- When do students have to accept the acceptance?

III. Old Business

A. FY24 Org Chart

- Will presented the Org Chart for FY24
- What does "District" mean?
 - Non-student facing members, day to day responsibilities don't interact with students.
- Are they at the 1105 W. Chestnut location?
 - For the most part, Maria will have an office at the school
- How many staff are in the organization?
 - We have 131 staff, includes some part time roles
 - What was it last year?
 - We had 135
 - Do you anticipate a need in coming years for more staff or will we cut staff?
 - Difficult to forecast based on surrounding city budgets but anticipate being level staffed.
- Are we comfortable that we're not overstaffed?
 - Based on student needs, believe we are appropriately staffed. Could be understaffed in certain areas but have a plan to cover these
- Is there someone who is evaluating all employees and their time?
 - Yes. It is not possible for someone to not be in without everyone being notified immediately that someone is not in.
- Are we comfortable that issues can be identified before they become a bigger issue?
 - OW - I've had the opportunity over the past few months to have conversations with every staff member. Helped to discover where discontent may have been and are working with full leadership to fix those issues.

J. Charnel made a motion to Accept FY24 Org Chart.

N. Christ seconded the motion.

The board **VOTED** unanimously to approve the motion.

- Are we accepting students in the school outside of the beginning of the year?
 - Yes, up until March 1st we fill any open spots with students on the waiting list.
- There are currently a lot of families living in hotels in Taunton. Do we have any of those students enrolled?
 - Just now getting records so we will know more about this in August.

VI. Finance Committee

A. YTD Finances

- No material change, everything is inline through May and the June numbers will come in August. Expect to end the year in the black and be a bit more positive than what is reflected now. Still waiting for final numbers to come but is close to the original forecast.
- Where does the money go when there's a surplus?
 - Goes into cash reserves.

- Can we carry the surplus into the following year?
 - Because it's state and federal dollars you are supposed to spend the money. Can't roll the money into the next year's budget.
