Staff Spotlight

Kelsey Lima, our 5th grade Virtual Path teacher, continually strives for excellence and puts the needs of her students and fellow teachers as a high priority. She did a fantastic job of orienting new families this summer while the teachers were on break. Kelsey brings so much energy to her classroom and puts her heart into everything she does!

Looking forward to...

A schoolwide community event for all students held in 9 locations in 9 different regions!

Nine of our leadership team members look forward to attending the 20th annual APLUS+ Network Conference in Sacramento.

Our Teachers of Record will be meeting together in person to connect with one another and discuss the progress of the year.

A young boy with dark hair is looking through a white microscope in a classroom. A teacher with long dark hair is leaning over him, assisting him. The scene is lit by a desk lamp. A large, semi-transparent blue rectangle is overlaid on the center of the image, containing the text "Thank you!".

Thank you!
