## C. EXECUTIVE DIRECTOR REPORT / STRATEGIC DISCUSSION ITEMS & UPDATES:

### Executive Report

It's been a productive month of planning, development, and establishing community connections. This month has been all about preparing for staff and student recruitment. Thanks to input provided by the Community and Family Engagement and Recruitment board subcommittee, a comprehensive ***Family and Student Recruitment and Enrollment Plan*** was developed and submitted to RAZA and WA Charters.

The feedback received after submission was positive and required very little editing or clarification. The plan is attached for reference. We began implementing the student recruitment plan on **October 1** with a launch of an updated website and online registration/interest. Here we go!

In addition to the student recruitment plan, we began the process of drafting a comprehensive staff recruitment plan that includes a goal of more than 50% of applicants being BIPOC. The following assumptions and outcomes were identified as a foundation for developing recruitment activities, candidate tracking and plan timelines.

Thanks to the help of RSF, the plan will be completed by Oct. 1 and staff recruitment will begin.

### **School Building:**

The Rooted School Vancouver construction is **still** on track to begin October 15, unless further delays arise in permitting or funding with Raza and WCSD. Toby will provide a verbal update.

### **WA Charters Planning Year 2 Grant:**

The month of August has been a busy month associated with required deliverables. These include:

- Build and submit comprehensive, operational and instructional school pilot plan to WA Charters
- Build and submit Comprehensive Recruitment and Enrollment Plan to WA Charters and RAZA

### **Community Connections:**

- Mr. Carney attended the Leadership Clark County Welcome Reception with Adrienne Mason. The event was well attended and an excellent opportunity to connect with local leaders.
- Mr. Carney also met with Ms. Adrienne Mason and both connected with several potential future partners. They submitted a proposal to *Leadership Clark County* for their support in developing recruitment social media marketing material.
- Mr. Carney also met with Diana Avalos-Leos. Diana, the *Executive Director of Latino Leadership Northwest*, a local organization with a mission to create opportunities for Latino youth to build healthy relationships, advocate for their education and become proud of the work they do. The organization works with Latino youth to build leadership skills, generate deep connections with the community, and foster collaborative opportunities.
- Mr. Carney will be presenting at the Latino Youth Leadership Conference in early October.

### **Policies for Review**

**Discussion Topic:** The following policies have been drafted for board review. Each of these policies are critical to the staff and student recruitment process. This is a first read and an opportunity for discussion.

No action will be taken at this time. After your review, many of the policies will be vetted through legal and brought back for final discussion and approval at the October board meeting(s).
