs are accommodated within this curriculum by providing multiple opportunities to demonstrate mastery on all assessments, including writing assignments.
- Progress in their assigned ELD curriculum is monitored weekly by the ToR. Excel Academy requires students to participate in both synchronous and asynchronous instruction for a total of 150 minutes each week. ***Questions pertaining to ELD curriculum can be directed to Tamara Murphy, Intervention Coordinator.***
- Both the parent, as the primary educator, and the ToR are responsible for ensuring adequate progress through the ELD curriculum.

Criteria for Reclassification to Fluent English Proficient (RFEP)

In order to be reclassified to Fluent English Proficient (FEP) and exit the EL program, students must meet the following criteria:

- Minimum ELPAC overall score of 4
- Teacher Evaluation
- Parent Approval
- CAASPP - Smarter Balanced and/or Local Assessments (i.e. i-Ready) can also be used in determining student readiness for redesignation

CAASPP - California Assessment of Student Performance and Progress

California Science Test (CAST) – Computer Based Assessment

- The California Science Test (CAST) is an online test based on the California Next Generation Science Standards (NGSS).

- Participation in the CAST is required for all students in grades five and eight and for the pre-selected high school grades.
- All local educational agencies (LEAs) with eligible students in grades five and eight will administer the CAST. LEAs with eligible students in high school (i.e., students in grades ten, eleven, or twelve) will be pre-selected to participate in the spring assessment. The CAST uses the current California Assessment of Student Performance and Progress test delivery system and will only be administered online (www.caaspp.org).

Smarter Balanced Assessment Consortium (SBAC) – Computer-Based Test

With new state standards, students are working harder, thinking more critically, and applying their learning to the real world. To measure these new standards, educators from states using Smarter tests have worked together to develop new, high-quality tests in English and math for grades 3–8 and 11. Using computer adaptive technology, the tests are customized to every student (smarterbalanced.org).

- Grades 3 - 8 and 11
- ELA and Math – Computer Adaptive Tests (CAT)
- ELA and Math – Performance Tasks (PT)
- CAASPP - SBAC spring testing - Dates and Locations TBD
- Registration for the SBAC ELA/MATH/CAST will take place with the ToR. Information will be emailed to parents in February.
- At testing sites, whether in person or virtual, cell phones are highly discouraged, and *no* electronic devices are allowed during testing, including smart watches.
- If testing is in person...
 - Parents are notified when students have completed testing by a proctor at the site.
 - Parents are welcome to stay in the waiting area at most sites, but are not allowed in the testing rooms.
 - Technology usage by students is prohibited in the designated testing areas.
 - Photo ID may be *required* at pick-up.
 - Siblings picking up students **MUST** be old enough to have a photo ID and must be identified at the time of check-in.
 - Students may bring water and lunch to testing in a clear bag. Backpacks are not allowed.
 - Students will be encouraged to take breaks during testing (i.e. restroom and snack breaks).
 - Parents **MUST** review this information with their students.

Student Testing Participation Requirement

All students currently enrolled in Excel Academy are required to participate in the aforementioned tests (where applicable). Failure to participate or satisfy the above requirement

with alternative paper-pencil assessments will result in Progress Improvement Notifications (PINs) being issued to the student. Please refer to Excel Academy's Progress Improvement Notification Policy and Opt Out Protocol document in the ToR manual. [ToRs will need to reach out to the Director of Assessment and Accountability to issue a PIN. Once approved, the ToR will follow the guidelines of administering a PIN.](#)

Smarter Balanced Assessment Consortium (SBAC) and California Standards Tests (CAST) for Science

Please refer parents to the *CAASPP Practice Tools for Students* document located in this manual, as well as the parent and student handbook and Excel's website. All ToRs should provide this document to their families prior to testing.

Please note that some of the practice tests do not provide answers or a score; however, it does provide your students with the experience of navigating through a sample test session, which is important to practice.

There are four major types of questions that students may see: multiple choice, multiple response, short answer, and performance assessments. Encourage your families to explore and discuss the practice tests with their students.

Physical Fitness Test (PFT) – California

The Healthy Fitness Zone standards are available on the California Department of Education Physical Fitness Test FITNESSGRAM: Healthy Fitness Zone Charts Web page. <http://www.cde.ca.gov/>

OPTING OUT OF REQUIRED ASSESSMENTS

Can parents opt out of the Physical Fitness Test (PFT) according to the California Department of Education?

The answer is no. There will not be an alternative assessment given in lieu of the PFT; therefore, the student will earn a PIN for not participating.

The general opt-out provision of California Education Code Section 60615 does not apply to the PFT. There are a limited number of allowable reasons for not participating in parts or all of the PFT (e.g., medical excuse, student with disabilities); therefore, most students cannot be excused from the PFT.

Can parents opt out of the ELPAC?

The answer is no. EL students will continue to be classified as English Learners until they pass the ELPAC as Reclassified Fluent English Proficient (RFEP).

Can parents opt out of i-Ready benchmark diagnostic assessments? The answer is yes, HOWEVER, ToRs need to discourage opting out of the i-Ready benchmark assessments because the data provided is valuable for the progress and growth we want our students to achieve. i-Ready provides data that will assist with course planning, curriculum and materials, SST evaluations, IEP evaluations, and data that can be shared with the Governing Board and districts holding Excel Academy's charters. **If a student opts out of i-Ready and does not complete the assigned alternative assessments in ELA and math, a PIN will be administered.**

Are there alternative assessments that ToRs need to offer if parents opt out their student(s) from taking the i-Ready benchmark assessments?

YES! If parents choose to opt out of the i-Ready benchmark assessments, alternative paper pencil assessments in reading and math MUST be offered to avoid earning a PIN.

One PIN will be administered if a student does not take both required assessments (either i-Ready or alternative paper pencil assessments) during the set testing windows.

Who administers the paper pencil alternative assessments?

The ToR will administer the paper pencil alternative assessments.

What is the process to obtain the paper pencil assessments?

The ToR will need to notify the Director of Assessment and Accountability and request the paper pencil assessments through a shared Google document.

- name(s) of student(s)
- grade level(s) of student(s)
- reason for not taking the i-Ready benchmark assessments

The Director of Assessment and Accountability will email the assessments to the ToR and the ToR will make arrangements to proctor the tests in person or virtually at an LP meeting or another time and location.

Who will grade the alternative assessments?

Directions for administering and grading the alternative assessments are located in the shared assessment folder.

The ToR will be given the answer keys to the assessments provided by the Director of Assessment and Accountability. A grading template will be shared with the ToR to complete and provide to the parents.

ToRs of EL students will need to provide the results on the shared spreadsheet, as well as to Jenny Craig. Tamara Murphy and April Saade will need to be informed of any student who falls below grade level and is in need of support and interventions.

*****IMPORTANT*****

The alternative assessments do not provide the same level of feedback and results as i-Ready. Although the alternative assessments will provide necessary grade level information, i-Ready benchmark assessment results provide a greater, in-depth understanding of the students progress and gaps seen across grade levels due to the fact that i-Ready tests are adaptive diagnostics, and result in individualized lessons to assist students further.

Furthermore, ToRs should highly encourage their students to complete the individualized i-Ready lessons.

Assessment Guide for Parents

ToRs are responsible for providing a copy of the *Assessment Guide for Parents* (included in handbook) to each family at the first LP meeting. This form shows the tests that are required at each grade level. *****Parents/guardians will Docusign this document along with other essential forms; however, it is important to review the assessments in person.**

- The ToR will indicate the students' names next to their grade levels and highlight the required assessments.
- One copy per family.
- Parents must sign the form indicating they have been notified of the required assessments.
- This document is a great tool for parents to refer to and begin a conversation about assessments. The parent will take the signed copy home.

Testing Resources

For additional information regarding assessments, please refer to Excel Academy's website under *Our Academy* and *Assessments*. For **CAASPP AND ELPAC practice tests**, please refer to *Parent Tools* and *Assessment Resources*. Excel Academy provides the following resources to students:

- Online practice tests links
- EACS created grade level paper pencil assessments in ELA and math
- Virtual test prep sessions

CAASPP Testing Security Form - If testing in person

ToRs must have each family complete one *CAASPP Testing Security Form* once families have registered for state testing. This form will be kept at the testing location in case of an emergency.

- The Director of Assessment and Accountability will notify all ToRs when the forms are due.

Proctoring of State Assessments

Virtual Testing:

ToRs are highly encouraged to work with other ToRs to create virtual testing sessions that are flexible and offer students choice in terms of available times. Multiple sessions over the course of the testing window should be offered to best meet the needs of all students. ToRs are 100% responsible for ensuring the completion of their students assessments.

In Person Testing:

Each year, Excel Academy participates in state testing at various locations throughout Southern California. The Director of Assessment and Accountability works to organize testing locations and a proctoring schedule that best meets the needs of all students. For this reason, it is essential that we have ToRs working together to assist our students. Depending on the number of students registered for the testing sites, Excel Academy teachers will be assigned proctoring days based on student needs. While we try to place teachers at the closest locations to their homes, there will be times when teachers will need to drive quite a distance to proctor at various locations. We try to inform everyone of these location assignments well in advance, in order to allow for scheduling and childcare arrangements.

While we completely understand that sickness is out of the control of the teacher, and a teacher may be sick on an assigned proctoring day, it is the responsibility of the teacher to find someone to take his/her place. In addition, the teacher will need to take a sick day in Paycom and also proctor on another date to make-up for the missed proctoring day. If the teacher is unable to swap proctoring dates with another colleague, please note that the make-up proctoring day may or may not be at the same location, and could possibly be during make-up testing. The Director of Assessment and Accountability will do their best to place the teacher where they feel is necessary and in the best interest of the students. Make-up testing days will be scheduled once the coordinators solidify the number of students needing to test and the locations for testing. State testing is indeed a positive experience and would certainly not be as successful without the support of our Excel Academy Team.

Physical Fitness Test – California

The PFT provides information that can be used by (1) students to assess and plan personal fitness programs, (2) teachers to design the curriculum for physical education programs, and (3) parents and guardians to understand their children's fitness levels. The program also provides results that are used to monitor changes in the physical fitness of California students. By law (Education Code (EC) Section 60800 public schools are required to administer the PFT annually to all students in grades 5, 7 and 9 (cde.ca.gov).

- [Grades 5, 7 and 9](#)
- [Dates vary in February through May](#)
- The PFT is administered by the ToRs. ToRs will provide Excel Academy's Director of Assessment and Accountability with the results for each student tested. A data collection form will be provided prior to testing.
- Accommodations for Special Education students will be outlined in their IEPs or 504 Plans.
- If a parent states a student needs additional support, the ToR will need to notify the Director of Assessment and Accountability to verify accommodations.

Testing Includes:

1. Aerobic Capacity – One Mile Run
2. Abdominal Strength and Endurance – Curl Up
3. Upper Body Strength and Endurance – Push Up
4. Trunk Extensor Strength and Flexibility – Trunk Lift
5. Flexibility – Shoulder Stretch
6. Recording of Height and Weight

PFT Collection Data Sheet

ToRs are responsible for administering the PFT assessment to the students on their individual rosters in grades 5, 7, and 9. Specific details will be provided to all ToRs by the Director of Assessment and Accountability in advance in order to begin preparation for testing.

Please plan a day and location (i.e. convenient park) to assess your students' ability to run a mile, to do curl-ups, trunk lifts, push-ups, and the shoulder stretch. **ToRs may not assist the students on any of the exercises. This includes holding feet down during curl-ups. All exercises MUST be completed solely by the students. In addition, parents are**

not allowed to test the students or assist with testing while students are taking the PFT assessment. Please refer to the *PFT Fillable Form* (included in the handbook and shared drive under Assessment) for you to see the directions for each individual exercise. Please remember to bring a ruler to measure the trunk lift, make a strip of paper for students to use as a marker for their hands for the curl-ups, and a stopwatch to record the minutes and seconds for the mile. **You do not need to document anything on the *PFT Fillable Form*. Please email it to your families, so they can see each exercise and can practice at home in advance. Your documentation will be on the *PFT Collection Data Sheet*.** ToRs will document the information for each student on this sheet and email the document to the Assistant Director of Assessment and Special Programs.

The Director of Assessment and Accountability will keep the ToRs informed regarding the testing window and due date for the *PFT Collection Data Sheet*.

Recommendation - Try to buddy up with a few other ToRs to test your students together. The experience is even more enjoyable when you are working with others to create a low-key, positive environment for your students. For instance, in the past, groups of ToRs held the PFT at a nearby park on a designated weekday and everyone worked together to assess students. It's a great idea to go early and map out the one mile run.

When you are emailing your families about your specific testing date and location, please make sure to ask the families to be on time and have each student prepared with running shoes, a water bottle, a towel or an exercise mat (only if the student already has one), and comfortable, breathable athletic attire.

i-Ready Benchmark Assessments – Computer Based Tests - (K-11)

i-Ready benchmark assessments are adaptive diagnostic tests that will indicate mastery and identify learning gaps in students K-11. This particular assessment will be given in the fall to provide ToRs and parents pertinent knowledge to assist with academic support and guidance, mid year to those who are in the WIN program and want to retake the assessments, and in the spring to determine growth and goals prior to state testing.

- Test Administration –

When we report our data, the data reflected is always in *standard view*. ***Although there are paper pencil assessments in lieu of i-Ready for students in grades K-11, PLEASE encourage ALL of your students to take the i-Ready assessments and utilize the personalized lessons (available for grades K-8). The i-Ready data that is collected is essential for telling our story to our stakeholders, on the LCAP, etc.

Benchmark Diagnostic #1 - FALL

- All students in grades K-11 are required to take the i-Ready benchmark assessments (ELA and math).
- ToRs will proctor students virtually!

- IF a student has specific accommodations outlined on the IEP/504 AND the SPED team/504 Coordinator deems it appropriate for the accommodations to be applied to the i-Ready assessments, the ToR MAY need to proctor the student in person.
- The results shared with the parents/students will be in *standard view* only!
- **Please see the Intervention section for WIN and Shoreline student identification.
- ALL students need to be encouraged to complete the personalized i-Ready lessons that are provided upon completion of the ELA and math assessments.

Benchmark Diagnostic # 2 - WINTER

- ONLY students who are in WIN (falling into tiers 2 and 3 on benchmark #1) and identified as Shoreline will be required to take the second benchmark assessment.
- This will give WIN and Shoreline students an opportunity to test out if they have made sufficient progress. See the Intervention section for details.
- ToRs will ONLY proctor students on their rosters who are WIN or Shoreline students, unless a tier 1 student chooses to retest.
- The results shared with the parents/students will be in *standard view* only!

Benchmark Diagnostic #3 - SPRING

- All students in grades K-11 are required to take the i-Ready benchmark assessments (ELA and math).
- ToRs will proctor students virtually!
- IF a student has specific accommodations outlined on the IEP/504 AND the SPED team/Intervention Coordinator deems it appropriate for the accommodations to be applied to the i-Ready assessments, the ToR MAY need to proctor the student in person.

- The results shared with the parents/students will be in *standard view* only!
- **Please see the Intervention section for WIN and Shoreline student identification.

Important -

- Newly enrolled students will be required to take the i-Ready assessments immediately upon enrollment.
- ToRs will provide the student's score report/data to parents once students have completed both reading and math assessments.
- ToRs will encourage their students to consistently complete the individualized lessons.

*****Alternative paper pencil assessments are available for students in K-11 who opt out of taking the i-Ready assessments. PLEASE ENCOURAGE i-READY TESTING!**

Final Examinations of Online Courses

All students taking online courses with final exams that require proctors, will be given the exams in person. They will be administered by appropriate Excel Academy Staff in the fall and spring where applicable. Please reach out directly to the High School team for specific details.

Types of Student Support

Support Cycle

The Support Cycle may be used to address challenges in any area. Most often it is utilized with students, yet it may be helpful to implement with families and staff members, as well.

WIN Intervention Program (What I Need)

Due Diligence

As a Teacher of Record, it is your responsibility to ensure that students are supported and progressing adequately. It is critical that you consistently monitor your students' academic, social, and emotional needs.

- Be sure you support your students with WIN compliance.
- Create a *Student Support Log* and choose interventions that may be helpful
- Share the log with your SST Contact if the interventions are not helping the student make progress.
- **It is critical that you reach out for additional support and request SST (Student Success Team) meetings when necessary.

Who:

WIN program is required for students in **1st-8th grade**

WIN students are identified by i-Ready diagnostic scores.

Students can test into and out of the WIN program with each test (Fall, Mid-Year, Spring).

Students required to participate in the WIN program are indicated below:

- Overall score (*standard view*) is **RED**

- Overall score (*standard view*) is **YELLOW AND BELOW 50th percentile** (See National Norm)

What:

- The *WIN Program* is targeted, academic intervention and progress monitoring. Monthly plans are outlined in the [WIN Math Plan](#) and [WIN Reading Plan](#).
- A student's WIN program may also include recommended **WIN Live** small group instruction. Students are selected by the Intervention Team.

Why:

- As educators, it is our due diligence & our moral imperative to ensure that each student can access grade-level standards.
- The state of California requires every public school to have a *Multi-Tiered System of Supports (MTSS)* in place to help at-risk students reach state standards and make adequate academic progress. (<https://www.cde.ca.gov/ci/cr/ri/>)

Important:

The WIN program is REQUIRED per the *Acknowledgment of Responsibilities* signed in the *Master Agreement*. Therefore, Parent, Student and ToR participation is required. If students do not participate in the WIN Program they may receive a PIN (Progress Improvement Notification).

Student Success Team (SST)

Process, Forms, & ToR Responsibilities

TK-6 SST Meetings: Tamara Murphy, tmurphy@excelacademy.education

7-12 SST Meetings: Alison DeSchaine, adeschaine@excelacademy.education

An SST (Student Success Team) is a problem solving group that meets to develop strategies and interventions to assist students with academic, attendance, behavioral, &/or social-emotional challenges. Please refer to the [Pre-SST Resources](#) & [SST Info & Directions](#) for more information.

English Learners

Curriculum, Policies, & ToR Responsibilities

TK-12 Designation & ELPAC Assessment - Jenny Craig, jcraig@excelacademy.education

TK-12 Curriculum, Instruction, & Support - Tamara Murphy, tmurphy@excelacademy.education

Compliance - Intervention@excelacademy.education

Designation

Students are designated as English Learners based on their results from the Initial ELPAC assessment. ELs have the opportunity to redesignate if they earn an overall score of 4 on their

Summative ELPAC assessment. This assessment is only offered once annually, in the spring. Please refer to the ASSESSMENT section above for further details. The SIS identification for ELs is a red asterisk. Select the asterisk to view current status details, select “tests” to see their ELPAC assessment scores.

ELD Program Requirements

Excel Academy requires all students identified as English Learners to participate in our ELD (English Language Development) Program through both synchronous and asynchronous instruction. Please see the [ELD Handbook for ToRs](#) for more information.

Translation & Interpretation Resources

Please refer to our [Translation & Interpretation Resources](#) for detailed information.

504 Accommodation Plans

Process & ToR Responsibilities

EACS 504 Coordinator: April Saade, assade@excelacademy.education

TK-6 504 Meetings: April Saade

7-12 504 Meetings: School Counselors

Please view [504 Plans Explained](#) for an overview of 504 Plans. It is important to remember that **504 Plans are a function of general education**, not special education. Most often, new 504 Plans will first be addressed through an SST meeting to gather more information and to determine if a 504 Plan is the proper response to the concern. 504 Plan requests should be addressed in a timely manner to best support the student, parent, and ToR. **Please notify the appropriate 504 contact (listed above) as soon as the possibility of a 504 Plan is discussed.**

Special Education Assessment Requests

IEP Requests: Process, Form, & ToR Responsibilities

School Psychologist: Noell Scott, nscott@excelacademy.education

Intervention Coordinator: Tamara Murphy, tmurphy@excelacademy.education

All special education assessment requests will begin with a *Request for SPED Referral* meeting to document concerns. **If a parent requests a special education assessment, verbally or in writing, please notify Noell Scott & cc Tamara Murphy immediately.** The [Special Education Referral Form](#) will be shared with you. Please fill it out as soon as possible. A

meeting will be arranged to gather more information about the referral concerns. We will also clarify how the process works in our model.

Homeless, Foster, Mobile Youth (McKinney-Vento)

Intervention Coordinator:: Tamara Murphy, tmurphy@excelacademy.education

Definition of Homelessness

The McKinney-Vento Act defines homeless children and youth as individuals who lack a fixed, regular, and adequate nighttime residence.

McKinney-Vento Assistance Act

- The McKinney-Vento Homeless Assistance Act (McKinney-Vento Act) (42 U.S.C. § 11431-11435) is federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

McKinney-Vento Identification

- Identified through enrollment registration packet - [McKinney-Vento Form](#)
- SIS Label is a yellow asterisk
- ToR and/or Coordinator observation - Notify Intervention Coordinator; encourage family to update MKV Form

Homeless & Foster Students

ToRs must notify the Intervention Coordinator when a family makes you aware that they are residing outside of Kern, Los Angeles, San Bernardino, Riverside, Orange, or San Diego county.

Refer to our [Homeless, Foster & Mobile Youth Rights & Support Process](#) for detailed information.

Grade Retention & Acceleration Requests

Elementary Principal: April Saade, assade@excelacademy.education

The general philosophy is that because Excel Academy offers personalized learning, retention & acceleration are rarely necessary. **If a parent is requesting retention or acceleration, the ToR should reach out to the Elementary Principal.** Please also review [Retention & Acceleration Policies & Processes](#).

Field Trips/Community Events

In order to offer quality field trips each year, we depend on our teachers to help chaperone throughout the year. As part of your contract, Personalized Path ToRs are required to fulfill service requirements toward field trips and/or community events. Virtual Path ToRs are not required to complete these duties, but may participate if they choose to do so.

Each ToR may choose one of the following options (see table below) to fulfill their yearly requirements. Throughout the school year each ToR will document what they have completed in each column and change the pink cell to **green**. By the end of the school year, each column that is highlighted in pink should appear in green. Ex. If a ToR attended a field trip to Banducci's Farm, the ToR would record the event and the date under the field trip column and highlight the cell green: **Banducci's Farm 10/27/23**. The ToR would continue this process by signing up for categories that will fulfill their yearly requirement.

Per legal counsel, children of staff who are not enrolled Excel Academy students, may not attend field trips. If your child is an Excel Academy student and you are signed up to chaperone, your child must have a designated guardian attending with them. Waivers should reflect the information of the guardian in attendance and tickets, when applicable, must be purchased for this guardian.

Chaperone Checklist

- **Outdoor Classroom Days** Reach out to the Community Liaison in charge of the park day with any questions.
- Wear your Excel Academy shirt/sweatshirt (and name tag if available).
- Bring your Excel Academy backpack and make sure you have your first aid kit.
- Bring Excel Academy signage, flag, and/or umbrella.
- Please take photos and send them to the Social Media Liaison (Michelle Moran).

Field Trips

- Wear your Excel Academy shirt/sweatshirt (and name tag if available).
- Bring your Excel Academy backpack and make sure you have your first aid kit.

- Double check your clipboard for extra copies of waivers. Copy included below and within the Community Folder of ToR Manual.
 - Waivers: student, parent, sibling
 - Waivers: parent B brings student A (highlighted in Red below)
- Arrive 15 minutes earlier than the time the coordinator of the event asks the families to arrive, so you can notify the venue to anticipate our group's arrival and greet the families when they arrive.
- Reserve 15 minutes for our families to gather before tours or activities start. Please use this time period to:
 - Take attendance and check in families
 - Collect waivers if any are missing
- If it is a larger group, one ToR could help call/text families who are late and wait for them if necessary, while the other chaperone(s) stay with the rest of the group and move on to participate in the field trip activities.
 - The roster will note any special circumstances regarding transportation. If a student arrives with another family (that has not been noted or communicated to you previously by the coordinator), you must call the field trip coordinator.
- Stay with the group until the field trip is over. It is our hope that the presence of Excel Academy teachers at the field trips makes the trips more intimate and allows parents to feel the support of our team, and students feel they truly belong to an incredible school.
- Some parents do not want any pictures, front or back view, of their kids to be posted. Be sure to double check with parents that it is ok to take a photo. Make sure you get the names of the students for small group photos. Please send pictures to the Social Media Liaison and the field trip coordinator of the event to be posted on Instagram and Facebook, as well as the newsletter.
- Thank the families and venue when you leave to signal that Excel Academy's field trip time has ended, and the families are there on their own if they choose to stay. Text the community coordinator of the event when you leave.
- Turn in the collected waivers (one waiver for students, another for parents and non-students, including siblings and guests) to the office the next time you are there. There is no rush.

Reimbursement for Driving

All teachers will receive mileage reimbursement at the IRS published reimbursement rate, this will cover driving expenses related to your job as a Teacher of Record. Teachers will keep track and submit reimbursement for their mileage for all work-related drives, including learning period meetings via Paycom mileage tracker application. Please see mileage reimbursement policy for additional details.

All reimbursements are to be submitted via Paycom and submitted within two weeks (10 business days) of the end of the month for which reimbursements are being requested.

Special Education Department

Students with IEPs

Every student within the Special Education Department (SPED) has what is called an IEP, or Individualized Education Program. An IEP is a document and a map that lays out the program of special education instruction, supports and services a student requires in order to make progress toward grade level standards.

How do I know if I have a student receiving SPED services on my roster?

In the ToR's student roster in SIS, a variety of symbols may appear next to a student's name. If a dark blue star appears, this will indicate that the student has an IEP. The ToR will reach out to the parent and explain how our school works, following the initial phone call guidelines, just like any other student assigned to them. The parent will sign the ***Master Agreement and Acknowledgement of Responsibilities***, officially enrolling them in our school. If the parent of a newly enrolled SPED student poses questions to the ToR that they are unsure of the answer to, reach out to the SPED Intake Manager, Sondra Ryan, for further support.

*****For newly enrolled High School students, it is vital to collaborate with LaKeyshia Ono and the High School Counselors PRIOR to developing the student's MA.***

*****It is imperative that you inform the SPED Director, Lara Ulmer, within 24 hours of the Master Agreement being signed. This 24 hour notification is crucial so that the Special Education team can comply with all legal timelines for newly enrolled students. IEP services cannot begin until a signed MA is received.***

Once the MA is signed, an interim offer will be sent from the SPED Department to the parent/guardian and a 30 day IEP will be scheduled to finalize the student's IEP after a period of data gathering. ***ToRs are required to participate in all portions of all IEP meetings for students on their roster, including the 30 day IEP. At the IEP all team members will be expected to speak to the students academic present levels at the time of the meeting.*** ToRs are the experts in general education expectations and grade level standards at all IEP meetings. This means you

will need to spend extra time getting to know the educational needs/strengths of any new students with IEPs assigned to your roster.

Any questions about a continuing student's IEP should be directed to the assigned Case Manager. The SPED Department Coordinator will be the temporary CM for all newly enrolled students until the 30 day IEP is complete and a permanent CM is assigned.

You can find your student's **Case Manager** within SIS/Pathways.

Find the Case Manager for Your Student:

- ❖ Click on the student name on your roster, which will take you to the student dashboard (see below).
- ❖ The circled names indicate the assigned teacher (yourself) and the case manager for the student.

The screenshot displays the Excel Academy SIS/Pathways interface. The left sidebar contains student information: Grade 5, Age 11, SSID, Local ID, and an Emergency Card. The main content area is divided into three sections. The top section, 'Staff Associations', is highlighted with a red circle and a red arrow pointing to the 'Position' column header. It lists two staff members: Mandy Mashburn (Teacher) and Cathy Kanode (SPED Case Manager). The bottom section, 'Enrollments', shows a table with columns for Track, Start, Finish, Grade, Att, Program, and Grad Req. It lists three enrollment records for the student.

Staff	Position	Start	Finish	Mig
Mashburn, Mandy	Teacher	07/23/2018	present	
Kanode, Cathy	SPED Case Manager	11/09/2018	present	

Track	Start	Finish	Grade	Att	Program	Grad Req

B	07/23/2018	09/03/2018	5	INF	Pre-Enroll - Excel Academy	Elementary (General Education)
B	09/05/2017	06/08/2018	4	IS	Independent Study	Elementary

Students with IEPs will be treated just like any other General Education student, ***except for any areas relating to their disability.***

For instance, if a student with an IEP does not attend/reschedule an LP meeting, they should receive a PIN. Please note that ToRs are NOT required to request permission from the student's CM or any other special education team member prior to issuing a PIN according to the policies and guidelines set by Excel Academy.

Please include the student's assigned case manager **once a student reaches their third** PIN so that the team can guide you through required next steps and collaborate on strategies to best support the student. An IEP meeting is required specifically to discuss PIN concerns, per the EACS SPED PIN Policy.

Following issuance of the 3rd PIN, please continue to issue PINs to all students if necessary, and continue to notify the CM as they accumulate.

*If you are ever in doubt about a student's needs, please reach out to their assigned case manager for more information.

Roles/responsibilities throughout the school year

Open communication with families during the year will assist in meaningful and fruitful IEP meetings. Prior to the first day of school, *the Case Managers will provide you with an “IEP at-a-glance” document for each student at the beginning of the school year and each time the IEP is updated throughout the year.* This document will provide you with a summary of the student's required disability accommodations, goals that are being addressed through the IEP, and the services currently being provided to address the goals. If you have any questions regarding the document or its contents, reach out to the CM.

Throughout the school year you will complete all your regularly assigned ToR duties for all students on your roster, including those with IEPs. However, for students with an IEP, you will have additional responsibilities.

For all students with IEPs on your roster:

- ❖ Read, review and be aware of changes to the student's IEP throughout the school year.
- ❖ Become familiar with each student's goal areas, service areas, accommodations and modifications. Accommodations and modifications are required to be implemented throughout all general education activities.
- ❖ The IEP is a legally-binding document that is active and in place ***every minute of every school day***. Knowing and understanding it will support student progress and success!
- ❖ Communication, communication, communication! Regular communication throughout the year is crucial to a meaningful IEP process.
- ❖ Assist parents with the implementation of accommodations listed in the IEP (related to instruction and strategies.) Please consult with the assigned Case Manager as needed.
- ❖ If you believe you require the assistance of the CM either in preparation for or during a LP meeting, please reach out to them well in advance. Once you have shared your concerns they will determine whether it is appropriate for them to accompany you to the LP meeting, or if a formal IEP meeting should be scheduled to address the concern with the entire team present. e.
- ❖ Collaborate with students' assigned Case Manager prior to report card completion for support with appropriate comment selection.
- ❖ Share all concerns related to special education with the student's assigned Case Manager immediately. The special education department is responsible for addressing many parent concerns in a formal manner via IEP discussion. If a parent is expressing

concerns or directing requests regarding their student's special education services to you; it is your responsibility to direct the parent to their CM.

*****If you reach out to a CM to share a concern or request on behalf of a parent, and do not receive a response within 48 hours, please reach out to Leah Vides, Program Specialist, for further assistance.***

For some students on your roster:

- ❖ In conjunction with the assigned Case Manager or Special Education Coordinator, assist parents with implementation of modifications listed in the IEP
- ❖ Provide consultation or collaboration services as listed in the IEP

Roles/responsibilities in preparation for the IEP meeting

The Special Education Case Manager is responsible for scheduling the IEP meetings and will communicate options for dates and times with all members of the IEP team. Regularly anticipated IEP meetings will be scheduled at least one month prior to the meeting.

Note: Case managers will do their best **not to** schedule regular Plan Review and Eligibility Evaluations during LP meeting weeks. However, due to legal timelines or urgent circumstances, this cannot always be avoided.

General Education Feedback Form: This form will be located within the Shared Drive. In preparation for the IEP meeting you will need to complete it in its entirety.

- ❖ ***Please fill out every section of this form with current information that pertains to your student. You will need to add as much information as possible (1 or 2 sentences does not suffice) including most recent iReady and Statewide test scores if available.***
- ❖ Please remember you are the link to the parent who is doing the primary teaching and using the curriculum and the IEP. If you do not have the information to complete a particular section of the form, please reach out to the Case Manager for guidance. Gathering parent-reported information may be appropriate for some areas, however as the ToR you are expected to have a full understanding of the student's academic levels.
- ❖ Always indicate if the information was gathered via assessment, observation, work samples, parent report etc.

Role DURING the IEP meetings

As the ToR, you are the student's general education teacher of record and a legally required member of the IEP team. You are vital to the educational progress of students with IEPs and considered the general education expert for that student.

The general education teacher is expected to contribute to the IEP team process by obtaining and/or contributing to the team in the areas of:

- General Education curriculum and content.
- A student's performance and engagement within the Independent Study environment.

- A student's interactions with both their peers and parent/guardian.
- The pace at which a student's curriculum is being completed with mastery. Also, *how much reteaching is needed to maintain that mastery.*
- Relating general education assessment results, both formal and informal.
- A student's use of accommodations/modifications in their daily work.

The Case Managers will develop an agenda for each meeting so you know the sequence of topics, and when you will have the opportunity to speak. Throughout the meeting, the facilitator will ask if there are any questions and if certain team members are in agreement with the information being shared or recommendations being made. Please speak up and ask/answer questions throughout the meeting. The IEP requires input and consensus from all members of the team, and your voice is important! However, it is vital to remember that in all IEP meetings, the focus of all discussions and outcomes should be driven by student needs. IEPs are not developed or modified to meet the preferences of the parent or guardian.

Roles/responsibilities AFTER the IEP meeting

After the IEP meeting you will receive the IEP via docusign for your signature on the attendance portion of the consent page.

Please sign to confirm your participation in the meeting within 24 business hours so that all IEPs can be affirmed for compliance within the allotted timelines. You will be notified once the parent has provided consent to the IEP.

- ❖ If the parent contacts you after the IEP to express concerns or pose questions prior to providing their signature of consent, please immediately notify their case manager.
- ❖ The new IEP is in effect once consent is received and the IEP cycle will begin again. If any follow-up activities are required, you will be provided with this information.

Communication Protocol

Forms of Communication Used within Excel Academy:

- ❖ **Beehively:** This is the primary form of communication between both staff and families enrolled in Excel Academy. All important school wide announcements, opportunities, field trips, community events, registration sign ups, and other opportunities are posted on this platform, and will notify parents via email or text message. It is important that

every Teacher's Beehively page is set up and used regularly by Teachers. ToRs who do not use this platform do a disservice to their families, as parents often follow the lead of their Teachers, and may miss out on important announcements and opportunities by ignoring communications sent by the school via Beehively to families.

- ❖ **Email:** Email is the primary mode of communication between staff members, and for one on one communications between a Teacher and a Parent/Student. It is important that if a question can be answered in an email, the sender uses this option. There are two reasons for this:
 - Emails are a perfect way to document a conversation took place and to relocate the information if needed in the future
 - Everyone is extremely busy and cannot take the time to answer the phone when an email is sufficient
- ❖ **Phone:** The phone should be used if the situation or question would be hard to easily describe in an email. (example: a situation with a family is so long and convoluted that it would require multiple emails back and forth.) It should also be used in the event of an emergency situation. Of course, if someone needs medical attention, dial 911 first, but then contact an administrator to apprise them of the situation.
- ❖ **In-Person/Face-to-Face:** This form of communication is rare and will only occur during our Professional Development and Regional Meetings as well as some performance reviews or other critical meetings.

Any correspondence with a student **must include the parent/guardian. At no time should a ToR communicate solely with a student, unless you receive written permission from the parent/guardian.

Please Note: If sensitive information comes up in an email thread or you decide to call the individual(s) instead of continuing the thread, establish that a new form of communication will be taking place by writing something to the effect of: "I will give you a call to finish this discussion." That way, if you need to look back on the topic, you know that the conversation didn't fall through the cracks.

Please Follow the Guidelines Below:

Sender

- ❖ **Only include those who need to know or respond to the communication.** Think through before sending. Refer to each department's Who Does What sheet if you are unsure of who to email.
- ❖ **Always "BCC" emails with large groups of people.**
 - **"bcc"** allows receivers to "reply" back to the sender without including anyone else in the reply. This cuts down on unnecessary replies of "thank you" to everyone.

- **“bcc”** allows for the privacy of other receivers of the email. **Always use “bcc” when parent email addresses are involved. This will not allow anyone to see the email addresses.**
- **“cc”** is used when you do not need to hide the privacy of someone that is needed on the email.
 - **Ex.** Email to Lorrie that you would like to also be seen by Salmeh in admissions, but the primary email is to Lorrie.
- ❖ **Title:** The title should **reflect what you are communicating in the email**. Start a new email, rather than bring up a topic not related to the email string. *Do not attach an important conversation to the bottom of an email chain that has nothing to do with the topic. Do not start a new email chain about a topic already being discussed.*
 - **Ex:** A chain about a student not completing iReady:
 - **Incorrect:** “iReady”
 - **Correct:** “J. Smith Did Not Complete iReady”
 - **Incorrect:** “Idea”
 - **Correct:** “Idea for End of the Year Luncheon”
 - **Ex:** The email chain above turns into a conversation about concern over J. Smith’s grades
 - **Correct:** Start a new email with the title **“Question about Student Grades”** with the appropriate people attached
 - **Incorrect:** Continue the conversation with people that do not need to be on it in a chain that has a title that does not fit the topic
- ❖ **Follow-up protocol:** If you do not receive a response **within 48 business hours**, you may send a follow-up email.
- ❖ **Urgent Emails:** Emails that must be handled immediately due to time sensitivity. After 4 hours, you may follow up the email with another email and phone call.
 - If your request is Urgent, the title should include the word **Urgent** at the beginning, with the meaningful title following.
 - **Ex. Urgent: Concerning Student Conduct**
 - Urgent Emails should be answered **within 4 hours** during office hours (8:30-4:30)

****What emails should be considered urgent?**

SPED Testing Request, time sensitive SPED situations, Reports of Self-Harm, Emotional Distress, Abuse, Emergencies, etc.

****What emails should NOT be considered urgent?**

Work permits, concurrent enrollment forms, enrollment or withdrawal of a student, general IEP questions, attendance questions (unless you are Cori or Keri), etc. All aforementioned items have a process in place to review such requests.

- ❖ **DNR:** (Do Not Reply) Emails that are Informational Only and Do Not need a response:
 - Title the email with DNR and then the title
 - Example: ***DNR: Finished Editing the Safety Plan***
- ❖ **PR:** (Please Reply)
 - Emails in which you need a simple confirmation from the receiver of “Got It” or “Okay” in order to know they reviewed it and understand the contents
 - Ex. ***PR: New Guidelines Attached***
- ❖ **AR:** (Action Required)
 - Emails that require an action to be taken [i.e. surveys, student request, inputting payroll numbers, etc.
 - Ex. ***AR: Roster Requests for 2019/20 School Year***

Receiver

- ❖ Do NOT respond to emails with DNR
- ❖ Do reply to PR emails with a “Received” or other acknowledgment of receipt
- ❖ Complete the action of AR emails within a timely manner
- ❖ If a sender accidentally sends an all staff email via CC rather than BCC, do NOT “reply all” to it. This adds unnecessary emails to everyone on the email.
- ❖ Reply to all emails within 24 hours and all urgent emails within 4 hours

Things to Avoid:

- ❖ Do not use ALL CAPS, as it can be construed as anger or yelling.
- ❖ Always read through and soften up anything that could be taken in the wrong way.
