We are pleased to share that we met our enrollment target this year of 661 students!

With **recruitment** being in the forefront of our minds, here are some key priorities for next school year.

Strengthen partnerships with local elementary schools and community organizations to build early awareness and engagement.

Implement proactive outreach to current 8th grade families through early commitment events and personalized check-ins.

• 10th & 11th Grade Recruitment:

Target outreach to transfer students seeking a smaller, supportive school community and strong college prep pathways.

New Retention Strategies:

Early Commitment Survey for Rising 9th Graders:

Launch a spring survey to confirm intent to return and identify early support needs for students transitioning to high school.

Bridge & Transition Events:

Host summer "Welcome to High School" sessions and peer mentoring meet-ups to strengthen student belonging before the school year begins.
