I. Opening Items

A. Record Attendance & Begin Recording Meeting

B. Call the Meeting to Order

Bob Carlson called a meeting of the board of directors of Great Oaks Charter School - Bridgeport to order on Wednesday Dec 11, 2024 at 5:31 PM.

C. Approve Last Month's Meeting Minutes

Corey Sneed made a motion to approve the minutes from GOBPT November Board Meeting on 11-13-24.

Tensie Ramsay seconded the motion.

The board **VOTED** unanimously to approve the motion.

II. Finance Committee

A. Audit presentation to Board of Directors

Jennifer Bull, PKF, went over Audit and financial report with the board of directors. Board of Directors were able to get their questions answered.

B. Chan, went over Receivables for Q1 grant expenses include:

- *Special Ed from Bridgeport Public Schools : \$153,875*
- *Commissioner's Network: \$150,353*
- *School Improvement Grant: \$59,000*
- *Title 1 & 2: \$132,073*

In addition, the actual updated per pupil rate based on the new equitable funding formula will show up in the Q3 per pupil funding at the end of this month.

CFO, B. Chan, went over Dashboard for all board members.

Expenses are in line. Salaries are being tracked and there are now projections of what we can expect in a year. The only bump in the road is that the accounting fees are front loaded while the budget is accruing it every month across the 12 months. However, the ADP admin fee is much higher. A suggestion from C. Sneed is that if there are significant changes that we know of, that affect the basis of the budget, then we should bring it up, let the board know and adjust accordingly. Another is to go through Dinsmore Steele if needed.

B. Motion from the board to authorize Corey to sign documents and ratify the audit.

Bob Carlson made a motion to authorize Corey to sign documents and ratify the audit.

Tensie Ramsay seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Vendor Approvals

Boca Oyster Bar needs to be approved as a new vendor for school holiday party.

David Zieff made a motion to approve new vendor for school holiday party.

Bob Carlson seconded the motion.

The board **VOTED** unanimously to approve the motion.

III. Governance Committee

A. Chief Operating Officer's Report

COO, L. Hubbard, went over COO Report.

Parent & Student Support**

These two operations staff members got an award for Staffuly of the Month.
Congratulations to both!

B. Chief Executive Officer's Report

J. Scalice went over CEO report.

CEO did a report for our board of directors on General Performance regarding School Wide Discipline and Teacher Experience.

School Wide Discipline so far:

District Target - <10%

- Middle School - 8.7%
- High School - 1.5%

Total = 4.2%

Our contributing factors:

- The Social Media Social Worker has had a significant impact on reducing the need for out of school suspensions related to off school incidents involving Social Media interactions
- Increased time spent on mediation, parent meetings, and support for students experiencing issues has led to a decrease in significantly disruptive behavior requiring suspension.

Grant Related Performance:

Two grants are being used to implement coaching model and teacher support regarding classroom instruction. These are the School Improvement Grant (SIG) at 100% and Commissioner's Network at 31%.

This coaching model has given us the following results:

Positive Responses Reported

- Constructive and Actionable Feedback - **92.5%**
- Address specific challenges of practice - **92.5%**
- Help me reflect on teaching practices - **92.5%**
- Contribute to my professional growth - **85.1%**
- Specific strategies for my classroom - **92.5%**
- Makes me feel more confident - **81.5%**

- Improved ability to meet diverse needs - **81.5%**
- Positively impact student outcomes - **88.8%**
- Focuses on student centered practices- **88.8%**

B. Carlson asked what happens when the money goes away? J. Scalice reports When the SIG money goes away this year, we will be able to recoup that money through Title 1. We will still have the funding for these positions.

Overall Experience: 85.2% of Overall Satisfaction

2023-2024 - 68%

State Looks-For - 75%

This is a huge recruiting point! This will likely have an impact in certification rate and get teachers that have a longer time teaching that usually has a good amount of impact on our students.

IV. Other Business

A. New Business

Holiday Dinner for all board members and leaders of the school on Friday, December 20th, 2024. More information has been sent to your emails. Happy Holidays!

V. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:48 PM.

Respectfully Submitted,
Bob Carlson

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Great Oaks Charter School - Bridgeport, Inc. ("GOCS-B"), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of GOCS-B as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GOCS-B and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GOCS-B's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GOCS-B's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GOCS-B's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and schedule of expenditures of state financial assistance as required by the Connecticut State Single Audit Act, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and the schedule of expenditures of state financial assistance are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 30, 2024, on our consideration of GOCS-B's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of GOCS-B's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering GOCS-B's internal control over financial reporting and compliance.

1. Description of the School

Great Oaks Charter School – Bridgeport, Inc. (“GOCS-B”), a not-for-profit organization, is recognized by the State of Connecticut as a charter school under Public Act No. 97-214, as amended by Sections 56 and 57 of Public Act 96-244. The Board of Education of the State of Connecticut has granted GOCS-B’s charter to operate grades 6 – 12 through June 2027. GOCS-B was organized to create a rigorous, supportive middle, and high school program that ensures its graduates have the requisite knowledge and habits of mind to earn a degree from a competitive four-year college or university. During fiscal years 2024 and 2023, GOCS-B operated classes for 661 students in grades 6 through 12. GOCS-B is primarily funded by governmental grants and contracts.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Adoption of New Accounting Pronouncement

In June 2016, the Financial Accounting Standards Board issued an accounting pronouncement related to the measurement of credit losses on financial instruments. This pronouncement and subsequently issued Accounting Standards Updates, clarified certain provisions of the new guidance, changes the impairment model for most financial assets and require the use of an “expected loss” model for instruments measured at amortized cost. Under this model, entities are required to estimate the lifetime expected credit losses on such instruments and record an allowance to offset the amortized cost basis of the financial asset, resulting in a net presentation of the amount expected to be collected on the financial asset. The adoption of this guidance on July 1, 2023 expanded GOCS-B’s required disclosures for its expected credit losses for account receivable but did not have a material impact on its financial statement.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash

From time to time, GOCS-B has cash in the bank in excess of the federal deposit insurance amount of \$250,000. GOCS-B did not exceed federally insured limits at June 30, 2024. At June 30, 2023, GOCS-B exceeded federally insured limits by \$94,204.

2. Summary of Significant Accounting Policies (*continued*)

Government Grants and Contracts Receivable

Grants and contracts receivable are stated at the amount management expects to collect from outstanding balances.

GOCS-B continuously monitors the creditworthiness of grantors and establishes an allowance for amounts that may become uncollectible in the future based on current economic trends, historical payment, bad debt write-off experience and any specific grantor related collection issues. Balances that remain outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a reduction in accounts receivable. At June 30, 2024 and 2023, no allowance for doubtful accounts has been deemed necessary.

Property and Equipment

Property and equipment is carried at cost and includes expenditures which substantially increase their useful lives. The cost of property and equipment purchased in excess of \$2,500 is capitalized. Depreciation is being provided by use of the straight-line method over the estimated useful lives of the related asset ranging from three to twenty years. Expenditures for repairs and maintenance are charged to expense as incurred.

Refundable Advances

GOCS-B records certain grants and contracts as refundable advances until related services are performed, at which time they are recognized as revenue.

Net Assets

Net assets without donor restrictions – net assets without donor restrictions are available for use at the discretion of the Board of Directors (“Board”) and/or management for general operating purposes. From time to time, the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management’s discretion. At June 30, 2024 and 2023, the Board has not designated any funds for specific purposes.

Net assets with donor restrictions – net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions.

No gifts of cash or other assets with donor restrictions were received in 2024 and 2023.

Grants and Contracts

Revenue from the state and local government resulting from the GOCS-B’s charter status is based on the number of students enrolled and is recorded when services are performed in accordance with the charter agreement.

2. Summary of Significant Accounting Policies (*continued*)

Grants and Contracts (continued)

GOCS-B receives a substantial portion of its operating support and revenue from the Connecticut State Department of Education. If the charter school laws were modified, reducing or eliminating these revenues, GOCS-B's finances could be materially affected.

Contributions

GOCS-B recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been substantially met. Federal and state contracts and grants are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Refundable government grants consists of government grants received for which performance requirements or incurrence of allowable qualifying expenses have not yet been met or incurred. Contributions are reported as revenue without donor restrictions or revenues with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified in the statements of activities to net assets without donor restriction. Contributions with donor restrictions that are used for the purpose specified by the donor in the same year as the contribution is received are recognized as revenues without donor restrictions. Conditional promises to give are recognized when conditions on which they depend are substantially met.

GOCS-B reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Absent donor stipulations about how long those assets must be maintained, GOCS-B reports expirations of donor restrictions when the assets are placed in service.

Contributed Goods and Services

GOCS-B's policy related to gifts-in-kind is to utilize the assets given to carry out its mission. If an asset is provided that does not allow the GOCS-B to utilize it in its normal course of business, the asset will be sold. Contributions of donated non-cash assets are recorded at their fair value in the period received.

Contributed services are recognized as contributions if the services create or enhance non-financial assets or require specialized skills that are provided by individuals possessing those skills, and typically would need to be purchased, if not provided by donation. In-kind contributions are reflected in the accompanying statements of activities at their fair value at the time the services are rendered or goods are received.

Functional Expenses

The costs of providing programs and supporting activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses presents expenses by function and natural classification. Expenses directly attributable to a specific functional area are reported as expenses of those functional areas while indirect costs that benefit multiple functional areas have been allocated based on job function and time allocation for office, occupancy, professional fees and depreciation expense and student enrollment type ratio for payroll and instructional related expenses.

Income Taxes

GOCS-B is exempt from federal and state income taxes as a public charity under Section 501(c)(3) of the Internal Revenue Code, however, GOCS-B is subject to federal income tax on any unrelated business taxable income.

GOCS-B recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that GOCS-B had no uncertain tax positions that would require financial statement recognition or disclosure. GOCS-B is no longer subject to examinations by the applicable taxing jurisdictions for years prior to 2021.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through December 30, 2024, the date the financial statements were available for issue.

Employee Tax Deferred Compensation Plan

Effective January 1, 2016, GOCS-B sponsors a qualified tax deferred compensation plan as defined under Section 403(b) of the Internal Revenue Code (the "Plan"). All employees who normally work more than 20 hours per week are eligible to make elective salary reduction contributions to the Plan upon employment. GOCS-B matches 50% of contributions up to a maximum of 4%. GOCS-B's contributions to the Plan were \$12,888 and \$11,154 for the years ended June 30, 2024 and 2023.

3. Government Grants Receivable

Grants receivable of \$778,342 and \$1,158,593 at June 30, 2024 and 2023 are all due in less than one year.

7. Contributed Services and Goods

Great Oaks Foundation (“GOF”) is a not-for-profit charter management organization. In prior years, GOCS-B was managed by GOF. In October 2023, GOCS-B separated from GOF. In 2024 and 2023, GOCS-B received the services of tutors paid for by GOF. These services include both tutors and tutor leaders. These services were valued at the amount of salaries and benefits paid by GOF to the tutors and leaders. The value of these services was \$304,819 and \$286,428 for the years ended June 30, 2024 and 2023.

In addition, the City of Bridgeport provided transportation and special education services to the students of GOCS-B. Transportation services were valued at \$570,655 and \$359,611 for the years ended June 30, 2024 and 2023. Special education services were valued at \$43,401 for both years ended June 30, 2024 and 2023. The contributed assistance is valued at fair value based on current rates for these services.

Notes to Financial Statements June 30, 2024 and 2023

8. Major Contributors

GOCS-B received approximately 82% of its support from two granting agencies in 2024 and 81% of its support from two granting agencies in 2023. At June 30, 2024 and 2023, GOCS-B has outstanding receivables in the amount of \$446,417 and \$864,593 from one granting agency.

9. Academic and Business Services Agreement

GOCS-B entered into an academic, tutor and business service agreement with GOF until October 1, 2023. The agreement provides academic, tutor, financial and operational services to GOCS-B. Pursuant to the terms of the agreement, GOCS-B shall pay a total of \$75,000 for these three months of service, as set forth in the budget adopted by the Board of Directors prior to the commencement of the fiscal year. Since October 1, 2023, GOCS-B is an independent charter school responsible for its own academic, operating, administrative, human resources, and financial functions. In addition, GOCS-B shall pay GOF a tutor fee ranging from \$7,500 to \$14,400 per year for each tutor and tutor leaders. Service and tutor fees are included in professional fees expense.

Included in professional fees on the statements of functional expenses, GOCS-B incurred GOF fees of:

	2024	2023
Service Fee	\$ 82,000	\$ 477,387
Tutor Fee	244,500	196,730
	\$ 326,500	\$ 674,117

10. Connecticut Teachers' Retirement Plan

All certified administrators and teachers participate in the Connecticut Teachers' Retirement System that is administered by the State of Connecticut (the "State"). The Plan requires mandatory contributions by employees of 8.25% of their eligible annual compensation. The State provides the remaining funding of retirement benefits and is required to contribute at an actuarially determined rate, which may be reduced by an act of State Legislature. Administrative costs of the Plan are funded by the State. The GOCS-B has no obligation under this plan.

Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2024

1. Basis of presentation

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal award activity of Great Oaks Charter School – Bridgeport, Inc. (‘GOCS-B’) under programs of the federal government for the year ended June 30, 2024. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“Uniform Guidance”). Because the Schedule presents only a selected portion of the operations of GOCS-B, it is not intended to and does not present the financial position, changes in net assets, or cash flows of GOCS-B.

2. Summary of significant accounting policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. Indirect Cost Rate

GOCS-B has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of
Financial Statements Performed in Accordance
With Government Auditing Standards**

Independent Auditors' Report

**Board of Trustees
Great Oaks Charter School – Bridgeport, Inc.**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States the financial statements of the Great Oaks Charter School - Bridgeport, Inc. ("GOCS-B") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024 and the related statements of activities, functional expenses, and cash flows for the year ended, and the related notes to the financial statements, and have issued our report thereon dated December 30, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered GOCS-B's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of GOCS-B's internal control. Accordingly, we do not express an opinion on the effectiveness of the GOCS-B's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether GOCS-B's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of GOCS-B's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering GOCS-B's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance

Independent Auditors' Report

**Board of Directors
Great Oaks Charter School – Bridgeport, Inc.**

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Great Oaks Charter School - Bridgeport, Inc. ("GOCS-B")'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of GOCS-B's major federal programs for the year ended June 30, 2024. GOCS-B's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, GOCS-B complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of GOCS-B and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of GOCS-B's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to GOCS-B's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on GOCS-B's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about GOCS-B's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding GOCS-B's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of GOCS-B's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of GOCS-B's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Page 3

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of State Financial Assistance Year Ended June 30, 2024

1. Summary of Significant Accounting Policies

The accompanying Schedule of Expenditures of State Financial Assistance (the “Schedule”) includes state grant activity of Great Oaks Charter School – Bridgeport, Inc. under programs of the State of Connecticut for the year ended June 30, 2024. Various departments and agencies of the State of Connecticut have provided financial assistance through grants and other authorizations in accordance with the general statutes of the State of Connecticut. Because the Schedule presents only a selected portion of the operations of the GOCS-B, it is not intended and does not present the financial position, changes in net assets or cash flows of GOCS-B.

The accounting policies of Great Oaks Charter School – Bridgeport, Inc. conform to accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations.

The information in the Schedule is presented based on regulations established by the State of Connecticut Office of Policy and Management.

2. Basis of Accounting

The expenditures reported on the Schedule are presented on the accrual basis of accounting. In accordance with Section 4-236-22 of the Regulations to the State Single Audit Act, certain grants are not dependent on expenditure activity, and accordingly, are considered to be expended in the fiscal year of receipt. These grant program receipts are reflected in the expenditures column of the Schedule.

Report on Compliance for Each Major State Program

Opinion on Each Major State Program

We have audited Great Oaks Charter School - Bridgeport, Inc.'s. ("GOCS-B") compliance with the types of compliance requirements described in the Office of Policy and Management *Compliance Supplement* that could have a direct and material effect on each of GOCS-B's major state programs for the year ended June 30, 2024. GOCS-B's major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, GOCS-B complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2024.

Basis for Opinion on Each Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State Single Audit Act (C.G.S. Sections 4-230 to 4-236). Our responsibilities under those standards and the State Single Audit Act are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of GOCS-B and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state program. Our audit does not provide a legal determination of GOCS-B's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to GOCS-B's state programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on GOCS-B's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the State Single Audit Act will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about GOCS-B's compliance with the requirements of each major state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the State Single Audit Act, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding GOCS-B's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of GOCS-B's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the State Single Audit Act, but not for the purpose of expressing an opinion on the effectiveness of GOCS-B's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the State Single Audit Act and which are described in the accompanying schedule of findings and questioned costs – State as items 2024-001 and 2024-002. Our opinion on each major state program is not modified with respect to these matters.

Board of Trustees
Great Oaks Charter School – Bridgeport, Inc.
Page 3

Government Auditing Standards requires the auditor to perform limited procedures on GOCS-B's response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs – State. GOCS-B's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State Single Audit Act. Accordingly, this report is not suitable for any other purpose.

III. State Financial Assistance Findings and Questioned Costs

2024-001 Non-Certified Personnel

Grantor: Connecticut Department of Education
State Program Name: Charter School
Pass-through Entity: None
State Grant Program
Core – CT Number: 11000-SDE64000-16119

Criteria: GOCS-B must be in compliance with certain provisions of laws, regulations, contracts, and grant agreements. Connecticut General Statutes 10-66dd requires that all teachers, supervisors, administrators, special staff members or school superintendent employed by GOCS-B must possess an appropriate state certificate prior to the first day of employment.

Condition: During fiscal 2024 GOCS-B had 4 employees without a proper certification credentials.

Context: 4 teachers out of 77 teachers and administrators tested were found to have exceptions to possessing the appropriate state certificate for employment.

Effect: GOCS-B funds these positions with non-governmental funds; however, the State Board of Education may still levy fines or withhold State funding.

Cause: While GOCS-B prioritizes hiring certified staff, there is a lack of diverse and certified teachers available for hire in Connecticut Charter Schools.

Repeat Finding: This is a repeat finding from the June 30, 2023 state single audit, finding 2023-001.

Recommendation: GOCS-B should ensure compliance with Connecticut General Statutes 10-66dd.

Planned Corrective Action: See response included in the current year Corrective Action

2024-002 Reporting

Criteria: GOCS-B had to submit the Agreed Upon Procedures (AUP) for 2022-2023 Educational Financial System Data and October 2022 PSIS Data Elements to the Connecticut State Department of Education on or before Tuesday, January 2, 2024.

Condition: GOCS-B's AUP for 2022-2023 Educational Financial System Data and October 2022 PSIS Data Elements was not filed on time.

III. State Financial Assistance Findings and Questioned Costs (*continued*)

Context: When performing the 2024 audit we noted that the AUP for 2022-2023 Educational Financial System Data and October 2022 PSIS Data Elements to the Connecticut State Department of Education was not filed on time.

Effect: The Connecticut State Department of Education may levy fines.

Cause: Information necessary to file timely was not readily available resulting in a delay.

Recommendation: We recommend that GOCS-B's files AUP for Educational Financial System Data and PSIS Data Elements to the Connecticut State Department of Education on or before the due date.

Planned Corrective Action: See response included in the current year Corrective Action

AUDIT FINDING

Finding Reference Number: 2024-001 Non-Certified Personnel

Description of Finding: During fiscal 2024 GOCS-B had 4 employees without proper certification credentials.

Statement of Concurrence: We concur with the finding & recommendation, which have been reviewed with the management team and the board's finance committee.

Corrective Action:

During the FY24 school year, the Great Oaks Charter School had 4 teachers who were not certified. Given the continuing challenges of the teacher shortage facing schools in general and the Bridgeport community in particular, we are building on the additional steps we have taken to help certify all our teachers:

Identified Issues Regarding Certification:

- Increased salary range to competitively recruit highly qualified teachers, placing the school at the high end of the district's salary range
- Develop partnerships with local colleges to recruit likely-to-certify candidates.
- Work more closely with the CSDE certification team to help expedite applications through the approval process.
- Pre-qualify prospective teachers through transcript review before second interviews
- Certification screening and, if required, application completion before onboarding
- Bi-weekly check-ins with staff members with pending certification expirations (6 months) or pending applications to ensure compliance with State mandates
- Enhanced relationships with local colleges to streamline the AmeriCorps Fellow to Teacher Pipeline for internal candidates
- Praxis (certification testing) coaching is offered in addition to any certification program offerings
- Certification testing reimbursement

AUDIT FINDING

Finding Reference Number: 2024-002 Reporting

Description of Finding: GOCS-B's AUP for 2022-2023 Educational Financial System Data and October 2022 PSIS Data Elements was not filed on time.

Statement of Concurrence: We concur with the finding & recommendation, which have been reviewed with the management team and the board's finance committee.

Corrective Action:

At the deadline, the Educational Financial System data had been filed but not the auditor's Agreed-Upon-Procedures, which were being finalized. The school will set up a schedule so that the information needed for the AUP earlier during the audit cycle. After reviewing with CSDE, we now understand together with the audit team that the AUP must be filed by the deadline and amendments can be added at a later date if necessary. This will help ensure that the AUP for the Educational Financial System Data and PSIS Data Elements are filed on a timely basis.
