

GATE PROGRAM

Excel Academy's GATE program delivers a multifaceted learning experience through hands-on, project-based lessons characterized by depth and complexity. In-person events and activities, facilitated by a GATE certified teacher, further enrich the program, fostering connections and nurturing the curiosity of gifted minds.

Additionally, specially curated field trips cater to GATE students, providing unique opportunities for exploration and expanding their intellectual horizons.

EVENTS:

Solar Cars

Goldberg Machine Challenge

Rubik's Cube Event

Wild Windmills

Sailboat Challenge
