- Projecting 355 for remainder of year
- Projecting 10 and 48 for SPED students
- Revenue slightly higher than actuals
- Expenses actual greater than budgeted for facilities, in large part because of Key Merger security deposit \$150K lost

## **V. Development**

### **A. Committee Update**

Ellen stepping in as fundraising chair.

Bloomberg just announced 750 Million for charters

## **VI. ED Update**

### **A. General Update**

FP received draft SUNY recommendation for renewal, full 5 year renewal;  
overwhelmingly positive review

Only area for improvement is w/r/t teacher certification; allowed to hire 15 uncertified teachers but 4 teachers over allowable limit

1 more week of school till break; concluded trimester exams

Data is mostly what expected; ELA data comparable to previous years. Noticing some bigger writing gaps than previous years. Math scores are lagging, which is something FP is working on. Really looking forward for MAPP Testing in winter, to give sense of growth from semester.

-Leadership team tackling tutoring gaps and ways to improve.

Had trimester award ceremony for students today; first time in two years.

## **VII. Other Business**

### **A. Board Assessment Discussion**

- Discussion of bright spots and room for growth from reviewing survey results
- Need to do step back in April and May each year
- Need to review job descriptions and committees; then talk to committees and talk through goals; then come together as board to review goals; should do in January - March, and then set up for retreat.

## **VIII. Closing Items**

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:19 PM.

Respectfully Submitted,
