D. Discipline Update

Kelly Bemus reviewed the spreadsheet with the board. The spreadsheet provides details regarding the Culture and Structure, sense of belonging, core practices, and measurable metrics for CREW. The board will discuss each section in greater detail at each meeting.

The goal of this spreadsheet is to monitor the big 5 incidents and hopefully decrease them. Big five incidents below:

Physical contact
Fight
Physical aggression
Defiance
Disruption

The numbers are currently trending higher than last year. President, Jamilia Smith asked if there was an opportunity for parent involvement to decrease the referrals. Mrs. Bemus and Mrs. Davis said one incentive is "On the Roll", which are students demonstrating the 7 C's in the classroom along with other positive initiatives.

Middle School classrooms have adopted electronic referrals. Other grade levels are transitioning to an electronic system.

Cary Claiborne asked how the school is tracking the one offs. Bemus explained that the admin team monitors them.

After the electronic referral is submitted by the teacher, it gets emailed to the parent instantly. The expectation is for a follow-up call from the teacher to the parent. The parent should receive a phone call from the teacher within 24 hours.
