C. Facilities Report

Steve Robinson, CBO, shared the following facilities report.

LCHS Alpine: Doors and trim scheduled to be painted over our October break.

Junior Academy: The ADA work at Freedom House is down to the striping of the parking space. Solar will be installed during the summer of 2026. Structural limitations and setbacks for vents and HVAC have reduced the number of panels on the two

story building by net 20 dropping us from producing 120% of current use to 80% and a loss of \$5,000 in projected yearly savings. A change order reducing our contract costs (less 20 panels, less 20 panel installation, less elevated racking system, add ballast installation on flat roof, add larger racks for an extra row of panels on eyebrow roofs) is forthcoming.

Primary Academy: Playground update scheduled for this fall, possibly October break. HVAC unit to be replaced over rooms 6 and 7.

Liberty Academy: Construction of RWE's project continues at 203 N Johnson Ave. Solar will be installed by the summer of 2026. Carpet replacement in MPR and two offices planned for October break.
