E. First Read of Policy 2410 - High School Graduation Requirements

- Rooted School requires **27 credits** for graduation, which is more than the standard **24 credits** in the local district.
- This policy aligns with the agreement made with the State to outperform the local system, making students more marketable for college and career.

F. First Read of Policy 2418 - Waiver of High School Graduation Credits

- This policy allows the school to offer **up to 2 waivers** for students who are struggling to meet the 27-credit requirement due to circumstances such as **homelessness, health issues, limited English proficiency, or disabilities**.
- It was mentioned that **3 waivers** could be considered in the future to help students meet the 24-credit state minimum.

G. First Read of Mastery-Based Credit Policies and Procedures for English Language Arts, Math, Science, Social Studies, Arts, Health & Physical Education, and World Languages

- These policies provide flexibility for students who demonstrate **mastery** in a subject to earn credits, even if they did not formally complete a course.
- It is especially helpful for students who transfer into the school **credit deficient** or have shown mastery in previous years but were unable to earn the formal credit. For example, if a student masters **10th-grade English**, they may be awarded credit for both **9th** and **10th-grade English**.

H. First Read of Policy 2413 - Equivalency Credit Opportunities

This policy covers **credit equivalency**, particularly for **CTE (Career and Technical Education)** and **computer science**, allowing students to earn credits in these areas through demonstrated proficiency.

I. First Read of Policy 4215 - Use of Tobacco, Nicotine, and Marijuana Products

- The school did not have a policy on the use of these products previously, but with some issues arising this year, this policy formalizes the prohibition and provides clear guidelines for enforcement.
- It was noted that this policy does not include alcohol, and there was a suggestion to include alcohol in a separate policy.
