

# **Excel Academy Charter School's School Accountability Report Card (SARC) Highlights**

January 11, 2024

# What is the SARC?

The purpose of the SARC is to provide parents and the community with important information about each school. A SARC can be an effective way for a school to report on its progress in achieving goals. The public may also use a SARC to evaluate and compare schools on a variety of indicators.

# What information does the SARC contain?

- Demographic data
- School safety and climate for learning information
- Academic data
- School completion rates
- Class sizes
- Teacher and staff information
- Curriculum and instruction descriptions
- Postsecondary preparation information
- Fiscal and expenditure data

The state inputs the collected data automatically.

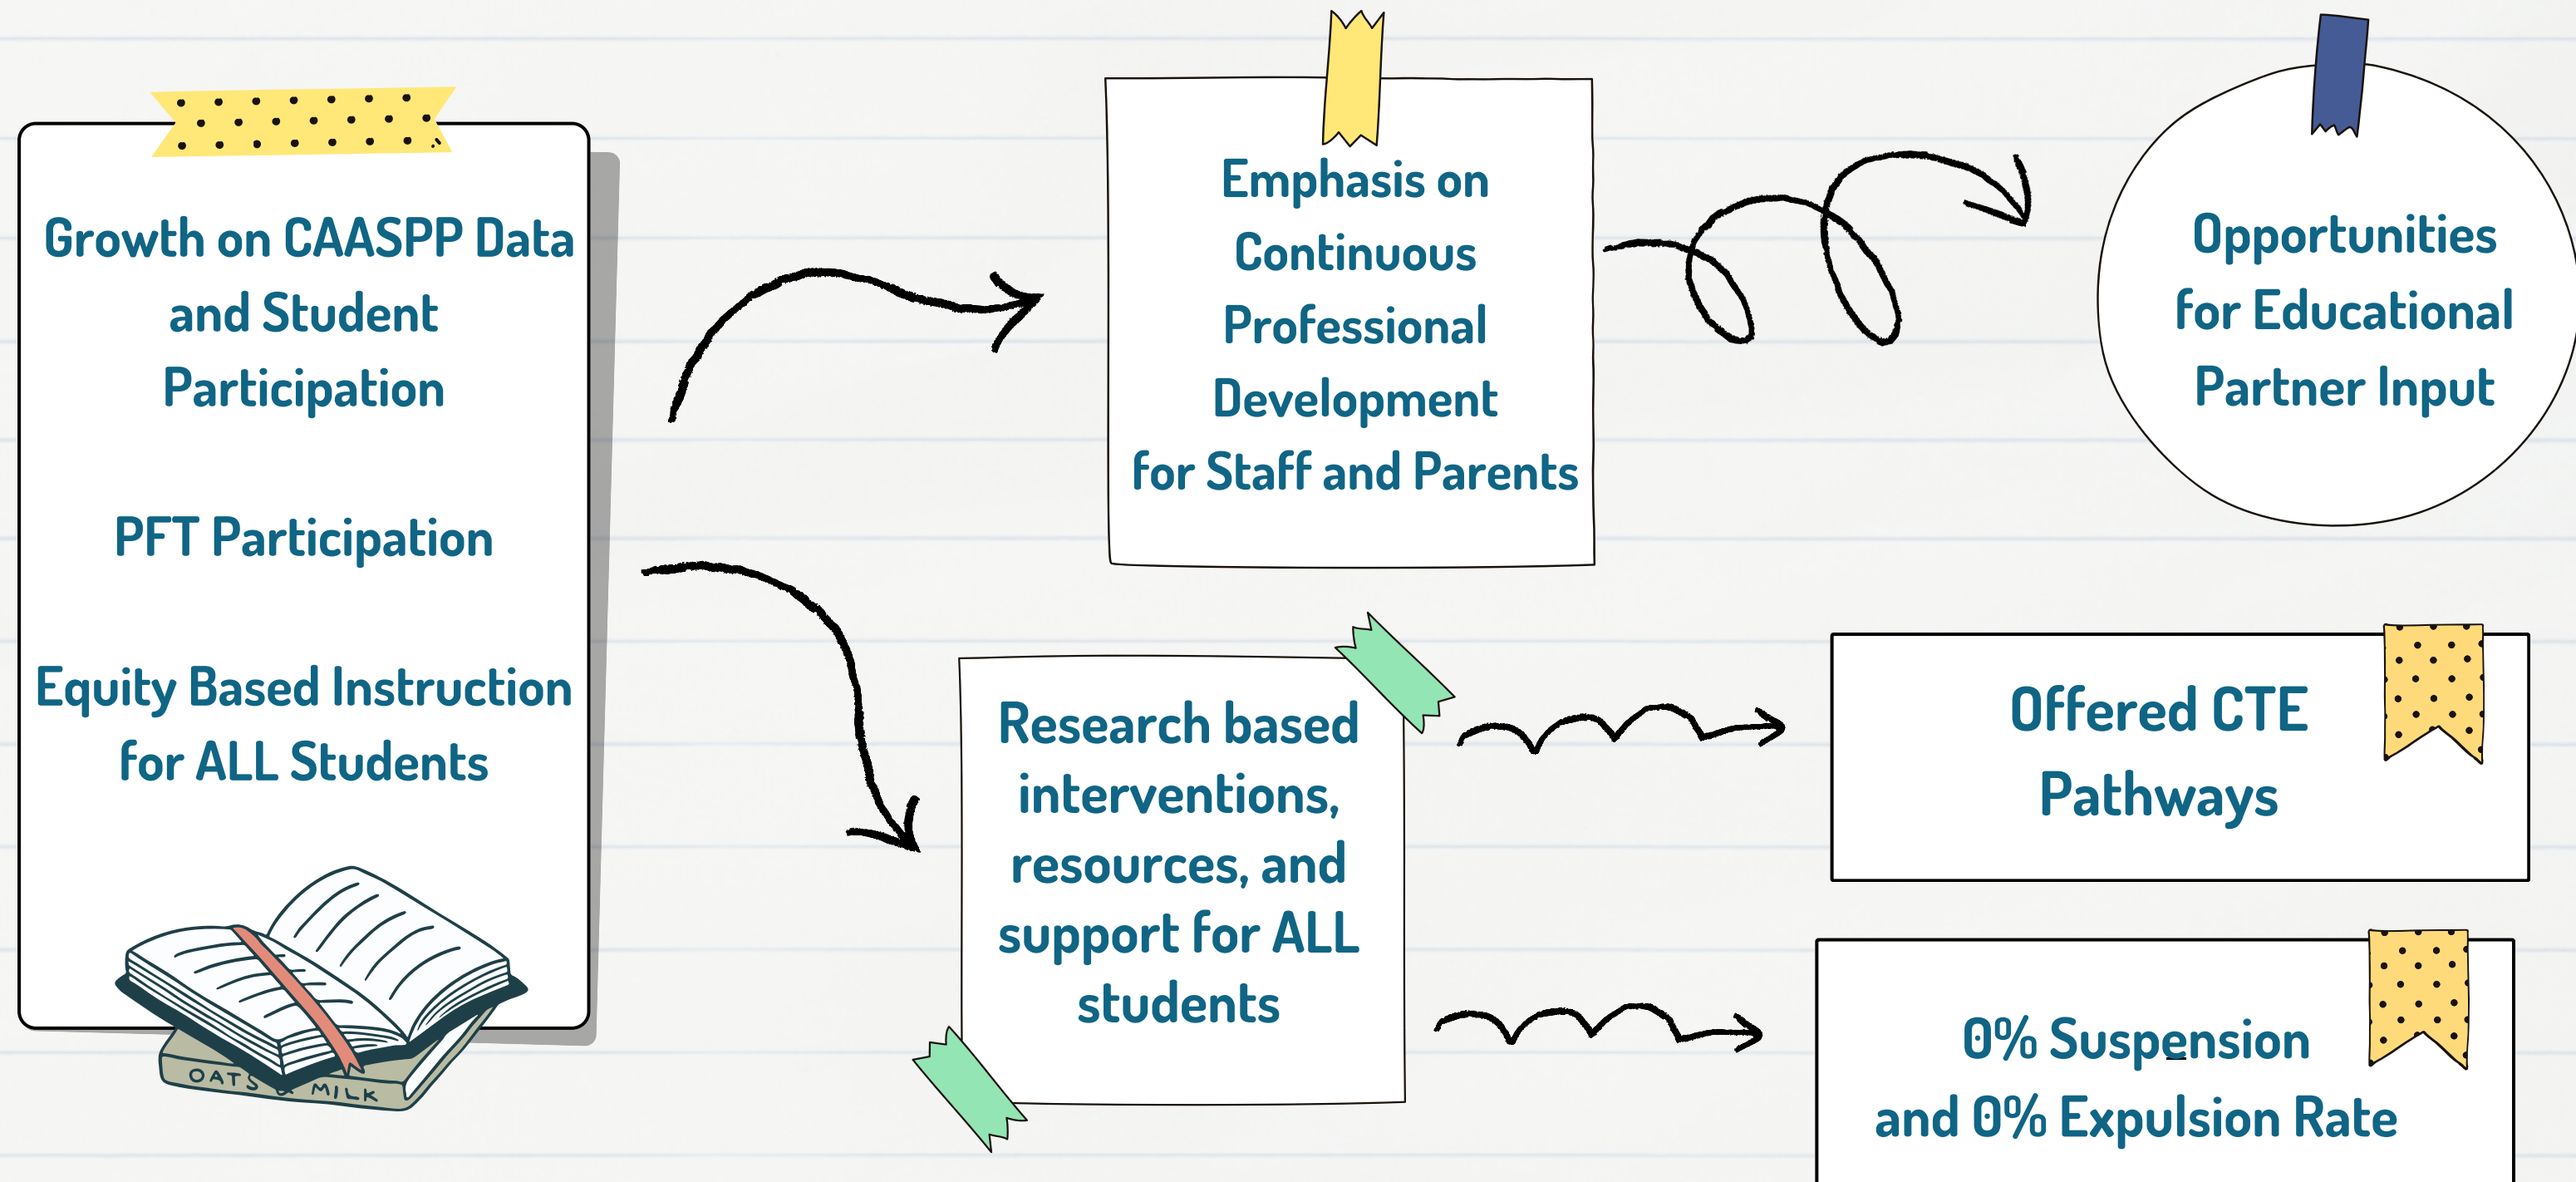

The SARC must be board approved, published, and submitted by February 1, 2024.
