2. Financial Report (FYI)

1. **Financial Strength:** Revenue in July reached \$800k (20% of annual target vs. 13% expected), boosted by a \$400k ERC payment. Expenses were \$182k under budget, with 166 days cash on hand, exceeding the 60-day requirement.
2. **Budget Process:** Annual cycle starts Jan/Feb; includes staffing matrix, departmental wish lists, multiple scenarios, public hearings; final budget due June 30. Amendments typically occur in Nov and Feb.
3. **Operational Improvements:** Bill.com rolling out new purchase order feature in November; credit card "Spend & Expense" feature will streamline purchasing and reimbursements.
4. **Credit Card Limit:** Current \$4,500 limit is inadequate (asking to increase to \$8000). Policy requires board authorization (or board designee - Executive the Director) for increases since this qualifies as debt. Reducing to 2 cards (Davis and Pugh). Other cards for staff members will be deactivated.
5. **ERC Funds:** \$400k unrestricted; can be used for staff stipends or other budget enhancements, but should not be fully allocated at once.

Next Steps:
