A. Chief Operating Officer's Report

COO report includes **Recruitment Efforts**.

- Direct Mailing to Families
- Direct Calls to Families
- Community Partner Visits
- Campus Tours- newly enrolled families and prospective families as well!
- Social Media Marketing
- Radio Ads
- Yard Signs
- Refer a friend campaign- we typical offer a voucher for free uniform.

Application Map:

- 50% of our applications received come from the area surrounding the school.
- Our big recruitment efforts are focused on 6th and 7th grade!

Our Lottery date is April 26th, 2024.

Our Open House is May 23, 2024 from 5:30pm-7:30pm at the school.

- This year will be our first year with a full senior class of over 60 students! This will require some changes in building composition and staffing models. This expands the size of the High School significantly.
- Great Oaks students were also featured in the Yale School of Medicine newsletter. Our teachers (Dr. Lockwood and Ms. Maloney) organized a trip to Yale to expose students to the medical field.

B. Chief Executive Officer's Report

J. Scalice discussed CEO report.

CEO discussed the 3 year renewal.

- Student achievement and growth of State Scores for General Education and High Needs populations in ELA

- Student growth slightly under State Scores for General Education and High Needs populations
- Significant improvements in Student Suspensions and Teacher Certification
- School's community Involvement!

The renewal included Corrective Actions Steps. This includes Chronic Absenteeism, Academic Progress for ELA and Math strategies and Certification. This speaks to our recruitment efforts.

Bridgeport District Impact:

The recent news of Bridgeport Public Schools expecting to close 6 schools will likely lead to the following:

Student Enrollment:

- Increased student enrollment for grades 6, 7, and 8
- Increased student retention throughout middle school into high school
- Increased direct contact to families for awareness of Great Oaks opportunities

Staff:

- Despite calls for no teacher layoffs, there has already been an increase of potential certified teacher candidates applying to openings for the 2024-2025 school year
- Increased exposure through new postings for consistency and permanency with new three year term and potential Commissioner's Network acceptance

Recruitment for 2024-2025

- Early promotion of anticipated vacancies and job fair participation
- New marketing material
- Teacher referral incentive

Initial Budget Update:

- We are seeing an increase of about 100,000 after transitioning away from the foundation
- Staff allocation rose about 300,000 which includes staff raises and additional staff. This does not include positions that are linked to a grant. This is only per pupil.
- Staffing allocation was 76.75% of Per Pupil allocation in 2023-2024 leaving 1.79 million towards operating expenses.
- Staffing allocation is estimated to be 74.25% of Per Pupil, not including awarded grant salaries already established leaving 2.45 million towards operating expenses.
