- Update:
 - For enrollment we were able to increase 14% for this year.
 - Parents and community appear to be happy with what they've been getting from IAL
 - This time last year we were experiencing issues in filling all 5th grade seats, but this year that is not the case; they're all already filled
 - Incubation Space
 - It's a bit of a challenge because there's not that much space available in Inwood

- We reapplied for space through the DOE
- We have reached out to the Charter School Office
- Permanent Space
 - Isabella Space is the potential permanent location for the elementary school
 - In three to four years yeah the permanent space should be ready.
- Fundraising
 - In November IAL will have the first networking event for professionals in the community
