B. Finance Committee Updates

B. Chan went over cash position.

CFO, also went over budget to actuals with the board. 4 levels of funding: Sped, State, Federal and Private Funding like Barr Foundation, students from activities/ field trips, etc.

Expenses- salaries are inclusive to summer pay and 21st century stipends. We gave out about 190,000. We began new healthcare insurance package, started June 1st so we will see about 10,000 higher number a month.

Facilities support has been higher due to phone issues and now we have HVAC issues.

B. Chan, CFO, went over new copy machine vendor with the board of directors.

III. Governance Committee

A. Chief Operating Officer Report-

COO, L. Hubbard, went over COO report.

Facilities Updates:

Three summer construction projects are scheduled to begin:

- Addition of a new classroom on the High School 2nd Floor
- Addition of a new classroom on the Middle School 3rd Floor
- New secure entrance at the Middle School Main Office

Construction on the 3rd Floor classroom will begin **June 18, 2026**.

Construction on the 2nd Floor classroom will begin **June 25, 2026**.

Middle School entrance project will begin following completion of the 2nd Floor work (date TBD).

School leadership met with Lanese Construction to review project timelines, logistics, and safety protocols to ensure the safety of staff, students, and visitors throughout the construction process.

Construction is On Schedule | No anticipated impact to school opening at this time

HVAC Update-

- Beginning May 28, 2026, the school experienced significant HVAC issues impacting cooling on the 2nd and 3rd floors.
- Assessment revealed the failure of three condenser fans on one rooftop unit (RTU) and two condenser fans on two additional RTUs, resulting in reduced cooling capacity throughout the building.
- Due to elevated temperatures in instructional spaces, transitioned to half-day schedules beginning the week of June 2 through the end of the school year.
- Repairs have fully restored cooling on the 2nd floor and partially restored cooling on the 3rd floor. Full resolution is anticipated by the end of this week.
- As the building enters its eighth year of operation, we anticipate an increased need for preventative maintenance, repairs, and potential replacement of aging HVAC components and other major building systems over the next several years.

B. Chief Executive Officer's Report

CEO, J. Scalice, went over CEO report with the board of directors.

State Testing Update-

All State Testing was completed as of June 8, 2026. Results cannot be discussed in open meetings, however, the following trends have been noted from preliminary results:

Gains were noted in ELA in Proficiency, Growth, and Target Achieved

- Gains were noted in Math in Growth and Target Achieved with minimal changes to Proficiency
