---

The Public Comments agenda item is set aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Committee can only listen to your issue, not respond or take action. The Committee may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed thirty (30) minutes. A member of the public who requires the use of a translator, in order to receive the same opportunity as others to directly address the Committee, shall have twice the allotted time to speak. When addressing the Committee, speakers are requested to adhere to the time limits set forth. In order to maintain allotted time limits, the Committee Chair may modify speaker time allocations or the total amount of allotted time for an item.

Consent Agenda: All matters listed under the consent agenda are considered by the Committee to be routine and will be approved/enacted by the Committee in one motion in the form listed below. Unless specifically requested by a Committee member for further discussion or removed from the agenda, there will be no discussion of these items prior to the Committee votes on them. The Committee recommends approval of all consent agenda items.
