EDUCATION GOALS

- Improve academic achievement for all students through effective instruction and engaging curriculum

- Create a positive school environment through high quality teachers, best practices and intervention to ensure student success

- Establish partnerships and connections with our families and community stakeholders through increased opportunities for involvement and input to our school culture.

- Ensure high school students are on track to graduate and have access to our CTE program.

DEPARTMENT GOALS

- Improve communication across all departments

ELEMENTARY

- Increase reading fluency with benchmark assessments at the beginning and end of year assessments

SECONDARY

- Increase our participation in our CTE classes

VIRTUAL

- Foster a greater sense of community and belonging amongst the teachers and students on the virtual path.

COMPLIANCE & AUDIT
GOALS

- Understanding the audit deadlines. There have been more requests this year than in the past
- Preparing documents for these expectations in advance.
- Continuing our great relationship with the auditors.

Compliance GOALS

Training

Cross training on the required reports

Attendance

Continue to encourage teachers to pull in support when we see a student struggling.

Time Management

Continue to develop ways for our teacher to complete their required paperwork in a more efficient manner to free up more time to engage with students.

THANKS!
