LCHS Alpine: Snyder Electric has identified problems with two circuit boards on the solar inverter which are scheduled to be fixed. Sewer pipes were relined leading from bathrooms to the main sewer line at the street as they were clogged, deteriorated, and backed up into the bathrooms last school year. More clogged and deteriorated sewer lines identified near the portables that were backing up into sinks. Repairs are underway on those pipes. The marquee was replaced on May 30, 2025. Cloud based phone system installed and functioning. Roofs over the conference room and science classrooms and HVAC over the conference room are in the process of being replaced. Artificial turf has been installed in the quad. The marquee was replaced.

Junior Academy: The left turn lane has been installed on E Bradley heading into the JA parking lot. The ADA work at Freedom House is still in process. The cloud based phone system has been installed and is functioning. The roof replacement on the two story building is complete. Solar will be installed during the summer of 2026. Playground area has been restriped.

Primary Academy: The doors and ramps were painted. Turf is being installed in the garden area. The playground has been restriped.

Liberty Academy: Construction of RWE's project continues at 203 N Johnson Ave. Playground and turf replacement complete. The cloud based phone system has been installed and is functioning. Solar will be installed by the summer of 2026. Carpet replacement complete except for the MPR and two offices. Playground has been restriped.
