E. Executive Director Update

Mr. Hussey reached out to LA Parks & Recreation's Aquatics division regarding access to a pool for ECR's swim and diving team. Three options for use of a pool with Parks & Rec: a major budget item to be voted on by their board to open a pool for ECR's use; a joint use agreement, where the city and the school agree to open up a pool; or a permit to use a nearby pool, closest pool is at Cleveland High School. Mr. Hussey will work on getting the cost for each of these options to see what the financial impact would be. We are working on dedicating the IEP room for Diane Wynne, we are working on purchasing a memorial plaque for this.

We are waiting for a response from LAUSD regarding the CCTV installation, we have been waiting over a month for a quote. Mr. Hussey noted he has reached out to Boardmember Schmerleson regarding getting a response.

Regarding the heating issue, LAUSD is getting another contractor because the prior contractor could not fix the problem. The new contractor will be putting in a temporary fix, and then work on the issue over the winter break. There is a dispute as to who is responsible for the cost to permanently repair this issue.

There was a fire down in the Alt Ed area. LAUSD took a sample to see if there was any asbestos in the room, so all rooms in the Alt Ed area are now off limits until LAUSD responds. We are looking to get the rent for the Alt Ed campus reimbursed since we cannot use any of the rooms there.

The end of the Fall semester is this Friday, December 20th. Final exams start tomorrow. The new semester starts January 13th, a pupil-free day where professional development will take place.

This afternoon a \$5,000 grant was received to assist students with disabilities in getting real world experiences and with colleges.

Summer school dates have been set for June 12 to July 24, 2020 (no school on July 3). Transition to high school night will be on March 12th. July 27 to July 31 will be Welcome Week, and new student orientation nights will be held July 27, 28 and 29.

F. Chief Business Officer Update

Mr. Darby stated that, as to the Prop 39 project, we will receive one final rebate of \$118,852 at the end of January or February.

November 2019 Financial Update

The financial information was discussed during the course of the 1st Interim Financials.

C. Review and Vote on 1st Interim Financials

Daniel Lee, CEO of ICON School Management, spoke regarding the Financials. The State requires 4 reports: the preliminary budget, which takes place in June; the 1st Interim Report due December 15th, which looks at the first 4 months of operations; the 2nd Interim Report due March 15th; and the Unaudited Actuals as of June 30th, which is due September 15th.

The 1st Interim Financials are based on estimates; the numbers will likely change by the end of the fiscal year. The report uses the LAUSD-required SACS form, which is new this year.

For Revenues, as of now we are expecting approximately \$400,000 more in total revenue than originally budgeted, based on increase especially in Other Local Revenue.

For Expenses, there is an increase in classified salaries, at least in part due to reclassifications of positions. This may be due at least in part to certain positions having been misclassified previously. But the bottom line is that there is an expected total income of approximately \$450,000 by the end of the year. And as enrollment is looking good, total income may increase further; we are at 150-180 more students than last year P1.

Darin Ryburn made a motion to approve the 1st Interim Financials.

Beatriz Chen seconded the motion.

The board **VOTED** to approve the motion.

D. Review and Vote on 2018-2019 Audit Report

Wade McMullen went over the required communication letter to the Board. There were no weaknesses, deficiencies, or difficulties found.

Mr. McMullen then went over the audit report itself. The overall result is a negative, due to the long term liabilities of the lifetime benefits. The Other Changes in Net Assets is due to the actuarial adjustments to the lifetime benefits.

The Statement of Functional Expenses are what will show up on our Form 990 tax return.

There is an amount categorized as other expenses which are hard to characterize, primarily due to student activities/expenses.

Note 6 identifies that the State has been requiring increasing contributions to STRS and PERS, which Mr. McMullen believes will continue increasing as time goes by. As to the lifetime benefits, the actuary has projected an obligation of \$24M; as of the end of the 2018-19 fiscal year, we have funded \$11.4M. If we continue to put \$220,000 a month into the plan, we could theoretically be fully funded in 5 years.

Regarding Note 3, Mr. McMullen would not suggest opening multiple smaller accounts in order to maximize FDIC insurance; he does not see any particular risks or exposure.

Darin Ryburn made a motion to approve the 2018-2019 Audit Report.

Jeff Davis seconded the motion.

The board **VOTED** to approve the motion.

B. Discuss and Possible Approval of Resolution on Commitment to Enrolled Students

This resolution only relates to students who have never attended ECR. Any student who comes into our former attendance area and wants to attend ECR would be welcomed.

But for a student who attends a private school and who never has enrolled in ECR, ECR should not be required to hold assessments and IEPs for LAUSD. LAUSD has a "gentleman's agreement" with the four conversion charter schools that says that, if a

student who lives in our former attendance area needs to be privately placed, LAUSD would pay for the placement. Currently, since we belong to LAUSD's SELPA, 20% of funds received for student services are paid to that SELPA.

Mr. Hussey noted that LAUSD could be upset about the Resolution, and it may impact our charter renewal process.

Dr. Davis questioned for a typical example of how this process would work; Mr. Hussey stated that a student who has attended a private placement school for 1st through 8th grade needs to be assessed before entering 9th grade. The student does not intend to enroll at ECR, but ECR is required to conduct the IEP because the student lives in our former attendance area.

Emilie Larew, AP of Student Services, noted that this resolution would not impact any student for whom ECR currently conducts assessments or IEPs. Taking the example previously given, ECR conducts the assessment and recommends non-public school (NPS); the parents/guardians must then work with LAUSD (not ECR) to agree on the appropriate NPS. This process can take months, and if the parents/guardians disagrees with LAUSD's decision, the parents/guardians may bring a due process claim, and would likely name ECR in the claim. For each such assessment/IEP, it costs ECR anywhere from \$5,000 to \$15,000; if a due process claim is filed, ECR is responsible for its own attorney costs.

Mr. Ryburn asked how many such students we had last year; Ms. Larew stated 7. Of these 7, about half of them were placed in NPS because ECR could not provide the type of services they need. We currently have 370 students with IEPs, which is approximately 20 more than we had last year. And of those 7, some did file a due process claim and named ECR in the claim.

All 4 of the conversion charter schools are considering the same resolution; one has already passed the resolution, the other 2 want to further discuss and then bring the matter up again in January.

Mr. Silverstein stated that, from a fiduciary and legal point of view, he does not have enough information to make an informed decision at this time. This includes getting an idea as to the total amount this current arrangement is costing ECR. Mr. Silverstein believes more time is needed for the Board to do its own due diligence in order to understand this issue.

There was no motion made, so the matter is tabled until the next Board meeting.

C. Discuss and Vote on Revised Classified Salary Management Table

Mr. Archibald asked why this was not 2 separate positions. Mr. Hussey noted that we were still going to work with an outside marketing firm, and the position would work with stakeholders to communicate with the marketing firm.

Mr. Archibald also questioned how the new position would be evaluated, to ensure that he/she is fulfilling the job duties and responsibilities. Dr. Davis noted that, during the job posting and hiring process, a metric could be created to identify the specific standards to which the person will be held. Dr. Davis advised that Ventura Unified School District had

just hired an outstanding marketing person; perhaps Ventura Unified School District's marketing person could be part of the panel when interviews take place.

Mr. Silverstein questioned whether the new position would be involved in applying for grants. The current job description provides for overseeing grant writing, but it does not include experience in actually writing grants. Mr. Hussey noted that perhaps this would require another position entirely.

Jeff Davis made a motion to approve the revised Classified Management Salary Table.

Beatriz Chen seconded the motion.

The board **VOTED** to approve the motion.

D. Discuss and Vote on Continuing Bus Pass Program

Mr. Hussey noted that there are 144 students who have a bus pass this year who attended ECR last year. Of these 144, 85 improved their attendance rate, and 23 maintained their attendance rate.

Mr. Darby noted that the Board had previously voted to collect \$2.50 from the reduced price students; currently, there are 42 students who are reduced price students. Mr. Darby asked if the Board would consider waiving this amount.

Darin Ryburn made a motion to approve continuing the Bus Pass Program for the Spring semester, including covering the entirety of the cost for free and reduced priced meal students.

Steven Kofahl seconded the motion.

Darin Ryburn made a motion to approve increasing the schedule of the Psychiatric Social Worker.

V. Governance

A. Discuss and Vote on Resolution re Board Vacancy

Mr. Hussey noted that Mr. Jose Cole Gutierrez texted a response last week saying that LAUSD is looking into filling the position and may do so by the start of the year. Should LAUSD not fill the position, the position will continue in accordance with the Bylaws.

Letty Zane asked the Board to consider filling the position with a Parent representative, instead of the Classified representative. Mr. Ryburn stated that he believed another Parent representative would be beneficial. The motion was revised accordingly.

The position will be advertised immediately with a deadline of 5:00 pm, January 15, 2020.

The election will take place among the parents/guardians on January 20, 21 and 22. The winner will be announced at the Board meeting on January 23rd, and the winning candidate will be installed at that meeting.

Darin Ryburn made a motion to approve the Resolution re Board Vacancy to create a new Parent representative Board position.

Payments: Your American Express® Corporate Card statement is payable in full upon receipt. Payments received after 5:00 pm may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made in US currency, with a single draft or check drawn on a US bank and payable in US dollars or with a single negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method clearable through the US banking system. Your Account number must be included on or with all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your remittance into US currency, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval.

Authorization for Electronic Debit: We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number, and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to the bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against the bank or asset account for the amount of the check. If you currently send in an individual payment for expenses on the Corporate Card, please note that you are eligible to pay your bill online.

Authorizations for Electronic Payments: By using Pay by Computer, Pay by Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 5:00 pm may not be credited until the next day.

Transactions Made in Foreign Currencies: If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently the conversion rate that we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.5%**. This conversion rate may differ from rates in effect on the date of your Charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

In Case of Errors or Questions About Your Bill: If you think your bill is incorrect, or if you need more information about a transaction on your bill, please call 1-800-528-2122 or the number on the back of your Card. You can also write us on a separate sheet of paper at the Customer Service address noted to the right. Requests for refunds of credit balances (designated "CR") should be made by calling us at 1-800-528-2122 or the number on the back of your Card. Billing disputes can also be initiated online. This applies to Corporate Cards only, not Cards issued under the Corporate Defined Express Program.

In Case of Errors or Questions About Electronic Transfers: Please contact us by calling 1-800-IPAY-AXP for Pay By Phone, Pay By Computer Issues and automatic payment issues.

When Contacting Us Regarding Errors or Questions: We must hear from you no later than 60 days after we send you the first bill on which the error or problem appeared. When contacting us, please give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

ABOUT THE SARC

The School Accountability Report Card is issued annually for each school in the State of California and provides an assessment of selected conditions related to the school, its resources, its successes, and the areas in which improvements may be needed.

As you read this report for our school, I believe that a picture will emerge of a school dedicated to improvement, a qualified faculty that is professionally and personally committed to meeting the learning needs of students, and a student body which is motivated to perform well.

Our school puts forth efforts to involve parents and community in our school and to keep them informed. Please do not hesitate to contact us if you have any questions or concerns regarding items in this report.

MISSION AND VISION

As the economy continues to transition from manufacturing to service, students graduating high school need to be educated for an uncertain future. A recent article (Thompson, 2015) looks at the landscape in the labor force shifting toward increased automation, saying, “Some economists and technologists have warned that the economy is near a tipping point. When they peer deeply into labor market data...they see automation high and low—robots in the operating room and behind the fast-food counter. They imagine self-driving cars snaking through the streets and Amazon drones dotting the sky, replacing millions of drivers, warehouse stockers, and retail workers...And they wonder: Is any job truly safe?”

While the economy and workforce needs have clearly changed, many have commented on the failings of our educational system to address these changes. Former Harvard president Lawrence Summers (2012) noted “education changes remarkably little over time...Students are evaluated on the basis of examination essays...and relatively short research papers. Instructors are organized into departments, most of which bear the same names they did when the grandparents of today’s students” were growing up. The skills and to a lesser extent, content, taught in these classes has undergone a revolution, while their delivery remains situated in the 20th century.”

At ECRCHS, we define “21st century skills,” as including but not limited to the following:

- Critical thinking, problem solving, reasoning, analysis, interpretation, synthesizing information
- Research skills and practices, interrogative questioning
- Creativity, artistry, curiosity, imagination, innovation, personal expression
- Perseverance, self-direction, planning, self-discipline, adaptability, initiative
- Oral and written communication, public speaking and presenting, listening
- Leadership, teamwork, collaboration, cooperation
- Information and communication technology (ITC) literacy, media and Internet literacy, visual interpretation, data interpretation and analysis, computer programming
- Global awareness, multicultural literacy, humanitarianism
- Scientific literacy and reasoning, the scientific method
- Health and wellness literacy, including nutrition, diet, exercise, and public health and safety
- Systems thinking, environmental and conservation literacy, ecosystems understanding
- Civic, ethical, and social justice literacy

ECRCHS has moved toward emphasizing “what students can do with knowledge, rather than what units of knowledge they have,” the essence of 21st century skills (Silva, 2008, p. 630). Schools must prepare students to adapt in order to succeed in college and careers. Critical thinking and collaboration coexist alongside project management. Learning how realities interact represents real understanding (Cajete, 1994). Educators must prepare students for a world in which they can solve problems, think critically, and work collaboratively, as well as deal with rapidly changing information and technologies. Soft skills receive greater attention in the Common Core State Standards (“CCSS”), including a higher level of collaboration and critical thinking. Positioning students to take advantage of new – and currently indefinable – opportunities lies at the heart of ECRCHS’ mission.

At ECRCHS, sustainability permeates 21st century learning. Students today must think creatively and understand the biological, social, economic, and physical systems in place that create problems, and

MISSION AND VISION

be prepared to develop potential solutions. As the world becomes more interconnected, hotter, and more crowded, an educated person in the 21st century needs to have a multicultural perspective in order to work with others (Friedman, 2008.) ECRCHS strives to create academic programs that meet the needs of our diverse student body. Our school-wide programs include AVID, STEAM, VAPA, Humanitas, Alternative Education, Independent Studies, Career Pathways, tutoring, study skills, and college and career awareness. Moreover, each semester, grades, test scores and surveys are used to monitor progress. ECRCHS aims to provide the tools, the skills, and the foundation for students to address the three-legged stool of sustainability -- economic sustainability, social equity, and environmental

SCHOOL FACILITY CONDITIONS AND PLANNED IMPROVEMENTS

El Camino Real Charter High School takes great effort to ensure that the school is clean, safe, and functional. The school works with the Safety Coordinator and LAUSD to conduct inspections. El Camino continues to work with LAUSD to ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient services and that emergency repairs are given the highest priority.

The school is repairing underground pipes related to our main building's heating system. A temporary fix should be finished by the end of January 2020, but the larger project to permanently repair the system may take up to a year and a half to complete. The school is also looking to repair fire damage to rooms in our Alternative Education Program.

A. PUPIL OUTCOMES

STATE PRIORITY: PUPIL ACHIEVEMENT

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide Assessments (i.e., , California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

While ECRCHS does not have an official Career Technical Education program, the school has a Career Technical Education department. The Career Technical Education (CTE) department's content instruction focuses on the interrelationship of science, technology, career technical, and life management skills to prepare students for advanced education, careers, and managing work and family roles. CTE courses equip students with skills for living and earning a living as these courses expose students to the following career pathways: Family & Consumer Sciences (Hospitality, Tourism, and Recreation; Child Development and Education; Fashion Design, Manufacturing, and Interior Design), Careers in Construction, and Graphic Design.

The CTE Department currently has four distinct career pathway programs, listed below:

- **Hospitality, Tourism, and Recreation**
- **Child Development and Education**
- **Fashion Design and Interior Design**
- **Graphic Design**

Hospitality, Tourism, and Recreation

Students in this career pathway complete a Consumer and Family Studies (CFS) introductory comprehensive course (Foods and Nutrition) and one or more concentration courses such as International Foods or Catering. Students pursuing a career in hospitality, tourism, and recreation study all aspects of the industry. Many students have participated in state and local competitions in culinary arts, sponsored by FCCLA (the state-wide student organization for Family and Consumer Sciences). This career pathway is based on the Home Economics Careers and Technology (HECT) Model Curriculum Standards found in the California Career Technical Education Model Curriculum Standards document under the Hospitality, Tourism, and Recreation Industry Sector. These courses provide rigorous, standards-driven instruction and assessment.

Child Development and Education

These courses are designed to prepare students to pursue a career in either the field of child development or teaching in preschool through grade 12. Based on the Home Economics Careers and Technology (HECT) Model Curriculum Standards found in the California Career Technical Education Model Curriculum Standards, this pathway provides rigorous, standards-driven instruction and assessment, integrates academic and career-technical concepts through the Foundation and Pathway Standards, and contributes significantly to students' academic achievement. An important instructional strategy in this pathway is the use of simulation exercises to help the students understand the complexities of adult life. For example, each student is asked to complete a two-day parenting exercise using infant simulators. The simulators offer real-life experiences that address substance abuse education, prenatal education, child care skills, infant safety and CPR, and Shaken Baby Syndrome. Parent permission is required for this assignment. Modifications are made in cases where students with physical or emotional disabilities need assistance in completing this assignment.

Fashion Design and Interior Design

This pathway provides students with the academic and technical preparation necessary to pursue high-skill, high-demand careers in these related and growing industries. This pathway encompasses two distinct options: Fashion Design and Interior Design. ECRCHS is one of only two high schools in the city of Los Angeles to offer this unique program.

The Fashion Design courses are designed to train students who are pursuing a career in fashion design and manufacturing. Students study all aspects of the industry, including industry awareness; professional standards/dignity of work; workforce and organizational management; operational procedures and safety practices; laws and regulations; design elements and principles; history of fashion; fashion forecasting; textiles and textile products; garment construction in manufacturing; product knowledge and apparel merchandising; sales and service; pattern making for apparel design; developing and merchandising a line; textile design; and garment alteration and repair. The highlight of the Fashion Design program is the annual fashion show. Each advanced-level student is asked to design and construct his or her own fashion line. A typical show consists of 80-100 garments. Preparation for the fashion show includes a visit to the Los Angeles Garment District, where students learn about the fabrics and notions used by local manufacturers.

Fashion design students enjoy participating in ECRCHS's "Project Gratitude" drive. Students are asked to write a letter of gratitude to a U.S. serviceperson. The letter is then written on a "fabric postcard", on which students create a patriotic collage to show their thanks. The feedback from the Project Gratitude staff has been very positive. This course of study is based on the Home Economics Careers and Technology (HECT) Model Curriculum Standards found in the California Career Technical Education Model Curriculum Standards document under the Fashion and Interior Design Industry Sector. This pathway provides standards-driven instruction and assessment, integrates academic and career-technical concepts through Foundation and Pathway Standards, and contributes significantly to students' academic achievement.

Graphic Design

This competency based course provides technical instruction and practical experience in workplace safety, the basic principles and technique of graphic design, print and web typography, color theory and management, elements of illustration, logo design, branding, conceptualization of images through sketching, digital imaging software and its application, basic word processing resource management and employability skills.

The Graphic Design Fundamentals and Desktop Publisher courses instruct students in the use of industry standard software and application of design principles, as well as encourage students to explore their creativity. Each year, as part of the curriculum, students participate in industry sponsored design competitions organized through the Printing Industries Association of Southern California. These competitions have included digital design, silkscreen production, packaging, and creation of multi page publications. Since 2001, ECRCHS has placed as one of the top three winners of this competition each year.

Through collaboration with other departments, Graphic Design students are given the opportunity to experience all aspects of design with an emphasis on practical applications of their newly learned tools. These projects enable students to hone design skills, gain experience in customer/client relations, and develop an understanding of real life design projects, which includes paying attention to copyright restrictions and deadlines. For example, Graphic Design students work with the Play Production class every year to design posters (including concepts,

thumbnails, rough drafts, and printer ready poster comprehensives) and programs for play productions. Graphic Design students also work with the Fashion Academy and dance teams to create printed tickets for fashion and dance shows, as well as create various school forms and notepads for teachers. Finally, since Graphic Design Fundamentals and Desktop Publisher courses are part of the VPA department, a core element of the course involves creating works associated with VPA events including “The Big Event”, “Earth Day Festival”, and “Power to the Artist.”

Intervention Strategies and Meeting the Needs of All Students in CTE

The CTE department’s intervention strategies include involving at-risk students in the department’s student organizations, such as FHA-HERO, FIDM Fashion Club, and various culinary arts competitions. Students involved in these groups, sponsored by the department faculty, are given the opportunity to improve their academic skills, meet students who have similar career goals, and receive encouragement and support to enter scholarship competitions. Also, through participation in FCCLA Competitive Recognition Events and community service activities, members develop citizenship and leadership skills.

The CTE department meets the diverse needs of the student population. For EL students, differentiated instruction is based upon language abilities. Scaffolding techniques are used to teach students the industry-specific terms in each discipline. Emphasis is given to instructing students to use the names and descriptions for the specific items of equipment. In many cases EL students are paired with peer mentors who can help the EL students to understanding project instructions.

Socioeconomically disadvantaged students may have project fees waived. CTE courses often require specific supplies to complete lab assignments, and it is the department’s policy that all students will have all the supplies and equipment needed to complete their coursework. Socioeconomically disadvantaged students are also encouraged to apply for scholarships.

Students with disabilities are given additional time to finish all projects, if needed, and some students are paired with peer mentors. In some cases, lab equipment is modified to accommodate students. All students are offered the services required within their IEP. Instruction in CTE courses is designed to be sensitive to the customs and beliefs of all ethnic sub groups. As necessary, modifications are made to assignments to accommodate these groups. For example, in foods labs, students are given the option to substitute an ingredient that is restricted due to religious beliefs or customs.

All students are encouraged to work to the best of their abilities. Gifted and talented students are encouraged to be creative and plan independent projects to expand their skill sets. Similarly, students who show a great proficiency for a particular subject are encouraged to take their assignments to a higher level and add complexity to a project. As most assignments in CTE courses are physical in nature, students are seated in groups at tables. In the event that a student has been absent or falls behind in achieving a goal or technique, he or she is paired with a more experienced student in the group so the two may work together. Under the supervision of the classroom teacher, students are encouraged to help each other improve their skills. For example, in a Beginning Sewing class, a student who has mastered the skill of threading a sewing machine may coach another student who has difficulty with this skill. Ultimately, the student who has fallen behind will be asked to demonstrate the skill for the teacher.

CTE courses are aligned with the California State Standards, which include Common Core State Standards. In fact, CTE activities are the “practical application” of the Common Core State Standards. Technology is integrated throughout the department. Examples of this include:

- Fashion design students use Internet sources to research trends in the fashion world.
- Some Culinary Arts lessons are delivered through online video tutorials. In addition, students use computer –aided recipe analysis to compare the nutritional values of ingredients.

C. ENGAGEMENT

STATE PRIORITY: PARENTAL INVOLVEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

OPPORTUNITIES FOR PARENTAL INVOLVEMENT

El Camino Real Charter High School has many opportunities for parent involvement. Parents are welcome to join our main parent groups, Friends of ECR/ PTO. FoECR/ PTO is the main fundraising entity for the school, and provides additional financial support for a variety of academic programs and activities. Their activities include hosting test taking workshops, helping underprivileged students, and sponsoring several scholarships at Senior Awards Night.

Parents provide input for establishing school-wide goals, examining academic results, and allocating resources. Parents participate in the School Site Council (SSC), English Learner Advisory Committee (ELAC), Charter Renewal Committee, RISE, Padres Latinos, Bilingual Parent Committee, Athletic and Activity Booster Clubs, and as focus group members in the WASC self study. Our parents also individually donate their time and financial resources to support the myriad of activities offered at El Camino such as band, drama, robotics, athletics, journalism, and Academic Decathlon. This strong parental support, along with a dedicated, professional staff, and focused students, lead to high levels of achievement in both academic and extra and co-curricular areas.

Below are the primary representatives for the following groups:

- Friends of ECR - David Hussey
- RISE – Justin Graham

SCHOOL SAFETY PLAN (SY 2019-20)

El Camino is continuing to work on the two-components of the Safe School Plan which was last reviewed on January, 17, 2019. Component 1: People and Programs, and Component 2: Place both focus on creating and maintaining a caring and connected school climate. To meet these components, the Safety Committee developed the following four goals:

- 1A) Reducing the number of late students by focusing on students with 25 or more tardies.
- 1B) Bringing awareness to the ill effects of vaping to students, staff and community.
- 2A) Updating and replacing emergency food in the earthquake bin.
- 2B) Update lockdown kit supplies.

In addition, the school holds an annual earthquake drill, an semi-annual lockdown drill, semi-annual fire drills, and monthly drop, cover, and hold drills. All emergency procedures are updated on the Emergency Operations Plan.

TYPES OF SERVICES FUNDED (FY 2018-19)

Federal

Title I

- Title I funds are used to support effective, research-based educational strategies that close the achievement gap for students not meeting the state's challenging academic standards in English Language Arts and mathematics. At ECR, Title I funds primarily support the alternative school and independent studies program for those that have trouble in the traditional classroom.

Title II

- Title II funds may be used for professional development in content knowledge and classroom practice, developing and implementing strategies to retain highly qualified teachers. At ECR, staff are routinely sent to workshop and conferences to improve classroom instruction.

Title III

- Title III funds assist English Learners (EL) in acquiring English fluency, gaining access to the curriculum, achieving grade-level and graduation standards. Funds are distributed to school sites based on the number of EL students enrolled. These funds primarily support ESL programs and after-school tutoring programs

Individuals with Disabilities Education Act (IDEA)

- IDEA funds may be used to ensure that all students with disabilities enrolled in the school receive specialized instruction and related services in a manner that complies with all provisions of federal law regardless of the student's district of residence.

National School Lunch Program (NSLP) -- Federal Program

- The National School Lunch Program (NSLP) offers federal reimbursement to schools serving nutritious, low-cost or free meals to students.

E-Rate

- E-rate provides schools with discounts for telecommunication, Internet access and internal connections. Recently, the FCC has refocused their goal to significantly increase Wi-Fi access.

TYPES OF SERVICES FUNDED

State

Education Protection Account -- General Purpose

- Revenue Limit sources, including Charter School General Purpose, includes from the Education Protection Account (EPA) created by the passage of Proposition 30 in November 2012. These funds will support instructional program expenditures: certificated teacher salaries. Funds will not be used to support school administration and other EPA non-allowable expenses.

Economic Impact Aid

- Charter schools are not eligible to receive EIA like traditional school districts. Instead, they receive the funding in the form of in lieu of EIA as long as the pupils meet the eligibility of educational disadvantaged pupils. Though ECR is not restricted like school districts, its funds are still set aside, like a school district, for professional development, the purchase of supplemental materials and expenses that support paraprofessionals, supplemental resource teachers, and the operation of EL advisory committees.

Statewide Special Education Funding Model (AB602)

- Combines funds from several different revenue sources: State, Federal, and Local Property Taxes. AB 602 funds may be used to ensure that all students with disabilities enrolled in the school receive specialized instruction and related services in a manner that complies with all provisions of federal law regardless of the student's district of residence.

Lottery - Proposition 20

- 20% of the total lottery entitlement is used for instructional material expenditures.

National School Lunch Program (NSLP) -- State Program

- In addition to federal reimbursement, the NSLP also offers state reimbursement for offering students nutritionally balanced meals at reasonable prices. In California, the program is administered by the California Department of Education, Nutrition Services.

Clean Energy Jobs Act - Proposition 39, K-12 Program

- Proposition 39 changed the corporate income tax code, making funds available for eligible projects to improve energy efficiency and expand clean energy generation throughout schools in California.

PROFESSIONAL DEVELOPMENT

	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous	57	67	78

The ECRCHS faculty and instructional leaders constantly strive to bring new techniques as well as timely and relevant developments from the field of education to their teachers. Following the work of Johnson and Marx (2009), the Charter School implements a variation of transformative professional development (TPD), which "is responsive to the needs of individual schools and teachers and the focus of each program is emergent in nature" (p. 130). On a number of cases, teachers have developed unique solutions to deal with concerns that arise on campus (such as social justice issues) and present solutions to their fellow faculty members. Another example includes special education instructors providing tools and techniques to help their colleagues better address the needs of students who have differing abilities. El Camino also invites guest speakers who are experts in their field. For example, in August 2015, the Director of LAUSD Charter Operated Programs presented to all teachers at a professional development session. The objectives of this session were to review adaptations and gain a greater understanding of accommodations and modifications, as well as to understand how to grade students with IEPs and 504 Plans.

In the Fall 2018, El Camino implemented the One-to-One Laptop initiative school-wide for students. In addition, professional development sessions, which focuses on technology in the classroom, is provided to faculty. The topics discussed in these sessions included navigating Microsoft Teams, setting up class notebooks in OneNote and publishing courses on Canvas. Moreover, Promethean Smart Panels were installed in the classroom and faculty had the opportunity to attend the Promethean Summit and sign up for one-on-one sessions to help them get started and learn more about this tool.

Throughout the academic year, the administrators and PD Committee plan professional development days where experts trained faculty and staff in areas such as mindfulness, standards based instruction, and equity in education. The objectives of these sessions are to provide strategies, tips, and techniques for instruction that will improve teaching and learning. Moreover, El Camino has special scheduled days throughout the year to allow for staff development. These Common Planning Days, or CPDs, and are held every Wednesday throughout the year with the exception of during final exams. Common Planning Days focus on school goal and priorities to include Common Formative Assessment, Curriculum Mapping, Instructional Planning, MAP Assessment Data Analysis, and more.

Additionally, teachers look at current student data to help drive instruction and ensure universal access and success for all students. Teachers meet in their content specific groups to establish the curriculum, share best practices, evaluate strategies, develop common formative and summative assessments, examine data, and reflect on next steps.

The Board meets once per month. Meeting dates, times, agendas, and minutes are posted on the school website under ECR Board.

SENDWORDNOW TELEPHONE SYSTEM

SendWordNow is used periodically to notify families of upcoming events and student absences. It is important that the school has a current active working telephone number for each family. Therefore, we encourage families to always keep the school informed of any changes to their personal information. Changes can be made at the Admissions Office by filling out the appropriate form.

NEWS MEDIA ACCESS

Occasionally, members of the news media may visit the school to cover activities such as sports competitions, school assemblies, special programs, and general newsworthy events. The law provides that when members of the news media are lawfully on campus, they may interview, photograph, and/or film students. However, parents/guardians may deny or withhold permission for their children to be interviewed, filmed, or photographed. Additionally, a student may decline to speak to the media and may refuse to be interviewed, filmed, or photographed by the media.

In addition, various campus organizations (e.g. newspaper, broadcast journalism, student council) may take pictures and videos during the year that are posted to the school and/or organization website.

ONE TO ONE LAPTOPS

ECRCHS' 21st-century classroom initiative leverages technology to support our vision of empowering students to be independent, think critically, collaborate confidently and work passionately. Assigning each student his/her own laptop device to use in the classroom and also take home allows ECRCHS to educate our students innovatively by being able to do more individualized learning, providing the applications that help

develop their creative thinking and problem solving, and making information more accessible at their fingertips. ECRCHS uses Microsoft Office365, Google Suite, Adobe Creative Cloud, and many more applications to ensure that our students are college and career ready.

INTERNET ACCESS/ACCEPTABLE USE POLICY

ECRCHS classrooms have Internet access for students to use for class projects and research. ECRCHS is compliant with the Federal Children's Internet Protection Act (CIPA). Specifically, CIPA requires schools to use technology to block access to Internet sites that: A) are obscene; (B) contain child pornography; or (C) are harmful to minors.

Please read and review with your son/daughter the Acceptable Use Policy (AUP) found in Appendix A for students using the Internet at ECRCHS; Appendix A also includes information regarding the Optional Laptop Protection Plan. Both student and parent/guardian must indicate that they understand and agree to the Acceptable Use Policy. Without this acknowledgement, your child will not be allowed to use school computers with Internet accessibility.

SOCIAL NETWORKING POLICY

Students should understand that they are responsible for anything they display or post on the Internet through social networking sites such as Snapchat, Instagram, Twitter, Facebook, LinkedIn, YouTube, etc., and that their online actions can have serious real-life repercussions. As such, students should use good judgment and common sense in all their online activities. The following guidelines are intended to ensure that students know how to behave properly online.

- Students are responsible and may be held accountable for negative or hostile comments, insults, and/or harassment on social networking sites or through other electronic acts. If a student or employee is harassed online, causing the student or employee to feel uncomfortable at school, ECRCHS has the right to take disciplinary action to safeguard the well-being of its students and employees. An "electronic act" means the transmission of a communication, including, but not limited to, a message, text, sound, or image by means of an electronic device, including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer, or pager. If a threat is made against a ECRCHS student or employee, against school facilities, or generally in relation to the school, ECRCHS has the right to become involved. A threat is a threat regardless of the medium in which it is made.
- ECRCHS will always err on the side of safety. If there is a perceived safety threat, the school will investigate.

ACADEMICS

ATTENDANCE

California Compulsory Full-Time Education Law

Education Code Section 48200 states that each person between the ages of 6 and 18 years not exempted under the provisions of Chapter 2 or Chapter 3 (commencing with Section 48400) is subject to compulsory full-time education. Each person subject to compulsory full-time education and each person subject to compulsory continuation education not exempted under the provisions of Chapter 3 (commencing with Section 48400) shall attend the public full-time day school or continuation school or classes and for the full time designated as the length of the school day by the governing board of the school district which the residency of either the parent or legal guardian is located and each parent, guardian or other person having control or charge of the pupil shall send the pupil to the public full-time day school or continuation school or classes and for the full time designated as the length of the school day by the governing board of the school district in which the residence of either the parent or legal guardian is located.

School attendance is vital to student achievement. Students who develop patterns of good attendance are much more likely to be successful both academically and socially. Schools are required to update attendance data and records during the current school year. Corrections and updates to attendance data and records are not allowed after the school year has closed. It is the parent's/guardian's responsibility to provide documentation within five (5) days after the student returns to school in order to prevent absences from being converted to trancies.

Excused Absences

Education Code Section 48205 provides that a student shall be excused from school when the absence is due to:

- Illness;
- Quarantine;
- Medical, dental, optometric or chiropractic services;
- Attending the funeral of an immediate family member, e.g., mother, father, grandmother, grandfather, brother, sister, or any relative living in the immediate household of the student (one day within the state, three days outside the state);
- Jury duty;
- Illness or medical treatment of a child for whom the student is the custodial parent;
- Justifiable Personal Reasons is when the pupil's absence has been requested in writing by the parent and approved by the Executive Director or designee. Absences that fall into this category include, but are not limited to, the following:
 - Appearance in court;
 - Attendance at a funeral service for someone other than immediate family;

- Observance of religious holiday or ceremony;
- Attendance at a religious retreat (shall not exceed 4 hours per semester);
- Revoked suspension through appeal's procedure;
- "Take Our Daughters and Sons to Work Day®."

Students who are absent should bring a written and signed note upon return to school for each day or consecutive days he/she was absent, and submit the note to the Counseling Office. This written verification must be received within five (5) days of a student's return to school. Upon receiving appropriate written verification that an absence occurred due to one of the reasons listed above, the school will consider the absence to be excused. A pupil absent from school for the above excused reasons shall be allowed to complete all assignments and tests missed during the absence that can reasonably be provided and, upon satisfactory completion, shall be given the opportunity to earn full credit. The teacher of any class from which a pupil is absent shall determine what assignments the pupil shall make up and in what period of time the pupil shall complete such assignments. The tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

Unexcused Absences

Any absence for reasons other than those listed as excused absences are unexcused and students do not have to be given the opportunity to make up missing assignments.

Excessive absences are defined as absences equal to or greater than ten percent (10%) of the number of school days; i.e., if there are 180 school days in the year, excessive absences will be 18 or more.

A-G REQUIREMENTS

“A-G” requirements are a sequence of high school courses that students must complete (with a grade of “C” or better) to be minimally eligible for admission to the University of California (UC) and California State University (CSU). They represent the basic level of academic preparation that a high school student should achieve to undertake university work. All ECRCHS students will be automatically placed on the A-G path; ECRCHS encourages all students to remain on this path. However, if a parent/guardian elects to remove the student from the A-G path, the parent/guardian must come to the school, meet with a counselor, and affirm the election to remove the student from this path.

For the A-G path, please note the following:

- Minimum requirements needed to apply directly to a 4-year college after graduation.
- Completing requirements does NOT guarantee entrance to any college.
- Courses used to satisfy the “A-G” requirements in which the student earns “D” or “F” grades MUST be repeated with grades of “C” or better. In these cases, the second set of grades are used in calculating the grade point average for college admission (for ECRCHS grade point average, all grades are averaged including repeats). Each course in which a grade of “D” or “F” has been received may be repeated only once.
- If a student repeats a course used to satisfy the “A-G” requirements in which he or she originally earned a grade of “C” or higher, the repeated grade will not be used in the calculating the grade point average.
- A student must complete eleven of the fifteen A-G requirements by the end of his/her junior year in order to be UC-eligible.
- For A-G Course Lists (search by high school), go to <http://www.ucop.edu/agguide/>; then click on the “A-G Course List” tab on the right side of the screen to search for classes.

A-G Category	Subject	Required Years
A	History/Social Science	2
B	English	4
C	Mathematics	3*
D	Laboratory Science	2*
E	Foreign Language	2*
F	Visual Performing Arts	1
G	College Preparatory Elective	1

PROCEDURES FOR CLASS PROGRAMMING

Students meet with their counselor twice each year to choose their courses and discuss their progress towards meeting graduation requirements. During Welcome Week, students will have the opportunity to meet with their counselor to make program adjustments. During this time, students with an incomplete schedule, incorrect classes, and repeated classes may meet with the counselor to make changes.

Students may request changes at the start of each semester. However, there are NO class or level changes following the 15th class day of each semester.

Counselors do not make teacher or period preference changes.

PROGRAMS

The school has several special programs. For more information on the special programs, please contact your child's counselor.

AVID

AVID is a small learning community for students who have the potential and desire to attend a four-year college. Many students in the AVID program are the first in the family to attend college and benefit from the extra support and guidance. The AVID program involves academic instruction, tutorial support, and motivational activities. Students in the AVID program are enrolled in the AVID elective each semester and learn organizational/study skills, work on critical thinking and probing questions, get academic help from peers and tutors, and receive guidance through the college process. Students in the AVID program are required to maintain a GPA of 2.5 or higher.

Humanitas

Humanitas is a college preparatory program for students who are interested in the social, political, and environmental issues that shape society. Humanitas consists of three college-prep classes at each grade level that work together to build academic skills and make connections between the content areas. The award-winning, project based curriculum prepares students for success in college and beyond. Humanitas is committed to the integration of visual and performing arts as an essential tool to engage students and develop deeper understandings of course content. Students in the Humanitas program will have many opportunities for field trips and community service.

Careers in Entertainment Academy

CEA is a four year, internationally recognized, academy in which students acquire the artistic and technical skills in all aspects of film and television production, in order to prepare them for a professional career in the entertainment industry. Filmmaking 1AB includes 1 semester of Film History and 1 semester of beginning Film Production, where students acquire the basic skills necessary to produce their own group narrative films. Sophomore year is Broadcast, which emphasizes documentary filmmaking and produces ECREALITY, a bi-monthly news format web series. Junior and Senior years, students may choose to stay in Broadcasting, or they may move to Intermediate Filmmaking 2AB, for 11th grade, and Film Production (Advanced Film), for 12th grade. Both intermediate and advanced classes work in all film departments to produce 7-15 minute narrative films. Completed films are entered in prestigious national and international film festivals.

Fashion and Design Academy

This elective based academy offers students the opportunity to participate in the world of fashion design. Students in this program make costumes for drama festivals and put on an annual fashion show at the school.

STEAM

Students in the Science + Technology + Engineering + Art + Math (STEAM) program take a preset group of courses to build a strong foundation in science, technology, engineering, art, and math. These include biology, math (either Algebra 1 or Geometry, depending on math ability), Introduction to Technology/Digital Media, Design Craft, and English 9. The STEAM program has an honors track and a college preparatory track, with both focusing on A-G requirements. Starting in 10th grade, STEAM participants will have the choice to focus on biomedical, technology/engineering, or environmental themes, within the STEAM program.

VAPA

The new Visual and Performing Arts Academy (VAPA) is a small learning community for students who would like to enhance their high school experience through their art disciplines. VAPA students will be expected to take at least one VAPA course each year. Through the support of their counselors and teachers, they will receive guidance in applying to arts-based college programs. The academy culminates in a senior year showcase themed around using art as a vehicle for change.

SCHOOL ACCOUNTABILITY REPORT CARD

Education Code Section 35256 requires the District to annually issue a School Accountability Report Card (SARC) for each school. The SARC is published by February 1 each school year. A copy is available upon request at the school site, and also on the school's website (www.ecrchs.net, under About).

REPORT CARDS

Report cards are issued and mailed home at the 20-week period. Parents/guardians may view the interim progress report grades at the 5-week, 10-week, 15-week, and 20-week periods in AERIES.

GRADE CHANGE REQUEST PROCESS

Under Education Code Section 49066, parents have a right to request a change of a student's grade on the following grounds:

- Mistake;
- Fraud;
- Bad faith; and/or
- Incompetency in assigning the grade.

When grades are earned for any course of instruction taught in the public schools, the grade earned by each student shall be the grade determined by the teacher of the course. In the absence of any of the grounds listed above, the grade shall be final.

Any request for a grade change must start with the classroom teacher within 30 days of the date the grade report was mailed. If not resolved with the teacher, the next step is a

written request to the appropriate Assistant Principal. If not resolved, the decision may be appealed to the Executive Director. At each step, the parent has the right to present information in support of the request.

AWARDING CLASS CREDIT

Class credit is awarded for classes approved by the ECRCHS Governing Board. Earning five instructional credits normally requires five 40 to 60 minute periods of class time per week for one semester. Credits are based on the Carnegie Unit. One Carnegie Unit represents one full-year class and is equivalent to 10 semester credits. One-half Carnegie Unit represents one semester's work in a subject and is equivalent to 5 semester units. Credit is not awarded for classes in which a student earns a Fail, No Mark, or Incomplete.

Credit is not awarded for classes repeated to raise a grade unless the grade previously earned was a Fail, No Mark, or Incomplete. Partial credit is not granted for ECRCHS classes unless a student is eligible under AB 216. Currently enrolled students who take classes at institutions other than ECRCHS must have approval from their counselor to earn high school credit. All courses posted to the transcript are final and cannot be removed from the transcript record.

All ECRCHS courses are accredited by the Western Association of School and Colleges (WASC) and are transferable throughout the United States.

TRANSFER CREDITS

Subject marks and credits are accepted and recorded on the ECRCHS transcript from schools accredited by WASC or other regional accrediting association. Credit from non-accredited schools will be recorded with grades of pass or fail and a generic subject description. Credits for non-accredited school outside of the United States require certified translations. Evaluations of the transcript and the granting of credits is specific to each student. Students who have completed the equivalent of high school in their country shall enroll in a post-secondary institution.

Regardless of the type of transfer, verification of the curriculum, course content, instructional hours and alignment with the California State Standards is required and must be approved by the Administrator before credit is awarded.

SUMMER SCHOOL

ECRCHS Summer School classes are available to students who are currently enrolled at ECRCHS and/or who are registered to enroll at ECRCHS in the Fall of each year. Students who take summer school classes at other institutions are required to obtain prior approval from their counselor before taking the class if they wish to apply the credits earned towards high school graduation. Students without prior authorization

from their current school counselor will not earn high school credit. For more information, see your counselor.

CAL GRANT PROGRAM NOTICE

ECRCHS is required by state law to submit the GPA of all high school seniors by October 1 of each year, unless the student over age 18 or parent/guardian for those under 18 opt out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the student (or parent/guardian, if the student is under 18) has opted out on or before January 31.

ALTERNATIVE EDUCATION AND INDEPENDENT STUDY

Alternative Education

ECRCHS is pledged to provide an appropriate and challenging educational program accessible to all students, including students achieving at a level significantly below their peers, defined as those who are 30 credits or more behind the four-year pacing plan. These students will be given the opportunity to capture credits through the Alternative Education Program. This program provides additional strategies with a more personalized instructional setting specific to each student's academic needs. Students identified for the personalized intervention setting will be expected to master the skills and content necessary for success in colleges and careers. Students will demonstrate mastery of standards in four core academic subject areas: English Language Arts; history/social sciences; mathematics; and the natural sciences.

Courses offered are not set on a semester timeline. Each course is designed to allow students the flexibility to access the curriculum at their own pace. Personalized learning plans are developed for each student. The instructional curriculum will have the flexibility to provide specific intervention, catering to the needs of each student, throughout each course's entirety. A self-paced format allows the teacher to slow down the curriculum at any time throughout the course and address learning deficits. Students are not required to move forward and keep up with the class but rather set their own pace based on their skills and ability to process the information necessary to be successful in each course. This approach allows students of all levels to demonstrate growth and mastery within the curriculum and be successful in grade appropriate classes that meet A-G requirements.

Due to the independent nature of the instructional program, plagiarism and/or sharing of work is taken very seriously and will lead to closing the course with no credit awarded.

Independent Study

The North Campus College and Career Independent Study Program will be offered to those students who are unable to attend school in the traditional five days a week format. It is designed for students with special interests and abilities, scheduling problems, or individual needs that cannot be accommodated in the traditional school.

This program offers courses that meet the CSU/UC college A-G course requirements. Most of the courses will be offered online as well as in person from our ESSA-qualified teachers on the North Campus. Students must meet all independent study eligibility requirements. Because this program offers rigorous, challenging courses, students must be able to work independently and have a desire to learn. Due to the independent nature of the instructional program, plagiarism, and/or sharing of work, is taken very seriously and will lead to closing the course with no credit awarded.

ECRCHS will adhere to California Department of Education regulations and requirements for Independent Study programs at charter school sites and Education Code Section 47612.5.

Online Instruction

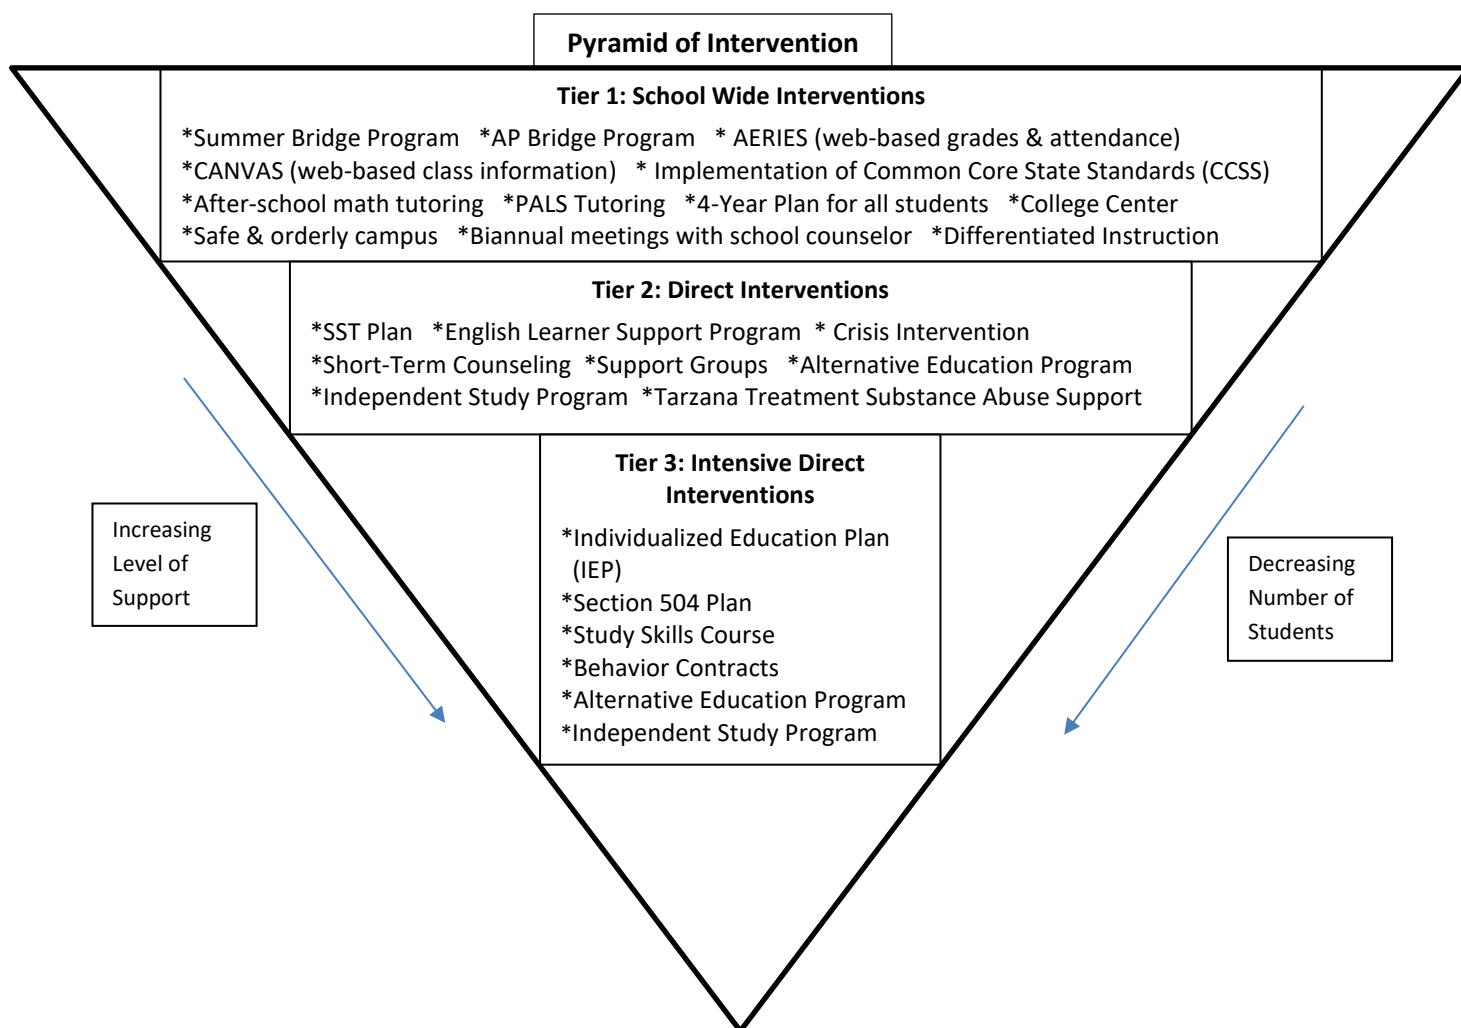

ECRCHS currently contracts with Cyber High to offer our students online classes. ECRCHS covers the expenses of these online classes. Each class is five units and students may work on the classes from their home computers. However, to finish each unit, the student must stay after school to take a test. Each semester there is a specific deadline for completion; classes that are not finished by the deadline are lost and do not roll over to the next semester. Students may request additional information and sign-up sheets from their counselors. Though there are other online, accredited programs from which we will accept credits, those other programs are private pay options. Due to the independent nature of the online program, plagiarism and/or sharing of work is taken very seriously and will lead to closing the course with no credit awarded.

STUDENT SUPPORT SERVICES

El Camino Real Charter High School is dedicated to providing a positive and supportive learning environment focused on student success in our academic programs. Student Support Services provides oversight and guidance for Special Education, Section 504 Plans, the Health Office, and Mental Health Services and assists students, teachers, and counselors in identifying resources to support student success.

Intervention

If your student is experiencing difficulty in a class, please contact the teacher as soon as you are aware of the concerns. All faculty / staff contact information can be found on the website. Ideally, through communication and collaboration between the student, parent, and teacher, your student will attain success. If, after conferencing with the teacher, your student is still struggling, please contact his/her counselor for assistance.

Child Find

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. The School provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEA”), Education Code requirements, and applicable policies and procedures of the Los Angeles Unified School District SELPA. These services are available for special education students enrolled at the School. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. The School collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Special Education

Students who are eligible to receive supports and services under the Individuals with Disabilities Education Act (IDEA) are provided with Individualized Education Plans (IEPs). ECRCHS provides a continuum of placement options for students with disabilities in accordance with federal and state law.

All special education students are assigned a case carrier (a credentialed special education teacher) who monitors and assists each student's progress toward meeting IEP goals. General Education and Special Education teachers work collaboratively to meet student needs and to ensure that IEPs are implemented.

Resource Specialist Program (RSP): the Resource Specialist Program supports students who receive instruction primarily in general education classes utilizing an inclusion model.

Special Day Program (SDP): the Special Day Program provides instruction in core content areas by a credentialed Special Education teacher in a small class setting.

Students Receiving Instruction Through an Alternate Curriculum: students who are not on the diploma track and are working toward a Certificate of Completion, as indicated on their IEP, receive instruction through an alternate curriculum and through modifications to the general education curriculum that are individualized based on their specific needs and their IEP goal areas.

Related services are provided as indicated on the IEP - including Speech and Language, Occupational Therapy, Physical Therapy, Counseling, itinerant teachers for vision and/or hearing impairments, etc. ECRCHS also employs a Transition Teacher to support post-high school success for Special Education students.

Section 504 Plans

Section 504 of the Rehabilitation Act is a federal law that requires reasonable accommodations be provided to students with qualifying disabilities.

To be covered under Section 504, a student must have a physical or mental impairment that substantially limits one or more major life activities. A student may be considered to have a substantial limitation when unable to perform activities that a similar-age peer in the general population can perform. Major life activities include (but are not limited to): self-care, manual tasks, walking, hearing, seeing, speaking, breathing, and learning.

If you feel that your child may qualify for a Section 504 Plan, please contact his/her counselor or Ms. Larew, Assistant Principal of Student Support Services. A copy of the School's Section 504 policies and procedures is attached hereto as Appendix B.

College Board / ACT Accommodations

The College Board and ACT are organizations that conduct tests used for the admission process for 4-year colleges and universities. These tests are not required for admission to community colleges. Students with disabilities may apply for test accommodations through these organizations. ECRCHS can assist students and parents with submitting these forms; however, it is the responsibility of the student and parent to complete and provide all required documentation for submission.

Information about the process for applying for accommodations for tests administered by the College Board (PSAT, SAT, and AP Exams) and about the documentation required is available on the College Board's website at www.collegeboard.org/ssd/student.

Information about the process for applying for accommodations and the documentation required for the ACT is available on ACT's website at www.actstudent.org under "Accommodations and Supports."

Requests for accommodations must be submitted to ECRCHS well in advance of the application due date. Additional information regarding the process is available by contacting the School's SSD Coordinator Ms. Guenther at b.guenther@ecrchs.net.

Mental Health Services

ECRCHS recognizes that, when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-

solving skills and achieve in school and, ultimately, in life. The following resources are available to your child:

Supports on Campus:

- **School-based counseling services** – ECRCHS has seven School Counselors, two School Psychologists, and a Psychiatric Social Worker (PSW) who provide mental health supports for students.

Our School Counselors, School Psychologists, and Psychiatric Social Worker support students by providing individual sessions, group or parent consultations when a student is having a difficult time due to academic stress, transition due to changes in their environment, or social concerns, including isolation. Counseling services, whether provided by our School or by an outside provider listed below, are voluntary.

Your child is encouraged to directly contact their school counselor by coming into the counseling office during school hours and making an appointment. The counseling office can also be reached at (818) 595-7514. The School Psychologists and PSW can be reached through the Student Support Services Office at (818) 595-8005.

- **Special Education services and Section 504 Plans** – if you believe your child may have a disability, you are encouraged to directly contact Ms. Larew, Assistant Principal of Student Support Services, at (818) 595-8003 to request an evaluation.

- **Other support services** – Students eligible for Medi-Cal may also apply to receive counseling support on campus provided through the Department of Mental Health. Referral information is available through your child’s school counselor.

Outside Mental Health Resources:

- **Los Angeles County Department of Mental Health (DMH)** – This organization provides countywide services for families including mental health referrals, linkage resources, and crisis intervention. Emergency & Non-Emergency Helpline is available 24 hours at 1-800-854-7771. Additional information is available on their website at <http://dmh.lacounty.gov>.

Suicide Prevention Policy

ECRCHS recognizes that suicide is a major cause of death among youth and takes this issue seriously. To attempt to reduce suicidal behavior and its impact on students and families, ECRCHS has developed prevention strategies and intervention procedures. ECRCHS's Suicide Prevention Policy is attached as Appendix C.

Homeless Students

The McKinney-Vento Homeless Assistance Act for Homeless Children and Youth entitles all homeless school-aged children to the same free and appropriate public education that is provided to non-homeless students. ECRCHS's Education for Homeless Children and Youth Policy is attached as Appendix D.

Foster Youth

ECRCHS is committed to providing foster youth with full access to ECRCHS's educational program in order to provide the tools necessary for their academic achievement. ECRCHS's Education for Foster Youth Policy is attached as Appendix E.

TESTING

English Language Proficiency Assessments for California

State law requires school districts to assess the English language development of all English Learners (ELs) and of new enrollees in California public schools who may be

ELs in order to determine each student's level of English proficiency in listening, speaking, reading and writing.

The English Language Proficiency Assessments for California (ELPAC) must be administered to new enrollees in the district with a home language other than English, unless they have been assessed at another California Public School. Students who have previously been identified as being ELs must also be administered the ELPAC annually to determine annual English language development progress until the EL student has been reclassified.

The ELPAC is administered to students who are already identified as ELs in the spring semester. For new enrollees who have a home language other than English, the ELPAC must be administered within 30 days of enrollment in a California public school.

The ELPAC is the required state test for English language proficiency (ELP) that must be given to students whose primary language is a language other than English. State and federal law require that local educational agencies administer a state test of ELP to eligible students in kindergarten (or year one of a two-year kindergarten program, sometimes referred to as "transitional kindergarten") through grade twelve. The ELPAC is aligned with the 2012 California English Language Development Standards, and is comprised of two separate ELP assessments:

- an initial identification of students as English learners
- an annual summative assessment to measure a student's progress in learning English and to identify the student's ELP level.

To find more information about the ELPAC, please contact Dr. Bencivengo (818) 888-7050 or by email at w.treuhaf@ecrchs.net. Additional information is posted on the internet at <http://www.elpac.org>.

California Assessment of Student Performance and Progress (CAASPP) System

The 2019-20 California Assessment of Student Performance and Progress (CAASPP) administration will include the Smarter Balanced Summative Assessments, the California Alternate Assessments (CAAs), and the California Science Tests (CASTs). The optional primary language test, the Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA), will be offered in the form of paper-pencil assessments.

The school shall annually administer required state testing to the applicable grades (e.g., the CAASPP). Notwithstanding any other provision of law, a parent's or guardian's written request to school officials to excuse his or her child from any or all parts of the state assessments shall be granted.

Physical Fitness Test

State law requires school districts to administer the Physical Fitness Test (PFT) annually to all students in grade nine. The state-designated PFT is the FITNESSGRAM®. The FITNESSGRAM® is a set of tests designed to evaluate health related fitness and to assist students in establishing lifetime habits of regular physical activity. Passing the test requires that students score in the “Healthy Fitness” zone in five out of the six fitness areas. Students must remain in PE until the PFT is passed. However, please note that passing the PFT is not a requirement for graduation.

The complete FITNESSGRAM® test battery measures student performance in the following areas:

- 1) Aerobic Capacity
- 2) Body Composition
- 3) Abdominal Strength and Endurance
- 4) Trunk Extensor Strength and Flexibility
- 5) Upper Body Strength and Endurance
- 6) Flexibility

Teachers and administrators are responsible for preparing students to do their best on the test by providing instruction and appropriate practice in the skills and abilities that are tested. It is recommended that schools should provide students appropriate practice as part of the regular physical education (P.E.) program throughout the year. Students are tested throughout the school year.

To find more information about the FITNESSGRAM®, please contact your child’s P.E. teacher. Additional information is posted on the internet at <http://www.cde.ca/gov/ta/tg/pf/>.

California State University Early Assessment Program (CSU-EAP)

The EAP test is embedded in the California Assessment of Student Performance and Progress (CAASPP) 11th-grade English Language Arts/Literacy and mathematics. These tests are part of California’s public school testing and accountability system and are required of all grade 11 students. CAASPP exams cover both California high school standards as well as the CSU placement standards. Specified levels of these scores indicate meeting CSU standards.

Additional information can be found at: <http://www.cde.ca.gov/ci/gs/hs/eapindex.asp> and <https://www.calstate.edu/eap/>.

ALTERNATIVES TO USING PRESERVED AND LIVE ORGANISMS IN SCIENCE CLASSES

School policy and Education Code Section 32255.1 provides that students with a moral objection to participation in science laboratory instruction in which animals are used

must be informed of the opportunity to be excused or provided with alternative activities. Students objecting to participation in a science laboratory in which animals will be used must have a note from their parents or guardians requesting an alternative assignment. This assignment must require a comparable time and effort investment by the student.

INTERNATIONAL STUDENT ADMISSIONS

ID CARDS

At the beginning of each school year, every student is provided with a photo identification card. Students are expected to carry this card at all times when on campus or when attending any school related activity on or off campus. Students must produce the card upon request of authorized school personnel. If the ID card is lost, a duplicate may be obtained in the Admissions Office at a cost of \$4.00. ID cards, along with appropriate passes, must be shown when leaving school at lunch or any other time before regular dismissal.

LOCKERS

Each student entering ECRCHS will be assigned a hall locker. These lockers will be kept throughout a student's stay at ECRCHS. Students should not give their locker combination to other students or share lockers. A student can use his/her locker to store books, notebooks, and personal articles, but the school assumes no responsibility for any loss. Students should not leave money or valuables in the locker. Students experiencing locker issues should go to the Assistant Principals' Office for assistance. The school maintains the right to open lockers at any time and random locker searches may be conducted throughout the year.

ACTIVITY CARDS

The Activity Card provides savings for the student and support for school activities. Activity card holders receive free admission to home football and basketball games (not including playoffs). Students also receive free admission to away football and basketball games when the school is playing a West Valley League opponent. In addition, the card provides a discount on the yearbook and several school activities.

LUNCH PASSES

Juniors and seniors with good attendance (no more than 10 unexcused absences; note that two tardies equal one unexcused absence) may be eligible for a lunch pass. Lunch passes allow students to leave campus during lunch. Parent/guardian permission is required and the passes may be taken away at any time. Applications and more information are available in the Deans/Admissions Office.

FOOD POLICY

Students with Lunch Passes:

Students with lunch passes must stay off campus until 3 minutes before the bell rings. Students may not bring any food back on campus. Students may bring a single drink/beverage for his/her own consumption. Due to allergies and other health concerns, bringing food or drink back for other students is strictly prohibited.

Outside Food Deliveries Prohibited:

Outside food delivery (such as Uber Eats, GrubHub, Postmates, etc.) of any kind is prohibited during school hours.

Parent/Guardian Lunch Drop-Off:

Parents/guardians may bring a single meal only for their child(ren) to drop off with Security or at the Main Office. Students may take the lunch brought by a parent/guardian to the quad (or other designated area) to eat. Students are only allowed to pick up food during nutrition or lunch, not during a passing period. ECRCHS has the right, in its sole discretion, to inspect any bags or containers brought, as necessary.

Clubs/Student Organizations:

During Lunch: clubs and organizations **may not sell food at all** during school hours. Clubs and organizations may be allowed to bring food during lunchtime for meetings with the approval of both the sponsor and administration (either Ms. Clark or Mr. Bennett). The appropriate form must be completed and submitted to administration (either Ms. Clark or Mr. Bennett); the form can be found on the ecrchs.net website under “Activities – ECR Clubs.” Forms must be submitted at least one week in advance. Upon approval, the club/organization will only be allowed to bring food once per month. All food brought in must meet the school’s Health and Wellness Policy regulations (i.e., healthy foods only and no home-cooked foods), which is posted on the ECRCHS Web site. Items served must be discussed with sponsors & administrators.

After School: clubs and organizations may sell food on campus starting 30 minutes after school ends. Clubs and organizations seeking to sell food on campus must first obtain the approval of the sponsor and Student Council (Student Council will advise administration). If approved, all food sold must meet the school’s Health and Wellness Policy regulations (i.e., healthy foods only and no home-cooked foods). Items served should be discussed with sponsors & administrators.

FIELD TRIP POLICY

Students may have the opportunity to participate in field trips, which are educational off-campus activities led by a teacher or other school staff. All students who are scheduled to attend an approved field trip will receive a “Parent’s or Guardian’s Permission for a Field Trip and Authorization for Medical Care” form. The completed and signed form must be submitted prior to the student attending the trip. The teacher will notify the student of the paperwork deadline. In general, transportation for field trips is provided by school bus and all students must take the bus to and from the trip destination. In the event that transportation is not by bus, parents/guardians will receive additional paperwork to acknowledge and allow a different method of transportation.

STUDENT CLUBS

Joining a club is a great way to feel connected to the school, meet new friends, and gives students the opportunity to explore and share special interests with other students. There are currently approximately 90 clubs on campus covering a wide variety of topics. Go to the Student Section of the school website to see a current club list. Most clubs meet once per week during lunch in the sponsor's classroom.

STUDENT GOVERNMENT

ECRCHS has several organizations that give students a variety of leadership opportunities.

Student Council

Student Council is the main student government organization on campus. Chaired by the Student Body President, the group oversees all business concerning students, plans and produces all Student Body activities, and promotes school spirit. Membership is by election or appointment only.

Class Steering Committees

The Senior, Junior, Sophomore, and Freshman Steering Committees are chaired by the elected class presidents and are designed to represent and implement the ideas of class members. Steering committees meet periodically and all students are invited to attend and participate.

Student Senate

The Student Senate is composed of elected representatives from each 1st period class and meets monthly. Its main purpose is to provide input and two-way communication between Student Council and the Student Body.

EXTRACURRICULAR ACTIVITIES

ECRCHS offers a wide variety of extracurricular activities. Options include yearbook, drama, choir, instrumental music, journalism, film making, color guard, and ROTC. Several of our clubs perform activities outside of school such as Relay for Life, Science Bowl, and Robotics.

PHYSICAL EDUCATION / P.E. CLOTHES

To fulfill the requirements for high school graduation, students must take two years (four semesters) of Physical Education (P.E.). In addition, they must pass 5 out of the 6 components of the California State Physical Fitness Test (as discussed above). Students are required to take PE in 9th grade and must pass 4 semesters

of PE in total. If a student is unable to pass 5 out of the 6 components of the Physical Fitness Test, the student will be required to take a P.E. class each semester until they pass.

For safety reasons, students are required to change into appropriate clothing for their Physical Education class. Appropriate clothing includes the following:

- Shoes: Closed toe sneakers with laces or Velcro.
- Shirts: ECR logo P.E. shirts or plain white t-shirts with no logos or design.
- Shorts: ECR logo shorts or royal blue sports shorts.

- Cold weather gear: In the event of cold weather, the student may wear any ECR logo sweatshirt or plain grey (no logos) sweatshirt OVER their P.E. shirt. In addition, they may also wear plain grey sweat bottoms OVER their shorts, or black leggings UNDER their shorts. The “sweats” may not be worn in lieu of the P.E. shirt and short uniform.

Students may purchase ECR logo P.E. clothes from the Student Store or online at <http://store.ecrchs.net/>. P.E. clothing purchased is the property of the student to keep.

Upon request, ECRCHS will provide students a set of “used” ECR logo P.E. shirt and shorts to wear during P.E. class. Students will be required to return the provided clothing at the end of the school year; failure to do so may result in a fine. If you would like a set of used ECR logo P.E. shirt and shorts, please have the student ask his/her P.E. teacher or contact the Department Chair Ms. Chandler at l.chandler@ecrchs.net.

STUDENT STORE

The Student Store is located near the covered eating area and is open Monday through Friday from 7:30am to 4:00pm. The Student Store provides a variety of items including:

- P.E. clothes (shorts, shirts, sweatshirts)
- Spirit Wear (shirts, hats, sweatshirts)
- Student Activity Cards
- Sales of tickets for athletic and school events
- Yearbook sales
- AP test sign ups

Purchases must be made with cash, cashiers’ check, or credit card. Personal checks will not be accepted.

CAFETERIA

Food is available in the student cafeteria during nutrition and lunch through our food vendor, Chartwells. Parents can use Meal Time Online to make deposits into their student’s cafeteria account or view the student’s purchase history. The school also participates in the National School Lunch Program. Qualified families will receive free

or reduced-price meals, as well as reduced testing rates for AP exams and are able to receive two fee waivers for the SAT, ACT, and SAT Subject tests. To check your family's eligibility, fill out the application online at www.mymealtime.com. For assistance with the application process, please view the support materials on the school's website under "Families – Cafeteria." Please note that this application is different than the LAUSD application, and in order to receive free or reduced-price meals at ECRCHS, you must fill out our application. Students may not sell food (i.e., candy bar fundraisers) or drinks on campus. Students violating this rule may be referred to the Deans Office and face consequences for violation of this rule, including, but not limited to, having their food items confiscated.

PARKING

Students may park in the student lot or on the streets around the school where parking is legal. Students may not park in the faculty lot. Students are not to loiter, litter, smoke, play radios, etc., in the parking lot or surrounding streets. Students are expected to follow safe driving practices at all times. ECRCHS assumes no liability for any damage done to or loss of vehicles parked on or near its campus; students and parents/guardians park at their own risk. Illegally parked cars may be towed at owner's expense. ECRCHS reserves the right to revoke parking privileges at any time at its sole discretion.

BICYCLES AND SKATEBOARDS

Students are welcome to ride bicycles and skateboards to school, but may not ride them on campus. Bicycles and skateboards must be stored in an appropriate rack during the day. There is an enclosed bicycle rack located near the lower "S" building. There is also a skateboard rack located in the quad, just past the main lobby. Students must supply their own locks. Skateboards do not fit in the lockers and students may not carry their skateboards around during the school day. ECRCHS assumes no liability for the loss of or damage to bicycle and skateboards stored on ECRCHS campus. ECRCHS reserves the right to deny use of bicycles and skateboards on its campus.

STUDENT CONDUCT

BULLYING AND HAZING POLICY

ECRCHS is committed to providing a safe and civil learning and working environment. The school takes a strong position against bullying, hazing, or any behavior that infringes on the safety and well-being of students and/or employees, or interferes with learning or teaching. The school prohibits retaliatory behavior against anyone who files a complaint or who participates in the complaint investigation process. The policy applies to all other persons within the school's jurisdiction.

Bullying is defined as the deliberate antagonistic action or creation of a situation with the intent of inflicting emotional, physical, or psychological distress. The behavior may be a single or repeated act and may be electronic, direct, indirect, non-verbal, psychological, sexual, social, physical or verbal.

Cyber bullying is conducted via electronic communication technology (e.g., texts, e-mails, blogs, postings) and meets the impact of bullying (see above). A person who engages in cyber bullying at school or school-related activities and events is subject to disciplinary action even if the bullying occurred on a personal electronic device. Cyber bullying that occurs off-campus but compromises the safety or instructional environment of the school may fall under school jurisdiction.

Hazing is any method of initiation, pre-initiation, or rite of passage associated with actual or desired membership in a student organization or student body, whether or not it is officially recognized by the educational institution.

Administrators and staff are responsible for creating an environment where the school community understands that bullying is inappropriate and will not be tolerated. Students also take responsibility for helping to create a safe environment: do not engage in or contribute to bullying behaviors, actions, or words. Treat everyone with respect. Be sensitive as to how others might perceive your actions or words. Never engage in retaliatory behavior or ask for, encourage, or consent to anyone's taking retaliatory actions on your behalf. Report bullying behavior to a trusted adult. The school's Title IX / Bullying Complaint managers are: Assistant Principal Emilie Larew, Assistant Principal Dean Bennett, and Chief Compliance Officer Daniel Chang.

SUSPENSION AND EXPULSION

Education Code Section 48925 (d) defines suspension as "removal of a pupil from ongoing instruction for adjustment purposes." A student may be suspended for no more than five consecutive school days. Education Code Section 48925 (b) defines expulsion as "removal of a pupil from (1) the immediate supervision and control, or (2) the general supervision, of school personnel...."

ECRCHS's suspension and expulsion policies are set forth in Appendix F. The suspension and expulsion policies may also be found on ECRCHS' Charter Renewal Petition, which is available on the school website under "ECR Board – Charter Documents."

APPEALS PROCESS FOR SUSPENSIONS AND EXPULSIONS

Challenges or objections to suspensions and expulsions may first be addressed with the appropriate Assistant Principal. If the Assistant Principal upholds the suspension or expulsion, an appeal may be made to the Executive Director. Further information regarding the appeals process is set forth in Appendix F.

CELL PHONE POLICY

Cell phones are permitted to be brought to school. However, they may only be used before school starts, at the end of the school day, or during nutrition and lunch. Students are not permitted to use their phones inside of classrooms or during class time. Headphones, earphones, ear buds, and other listening devices/accessories may also not be used inside of classrooms or during class time. Students violating this policy may have their cell phones confiscated by school staff. The first time a phone is confiscated, it will be returned to the student after school at the Deans' Office. The second time a phone is confiscated, the student must serve lunch detention. If a phone is confiscated a third time, a parent must pick up the phone. Phones brought to school will be at the owner's risk. The school will not be responsible for lost or stolen phones.

CHEATING/PLAGIARISM

Any student found cheating/plagiarizing may be penalized by the loss of the test or assignment value. In addition, a student may receive a "U" in cooperation and/or work habits. A parent or guardian will be notified of the incident and penalty by the teacher. The contact will be documented. Further, cheating/plagiarizing may jeopardize college recommendation letters. Please note that Alternative Education and Independent Study may have different standards and guidelines; please refer to written guidelines for these programs.

DRESS CODE

Dress Code Philosophy:

The purpose of the ECRCHS dress code is to ensure that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase stereotypes, marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size. All students are expected to dress in a professional and appropriate manner consistent with the academic environment. All students shall be required to show proper attention to

personal cleanliness. The following rules and guidelines are designed to help students thoroughly understand the expectations put upon them as they prepare for college, careers, and professional life after high school as well as to nurture school pride and a focus on academics.

Our values are:

- All students should be able to dress comfortably for school and engage in the educational environment without fear of or actual unnecessary discipline or body shaming.
- All students should understand that they are responsible for managing their own personal image without regulating individual students' clothing/self-expression.
- Student dress code enforcement should not result in unnecessary barriers to school attendance.
- School staff should be trained and able to use student body-positive language to explain the code and to address code violations.
- Teachers should focus on teaching without the additional and often uncomfortable burden of dress code enforcement.
- Reasons for conflict and inconsistent and/or inequitable discipline should be minimized whenever possible.

Our student dress code is designed to accomplish several goals:

- Maintain a safe learning environment in classes where protective or supportive clothing is needed, such as science/shop (eye or body protection), dance (bare feet, tights/leotards), or PE (athletic attire/shoes).
- Allow students to wear clothing of their choice that is comfortable, within the dress code.
- Allow students to wear clothing that expresses their self-identified gender, within the dress code.
- Allow students to wear religious attire without fear of discipline or discrimination.
- Prevent students from wearing clothing or accessories with offensive images or language, including profanity, hate speech, and pornography.
- Prevent students from wearing clothing or accessories that denote, suggest, display or reference violence and weapons, alcohol, drugs or related paraphernalia or other illegal conduct or activities.
- Prevent students from wearing clothing or accessories that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights.
- Prevent students from wearing clothing or accessories that reasonably can be construed as being or including content that is racist, lewd, vulgar or obscene, or that reasonably can be construed as containing fighting words, speech that incites others to imminent lawless action, defamatory speech, or threats to others.
- Ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

Continued violation of the Dress Code policy may result in disciplinary action, up to and including loss of lunch pass privileges, loss of student parking privileges, loss of extracurricular activities, and/or detention.

STUDENT SEARCHES

The 4th Amendment of the United States Constitution protects individuals from unlawful searches. However, the law allows school officials to conduct searches of students under certain limited circumstances.

A. Searches Based on Reasonable Suspicion

If a student has engaged in conduct that causes an administrator to have *reasonable suspicion* that the student has committed, or is about to commit, a crime or has violated statutory laws or school rules, the administrator may conduct a search of that student.

The administrator must:

- Be able to articulate the reason for his or her suspicion and the facts and/or circumstances surrounding a specific incident.
- Be able to reasonably connect the student to a specific incident, crime or rule or statute violation.
- Have relied on recent, credible information from personal knowledge and/or other eyewitnesses.
- Ensure that a search based on reasonable suspicion is not excessively intrusive in light of the student's age and gender and the nature of the offense.

When conducting a student search based on reasonable suspicion, school officials must adhere to the following practices:

- Conduct the search only if there are clear and specific reasons for suspicion and there are facts that connect the student to a specific incident of misconduct.
- Jackets, purses, pockets, back packs, bags, and containers in the student's possession may be searched to the extent reasonably necessary.
- Under no conditions may a body or strip search be conducted.
- Only school officials of the same sex as the student being searched may conduct the search.
- Searches based on reasonable suspicion must be conducted in a private area where the search will not be visible to other students or staff (except for a school administrator or designee witness, also of the same sex).

B. Random Metal Detector Searches

California courts and the California Attorney General's Office have approved the use of random metal detector searches for weapons to maintain and protect the safety, security, and peace of students, School employees, and the School as a whole.

The following procedures shall be followed when using metal detectors to conduct random searches of students:

1. Searches involving metal detectors shall be minimally intrusive and involve the use of neutral criteria for selection.
2. Before walk-through, students shall be asked to empty their pockets of metallic objects.
3. If an initial activation occurs, students shall be asked to remove other metallic objects they may be wearing (e.g., belt and jewelry) and to walk through a second time.
4. If a second activation occurs, a hand-held metal detector shall be used.
5. If the activation is not eliminated or explained, staff shall escort the student to a private area.
6. In the private area, an expanded search shall be conducted by a staff member of the same gender as the student, in the presence of another school employee.
7. The search shall be limited to the detection of weapons.

If, as a result of a metal detector search, reasonable suspicion arises that a particular student may have a weapon, school officials may conduct a search of that student, in a private area, in accordance with the guidelines for reasonable suspicion based individual searches.

STUDENTS' PERSONAL PROPERTY

Personal items of value (cell phones, electronic games, laptops, tablets, etc.) should not be brought to school since loss, theft, or damage is possible. Also, such items can be distracting to the educational process and may be confiscated by school personnel. The school is not responsible for lost or stolen items (including those in lockers).

PROM ATTENDANCE POLICY

ECRCHS has adopted an attendance policy to help improve attendance and student achievement. Students who exceed the maximum number of allowable absences will be denied the privilege of participation in the Senior Prom. More details can be found in Appendix G.

FREE EXPRESSION INCLUDING POLITICAL CONDUCT, RALLIES, ASSEMBLIES, DEMONSTRATIONS, ETC.

Students have a right to freedom of speech and may participate in political or free speech activities while on school campus. Students may distribute literature reflective of their views and opinions. Students may assemble on campus during non-instructional time to discuss their views and opinions and may participate in peaceful demonstrations on campus during non-instructional periods. Students may exercise these rights as long as their speech, expression, or conduct is not obscene, lewd, libelous, slanderous, does not incite students to destroy property or inflict injury upon any person, or cause a substantial disruption to school.

California law permits school site administrators to establish reasonable parameters for those students who wish to exercise their free speech rights on campus or during the school day. School site administrators may impose restrictions on the times, place, and manner of those speeches or activities in order to maintain a safe and peaceful campus for all students and school employees. Students who fail to follow the directive of school site administrators or school policy concerning demonstrations, assemblies, sit-ins, etc., may be disciplined.

Distribution of Circulars, Newspapers, and Other Printed Matter

Students shall be allowed to distribute circulars, leaflets, newspapers, and pictorial or other printed matter, and to circulate petitions, subject to the following specific limitations:

1. Leaflets, pictorial and other printed matter to be distributed shall be submitted to the ECRCHS Executive Director or designee at least one school day prior to distribution.
2. Distribution, free or for a fee, may take place at any time except during instructional time and providing there is no substantial disruption in the school programs (as determined by the Executive Director).

3. The manner of distribution shall be such that coercion is not used to induce students to accept the printed matter or to sign petitions.
4. The solicitation of signatures must not take place in instructional classes or school offices, nor be substantially disruptive to the school program (as determined by the school's Executive Director).
5. Pupil editors of official school publications shall be responsible for assigning and editing the news, editorial, and feature content of their publications subject to the limitations of this section. However, it shall be the responsibility of the adviser or advisers of pupil publications to supervise the production of the pupil staff, to maintain professional standards of English and journalism, and to maintain the provisions of this section.
6. There shall be no prior restraint of material prepared for official school publications except insofar as it violates this policy. ECRCHS officials shall have the burden of showing justification without undue delay prior to a limitation of pupil expression under this section.

Buttons, Badges, and Other Insignia of Symbolic Expression

Students shall be permitted to wear buttons, badges, armbands, and other insignia as a form of expression, subject to the prohibitions enumerated in this Policy.

Use of Bulletin Boards

Students will be provided with bulletin boards, upon request and subject to availability, for use in posting student materials on campus locations convenient to student use. Where feasible, the location and quantity of such bulletin boards shall be by mutual agreement of student government representatives and ECRCHS administration. Posted material must be in compliance with other sections of this Policy, particularly regarding the distribution of materials and prohibited speech.

Organized Demonstrations

Students have the right to lawful organized on-campus demonstrations, subject to the provisions of this Policy and applicable law. Demonstrations that incite pupils to create a clear and present danger of the commission of unlawful acts on school premises or the violation of lawful school regulations, or demonstrations that substantially disrupt the orderly operation of the school are prohibited.

No organized demonstrations by school groups may take place during school hours off the school campus unless sanctioned by school authorities and supervised by a designated school authority. No individual student may demonstrate in the name of the school or as an official school group at any time unless authorized by the school to participate in the activity.

Students who voluntarily leave the school campus or the classroom during a demonstration will be directed to return to the campus or classroom. A student's refusal to adhere to this directive will result in the recording of an unexcused absence and may result in disciplinary action against the student. If the student demonstration or walk-out causes a disruption to the general public, then local law enforcement may respond to the situation.

Enforcement

1. The ECRCHS Executive Director or designee shall review material submitted in a reasonable amount of time and shall allow the approved material to be distributed according to the time and manner established by this Policy.
2. Any student may appeal the decision of the ECRCHS Executive Director or designee to the Board who shall render a decision within a reasonable period of time after receipt of the appeal. The appeal by the student must be made within five school days from the time the unsatisfactory decision was rendered.
3. The ECRCHS administrator shall work with student government representatives in the development of these procedures. Student responsibilities shall be emphasized.
4. Students who are considering actions in the areas covered by this Policy should be informed of the possible consequences of their action under each specific circumstance.
5. This Policy does not prohibit or prevent the ECRCHS Governing Board from adopting otherwise valid rules and regulations relating to oral communications by pupils upon the premises of the School.
6. No ECRCHS employee shall be dismissed, suspended, disciplined, reassigned, transferred, or otherwise retaliated against solely for acting to protect a pupil engaged in the conduct authorized under this Policy, or refusing to infringe upon conduct that is authorized under this Policy, the First Amendment to the United States Constitution, or Section 2 of Article I of the California Constitution.

While ECRCHS recognizes and respects a student's freedom of speech rights, school employees shall not promote, endorse, or encourage students to participate in any student demonstration, distribution of materials, assembly, sit-in, or walk-out.

ALCOHOL, TOBACCO, DRUGS

ECRCHS does not tolerate the use, possession, or sale of drugs, alcohol, or tobacco (including e-cigarettes and all other nicotine-related products such as vape pens) by students on campus or at school-sponsored activities. Students violating this policy will face disciplinary action, up to and including suspension or expulsion. Further action may include notification of the police, police citation, and/or arrest.

HEALTH

HEALTH INFORMATION

A student returning to school following a serious or prolonged illness, injury, surgery, or other hospitalization (including psychiatric and drug or alcohol inpatient treatment), must have written permission by a licensed California health care provider to attend school, including any recommendations regarding physical activity.

A student returning to school with sutures (stitches, staples), ace bandage (elastic bandage) casts, splints, crutches, cane, walker, or a wheelchair, must have a licensed California health care provider's written permission to attend school that includes any recommendations and/or restrictions related to physical activity, mobility and safety.

A parent's written request for an excuse from a physical education class will be accepted for up to 3 days; thereafter, a written request is needed from the student's health care provider. If a student is enrolled in physical education and a medical situation occurs that prevents the student from participating in all activity for a specified period of time, the student will continue to be eligible for physical education credit, provided that the injury/illness is for five weeks or less (25 school days or less). The student will continue to attend class as scheduled. The student will not be penalized for missing activities, provided the student dresses and completes reasonable alternate assignments and attends make-up sessions, as arranged by the physical education teacher.

If a student is enrolled in physical education and a medical situation occurs that prevents active participation for more than five weeks (more than 25 school days), the student will not be eligible for physical education credit, provided that the injury/illness is for five weeks or more. The absences do not need to be consecutive days and the student must have a doctor's note. The student may be eligible for elective credit only and must retake the class during a following semester. The school staff may consider an alternate placement for the student, such as a student aide in the physical education class, while the student is inactive.

Students are allowed to wear protective gear (hats, sun visors and/or sunglasses) while outdoors at recess, gym, etc. Schools may regulate the type of sun protective clothing/headgear in accordance with Education Code Section 35183.5. Schools are not required to provide protective materials. Students are also allowed to use sunscreen (over the counter) as an allowable sun protection measure for their outdoor activities while at school.

Communicable Disease Prevention

Temporary exclusion of a student from school generally occurs for communicable diseases, including, but not limited to, the following conditions: conjunctivitis ("pink eye"); skin infections (impetigo), strep throat, chickenpox, scabies, head lice, and

pertussis (“whooping cough”). Exclusion may occur immediately or at the end of the school day, depending on the disease, its communicability and district, county and state policy. Readmission to school is based on condition and appropriate treatment.

Any student excluded from school with flu-like symptoms and/or a fever of 100 degrees or greater must be free from symptoms and fever for at least 24 hours, without the use of fever-reducing medication before returning to school.

An effort will be made to notify parents/guardians about school exposure to chickenpox, head lice, or other communicable disease that pose a risk to students. The parent/guardian of a student for whom chickenpox presents a particular hazard should contact the school nurse. Students at risk include those with conditions affecting the immune system and those receiving certain drugs for the treatment of cancers or organ transplants. Information on the treatment and prevention of head lice is available from the school nurse or school health personnel.

New students will not be enrolled unless a written immunization record, provided by a health care provider or the health department, is presented at the time of enrollment and immunizations are up-to-date. Students who require additional vaccine doses at the time of enrollment or who lack a written record are no longer allowed a grace period. All students new to the school must show that they have received all currently required immunizations in order to be enrolled. The immunization status of all students will be reviewed periodically. Those students who do not meet the State guidelines must be excluded from school until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the health department. A medical doctor may exempt your child from some or all immunizations (for example, due to a medical condition).

Medication Administration/Assistance

Education Code Section 49423 provides that any student who is required to take, during the regular school day, medication (prescribed or over-the-counter) may be assisted by the school nurse or other designated school personnel if the school district receives

1. A written statement from an authorized health care provider licensed by the State of California to prescribe medications detailing the method, amount, and time schedules by which such medication is to be taken; and
2. A written statement from the parent or guardian of the student indicating the desire that the school district assist the student in the matters set forth in the health care provider’s statement.

Students may not carry or use medication on campus without written consent.

However, students may carry and self-administer certain medication (e.g., inhaled asthma medication or auto-injectable epinephrine medication) if the school district receives the appropriate documentation. This includes:

1. A written statement from the authorized health care provider detailing the name of medication, method, amount and time schedules by which the

- medication is to be taken, and confirming that the student is able to self-administer the medication; and
2. A written statement from the parent or guardian of the student consenting to the self-administration, providing release for the school nurse or other health care personnel to consult with the health care provider of the student regarding any questions that may arise with regard to the medication, and releasing the school district and school personnel from liability in the case of adverse reaction.

Certain Asthma Action Plans may be sufficient for students to carry and self-administer asthma medication at school. A student may be subject to disciplinary action if the medication is used in a manner other than as prescribed. The required forms are available from the school nurse. School health personnel do not prescribe or give advice regarding medication.

Additionally, the school nurse or designated trained school personnel who have volunteered may use epinephrine auto-injectors to provide emergency medical aid to persons suffering, or reasonably believed to be suffering from, an anaphylactic reaction. ECRCHS will ensure it has the appropriate type of epinephrine auto-injector on site (i.e., regular or junior) to meet the needs of its pupils. ECRCHS will ensure staff properly store, maintain, and restock the epinephrine auto-injectors as needed.

ECRCHS will ensure any school personnel who volunteer are appropriately trained regarding the storage and emergency use of epinephrine auto-injectors based on the standards developed by the Superintendent of Public Instruction. ECRCHS will distribute an annual notice to all staff describing the request for volunteers who will be trained to administer an epinephrine auto-injector to a person if that person is suffering, or reasonably believed to be suffering from, anaphylaxis. The annual notice shall also describe the training the volunteer will receive.

Guidelines:

- The primary responsibility for the administration of medication rests with the parent/guardian, student and medical professional.
- Medication shall be administered only during school hours if determined by a physician to be necessary.
- Designated staff shall keep records of medication administered at ECRCHS.
- All medication will be kept in a secure and appropriate storage location and administered per physician's instructions by appropriately designated staff.
- Designated staff shall return all surplus medication to the parent/guardian upon completion of the regimen or prior to extended holidays.
- Designated staff shall establish emergency procedures for specific medical conditions that require an immediate response (i.e. allergies, asthma, diabetes).

- The written statements specified in this policy shall be provided at least annually and more frequently if the medication, dosage, frequency of administration, or reason for administration changes.
- A pupil may be subject to disciplinary action if that pupil uses auto-injectable epinephrine or inhaled asthma medication in a manner other than as prescribed.
- Any pupil requiring insulin shots must establish a plan for administration of insulin shots with the Executive Director in consultation with the parent or guardian and the pupil's medical professional.

SEX EDUCATION COURSES

ECRCHS is required to:

1. Provide students with the knowledge and skills necessary to protect their sexual and reproductive health from unintended pregnancies and sexually transmitted diseases.
2. Encourage all students to develop healthy attitudes about adolescent growth and development, body image, gender roles, sexual orientation, dating, marriage, and family.

ECRHCS encourages students to communicate with their parents or guardians about human sexuality and sexually transmitted infections/diseases and respects the rights of parents or guardians to supervise their children's education on these subjects. Furthermore, we have established procedures that make it easy for parents and guardians to review materials and evaluation tools related to comprehensive sexual health education and HIV/AIDS prevention education so that they can decide whether or not to have their child participate in all or part of the instruction or evaluation. In this regard, we honor the principle that parents and guardians have the ultimate responsibility for imparting values regarding human sexuality to their children.

A parent or guardian of a student has the right to have the child participate or not participate in all or part of comprehensive sexual health education, HIV/AIDS prevention education, and assessments related to that education under the following conditions:

1. At the beginning of each school year or for a student who enrolls later, teachers notify parents or guardians about instruction in sexual health education and HIV/AIDS prevention education and research on student health behaviors that will be used in instruction. The notice to parents or guardians includes all of the following information:
 - a. That the written and audiovisual education materials used in comprehensive sexual health education and HIV/AIDS prevention education are available for inspection.
 - b. That we may teach comprehensive sexual health education and HIV/AIDS prevention education using school personnel or outside consultants and if by outside consultants, the parent or guardian must be further informed that the school may provide such instruction in the classroom or in an assembly using guest speakers and in either instance must further inform

- the parent or guardian of (a) the date of the instruction; (b) the name of the organization or affiliation of each guest speaker or speakers; and (c) the right of the parent or guardian to request a copy. Furthermore, if the arrangements for such instruction by outside consultants or guest speakers are made after the beginning of the school year, the notice to parent or guardian must be made by mail or another commonly used method of notification, no fewer than 14 days before the instruction is delivered.
- c. That the parent or guardian has the right to request a copy of Chapter 5.6 California Comprehensive Sexual Health and HIV/AIDS Prevention Education Act.
 - d. That the parent or guardian may request in writing that his/her child not receive comprehensive sexual health education or HIV/AIDS prevention education.
2. Schools must continue to meet the requirements of Section 51513 which states that no questionnaire, survey, or examination containing any question about the student's personal beliefs or practices in sex, family life, morality, or religion or any questions about the student's parents' or guardians' beliefs and practices in sex, family life, morality, and religion can be administered to any student in Grades K-12 unless the parent or guardian of the student is notified in writing that this test, questionnaire, survey, or examination is to be administered and the parent or guardian of the pupil gives written permission for the student to participate in the activity. ECRCHS may, according to this Act, administer in Grades 9-12 anonymous, voluntary, and confidential research and evaluation tools to measure students' health behaviors and risks, including tests, questionnaires, and surveys containing age-appropriate questions about the students' attitudes concerning or practices relating to sex if the parent or guardian is notified in writing that this test, questionnaire, or survey is to be administered and the parent or guardian is given the opportunity to review the material and to request in writing that his or her child not participate.

A student must not attend any class in comprehensive sexual education of HIV/AIDS prevention education or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks if the school has received a written request from the student's parent or guardian excusing the student from participation.

A student must not be subject to disciplinary action, academic penalty, or other penalty if the student's parent or guardian declines to permit the student to receive comprehensive sexual health education or HIV/AIDS-prevention education or to participate in anonymous, voluntary, and confidential tests, questionnaires, or surveys on student health behaviors and risks.

While comprehensive sexual health education, HIV/AIDS prevention education, or an anonymous, voluntary, and confidential test, questionnaire, or survey on student health

behaviors and risks is being administered, an alternative educational activity must be made available to students whose parent or guardian has requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Authorized Comprehensive Sexual Health Education

1. School districts may provide comprehensive sexual health education - which means education regarding human development and sexuality, including education on pregnancy, family planning, and sexually transmitted diseases - in Grades K through 12.
2. School districts may use trained district personnel or outside consultants who know the most recent medically accurate research on human sexuality, pregnancy, and sexually transmitted diseases. The instruction must meet the following requirements:
 - a. The instruction and the materials used to teach must be suitable for the intellectual, emotional, and behavioral ability of students of the age being taught.
 - b. All information taught must be medically accurate and objective, meaning it must be verified or supported by research conducted in the scientific method, reviewed by scientific peers, and recognized as accurate and objective by federal agencies and professional organizations with expert knowledge in health matters.
 - c. Instruction must be available on an equal basis to a student who is an English learner (described in subdivision (a), Section 306) consistent with the existing curriculum and alternative options for an English learner.
 - d. Instruction and materials must be appropriate for use with students of all races, genders, sexual orientations, ethnic and cultural background, and students with disabilities.
 - e. Instruction and materials must be appropriate for students with disabilities through modified curriculum, materials, instructional format, auxiliary aids, and other means.
 - f. Instruction and materials must encourage students to talk with their parents or guardians about human sexuality.
 - g. Instruction and materials must teach respect for marriage and committed relationships.
 - h. Starting in Grade 7, instruction and materials must teach that not having sexual intercourse is the only certain way to prevent sexually transmitted diseases and that not having sexual intercourse has other personal and social benefits, as well. Also, instruction and materials must provide medically accurate information on other methods of preventing pregnancy and sexually transmitted diseases.
 - i. Starting in Grade 7, instruction and materials must provide information about sexually transmitted diseases, including how they are and are not transmitted, the effectiveness and safety of all federal Food and Drug Administration (FDA) approved methods of reducing the risk of contracting

sexually transmitted diseases, and information on local sources for testing and medical care for sexually transmitted diseases.

- j. Starting in Grade 7, instruction and materials must provide information about the effectiveness and safety of all FDA approved contraceptive methods in preventing pregnancy, including emergency contraception, and other approved means.
- k. Starting in Grade 7, instruction and materials must provide students with skills for making and carrying out responsible decisions about sexuality.
- l. Starting in Grade 7, instruction and materials must provide students with information on the fact that a parent or other person who surrenders physical custody of a baby three-days old or younger at a lawfully identified hospital or “safe-surrender site” will not be prosecuted, as detailed in Section 1255.7 of the Health and Safety Code and Section 271.5 of the Penal Code.

ACQUIRED IMMUNE DEFICIENCY SYNDROME (AIDS) EDUCATION

ECRCHS is required to instruct students in grades 9 to12 in AIDS prevention at least once in high school, unless the parent or guardian requests that the pupil not attend such instruction. AIDS education may be covered in health, home economics, science, and social science courses. The teacher of each course must notify parents or guardians that students will receive such instruction in his or her class.

HIV/AIDS prevention education must accurately reflect the latest information and recommendations from the Surgeon General, the federal Centers for Disease Control and Prevention, and the National Academy of Sciences; and must include the following:

- Information on the nature of HIV/AIDS and its effect on the human body.
- Information on the manner in which HIV is and is not transmitted and on activities that present the highest risk of HIV infection.
- Discussion of methods to reduce the risk of HIV infection and instruction that emphasizes that sexual abstinence, monogamy, avoidance of multiple sexual partners, and avoidance of intravenous drug use are the most effective means of HIV/AIDS prevention and that includes statistics on the latest medical information on the success and failure rates of condoms and other contraceptives in preventing sexually transmitted HIV infection and on methods that may reduce the risk of HIV transmission from intravenous drug use.
- Discussion of the public health issues associated with HIV/AIDS.
- Information on local resources for HIV testing and medical care.
- Instruction on the development of refusal skills to help students overcome peer pressure and use effective decision-making skills to avoid high-risk activities.
- Discussion about societal views on HIV/AIDS and instruction that emphasizes understanding of stereotypes, myths about people with HIV/AIDS, and compassion for people living with HIV/AIDS.

PARENT/GUARDIAN ANNUAL NOTIFICATION REGARDING CONDOM AVAILABILITY PROGRAM

HIV/AIDS and sexually transmitted diseases are an ongoing concern in our community. Public health statistics and reports indicate that increasing numbers of young people in their early teens are becoming involved in behavior that puts them at risk for infection. While ECRCHS does offer education which emphasizes abstinence as the only one hundred percent effective method of preventing infection, the proper use of a condom does provide some protection against sexual transmission of the HIV/AIDS virus. ECRCHS has elected to follow LAUSD policy to make condoms available for students unless their parents contact the school nurse in writing denying permission. In making condoms available, ECRCHS assumes no liability. Parent/guardians who do not wish their son/daughter/student to be able to obtain condoms through the school's Condom Availability Program, can make their preference known on the HIV/AIDS Prevention Parent/Guardian Consent Form which is distributed at the time of enrollment, or at any time by submitting a written letter to the school nurse.

SAFETY

EMERGENCY PREPAREDNESS

The school conducts the following drills throughout the school year.

- Fire Drill: Conducted once per semester. Students are evacuated to the stadium.
- Drop, Cover and Hold Drill: Conducted once per month in classrooms.
- Earthquake Drill: Conducted once per year as part of the Great California Shake-Out. Students are evacuated to the stadium.
- Shelter in Place/Lockdown Drill: Conducted once per year in the Spring semester.

In addition to conducting regular drills, the School stocks emergency supplies to sustain students and staff. These supplies include water, food, first aid supplies, search and rescue supplies, and sanitation items.

EMERGENCY PROCEDURES

All classrooms have an Emergency Packet mounted near the door. The packet contains the classroom evacuation route, emergency assembly area diagram, class rosters, and attendance forms. If the situation requires it (e.g., earthquake, fire), students and staff will evacuate to the stadium with their class. If the emergency occurs when students are not in class (nutrition, lunch), students will go to the stadium and meet up with their second period teacher.

Once classes have made it to the stadium, teachers take and submit attendance and await further instructions. Students are to remain with their teacher.

Request Gate

If it becomes necessary for a parent/guardian to pick up their child, they should proceed to the request gate located on Valley Circle Blvd. near the PE blacktop. The school will only release students to people who are listed on the current emergency card.

Reunion Gate

After finishing the Request Gate process, parents/guardians proceed down Valley Circle Blvd. and turn right on Burbank Blvd. The Reunion Gate is located by the tennis courts. Your child will be reunited with you at this gate.

Shelter in Place

Certain situations (campus lockdown, neighborhood chemical spill) require students and staff to remain in the classroom until conditions are safe. Each classroom is equipped

with a “lockdown kit.”

Communication During Emergencies

Information will be sent out through the school’s automated phone system and through the website.

GUN FREE AND WEAPONS FREE SAFE SCHOOLS

The Federal Gun Free Safe Schools Act and California law prohibit the possession of firearms on school campuses. Pursuant to these laws, any student found in possession of a firearm will be subject to arrest and will be recommended for expulsion immediately. Moreover, any student found in possession of any weapon, including, but not limited to, knives, pepper spray or other personal protection devices, may also be subject to arrest and may be recommended for expulsion immediately. The term of expulsion shall be one year. Upon a finding that the student was in possession of a firearm, the governing board shall expel the student. “Possession” includes, but is not limited to, storage in lockers, purses, backpacks, automobiles.

SAFE SCHOOL PLAN

California public schools are required to comply with Education Code Section 212, dealing with the preparation of "Safe School Plans." This plan addresses emergency preparedness, procedures, and prevention. A copy of the Safe School Plan is available in the Deans Office.

INTEGRATED PEST MANAGEMENT PROGRAM

ECRCHS contracts with LAUSD for all of its pest management needs. The following information is from the LAUSD Parent-Student Handbook.

“In March 1999, the Board of Education approved a revised Integrated Pest Management (IPM) Policy with a goal of eventually phasing out the use of pesticides and herbicides, as technology permits. It is the goal of the District to provide for the safest and lowest-risk approach to manage pest problems, while protecting people, the environment, and property. The IPM Policy detailed below focuses on long-term prevention and will give non-chemical methods first consideration when selecting appropriate pest management techniques. Emphasis under the program is placed on the use of mechanical (e.g., glue traps) and exclusionary (e.g., installation of door sweeps and screens, caulking holes and crevices) pest management techniques prior to using pesticides or herbicides, where possible.

A 15-member Pest Management Team, which includes a public health official, a medical practitioner, two parents, and other members of the public, as well as District staff, is charged with implementation of the policy, including the approval of low-risk pesticides and herbicides.

Pesticide/herbicide products used must be first approved by the IPM team following a careful review of contents, precautions, and low-risk methods of use. Pesticides and herbicides may only be applied by the District's licensed Pest Management Technicians. No pesticide/ herbicide use by school-based staff, contractors, students, or parents is permitted.

The District will notify parents, employees, and students of all pesticide applications using the following guidelines:

1. By herein providing a summary of the IPM program and goals, the IPM Policy, Request for Notification Form, and the current IPM Team-approved list of products included in this Handbook (Appendix H).
2. The following information is also available in the Main Office of the school:
 - The IPM Team-approved products list.
 - A log of IPM activity at the school.
 - Request for Notification Form for parents or guardians to sign if they desire 72-hour notification of pesticide use (except for emergencies as determined by the IPM Coordinator and an independent IPM expert).

The notification will include specific information, including product names and active ingredients, target pest, date of pesticide use, signal word indicating the toxicity category of the pesticide, a contact name and number for more information, and the availability of further information at the school's main office. Parents or guardians should notify the school's Executive Director on the Request for Notification Form if they believe their child's health and/or behavior could be influenced by exposure to pesticide products, and they desire to be notified of all pesticide applications.

Signs shall be conspicuously posted around any area at least 72 hours before and for five (5) half-lives of the product after the use or application of pesticides not on the IPM Team-approved list in a non-emergency situation. In the event of an emergency as determined above, posting will go up at the time of the application. For more information regarding the IPM Program and policy, parents or guardians may contact the District's Maintenance & Operations Branch Office at (213) 241-0352. Information is also available under the "Links" section online at www.laschools.org. Any parent or guardian interested in serving on the IPM Team when a parent representative position is vacated may also contact this telephone number to register their interest.

POLICY STATEMENT: It is the policy of the Los Angeles Unified School District (District) to practice Integrated Pest Management (IPM). All aspects of this program will be in accordance with federal and state laws and regulations, and county ordinances. All District policies must conform to this IPM policy.

Pesticides pose risks to human health and the environment, with special risks to children. It is recognized that pesticides cause adverse health effects in humans such as cancer, neurological disruption, birth defects, genetic alteration, reproductive harm,

immune system dysfunction, endocrine disruption and acute poisoning. Pests will be controlled to protect the health and safety of students and staff, maintain a productive learning environment and maintain the integrity of school buildings and grounds. Pesticides will not be used to control pests for aesthetic reasons alone. The safety and health of students, staff and the environment will be paramount. Further, it is the goal of the District to provide for the safest and lowest risk approach to control pest problems while protecting people, the environment and property. The District's IPM Policy incorporates focusing on long-term prevention while giving non-chemical methods first consideration when selecting appropriate pest control techniques. The District will strive to ultimately eliminate the use of all chemical controls.

The "Precautionary Principle" is the long-term objective of the District. The principle recognizes that no pesticide product is free from risk or threat to human health, and industrial producers should be required to prove that their pesticide products demonstrate an absence of the risks enumerated above rather than requiring that the government or the public prove that human health is being harmed. The policy realizes that full implementation of the Precautionary Principle is not possible at this time and may not be for decades. But the District commits itself to full implementation as soon as verifiable scientific data enabling this becomes available."

ASBESTOS MANAGEMENT PLAN

ECRCHS utilizes LAUSD staff to comply with the Asbestos Management Plan. The Asbestos Management Plan "AHERA Report" identifies where asbestos containing building materials are located at the school and the conditions of those areas. Schools are required to notify staff, parents and legal guardians prior to start of asbestos abatement work. The AHERA report is updated every six months, and is available for review upon request.

CANINE SEARCH PROGRAM

Periodically, specially trained dogs visit the campus to detect the presence of drugs in lockers and classrooms.

School officials, including campus security or school police/resource officers, may use trained detection dogs in inspections for illegal, unauthorized or contraband materials in school facilities and around school grounds. All dogs must be accompanied by a qualified and authorized trainer who will be responsible for the dog's actions and who can verify the reliability and accuracy in sniffing out contraband. Trained detection dogs may sniff lockers, student use areas, and other inanimate objects throughout school property. Such inspections are not considered searches and do not require reasonable suspicion.

An indication by the dog that illegal, unauthorized or contraband materials are present on school property shall constitute reasonable suspicion, authorizing school officials to search the area or other inanimate object and closed containers and objects within, without securing the consent of the student.

SURVEILLANCE CAMERAS

For student and staff protection, certain areas of the school campus are subject to surveillance by security cameras.

PARENTS

PARENTAL RIGHTS

Education Code Section 51101 provides that parents/guardians of pupils enrolled in public schools have the right and should have the opportunity to work together in a mutually supportive and respectful partnership with schools to help their children succeed, to be informed in advance about school rules, and to be informed of the procedures for visiting the schools and observing the classroom.

To ensure that we are respecting the rights of the parents/guardians, in the event that there is a change in educational decision-making rights by court order, parents/guardians must provide a copy of the court order to the School in a prompt manner.

PARENTS' RIGHT TO KNOW

Every Student Succeeds Act (ESSA) was signed into law on December 10, 2015 and is the successor to the *No Child Left Behind Act (NCLB)*. ESSA includes provisions that will help to ensure success for students and schools. Among other things, ESSA:

- Advances equity by upholding critical protections for America's disadvantaged and high-need students.
- Requires—for the first time—that all students in America be taught to high academic standards that will prepare them to succeed in college and careers.
- Ensures that vital information is provided to educators, families, students, and communities through annual statewide assessments that measure students' progress toward those high standards.
- Helps to support and grow local innovations—including evidence-based and place-based interventions developed by local leaders and educators—consistent with our Investing in Innovation and Promise Neighborhoods
- Sustains and expands this administration's historic investments in increasing access to high-quality preschool.
- Maintains an expectation that there will be accountability and action to effect positive change in our lowest-performing schools, where groups of students are not making progress, and where graduation rates are low over extended periods of time.

PARENTAL INVOLVEMENT

ECRCHS has many opportunities for parent involvement. Parents are welcome to join our two main parent groups, The Friends of ECR/Parent-Teacher Organization (PTO). Activities include hosting test taking workshops, helping underprivileged students, and sponsoring several scholarships at Senior Awards Night. Friends of ECR/PTO meets monthly and is the main fundraising entity for the school. In the past, the money raised has helped pay for additional nursing hours, to supplement classroom materials, to fund tutoring programs, and many other items. Parents can also participate in our school committees including the School Site Council, English Learner Advisory Committee, Reaffirming our Investment in Supporting Excellence (RISE) for Black Student Success, and School Safety Committee. Our parents also individually donate their time and money to support the myriad activities offered at the school such as band, drama, robotics, athletics, journalism, and academic decathlon. Please refer to Appendix I to see our formal Parental Involvement Policy.

NONDISCRIMINATION STATEMENT

ECRCHS is committed to providing a work and educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); the Age Discrimination in Employment Act of 1967; The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). The school prohibits discrimination, harassment, intimidation and bullying based on actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, religious affiliation, sexual orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

For the purposes of this policy, discrimination is different treatment on the basis of a protected category (listed above) in the context of an educational program or activity without a legitimate nondiscriminatory reason and interferes with or limits the individual's ability to participate in or benefit from the services, activities, or privileges provided by the school.

Harassment occurs when: (1) the target is subjected to unwelcome conduct related to a protected category; (2) the harassment is both subjectively offensive to the target and would be offensive to a reasonable person of the same age and characteristics under the same circumstances; and (3) the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit an individual's ability to participate in or benefit from the services, activities, or opportunities offered by the school.

ECRCHS adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA").

ECRCHS also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. ECRCHS does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which ECRCHS does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. ECRCHS will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the ECRCHS Uniform Complaint Procedures (“UCP”) Compliance Officer:

Daniel H. Chang
 Chief Compliance Officer
 5440 Valley Circle Blvd.
 Woodland Hills, CA 91367

SEXUAL HARASSMENT POLICY

ECRCHS is committed to providing a working and learning environment free from sexual harassment. Sexual harassment, of or by employees or students, is a form of sex discrimination in that it constitutes differential treatment on the basis of actual or perceived sex, sexual orientation, gender, gender identity or gender expression. For that reason, it is a violation of state and federal laws.

Sexual harassment is defined by Education Code Section 212.5 as any unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting, under any of the following conditions:

- Submission to the conduct is explicitly or implicitly made a term or a condition of an individual’s employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.
- The conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

Any student who believes that she or he has been a victim of sexual harassment should bring the problem to the attention of the school-site administrator or the school's Title IX/Bullying Complaint Managers (Ms. Larew, Mr. Bennett, and Mr. Chang) so that appropriate action may be taken to resolve the problem. The school prohibits retaliatory behavior against anyone who files a sexual harassment complaint or any participant in the complaint investigation process. Additionally, Parents and Students may refer to the ECRCHS Uniform Complaint Procedures.

TITLE IX AND STUDENTS

Federal law, Title IX, State law, District policy, and school policy prohibit anyone from discriminating against any student on the basis of actual or perceived sex, sexual orientation, and gender (including gender identity, gender expression, marital status, pregnancy, childbirth or related medical condition). Male and female students have the right to equal learning opportunities in their schools and must be treated the same in all activities and programs, including:

- Athletics
- The classes they can take
- The way they are treated in the classroom
- The kind of counseling they are given
- The extracurricular activities in which they can participate
- The honors, special awards, scholarships and graduation activities in which they can participate

Students who feel that their rights are being violated have the right to take action and should not be afraid of trying to correct a situation by speaking to a school administrator, Title IX/Bullying Complaint Manager (Ms. Larew, Mr. Bennett, Mr. Chang), psychologist, counselor, or trusted adult at school, or filing a complaint (see Uniform Complaint Procedures). Students are encouraged whenever possible to try to resolve their complaints directly at the school site. Additionally, parents and students may refer to the ECRCHS Uniform Complaint Procedures.

CHILD ABUSE

Reporting Requirements

Any school employee who reasonably suspects child abuse has occurred, or is occurring is required by law to file a child abuse report. These reports are filed with the appropriate child protective services agency such as the local police, sheriff's department or the Department of Children and Family Services. School police departments, by law are not considered "child protective services agencies" and may not be the recipients of child abuse reports. Suspected child abuse reports are confidential as to the identity of the employee making such a report.

WILLIAMS/VALENZUELA UNIFORM COMPLAINT PROCESS

Most pupil records are maintained at the school site. Records maintained by ECRCHS are usually maintained as indicated below:

1. Pupil records pertaining to student health are maintained in the Health Office with the school nurse as immediate custodian.
2. Pupil records pertaining to student progress, counseling, or guidance assistance are maintained in the Counseling Office, with the Assistant Principal in charge of counseling, as immediate custodian.
3. Pupil records pertaining to attendance are maintained in the Attendance Office, with the Assistant Principal in charge of counseling as immediate custodian.

6. Special Education IEP's are maintained in Welligent and in the Student Support Services office with the Assistant Principal in charge of Student Support Services as immediate custodian.

PUPIL RECORD INSPECTION

The inspection / review of any or all pupil records will be during regular school hours and will be arranged at a time mutually convenient to the parent (or student, when applicable) and the school official. A certificated ECRCHS employee must be present to assist and act as custodian of the file. When a pupil record of one student includes information concerning other students, the parent or adult student who wishes to inspect and review such material may see only such part as relates to the child of that parent or to the particular adult student. If the parent or adult student requests a copy of the whole or any part of a pupil record, the copy will be provided. The school office may charge a copy fee.

Please refer to the Appendix K for the complete ECRCHS Educational Records and Student Information Policy.

EMERGENCY INFORMATION

For the protection of the student's health and welfare, and to facilitate immediate communication with the parent/legal guardian or caregiver, ECRHCS requires the parent/legal guardian to provide current emergency information on an official Emergency Form at the school site. Every parent/legal guardian or caregiver must complete an Emergency Form for each student at the time of enrollment. Emergency information should include, but is not limited to the following:

- Home address and current telephone, including cell phone
- Employment/business addresses and phone numbers
- Relative/Friend's name, address, and telephone numbers authorized to pick up and care for the student in an emergency situation, if the parent/legal guardian cannot be reached. If the student rides the school bus to and from school, include his/her routing information; route number, pick/up and drop off location. Parents of students with disabilities should also have the name of any other designated adult who can receive their child in case of an emergency.

Students will only be released to a person listed on the Emergency Form unless the parent/legal guardian has provided written authorization on a case by case basis.

CHANGE IN ETHNICITY/RACE IDENTIFICATION OF STUDENTS

The school is required to collect race and ethnicity data on all new enrolling students using a two-part question. The first part of the question asks whether or not the respondent is Hispanic or Latino. The second part of the question asks the respondent to select one or more races from the following five groups:

- American Indian or Alaskan Native
- Asian
- Native Hawaiian or Other Pacific Islander
- Filipino

- Black or African American
- White

Parents/guardians wishing to change the current ethnicity and race category of their children must complete the Ethnicity/Race Identification of Students Form, sign and return it to the Admissions Office. If you have any questions or need more information, contact the Admissions Office.

CHANGE OF RESIDENCE

It is the responsibility of parents, guardians or adult foster care caregiver to inform the school of any change of address, telephone number or emergency information. Provided that the school meets its responsibility regarding requirements of notification of residence information, a family's failure to report a change of address within 30 calendar days shall be cause for forfeiture of the right to a Continuing Enrollment Permit. Parents must provide a manner to receive both written (U.S. Mail) and oral communication (telephone, cell) regarding their student.

RESTITUTION/PARENT LIABILITY

Civil Code Section 1714.01 provides that any act of willful misconduct of a minor which results in any injury to the property or person of another shall be the responsibility of the parent or guardian having custody and control of the minor for all purposes of civil damages and the parent or guardian having custody and control shall be jointly and severally liable with the minor for any damages resulting from the willful misconduct not to exceed \$10,000.

Education Code Section 48904 provides that the parent or guardian of a minor is liable to a school district or private school for all property loaned to and not returned or willfully damaged by the minor. It also authorizes local school districts to adopt a policy whereby the marks, diploma, or transcripts of these students would be withheld until the pupil or the parent/guardian pays for the damages or returns the property.

It is the policy of the school to seek restitution, including but not limited to, when a student willfully cuts, defaces, causes the loss, non-return or otherwise damages any property, real or personal, belonging to the school district or a school employee. The parent/guardian of the student is liable for such damages not to exceed \$10,000.

As to lost or damaged textbooks, ECRCHS's Lost or Damaged Textbook Policy is attached as Appendix L.

WRITTEN NOTICE OF RIGHTS & CONSENT TO BILL CALIFORNIA MEDI-CAL & RELEASE OR EXCHANGE INFORMATION FOR HEALTH-RELATED SPECIAL EDUCATION AND RELATED SERVICES

This Written Notice is given to Parent ("You") by Local Education Agency El Camino Real Charter High School ("LEA").

Under the federal Medicare program, a public agency may access parents' public benefits or insurance to help pay for health-related special education and related services. Through the **Medi-Cal Local Education Agency Billing Option** this LEA/school may submit claims to California Medi-Cal for covered services provided to Medi-Cal eligible children enrolled in special education. The Medi-Cal program is a way for school districts and/or County Education Offices to receive federal funds to help pay for special education health-related services (e.g., PT, OT, Speech, Health screening, Counseling, Transportation).

With your consent, this LEA may disclose to the California Medi-Cal program and/or your private insurance program the following information about your child for the sole purpose of processing claims for reimbursement: name, birth date, gender and special education service (including the type, date, number of service(s) and the name of the service provider).

You need to know that:

- You may refuse to sign the consent form. This LEA is still required to provide special education services at no cost to you.
- Information about your child or family is strictly confidential. Your rights are preserved under federal law.
- Your confidentiality rights are preserved under Title 34 Code of Federal Regulations 300.154; Family Education Rights Privacy Act of 1974, Title 20 of the United States code, Section 1232 (g), Title 34 Code of Federal Regulations, Section 99.
- Your consent can be revoked at any time in writing.

The LEA:

- May not require parents to sign up for or enroll in public benefits or insurance in order for your child to receive a free and appropriate education (FAPE).
- May not require you to incur an out-of-pocket expense such as a deductible or co-pay.
- May not use your child's benefits if that would:
 - Decrease available lifetime coverage or any other insured benefit.
 - Result in the family paying for services that would otherwise be covered outside of the time the child is in school.
 - Increase premiums or lead to the discontinuation of benefits or insurance (Medi-Cal).
 - Risk loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures.

VISITORS TO SCHOOL CAMPUSES

All campus visitors must have the consent and approval of the Executive Director/designee. Children who are not enrolled at the school are not to be on the campus unless prior approval of the Executive Director has been obtained. Visitors

may not interfere with, disrupt or cause substantial disorder in any classroom or school activity. Absent exigent circumstances, parents wishing to visit their child's classroom are required to make prior arrangements with the teacher at least 24 hours in advance. All visitors must check in at the Main Office and obtain a visitor's pass. Any individual who disrupts a school site or fails to follow school rules and/or procedures is subject to removal from the school site and may be further restricted from visiting the school.

IMMIGRATION AND CITIZENSHIP STATUS POLICY

In compliance with California law, ECRCHS has written policies and procedures in place that protect the rights of all students and allow all students equal access to a public education, regardless of immigration or citizenship status.

ECRCHS's written policy regarding information pertaining to a student's immigration and citizenship status is set forth in Appendix M.

APPENDICES

Appendix A

Acceptable Use Policy

COMPUTER USAGE POLICY AND ACCEPTABLE USE AGREEMENT

ECRCHS computing resources are provided for student use related to the school's mission statement. Our mission is to educate our diverse student body by developing students' talents and skills so that they will succeed in a changing world, value and respect themselves and others, and make a positive contribution to our global society. The computing resources may only be used for educational purposes related to research, instruction, and school-sanctioned activities, as described more fully below.

The use of ECRCHS computing resources is a privilege to which all students of ECRCHS are entitled. Certain responsibilities accompany that privilege and understanding them is important for all users. The responsibilities are:

- Computer usage is for school-related work only.
- The user may not change his/her password.
- The user must not eat or drink near any computer equipment.
- The user should be aware of computer viruses and other destructive computer programs and take steps to avoid being their victim or unwitting vector.
- The user must respect any disk quotas applied to his/her account and use as little disk space as possible. Students cannot use temporary areas or the local hard drive to store data.
- Students must respect the privacy and property of all files on the computer system. Do not assume that the **ability** to read a file implies **permission** to read the file.
- Students may not attempt to breach or bypass client and/or network security on ECRCHS computers.
- Students may not install software onto ECRCHS machines.

ECRnet Acceptable Use Policy Rules and Regulations

The Internet is a public network, and as such, e-mail is not private. ECRnet system operators have access to all user account directories and data, e-mail, personal Web pages, and any other files stored on system servers. System operators may delete files at any time to conform to system storage needs.

Access to the Internet from ECRnet is a privilege, not a right. Access to ECRnet is free to actively enrolled students with a Student Identification Number at El Camino Real Charter High School. Each user voluntarily agrees to release, hold harmless, defend, and indemnify ECRCHS, its officers, board of directors, staff, and agents for and against all claims, actions, charges, losses, or damages which arise out of the user's use of the ECRnet, including, but not limited to, negligence, personal injury, wrongful death, property loss or damage, delays, non-deliveries, mis-deliveries of data, service

interruptions, failure of any technology protection measures, violations of copyright restrictions, or user mistakes.

Each user acknowledges that the information from other Web sites may not be accurate. Use of any of the information obtained via the Internet is at the user's own risk. ECRCHS makes no warranty of any kind, either express or implied, regarding the quality, accuracy, or service interruptions.

Use of ECRCHS equipment and access to the Internet via ECRCHS equipment and resource networks is intended to serve and pursue educational goals and purposes. Student use of the Internet is therefore limited to only those activities that further or enhance the delivery of education. Students and staff have a duty to use ECRCHS resources only in a manner specified in the Policy.

"Educational purpose" means classroom activities, research in academic subjects, career or professional development activities, ECRCHS approved personal research activities, or other purposes as defined by the ECRCHS from time to time.

"Inappropriate use" means a use that is inconsistent with an educational purpose or that is in clear violation of this policy and the Acceptable Use Agreement.

ECRCHS Technology Staff Rights and Responsibilities

Within the limits of the capability of the computer system, ECRCHS Technology Staff (ECRTS) will attempt to maintain the privacy of all files and electronic mail. However, ECRTS has the right to examine any file, backup archives, electronic mail, or printer listings as part of normal system administration or when there is a reasonable belief that a user is violating policies specified in this document.

ECRTS shall ensure that all ECRCHS computers with Internet access have a technology protection measure that blocks or filters Internet access to websites that have no educational purpose and/or contain visual depictions that are obscene, constitute child pornography, or that are harmful to minors. While the ECRTS is able exercise reasonable control over content created and purchased by the ECRCHS, it has limited control over content accessed via the internet and no filtering system is 100% effective. Neither the ECRCHS nor its staff shall be responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes or negligence.

To reinforce these measures, the Executive Director or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful

online activities. Staff shall supervise students while they are using online services and may have teacher aides, student aides, and volunteers assist in this supervision.

The Executive Director or designee also shall establish regulations to address the safety and security of students and student information when using email, chat rooms, and other forms of direct electronic communication.

The Executive Director or designees shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, maintaining the student's online reputation and ensuring their personal safety by keeping their personal information private, the dangers of posting personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying. Students are expected to follow safe practices when using ECRCHS technology.

Students shall not use the Internet to perform any illegal act or to help others perform illegal acts. Illegal acts include, but are not limited to, any activities in violation of local, state, and federal law and/or accessing information designed to further criminal or dangerous activities. Such information includes, but is not limited to, information that if acted upon could cause damage, present a danger, or cause disruption to the ECRCHS, other students, or the community. Damaging, debilitating or disabling computers, computer networks or systems through the intentional or overuse of electronic distribution or the spreading of computer viruses or other harmful programs shall be prohibited. Any unauthorized online access to other computers by means of hacking into other computers, downloading hacker tools such as port scanners and password crackers designed to evade restrictions shall also be strictly prohibited.

All employees shall receive a copy of this policy and the accompanying Acceptable Use Agreement describing expectations for appropriate use of the system and shall also be provided with information about the role of staff in supervising student use of technological resources. All employees shall comply with this policy and the Acceptable Use Agreement, in addition to any separate policies governing employee use of technology.

ECRTS will work to protect the information saved on the centrally located file server from accidental loss, tampering, unauthorized search, or other access. In the event of inadvertent or non-malicious actions resulting in the loss of or damage to that information, or the invasion of the user's privacy, the ECRCHS Technology Staff will make a reasonable effort to mitigate the loss or damage. In most cases, however, ultimate responsibility for prevention and resolution of such problems rests with the user. ECRCHS will assume no responsibility for the security of publicly accessible computer files.

- ECRTS will make every effort to maintain backup copies of student files, and restore them when they are lost or damaged. However, ECRTS cannot

guarantee that there is a backup copy of any file, or that a file can be restored immediately.

- Within the limits of the capability of the computer system, ECRTS will maintain the privacy of student personal information.
- ECRTS has the right to monitor all activity on a computer system, including individual sessions.
- ECRTS has the right to terminate any computer session or print job that is consuming excessive resources, including idle sessions.
- ECRTS has the right to delete an inactive account.
- ECRTS has the right to refuse access to any person who has violated the policies in this document or the policies of the school.
- ECRTS has the right to require students to change passwords regularly, refuse to allow students to use a specific password, or require students to use a random password.
- ECRTS has the right to limit student disk space and other available computer resources.
- **ECRTS has the right to revoke any account that has been used in violation of the policies specified in this document.**

The Internet, a network of networks, allows people to interact with hundreds of thousands of networks and computers. All connections to the Internet by **El Camino Real Charter High School** students are subject to the Acceptable Use Policy (AUP). ECRnet is a free and open forum for discussion. However, since ECRnet access is provided as an instructional tool rather than a personal forum, users will not use ECRnet access to demean, defame, or denigrate others for race, religion, creed, color, national origin, ancestry, physical handicap, gender, sexual persuasion, or other reasons. Users should have no expectation of privacy regarding their use of ECRCHS property, network and/or Internet access or files, including email. By using this network, users have agreed to this policy.

Student Internet Safety

1. Students shall not reveal on the Internet personal information about themselves or other persons. For example, students should not reveal their name, home address, telephone number, or display photographs of themselves or others;

This includes, using the resources of ECRnet or any other campus Internet connection, including a connection from a campus network, to attempt unauthorized access to any other computer system, or to go beyond the user's authorized access on ECRnet or any other campus network. This includes attempting to log in through another person's account or access another person's files. It also includes any attempt to disrupt any computer system performance or destroy data on any computer system.
 5. Accessing, transmitting or downloading large files, including "chain letters" or any type of "pyramid schemes."

- Suspension or removal of student's account
- Referral to the Dean
- A parent conference
- Suspension from school

The ECRCHS Optional Laptop Protection Plan is an optional, low cost plan to cover accidental damage or theft of your student's laptop. The cost of the Optional Protection Plan is **\$25 per device per year** (non-refundable). This is an **optional** plan provided by the school purely as a convenience and is not required. There is no cost for use of the device.

As with all School-issued materials and equipment, it is required that the student maintain and handle the device in a responsible manner, and that it remains in fully operational condition for the duration of their enrollment at ECRCHS. If the Optional Protection Plan is waived, you will be responsible to pay for the repair or replacement of your student's device if it is stolen, lost or damaged, regardless of the circumstances leading to its loss or damage. It is important to understand that failure to pay for the repair or replacement of the device will be treated like any other school debt and may preclude your student from participating in extracurricular activities, sports, graduation activities and receiving their school transcripts. **The full replacement cost of the device being issued to your student is \$340.**

What kind of damage is covered if I purchase the Optional Laptop Protection Plan?

- Liquid damage including accidental spills, or accidental water submersion
- Damage from accidental drop/fall including, but not limited to, the following:
 - Minor cosmetic damage
 - Cracked device, screen, digitizer
- Broken keyboard or mouse touchpad
- Motherboard/Hardware failure
- Theft
 - In case of theft, vandalism, or other criminal acts, an official police report must be immediately filed by the parent/guardian in order to qualify for the coverage. Upon review of official police report, the device may be fully replaced. ECRCHS has the sole authority to review the police report and determine whether the theft of the device was due to misuse or neglect. Only the device will be replaced. Student is responsible for replacing accessories.

What is NOT covered by the Optional Laptop Protection Plan, and what am I fully responsible for, regardless of circumstances?

- Unusual wear and tear, including, but not limited to, drawings, scratches, or stickers on the device
- Damage due to neglect
- Intentional or malicious damage to the device

- Damage to or replacement of stylus pens (available for \$25.00 at Student Store)
- Damage to or replacement of laptop cases (available for \$25.00 at Student Store)
- Damage to or replacement of A/C adapters (available for \$25.00 at Student Store)

How many times will the Optional Laptop Protection Plan repair or replace my student's device?

Subject to the terms outlined above, ECRCHS will fully replace your student's device up to 3 times during the school year. More than three damage claims in one year will be deemed neglect and not covered by this policy. Damages caused by a student's failure to exercise responsibility and due care of the device will be deemed negligent and repair cost will be incurred.

What if my student's device needs to be repaired or replaced, and I did not purchase the Optional Laptop Protection Plan?

If the student/parent did not purchase accidental coverage for the device, the student will be responsible for any repairs needed. Depending on the damage, the tech department will audit the device and create an invoice for any parts and labor needed for the repair. If the total cost equals more than the replacement device the device will need to be fully replaced at the cost of \$340.

The Optional Laptop Protection Plan must be purchased within 30 days of first enrollment. The Optional Laptop Protection Plan is good for the current school year only and must be renewed yearly. Plan coverage starts September 1 and ends August 30.

ECRCHS has the sole authority to assess damage and determine whether the damage was accidental thereby eligible for repair/replacement or the result of misuse, neglect, or intentional damage.

Appendix B

Section 504 Policy, Procedures, and Parent Rights

POLICY, PROCEDURES, AND PARENT RIGHTS REGARDING IDENTIFICATION, EVALUATION AND EDUCATION UNDER SECTION 504

SECTION 504 POLICY

The Board of Directors of the El Camino Real Charter High School (“ECRCHS” or “School”) recognizes the need to identify and evaluate students with disabilities in order to provide them with a free, appropriate public education and its legal responsibility to ensure that “no qualified person with a disability shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.” This policy and the related administrative regulation has been developed to ensure the implementation of Section 504 of the Rehabilitation Act of 1973 (“Section 504”), and its implementing regulations as amended, which pertains to public schools. The intent is to ensure that all students with disabilities, who are eligible under Section 504, are identified and evaluated and have access to a free, appropriate public education (“FAPE”).

Under Section 504, individuals with physical or mental impairments that substantially limit one or more major life activities, including learning, are entitled to receive regular or special education and/or related aids and services designed to meet their individual needs as adequately as the needs of nondisabled students are met. Major Life Activities include functions such as caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working, as well as the operation of a major bodily functions, including functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. Students may be disabled and entitled to services under Section 504 even though they are not eligible for services pursuant to the Individuals with Disabilities in Education Act Improvement Act of 2004 (“IDEIA”).

The School’s Executive Director or designee shall ensure that this policy and set of procedures is implemented and followed. Whenever there is reason to believe that, because of a disability, a student needs regular or special education and/or related aids and services (and the student has not been found eligible under IDEIA) that student will be evaluated under this policy’s corresponding procedures.

A Section 504 Team will be convened to determine the student’s need for regular or special education and/or related aids and services. The 504 Team will include persons knowledgeable about the Section 504 standards, the student’s individual needs and school history, the meaning of evaluation data, and placement options. The student’s parent/guardian shall be invited to participate in this 504 Team and shall receive notice of procedural safeguards guaranteed by law. If ECRCHS does not assess a student after a parent has requested an assessment, the School shall provide notice of the

parent's/guardian's procedural safeguards. ECRCHS shall not retaliate in any way against parents/guardians or students who exercise any rights under the procedural safeguards and/or Section 504.

If the student, due to disability, is found to require regular or special education and/or related aids and services under Section 504, the Section 504 Team shall develop a 504 plan for the provision of such services to the student. The student shall be educated with nondisabled students to the maximum extent appropriate to the student's individual needs. The student's parent/guardian shall be provided a copy of the 504 plan and shall receive notice of procedural safeguards guaranteed by law. ECRCHS shall periodically review the student's progress and placement.

ECRCHS will implement this policy through its corresponding procedures.

SECTION 504 PROCEDURES

A. Definitions

1. **Academic Setting** – the regular, educational environment operated by ECRCHS.
2. **Individual with a Disability under Section 504** – An individual who:
 - a. has a physical or mental impairment that substantially limits one or more major life activities;
 - b. has a record of such an impairment; or
 - c. is regarded as having such an impairment.
3. **Evaluation** – procedures used to determine whether a student has a disability as defined within these Procedures, and the nature and extent of the services that the student needs. The term means procedures used selectively with an individual student and does not include basic tests administered to, or procedures used with, all students in a school, grade or class.
4. **504 Plan** – is a plan developed to identify and document the student’s needs for regular or special education and related aids and services for participation in educational programs, activities, and school–sponsored events.
5. **Free Appropriate Public Education (“FAPE”)** – the provision of regular or special education and related aids and services that are designed to meet the individual needs of persons with disabilities as adequately as the needs of persons without disabilities are met.
6. **Major Life Activities** - Functions such as caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working. A major life activity also includes the operation of a major bodily function, including but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions.
7. **Physical or Mental Impairment** –
 - a. Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory; including speech organs; cardiovascular; reproductive; digestive; genitor-urinary; hemic and lymphatic; skin; and endocrine; or
 - b. Any mental or psychological disorder, such as mental retardation,

organic brain syndrome, emotional or mental illness, and specific learning disabilities.

8. **504 Coordinator** – Counselor Stefanie Bero shall serve as the Charter School’s Section 504 Coordinator. The parents or guardians may request a Section 504 due process hearing from, or direct any questions or concerns to, the Section 504 Coordinator at (818) 595-7567.
9. **Has a record of such an impairment** - means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.
10. **Is regarded as having an impairment** - means
 - a. An individual meets the requirement of 'being regarded as having such an impairment' if the individual establishes that he or she has been subjected to an action prohibited under this Act because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.
 - b. Being regarded as having an impairment shall not apply to impairments that are transitory and minor. A transitory impairment is an impairment with an actual or expected duration of 6 months or less.

B. Referral, Assessment and Evaluation Procedures

1. ECRCHS will evaluate any student who, because of disability, needs or is believed to need regular or special education and/or related aids and services.
2. A student may be referred by anyone, including a parent/guardian, teacher, other school employee or community agency, for consideration as to whether the student qualifies as a student with disabilities under Section 504. Requests for evaluation shall be made in writing, and a copy of said request will remain in the student’s file regardless of the final determination. This referral should be made to the Section 504 Coordinator who will convene a 504 Team. Any requests made to another Charter School employee will be forwarded to the Section 504 Coordinator.
3. ECRCHS has the responsibility to ensure that students with disabilities are evaluated. Therefore, it is important that students who are or may be disabled are referred to the Section 504 Coordinator so that the assessment process is initiated.
4. The 504 Team convened by the Section 504 Coordinator will be composed of the student’s parents/guardians and other persons knowledgeable about the student (such as the student’s regular education teachers), the student’s school history, the student’s individual needs (such as a person

knowledgeable about the student's disabling condition), the meaning of evaluation data, the options for placement and services, and the legal requirements for least restrictive environment and comparable facilities.

5. The 504 Team shall promptly consider the referral and determine what assessments are needed in all suspected areas of disability to evaluate whether the student is a student with a disability under Section 504 and what special needs the student may have. The decision regarding what assessments shall be undertaken shall be based on a review of the student's school records (including academic, social and behavioral records), any relevant medical records, and the student's needs. Students requiring assessment shall be provided appropriate assessments administered by qualified assessment specialists.
6. The 504 Team will consider the following information in its evaluation of the student:
 - a. Tests and other evaluation materials that have been validated for the specific purpose for which they are used and are administered by trained personnel;
 - b. Tests and other evaluation materials including those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
 - c. Tests are selected and administered so as to best ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure.)
7. The evaluation of the student must be sufficient for the 504 Team to accurately and completely describe: (a) the nature and extent of the disabilities; (b) the student's special needs; (c) the impact upon the student's education; and (d) what regular or special education and/or related aids and services are appropriate to ensure that the student receives a free appropriate public education. All significant factors relating to the learning process for that student, including adaptive behavior and cultural and language background, must be considered. The evaluation may include, but is not limited to, classroom and playground observation, performance-based testing, academic assessment information, and data offered by the student's teachers and parent/guardian.
8. The parents/guardians shall be given an opportunity in advance of 504 Team meetings to examine assessment results and all other relevant records.
9. If a request for evaluation is denied, the 504 Team shall inform the

parents/guardians in writing of this decision and of their procedural rights as described below.

C. 504 Plan

1. When a student is identified as disabled within the meaning of Section 504, the 504 Team shall determine what, if any, services are needed to ensure that the student receives a free, appropriate public education (“FAPE”).
2. The 504 Team responsible for making the placement decision shall include the parents/guardians and other persons knowledgeable about the child, the meaning of the evaluation data, and the placement options.
3. For each identified disabled student, the 504 Team will develop a 504 Plan describing the student’s disability and the regular or special education and/or related aids and services needed. The Plan will specify how the special education and/or related aids and services will be provided to the disabled student and by whom. The 504 Plan will also identify the person responsible for ensuring that all the components of the Plan are implemented.
4. The student’s teacher and any other staff who are to provide services to the student or who are to make modifications in the classroom for the student shall be informed of the services or modifications necessary for the student and, if appropriate, provided a copy of the 504 Plan. A copy of this plan shall be kept in the student’s cumulative file in a manner that limits access to those persons involved in the 504 process and/or the provision of services and modifications.
5. The disabled student shall be placed in the regular education environment unless it is demonstrated that the student’s needs cannot be met in the regular education environment with supplementary aids and services. The disabled student shall be educated with students who are not disabled to the maximum extent appropriate to his/her individual needs.
6. The referral, assessment, evaluation and placement process will be completed within a reasonable time. It is generally not reasonable to exceed fifty (50) school days in completing this process.
7. The parents/guardians shall be notified in writing of the final decision concerning the student’s identification as a person with disabilities, the educational program and services to be provided, if any, and of the Section 504 procedural safeguards, as described below, including the right to an impartial hearing to challenge the decision.
8. If the 504 Team determines that the student is disabled but that no special services are necessary for the student, the 504 Plan shall reflect the

identification of the student as a disabled person under Section 504 and shall state the basis for the decision that no special services are presently needed.

9. The 504 Plan shall include a schedule for annual review of the student's needs, and indicate that this review may occur more frequently at the request of the parent/guardian or school staff.
10. ECRCHS shall immediately implement a student's prior 504 Plan, when a student enrolls at the Charter School. Within thirty (30) days of starting school, ECRCHS shall schedule a 504 Team meeting to review the existing 504 Plan. ECRCHS shall request a copy of the prior 504 plan from both the prior school and the parent/guardian.

D. Review of the Student's Progress

1. The 504 Team shall monitor the progress of the disabled student and the effectiveness of the student's 504 Plan. According to the review schedule set out in the student's 504 Plan, the 504 Team shall annually determine whether the services and modifications are appropriate.
2. A reevaluation of the student's needs shall be conducted before any subsequent significant change in placement.

E. Procedural Safeguards

1. Parents/guardians shall be notified in writing of all decisions regarding the identification, evaluation or educational placement of students with disabilities or suspected disabilities. Notifications shall include a statement of their rights to:
 - Examine relevant records;
 - Have an impartial hearing with an opportunity for participation by the parents/guardians and their counsel;
 - Have the right to file a Uniform Complaint pursuant to school policy;
 - Seek review in federal court if the parents/guardians disagree with the hearing decision.
2. Notifications shall also set forth the procedures for requesting an impartial hearing. Requests shall be made to Counselor Stefanie Bero, (818) 595-7567.

Notifications shall also advise that reimbursement for attorney's fees is available only as authorized by law.

3. The Executive Director or designee shall maintain a list of impartial hearing officers who are qualified and willing to conduct Section 504 hearings. To

ensure impartiality, such officers shall not be employed by or under contract with ECRCHS or any district within the Los Angeles Unified School District SELPA or the Los Angeles County Office of Education in any capacity other than that of hearing officer and shall not have any professional or personal involvement that would affect their impartiality or objectivity in the matter.

4. If a parent/guardian disagrees with the identification, evaluation or educational placement of a student with disabilities under Section 504, he/she may request a hearing to initiate due process procedures. The parent/guardian shall set forth in writing his/her request for a hearing. A request for hearing should include:
 - The specific decision or action with which the parent/guardian disagrees.
 - The changes to the 504 Plan the parent/guardian seeks.
 - Any other information the parent/guardian believes is pertinent.
5. Within five (5) calendar days of receiving the parent/guardian's request for a hearing, ECRCHS may offer the parent/guardian an optional alternative dispute resolution process. However, the timeline for the hearing shall remain in effect unless it is extended by mutual written agreement of the parent/guardian and the Charter School. Alternative dispute resolution options include:
 - Mediation by a neutral third party.
 - Review of the 504 Plan by the Executive Director or designee.
6. Within ten (10) calendar days of receiving the parent/guardian's request, the Executive Director or designee shall select an impartial hearing officer. These 10 days may be extended for good cause or by mutual agreement of the parent/guardian and Executive Director.
7. Within thirty-five (35) calendar days of the selection of the hearing officer, the due process hearing shall be conducted. These thirty-five (35) days may be extended for good cause or by mutual agreement of the parent/guardian and Executive Director.
8. The parent/guardian and the Charter School shall be afforded the rights to:
 - Be accompanied and advised by counsel and by individuals with special knowledge or training related to the individual needs of students who are qualified as disabled under Section 504.
 - Present written and oral evidence.
 - Question and cross-examine witnesses.
 - Receive written findings by the hearing officer.

9. The hearing officer shall issue a written decision within ten (10) calendar days of the hearing.
 10. If desired, either party may seek a review of the hearing officer's decision by a federal court. The decision shall be implemented unless the decision is stayed, modified or overturned by a court.
 11. ECRCHS shall not retaliate in any way against parents/guardians or students who exercise any rights under the procedural safeguards and/or Section 504.
- F. Suspension and Expulsion, Special Procedures for Students with Disabilities
- ECRCHS shall follow the suspension and expulsion policy and procedures as set forth in the charter. A pupil who is qualified for services under Section 504 of the Rehabilitation Act of 1973 is subject to the same grounds for disciplinary action, including suspension and expulsion, and is accorded the same due process procedures applicable to regular education pupils except when federal and state law mandates additional or different procedures. ECRCHS will follow Section 504 and all applicable federal and state laws when imposing any form of discipline on a pupil identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such pupils. The following procedures shall be followed when a student with a disability is considered for suspension or expulsion. These procedures will be updated if there is a change in the law.
1. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's 504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.
 2. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, ECRCHS, the parent, and relevant members of the 504 Team shall review all relevant information in the student's file, including the child's 504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the 504 Plan.

If ECRCHS, the parent, and relevant members of the 504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If ECRCHS, the parent, and relevant members of the 504 Team make the determination that the conduct was a manifestation of the child's disability, the 504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that ECRCHS had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent and ECRCHS agree to a change of placement as part of the modification of the behavioral intervention plan.

If ECRCHS, the parent, and relevant members of the 504 team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the failure to implement the 504 Plan, then ECRCHS may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

3. Appeals

The parent of a child with a disability under a 504 Plan who disagrees with any decision regarding placement, or the manifestation determination, or ECRCHS believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request to utilize the appeal process outlined in the Procedural Safeguards section of these Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or ECRCHS, the hearing officer shall determine whether the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the forty-five (45) day time period provided for in an

interim alternative educational setting, whichever occurs first, unless the parent and ECRCHS agree otherwise.

4. Special Circumstances

ECRCHS personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Executive Director or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. § 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. § 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

5. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's 504 Team.

6. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to the IDEIA and who has violated ECRCHS's disciplinary procedures may assert the procedural safeguards granted under these Procedures only if ECRCHS had knowledge that the student was disabled before the behavior occurred.

ECRCHS shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to ECRCHS supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent has requested an evaluation of the child.

- c. The child's teacher, or other ECRCHS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the Director of Special Education or to other ECRCHS supervisory personnel.

If ECRCHS knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If ECRCHS had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. ECRCHS shall conduct an expedited evaluation if requested by the parents; however, the student shall remain in the education placement determined by ECRCHS pending the results of the evaluation.

ECRCHS shall not be deemed to have knowledge of that the student had a disability if the parent has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

PARENT/STUDENT RIGHTS IN IDENTIFICATION, EVALUATION, ACCOMMODATION AND PLACEMENT

(Section 504 of the Rehabilitation Act of 1973)

The following is a description of the rights granted by federal law to students with disabilities. The intent of the law is to keep you fully informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions. Please keep this explanation for future reference.

Suicide Prevention Policy

SUICIDE PREVENTION POLICY

The Board of Directors of El Camino Real Alliance dba El Camino Real Charter High School (“ECRCHS”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code Section 215, this policy has been developed in consultation with ECRCHS and community stakeholders, ECRCHS school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, law enforcement, and community organizations in planning, implementing, and evaluating ECRCHS’s strategies for suicide prevention and intervention. ECRCHS must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, ECRCHS shall appoint a team to serve as the suicide prevention liaison for ECRCHS. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

A. Staff Development

ECRCHS, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff).

Training:

- All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
- At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
- At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their

employment or annually. Core components of the general suicide prevention training shall include:

- Suicide risk factors, warning signs, and protective factors;
- How to talk with a student about thoughts of suicide;
- How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment;
- Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member;
- Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide;
- Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.
- Information regarding groups of students judged by ECRCHS, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - Youth affected by suicide;
 - Youth with a history of suicide ideation or attempts;
 - Youth with disabilities, mental illness, or substance abuse disorders;
 - Lesbian, gay, bisexual, transgender, or questioning youth;
 - Youth experiencing homelessness or in out-of-home settings, such as foster care;
 - Youth who have suffered traumatic experiences;
- In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
 - The impact of traumatic stress on emotional and mental health;
 - Common misconceptions about suicide;
 - School and community suicide prevention resources;
 - Appropriate messaging about suicide (correct terminology, safe messaging guidelines);
 - The factors associated with suicide (risk factors, warning signs, protective factors);
 - How to identify youth who may be at risk of suicide;
 - Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on ECRCHS guidelines) how to respond to such thinking; how to talk with a student about thoughts of

- suicide and appropriately respond and provide support based on ECRCHS guidelines;
- ECRCHS-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed;
- ECRCHS-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention);
- Responding after a suicide occurs (suicide postvention);
- Resources regarding youth suicide prevention;
- Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide;
- Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

B. Employee Qualifications and Scope of Services

Employees of ECRCHS must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

C. Parents, Guardians, and Caregivers Participation and Education

- Parents/guardians/caregivers may be included in suicide prevention efforts.
At a minimum, ECRCHS shall share this policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
- This suicide prevention policy shall be prominently displayed on the ECRCHS Web page and included in the parent handbook.
- All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - Suicide risk factors, warning signs, and protective factors;
 - How to talk with a student about thoughts of suicide;
 - How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

D. Student Participation and Education

Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with

ECRCHS and is characterized by caring staff and harmonious interrelationships among students.

ECRCHS's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience.

ECRCHS's instructional curriculum may include information about suicide prevention, as appropriate or needed, taking into consideration the grade level and age of the students. Under the supervision of an appropriately trained individual acting within the scope of her/his credential or license, students shall:

- Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress;
- Receive developmentally appropriate guidance regarding ECRCHS's suicide prevention, intervention, and referral procedures.

The content of the education may include:

- Coping strategies for dealing with stress and trauma;
- How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others;
- Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help;
- Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.

Student-focused suicide prevention education may be incorporated into classroom curricula (e.g., health classes, science, and physical education).

ECRCHS shall support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide.

E. Intervention and Emergency Procedures

ECRCHS designates the following School personnel to act as the suicide prevention liaisons:

- Primary Suicide Prevention Liaison: Jessica Friedman, School Psychologist, Student Support Services, (818) 595-8001, j.friedman@ecrchs.net.
- Secondary Suicide Prevention Liaison: Vanessa Cordero, School Psychologist, Student Support Services, (818) 595-8008, v.cordero@ecrchs.net.
- Alternative Suicide Prevention Liaison: Margaret (Peggy) Valentine, School Nurse, Health Office, (818) 595-7569, p.gocke@ecrchs.net.

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this

primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Executive Director or designee, who shall then notify the student's parent/guardian/caregiver as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at ECRCHS or in the community.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one of the following, as appropriate:
 - Securing immediate medical treatment if a suicide attempt has occurred;
 - Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened;
 - Keeping the student under continuous adult supervision until the parent/guardian/caregiver and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed;
 - Moving all other students out of the immediate area;
 - Not sending the student away or leaving him/her alone, even to go to the restroom;
 - Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence;
 - Promising privacy and help, but not promising confidentiality.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian/caregiver and student in a timely manner to provide referrals to appropriate services as needed.
4. After a referral is made, ECRCHS shall verify with the parent/guardian/caregiver that the follow up treatment has been accessed. Parents/guardians/caregivers will be required to provide documentation of care for the student. If parents/guardians/caregivers refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent/guardian/caregiver to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, ECRCHS may contact Child Protective Services.

5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at ECRCHS.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the ECRCHS campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in ECRCHS's safety plan. After consultation with the Executive Director or designee and the student's parent/guardian/caregiver about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Executive Director or designee may provide students, parents/guardians/caregivers, and staff with information, counseling, and/or referrals to community agencies as needed. ECRCHS staff may receive assistance from ECRCHS counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the ECRCHS campus and unrelated to school activities, the Executive Director or designee shall take the following steps to support the student:

1. Contact the parent/guardian/caregiver and offer support to the family.
2. Discuss with the family how they would like ECRCHS to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian/caregiver to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to School. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan.

F. Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in ECRCHS activities to notify a teacher, the Executive Director, another ECRCHS administrator, psychologist, ECRCHS counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of

another student's suicidal intentions. ECRCHS staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to students and discuss with the student, and parent/guardian/caregiver, about additional resources to support the student.

G. Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. ECRCHS shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

- Coordinate with the Executive Director to:
 - Confirm death and cause;
 - Identify a staff member to contact deceased's family (within 24 hours);
 - Enact the Suicide Postvention Response;
 - Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
- Coordinate an all-staff meeting, to include:
 - Notification (if not already conducted) to staff about suicide death;
 - Emotional support and resources available to staff;
 - Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration);
 - Share information that is relevant and that which the suicide prevention liaison has permission to disclose.
- Prepare staff to respond to needs of students regarding the following:
 - Review of protocols for referring students for support/assessment;
 - Talking points for staff to notify students;
 - Resources available to students (on and off campus).
- Identify students significantly affected by suicide death and other students at risk of imitative behavior;
- Identify students affected by suicide death but not at risk of imitative behavior;
- Communicate with the larger school community about the suicide death;
- Consider funeral arrangements for family and school community;
- Respond to memorial requests in respectful and non-harmful manner; responses should be handed in a thoughtful way and their impact on other students should be considered;
- Identify media spokesperson if needed.
- Include long-term suicide postvention responses:
 - Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed
 - Support siblings, close friends, teachers, and/or students of deceased
 - Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

Education for Homeless Children and Youth Policy

EDUCATION FOR HOMELESS CHILDREN AND YOUTH POLICY

The Board of Directors of El Camino Real Alliance dba El Camino Real Charter High School (“ECRCHS”) desires to ensure that homeless children and youth: are provided with equal access to its educational program; have an opportunity to meet the same challenging state of California academic standards; are provided a free and appropriate public education; are not stigmatized or segregated on the basis of their status as homeless; and are protected from discrimination on the basis of their homelessness.

Definition of Homeless Children and Youth

The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence. It includes children and youths who (42 U.S.C. § 11434a):

2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

4. Parents/guardians are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
5. Public notice of the educational rights of homeless children is disseminated at places frequented by parents or guardians of such youths, and unaccompanied youths, including schools, shelters, public libraries, and soup kitchens, and in a manner and form understandable to the parents and guardians of homeless youth and unaccompanied youth.
6. Enrollment/admissions disputes are mediated in accordance with law, ECRCHS charter, and Board policy.

10. Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent students under section 480 of the Higher Education Act of 1965 and that the youths may obtain assistance from the School Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid described in section 483 of the Act.

Enrollment

ECRCHS shall immediately admit/enroll the student (subject to ECRCHS's capacity and pursuant to the procedures stated in the ECRCHS charter and Board policy), even if the student lacks records normally required for enrollment. Records will immediately be requested from the previous school. (42 U.S.C. § 11432(g)(3)(C); Education Code § 48850(a)(3)(A).)

Appendix E

Education for Foster Youth Policy

EDUCATION FOR FOSTER YOUTH POLICY

Introduction

The Board of Directors of El Camino Real Alliance dba El Camino Real Charter High School ("ECRCHS") recognizes that foster youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs. To enable such students to achieve state and charter school academic standards, ECRCHS shall provide them with full access to ECRCHS's educational program and implement strategies identified as necessary for the improvement of the academic achievement of foster youth in ECRCHS's local control and accountability plan (LCAP).

Definitions

Foster youth means a child who has been removed from his/her home pursuant to California Welfare and Institutions Code § 309, is the subject of a petition filed under Welfare and Institutions Code §§ 300 or 602, or has been removed from his/her home and is the subject of a petition filed under Welfare and Institutions Code §§ 300 or 602.

Person holding the right to make educational decisions means a parent, guardian, or responsible person appointed by a court to make educational decisions pursuant to Welfare and Institutions Code §§ 361 or 726, or Education Code § 56055.

School of origin means the school that the foster youth attended when permanently housed or the school in which he/she was last enrolled. If the school the foster youth attended when permanently housed is different from the school in which he/she was last enrolled, or if there is some other school that the foster youth attended within the immediately preceding 15 months, the ECRCHS liaison for foster youth, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, shall determine, and in the best interests of the foster youth, the school is the school of origin.

Best interests means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the opportunity to be educated in the least restrictive educational program and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all ECRCHS students.

ECRCHS Liaison

In order to help facilitate the enrollment, placement, and transfer of foster youth to ECRCHS, the Board of Directors shall designate an ECRCHS foster youth liaison. The Board of Directors designates the following position as ECRCHS's liaison for foster youth:

Barrie Gold
Special Education Teacher and Foster/Homeless Youth Liaison
5440 Valley Circle Boulevard
Woodland Hills, California 91367
(818) 595-7500

The liaison for foster youth shall:

1. Ensure and facilitate the proper educational placement, enrollment in ECRCHS, and checkout from ECRCHS of students in foster care.
2. Ensure proper transfer of credits, records, and grades when students in foster care transfer to or from ECRCHS.

When a student in foster care is enrolling in ECRCHS, the ECRCHS liaison shall contact the school last attended by the student to obtain, within two business days, all academic and other records. When a foster youth is transferring to a new school, the ECRCHS liaison shall provide the student's records to the new school within two business days of receiving the new school's request.

3. When required by law, notify the foster youth's attorney and the appropriate representative of the county child welfare agency of pending expulsion proceedings if the decision to recommend expulsion is a discretionary act under ECRCHS's charter; pending proceedings to extend a suspension until an expulsion decision is rendered if the decision to recommend expulsion is a discretionary act under ECRCHS's charter; and, a manifestation determination prior to a change in the foster youth's placement, when he/she is a student with a disability under state and federal special education laws.
4. As needed, make appropriate referrals to ensure that students in foster care receive necessary special education services and services under Section 504 of the Federal Rehabilitation Act of 1973.
5. As needed, ensure that students in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services.
6. Develop protocols and procedures for creating awareness for ECRCHS staff, including but not limited to principals, deans, and attendance clerks, of the requirements for the proper enrollment, placement, and transfer of foster youth.
7. Collaborate with the county placing agency, social services, probation officers, juvenile court officers, and other appropriate agencies to help

coordinate services for ECRCHS's foster youth.

8. Monitor the educational progress of foster youth and provide reports to the Executive Director or designee and the Board of Directors based on indicators identified in ECRCHS's local control and accountability plan.
9. This policy does not grant the ECRCHS liaison authority that supersedes the authority granted under state and federal law to a parent or legal guardian retaining educational rights, a responsible person appointed by the court to represent the child pursuant to Welfare and Institutions Code §§ 361 or 726, a surrogate parent, or a foster parent exercising authority under the Education Code. The role of the ECRCHS liaison is advisory with respect to placement options and determination of the school of origin.

Enrollment

A student placed in a licensed children's institution or foster family home shall attend programs operated by ECRCHS unless one of the following circumstances applies (Education Code §§ 48853, 48853.5):

1. The student has an individualized education program requiring placement in a nonpublic, nonsectarian school or agency, or in another local educational agency.
2. The parent/guardian or other person holding the right to make educational decisions for the student determines that it is in the best interest of the student to be placed in another educational program and submits a written statement to ECRCHS indicating that determination and that he/she is aware of the following:
 - a. The student has a right to attend a regular public school in the least restrictive environment.
 - b. The alternate educational program is a special education program, if applicable.
 - c. The decision to unilaterally remove the student from ECRCHS and to place him/her in an alternate education program may not be financed by ECRCHS.
 - d. Any attempt to seek reimbursement for the alternate education program may be at the expense of the parent/guardian or other person holding the right to make educational decisions for the student.
3. At the initial placement or any subsequent change in placement, the student exercises his/her right to continue in his/her school of origin, as defined

above.

- a. The student may continue in the school of origin for the duration of the court's jurisdiction.
- b. If the court's jurisdiction over a grade K-8 student is terminated prior to the end of a school year, the student may continue in his/her school of origin for the remainder of the academic school year.
- c. If the court's jurisdiction is terminated while the student is in high school, the student may continue in his/her school of origin until he/she graduates.
- d. If the student is transitioning between school grade levels, he/she shall be allowed to continue in the district of origin in the same attendance area to provide him/her the benefit of matriculating with his/her peers in accordance with the established feeder patterns of school districts. A student who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The ECRCHS liaison may, in consultation with and with the agreement of the foster youth and the person holding the right to make educational decisions for the youth, recommend that the youth's right to attend the school of origin be waived and he/she be enrolled in any school that students living in the attendance area of the school district in which the foster youth resides are eligible to attend or in ECRCHS consistent with current enrollment procedures. All decisions shall be made in accordance with the foster youth's best interests.

Prior to making any recommendation to move a foster youth from his/her school of origin, the liaison shall provide the youth and the person holding the right to make educational decisions for the youth with a written explanation of the basis for the recommendation and how the recommendation serves the youth's best interests.

If the liaison, in consultation with the foster youth and the person holding the right to make educational decisions for the foster youth, agrees that the best interests of the youth would be served by his/her transfer to a school other than the school of origin, the Executive Director or designee of the new school shall immediately enroll the foster youth, consistent with any enrollment procedures if the next school is a charter school. The foster youth shall be immediately enrolled even if he/she:

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended
2. Does not have clothing normally required by the school, such as school uniforms

3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and medical records, including, but not limited to, immunization records or other documentation.

If any dispute arises regarding the request of a foster youth to remain in the school of origin, the youth has the right to remain in the school of origin pending resolution of the dispute. The dispute shall be resolved in accordance with the existing ECRCHS dispute resolution process.

Transportation

ECRCHS shall not be responsible for providing transportation to allow a foster child to attend school, unless required by federal law. ECRCHS is not prohibited from providing transportation, at its discretion, to allow a foster child to attend school.

Effect of Absences on Grades

The grades of a student in foster care shall not be lowered for any absence from school that is due to either of the following circumstances:

1. A decision by a court or placement agency to change the student's placement, in which case the student's grades shall be calculated as of the date he/she left school.
2. A verified court appearance or related court-ordered activity.

Transfer of Coursework and Credits*

When a foster youth transfers into ECRCHS, ECRCHS shall accept and issue full credit for any coursework that the foster youth has satisfactorily completed while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency and shall not require the foster youth to retake the course.

If the foster youth did not complete the entire course, he/she shall be issued partial credit for the coursework completed and shall not be required to retake the portion of the course that he/she completed at his/her previous school. However, ECRCHS may require the foster youth to retake the portion of the course completed if, in consultation with the holder of educational rights for the foster youth, ECRCHS finds that the foster youth is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a foster youth in any particular course, he/she shall be enrolled in the same or equivalent course, if applicable, so that he/she may continue and complete the entire course.

In no event shall ECRCHS prevent a foster youth from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California.

Applicability of Graduation Requirements

To obtain a high school diploma, a foster youth shall pass the high school exit examination in English language and mathematics (if required by State law), complete all courses required by ECRCHS, and fulfill any additional graduation requirement prescribed by the Board.

However, when a foster youth who has completed his/her second year of high school transfers ECRCHS, he/she shall be exempted from all ECRCHS -adopted coursework and other ECRCHS -established graduation requirements, unless ECRCHS makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of his/her fourth year of high school. Within 30 calendar days of the foster youth's transfer, the Executive Director or designee shall notify the foster youth, the person holding the right to make educational decisions for him/her, and the foster youth's social worker of the availability of the exemption and whether the foster youth qualifies for it.

To determine whether a foster youth is in his/her third or fourth year of high school, ECRCHS shall use either the number of credits the foster youth has earned as of the date of the transfer or the length of his/her school enrollment, whichever qualifies him/her for the exemption.

The Executive Director or designee shall notify any foster youth who is granted an exemption and the person holding the right to make educational decisions for him/her how any requirements that are waived will affect the foster youth's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges.

ECRCHS shall not require or request a foster youth to transfer schools in order to qualify for an exemption and no request for a transfer solely to qualify for an exemption shall be made by a foster youth or any person acting on behalf of a foster youth.

Upon making a finding that a foster youth is reasonably able to complete ECRCHS graduation requirements within his/her fifth year of high school, the Executive Director or designee shall:

1. Inform the foster youth and the person holding the right to make educational decisions for him/her of the foster youth's option to remain in school for a fifth year to complete ECRCHS authorizer's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for ECRCHS students over age 19, and how that will affect his/her ability to gain admission to a postsecondary educational institution.
2. Provide information to the foster youth about transfer opportunities available through the California Community Colleges.

3. Upon agreement with the foster youth or, if he/she is under 18 years of age, the person holding the right to make educational decisions for him/her, permit the foster youth to stay in school for a fifth year to complete ECRCHS's graduation requirements.

Eligibility for Extracurricular Activities

A foster youth whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

Complaints of Noncompliance*

Complaints of noncompliance with this policy shall be governed by ECRCHS's Uniform Complaint Procedures policy.

*These provisions are also applicable to former juvenile court school pupils, which are defined as pupils who, upon completion of the pupil's second year of high school, transfer to a charter school, excluding a charter school or school district operated by the Division of Juvenile Justice of the Department of Corrections and Rehabilitation, from a juvenile court school. These provisions may be utilized for such pupils at ECRCHS's discretion.

Appendix F

Suspension and Expulsion Policies

SUSPENSION AND EXPULSION POLICIES

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at any time including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; d) during, going to, or coming from a school-sponsored activity. Criteria of discipline is determined using Attachment 3 of the LAUSD School Climate Bill of Rights.

A single suspension may not be issued for more than 5 consecutive school days. The total number of days for which a student, including students with a 504 Plan, may be suspended from school shall not exceed 20 days. Students with an IEP shall not be suspended for more than 10 school days in any school year.

If it is determined by the Board of Directors that a student has brought a fire arm or destructive device, as defined in Section 921 of Title 18 of the United States Code, on to campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the pupil shall be provided due process rights of notice and a hearing as required in this policy.

The term "firearm" means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.

The term "destructive device" means (A) any explosive, incendiary, or poison gas, including but not limited to: (i) bomb, (ii) grenade, (iii) rocket having a propellant charge

of more than four ounces, (iv) missile having an explosive or incendiary charge of more than one-quarter ounce, (v) mine, or (vi) device similar to any of the devices described in the preceding clauses.

IN-SCHOOL SUSPENSION

For In-School suspension, the student remains on campus for the length of the suspension and receives academic support by a credentialed staff member for material related to all missed classes. Two types of In-School suspension are implemented at ECRCHS, class suspension and in-house suspension. Class suspension is when a student is suspended from a specific class; this may occur only once every five school days. In-house suspension is when a student is suspended from all of their classes. In-school suspension allows the student to be removed from the general student body but still receive academic support for their on-going classes.

OUT-OF-SCHOOL SUSPENSION

A student may receive an out-of-school suspension if it is determined that the student's presence would be a danger to others at school and their removal from school is necessary.

SUSPENSION PROCEDURES

Suspensions shall be initiated according to the following procedures:

Conference

Suspension shall be preceded, if possible, by a conference conducted by the Dean or designee with the student and his or her parent and, whenever practical, the teacher, supervisor or school employee who referred the student to the Dean.

The conference may be omitted if the Dean or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If, however, a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense. This conference shall be held within two school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization.

No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with school officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

Notice to Parents/Guardians

At the time of suspension, the Dean or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

Suspension Time Limits/Recommendation for Placement/Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Placement/Expulsion by the Dean or Dean's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing.

This determination will be made by the Dean or designee upon either of the following determinations: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing. In such instances when the school has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference.

Suspension Appeal: If the parent wants to appeal the suspension, the parent submits an appeal to the Assistant Principal. The decision of the Assistant Principal will be final.

EXPULSION PROCEDURES

Authority to Expel

A student may be expelled following a hearing before an Administrative Panel following a hearing before it, and preceded by recommendation from the Dean. The Administrative Panel will consist of at least three members who are certificated employees and neither a teacher of the pupil nor a member of the ECRA Governing Board. ECRCHS's Board will appoint an Administrative Panel. The Administrative Panel may expel a student found to have committed an expellable offense.

A student and his or her parents may appeal an expulsion decision by the Administrative Panel to ECRCHS's Board, which will make the final determination.

Hearing Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. If requested by the student, and unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Dean or designee determines that the pupil has committed an expellable offense and recommends the student for expulsion.

The Administrative Panel will hold a hearing on the case, and will make a determination whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under the Family Educational Rights Privacy Act ("FERPA")) unless the pupil makes a written request for a public hearing three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of the school's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the school to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

ECRCHS School may, upon finding a good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by ECRCHS's Board, administrative panel, or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the Administrative Panel, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The Administrative Panel may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The Administrative Panel may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The Administrative Panel may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from

- exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
 9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are not alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing by means of closed-circuit television.
 10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A determination by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay and sworn declarations may be admitted as testimony from witnesses of whom the Administrative Panel or Governing Board on appeal determines that disclosure of their

identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the accused pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact regarding the expulsion. The final decision by the Administrative Panel shall be made within ten (10) school days following the conclusion of the hearing.

If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program at the Charter School.

Written Notice to Expel

The Dean or designee following a decision of the Administrative Panel to expel shall send written notice of the decision to expel, including the Administrative Panel's adopted findings of fact, to the student or parent/guardian. This notice shall also include the following:

1. Notice of the specific offense committed by the student
2. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.
3. Notice of any appeal options
4. Information about alternative placement options

The Dean or designee shall send a copy of the written notice of the decision to expel to the student's district of residence and the authorizer. This notice shall include the following:

1. The student's name
2. The specific expellable offense committed by the student

Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

Right to Appeal

If a pupil is expelled, the pupil or the pupil's parent or guardian may, within 15 calendar days following the decision of the Administrative panel to expel, file a written appeal, requesting the Board reconsider the expulsion determination.

If appealed, the Board conducts and presides over the expulsion appeal.

The Board shall hold a hearing within twenty (20) schooldays following the filing of a formal request under this section. The Board shall render a decision within three (3) school days of the appeal hearing. The decision of the Board shall be final.

The period within which an appeal is to be filed shall be determined from the date the Administrative Panel votes to expel, even if enforcement of the expulsion action is suspended and the pupil is placed on probation. A pupil who fails to appeal the original action of the Board within the prescribed time may not subsequently appeal a decision of the Board to revoke probation and impose the original order of expulsion.

The Board may adopt further rules and regulations establishing procedures for expulsion appeals conducted so long as they are consistent with this section and do not violate students' due process. The adopted rules and regulations shall include, but need not be limited to, the requirements for filing a notice of appeal, the setting of a hearing date, the furnishing of notice to the pupil regarding the appeal, the furnishing of a copy of the expulsion hearing, procedures for the conduct of the hearing, and the preservation of the record of the appeal.

The parent/guardian or the pupil shall submit a written request for a copy of the written transcripts and supporting documents, if desired, from ECRCHS simultaneously with the filing of the notice of appeal. ECRCHS shall provide the pupil with the transcriptions, supporting documents, and records within 10 schooldays following the pupil's written request, unless impracticable.

Closed session

The Board shall hear an appeal of an expulsion order in closed session. During closed session, if the Board admits any representative of the pupil or ECRCHS, the Board shall, at the same time, admit representatives from the opposing party.

Evidence admissible at hearing

The Board shall determine the appeal from a pupil expulsion upon the record of the hearing before the Administrative Panel, together with such applicable documentation or regulations as may be ordered.

Scope of review

The review by the Board shall be limited to the following questions:

- (1) Whether the Administrative Panel acted without or in excess of its jurisdiction.
- (2) Whether there was a fair hearing before the Administrative Panel.
- (3) Whether there was a prejudicial abuse of discretion in the hearing.
- (4) Whether there is relevant and material evidence which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the Administrative Panel.

The Board may not recommend reversing the decision of the Administrative Panel to expel a pupil based upon a finding of an abuse of discretion unless the Board also determines that the abuse of discretion was prejudicial.

Decision of the Board

The decision of the Board shall be limited as follows:

- (a) If the Board finds that relevant and material evidence exists which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the Administrative Panel, the Board may reconsider the matter and may in addition recommend the pupil reinstated pending the reconsideration.
- (b) In all other cases, the Board shall either affirm or reverse the decision of the Administrative Panel. The decision of the Board will be final.

Expelled Pupils/Alternative Education

The school will provide the parent with necessary information and a list of placement options. ECRCHS shall be responsible for facilitating placement of expelled students.

SPECIAL PROCEDURES FOR THE CONSIDERATION OF SUSPENSION AND EXPULSION OF STUDENTS WITH DISABILITIES

ECRCHS School shall immediately notify the LAUSD Special Education Local Plan Area ("SELPA") and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student who ECRCHS or SELPA would be deemed to have knowledge that the student had a disability.

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are

designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, ECRCHS, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If ECRCHS, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If ECRCHS, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that ECRCHS had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent and ECRCHS agree to a change of placement as part of the modification of the behavioral intervention plan.

If ECRCHS, the parent, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a result of the failure to implement the IEP/504 Plan, then ECRCHS may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

The parent of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or ECRCHS believes that maintaining

the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent or ECRCHS, the hearing officer shall determine whether the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, whichever occurs first, unless the parent and ECRCHS agree otherwise.

ECRCHS personnel may consider any Category 1 offenses on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Dean or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 USC 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 USC 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

A student who has not been identified as an individual with disabilities pursuant to IDEIA and who has violated ECRCHS's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if ECRCHS had knowledge that the student was disabled before the behavior occurred. ECRCHS shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to ECRCHS supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent has requested an evaluation of the child.

- c. The child's teacher, or other ECRCHS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other ECRCHS supervisory personnel.

If ECRCHS knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEIA-eligible children with disabilities, including the right to stay-put.

If ECRCHS had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. If requested by parents, ECRCHS shall conduct an expedited evaluation and review student records; however, the student shall remain in the education placement determined by ECRCHS pending the results of the evaluation.

ECRCHS shall not be deemed to have knowledge that the student had a disability if the parent has refused an evaluation, refused services, or failed to inform ECRCHS that their student has an IEP, or if the student has been evaluated and determined to not be eligible.

Prom Attendance Policy

EL CAMINO REAL CHARTER HIGH SCHOOL

TO: All Seniors (and their guests) **DATE:** August 2019
FROM: Administration
SUBJECT: PROM ATTENDANCE POLICY (FOR ALL STUDENTS ATTENDING PROM)

1. Objectives

- a. To improve attendance, punctuality, and student achievement.
- b. To heighten awareness of the importance of good attendance and punctuality.

2. Policy

All students who exceed 15 absences in any one class during the attendance period beginning September 3, 2019 and ending April 24, 2020, will be denied the privilege of participation in the Senior Prom. Students have 5 days after the absence to bring in a note and may not bring in notes afterwards. It is the responsibility of the students and parents/guardians to stay abreast of absences via AERIES. After 5 days, the absence becomes a permanent unexcused truancy. If there are extenuating circumstances that arise during the school year (such as severe medical illness, death in the immediate family, mental health concern, etc.) that may contribute to excessive absences, please notify your counselor immediately AND provide documentation during the absence. In order to attend prom:

- a. All outstanding detentions must be served.
- b. All outstanding fees and fines must be paid.
- c. No fights or vaping/drug use situations may have occurred.
- d. No suspensions or expulsions.
- e. Authorized school activities are not included in the 5 day absence rule.
- f. New and transferring students must meet ECRCHS attendance requirements in order to participate in the Senior Prom.

3. Consequences

Because we are emphasizing the importance of senior attendance, seniors who exceed 15 absences (at any given time) are excluded from all Senior Activities as noted on the Senior Activity List. See attached.

4. Checkpoints

Each month starting October 2019, students (and their parents/guardians) with 5 or more absences will be notified by the Dean's Office. If applicable, a Notice of Prom Denial will be sent once a student has 15 or more absences.

5. Appeal process

Students appealing their denial of Senior Prom need to complete the required school forms and return them completed and signed with the required documentation to their Dean. Acceptable absences for appeal are:

- a. Medical - two or more days of continuous absence.
- b. Death in immediate family (*a note signed by a parent/guardian indicating death in the immediate family must be on file at the time of the return from the absence*).
- c. Regularly scheduled medical appointments - verified by doctor's note, including time and date of each appointment. An explanation must be provided identifying why the medical appointment had to take place during school hours.
- d. Special circumstances - attach statement explaining circumstances and necessary documentation (lack of transportation, or driving siblings to school, may not be used for appeal).
- e. Teachers may not clear absences at the time of the appeal. If you miss a class because you are working on another school-related project, you must have the teacher in charge of the project clear your absence within 5 days of the absence. This is your responsibility.

6. General Reminders

without regard to their families' ability or willingness to pay fees or request special waivers, as provided for in *Hartzell v. Connell* (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following:

If the Charter School finds merit in a complaint, or if the Superintendent finds merit in an appeal, the Charter School shall provide a remedy to the affected pupil

ECRA acknowledges and respects every individual's rights to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects [to the greatest extent reasonably possible] the confidentiality of the parties and the integrity of the process. ECRA cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential.

However, ECRA will attempt to do so as appropriate. ECRA may find it necessary to disclose information regarding the complaint/complainant to the extent necessary to carry out the investigation or proceedings, as determined by the Assistant Principal on a case-by-case basis.

ECRA prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of unlawful discrimination, harassment, intimidation or bullying. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

Compliance Officers

The Board of Directors designates the following compliance officer(s) to receive and investigate complaints and to ensure ECRA's compliance with law:

Daniel H. Chang
Chief Compliance Officer
5440 Valley Circle Blvd.
Woodland Hills, CA 91367
(818) 595-7500

The Chief Compliance Officer ("CCO") or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the CCO.

Should a complaint be filed against the CCO, the compliance officer for that case shall be the Chair of the El Camino Real Alliance Board of Directors.

Notifications

The CCO shall annually provide written notification of ECRA's uniform complaint procedures to employees, students, parents and/or guardians, advisory committees, private school officials and other interested parties (e.g., Adult Education).

The annual notice shall be in English, and when necessary, in the primary language, pursuant to Section 48985 of the Education Code if fifteen (15) percent or more of the pupils enrolled in ECRA speak a single primary language other than English.

The CCO shall make available copies of ECRA's uniform complaint procedures free of charge.

The annual notice shall include the following:

- (a) A statement that ECRA is primarily responsible for compliance with federal and state laws and regulations.
- (b) A statement that a pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity.
- (c) A statement identifying the responsible staff member, position, or unit designated to receive complaints.
- (d) A statement that the complainant has a right to appeal the ECRA's decision to the CDE by filing a written appeal within 15 days of receiving the ECRA's decision.
- (e) A statement advising the complainant of any civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable, and of the appeal pursuant to Education Code § 262.3.
- (f) A statement that copies of the local educational agency complaint procedures shall be available free of charge.

Procedures

The following procedures shall be used to address all complaints which allege that ECRA has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

- Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by ECRA.

A complaint alleging unlawful discrimination, harassment, intimidation or bullying shall be initiated no later than six (6) months from the date when the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination, harassment, intimidation or bullying. A complaint may be filed by a person who alleges that he/she personally suffered

unlawful discrimination, harassment, intimidation or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying.

Pupil fee complaints shall be filed not later than one (1) year from the date the alleged violation occurred.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, ECRA staff shall assist him/her in the filing of the complaint.

- Step 2: Mediation

Within three (3) days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend ECRA's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide ECRA's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

ECRA's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

- Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of ECRA's investigation and decision, as described in Step #5 below, within sixty (60) days of ECRA's receipt of the complaint.

- Step 5: Final Written Decision

ECRA's decision shall be in writing and sent to the complainant. ECRA's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
7. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.

8. For unlawful discrimination, harassment, intimidation or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of ECRA's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of ECRA's decision.

Upon notification by the CDE that the complainant has appealed ECRA's decision, the CCO shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by ECRA, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the ECRA's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by ECRA when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which ECRA has not taken action within sixty (60) days of the date the complaint was filed with the ECRA.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of ECRA's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful

discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if ECRA has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

The Board of Directors of El Camino Real Charter High School (“ECRCHS”) has adopted this Educational Records and Student Information Policy to apply to all educational records and student information maintained by ECRCHS.

I. DEFINITIONS

1. Education Record: an education record is any information recorded in any way, including, but not limited to, handwriting, print, computer media, video or audio tape, film, microfilm, and microfiche containing information directly relating to a student that is maintained by ECRCHS or by a party acting for ECRCHS. Such information includes, but is not limited to:
 - (a) Date and place of birth; parent and/or guardian’s address, mother's maiden name and where the parties may be contacted for emergency purposes;
 - (b) Grades, test scores, courses taken, academic specializations and school activities;
 - (c) Special education records;
 - (d) Disciplinary records;
 - (e) Medical and health records;
 - (f) Attendance records and records of past schools attended;
 - (g) Personal information such as, but not limited to, a student’s name, the name of a student’s parent or other family member, student identification numbers, social security numbers, photographs, biometric record or any other type of information that aids in identification of a student.

An education record does not include any of the following:

- (a) Records of instructional, supervisory, and administrative personnel and educational personnel ancillary thereto which are in the sole possession of the maker thereof and which are not accessible or revealed to any other person except a substitute;
- (b) Records maintained by a law enforcement unit of ECRCHS that were created by that law enforcement unit for the purpose of law enforcement;
- (c) In the case of a person who is employed by ECRCHS but who is not in attendance at such agency or institution, records made and maintained in the normal course of business, relate exclusively to the individual in that individual's capacity as an employee; and are not available for use for any other purpose;
- (d) Records of a student who is 18 years of age or older, or is attending an institution of postsecondary education, that are: a) made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in a paraprofessional capacity; b) made, maintained, or used only in connection with treatment of the student; and

- c) disclosed only to individuals providing the treatment. For the purpose of this definition, “treatment” does not include remedial educational activities or activities that are part of the program of instruction at ECRCHS; or
 - (e) Records that only contain information about an individual after he or she is no longer a student at ECRCHS; or.
 - (f) Grades on peer-graded papers before they are collected and recorded by a teacher.
- 2. Personally Identifiable Information (PII): PII is information about a student that is contained in his or her education records that cannot be disclosed without compliance with the requirements of the Federal Educational Rights and Privacy Act (“FERPA”). PII includes, but is not limited to: a student’s name; the name of a student’s parent or other family member; the address of a student or student’s family; a personal identifier, such as the student’s Social Security number, student number or biometric record; other indirect identifiers, such as the student’s date of birth, place of birth, and mother’s maiden name; other information that, alone or in combinations, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or information requested by a person whom ECRCHS reasonably believes knows the identity of the student to whom the education record relates.
- 3. Directory Information: ECRCHS may disclose PII that it has designated as directory information, consistent with the terms of ECRCHS’ annual notice provided pursuant to the Family Educational Rights and Privacy Act of 2001 (20 U.S.C. § 1232g) (“FERPA”). ECRCHS has designated the following information as directory information:
 - a. Name
 - b. Address
 - c. Telephone
 - d. Date of birth
 - e. Dates of attendance
 - f. Previous school(s) attended
 - g. Grade level
 - h. Weight and height of members of athletic teams
 - i. Degrees, honors, and awards received
- 4. Parent: parent means a parent of a student and includes a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or a guardian.
- 5. Eligible Student: eligible student means a student who has reached eighteen (18) years of age.

6. **School Official:** a school official is a person employed by ECRCHS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors of ECRCHS, as well as ECRCHS's authorizing agency. A school official also may include a volunteer or an independent contractor outside of ECRCHS who performs an institutional service or function for which ECRCHS would otherwise use its own employees and who is under the direct control of ECRCHS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

7. **Legitimate Educational Interest:** a school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

II. DISCLOSURE OF DIRECTORY INFORMATION

At the beginning of each year, ECRCHS shall provide parents and eligible students with a notice containing the following information: 1) The type of PII it designates as directory information; 2) The parent's or eligible student's right to request that ECRCHS not release "directory information" without obtaining prior written consent from parent or eligible student; and 3) The period of time within which a parent or eligible student may notify ECRCHS in writing of the categories of "directory information" that it may not disclose without the parent or eligible student's prior written consent.

III. ANNUAL NOTIFICATION TO PARENTS AND ELIGIBLE STUDENTS

At the beginning of each school year, in addition to the notice required for directory information, ECRCHS shall provide parents and eligible students with a notice of their rights under the FERPA. The notice shall inform the parents and eligible students that they have the right to:

1. Inspect and review the student's education records;
2. Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights;
3. Consent to disclosures of PII contained in the student's education records, except to the extent that disclosure is permitted without prior written consent pursuant to FERPA; and
4. File with the U.S. Department of Education a complaint concerning alleged failures by ECRCHS to comply with the requirements of FERPA and its promulgated regulations.
5. Request that ECRCHS not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

The notice must also include the following:

1. The procedure for exercising the right to inspect and review educational records;
2. The procedure for requesting amendment of records;
3. A statement that ECRCHS forwards education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll;
4. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.

IV. PARENTAL AND ELIGIBLE STUDENT RIGHTS RELATING TO EDUCATION RECORDS

Parents and eligible students have the right to review the student's education records. In order to do so, parents and eligible students shall submit a request to review education records in writing to the Executive Director. Within five (5) business days, ECRCHS shall comply with the request.

1. **Copies of Education Records**
ECRCHS will provide copies of requested documents within five (5) business days of a written request for copies. ECRCHS may charge reasonable fees for copies it provides to parents or eligible students. The charge will not include a fee to search for or to retrieve the education records.
2. **Request for Amendment to Education Records**
Following the inspection and review of a student's education record, a parent or eligible student may file a written request with the Executive Director to correct or remove any information in the student's education record that is any of the following:
 - (a) Inaccurate;
 - (b) An unsubstantiated personal conclusion or inference;
 - (c) A conclusion or inference outside of the observer's area of competence;
 - (d) Not based on the personal observation of a named person with the time and place of the observation noted;
 - (e) Misleading; or
 - (f) In violation of the privacy rights of the student.

ECRCHS will respond within thirty (30) days of the receipt of the request to amend. ECRCHS' response will be in writing and if the request for amendment is denied, ECRCHS will set forth the reason for the denial and inform the parent or eligible student of his or her right to a hearing challenging the content of the education record. If the Executive Director sustains any or all of the allegations, he or she must order the correction or the removal and destruction of the information. The Executive Director or Executive Director's designee must then inform the parent or eligible student of the

amendment in writing. However, the Executive Director shall not order a pupil's grade to be changed, unless the teacher who determined the grade is, to the extent practicable, given an opportunity to state orally, in writing, or both, the reasons for which the grade was given and is, to the extent practicable, included in all discussions relating to the changing of the grade.

3. Hearing to Challenge Education Record

If ECRCHS denies a parent or eligible student's request to amend an education record, the parent or eligible student may request in writing that he/she be given the opportunity for a hearing to challenge the content of the student's education records on the grounds that the information contained in the education records is inaccurate, misleading or in violation of the privacy rights of the student.

The Executive Director or the Board Chair may convene a hearing panel to assist in making determinations regarding educational record challenges provided that the parent has given written consent to release information from the pupil's records to the members of the panel convened. The hearing panel shall consist of the following persons:

- (a) The Principal/Executive Director of a public school other than the public school at which the record is on file;
- (b) A certificated employee; and
- (c) A parent appointed by the Principal/Executive Director or by the Board of Directors, depending upon who convenes the panel.

The hearing to challenge the education record shall be held within thirty (30) days of the date of the request for a hearing, notice of the date, time and place of the hearing will be sent by ECRCHS to the parent or eligible student no later than twenty (20) days before the hearing.

The hearing will be conducted by the Executive Director or his/her designee, who shall not be required to use formal rules of evidence or procedure. The parent or eligible student will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible student may also, at his/her own expense, be assisted or represented by one or more individuals of his/her choice, including an attorney. The decision of the Executive Director or his/her designee will be based solely on the evidence presented at the hearing and is final. Within thirty (30) days after the conclusion of the hearing, ECRCHS' decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, ECRCHS decides that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the student, it will amend the record accordingly and inform the parent or eligible student of the amendment in writing. If, as a result of the hearing, ECRCHS decides that the information in the education record is not inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he/she disagrees with the decision of ECRCHS, or both. If ECRCHS places a statement by the parent or eligible student in the education records of a student, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

V. DISCLOSURE OF EDUCATION RECORDS AND DIRECTORY INFORMATION

ECRCHS must have a signed and dated written consent from the parent or eligible student before releasing any non-directory information from a student's education record except as provided below. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent or eligible student may request a copy of the disclosed records. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent.

ECRCHS will only disclose PII on the condition that the receiving party not disclose the information to any party without the prior written consent of the parent or eligible student and that the receiving party use the information for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below. ECRCHS must maintain the appropriate records related to these disclosure exceptions, as described below. Except for disclosures pursuant to a judicial order or lawfully issued subpoena, or directory information or to parents or eligible students, ECRCHS will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior written consent of the parent or eligible student and that the receiving party use it for the purpose for which the disclosure was made.

ECRCHS will disclose education records, without prior written consent of the parent or eligible student, to the following parties:

1. School employees who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. ECRCHS will make a reasonable attempt to notify the parent or eligible student of the request for records at his/her last known address, unless the

- disclosure is initiated by the parent or eligible student. Additionally, ECRCHS will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing pursuant to Section (IV)(3) above;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
 4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
 5. Organizations conducting certain studies for ECRCHS in accordance with 20 U.S.C. § 1232g(b)(1)(F);
 6. Accrediting organizations in order to carry out their accrediting functions;
 7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
 8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
 9. Persons who need to know in cases of health and safety emergencies;
 10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
 11. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include final results of the disciplinary proceedings conducted by ECRCHS with respect to that alleged crime or offense. ECRCHS may disclose the final results of the disciplinary proceeding, regardless of whether ECRCHS concluded a violation was committed.

VI. RECORD KEEPING REQUIREMENTS

ECRCHS will maintain a record of each request for access to and each disclosure of PII from the education records of each student for as long as the records are maintained. For each request, the record must include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

For disclosures of PII to institutions that make disclosures of the information on behalf of ECRCHS in accordance with 34 C.F.R. 99.33(b), the record must include the names of the additional parties to which the receiving party may disclose the information on behalf of ECRCHS and the legitimate interests that each of the additional parties has in requesting or obtaining the information.

These record keeping requirements do not apply to requests from or disclosure to parents and eligible students, ECRCHS officials with a legitimate purpose of inspecting the records, a party with written consent from the parent or eligible student, a party

seeking directory information, or a party seeking or receiving the records as directed by a court order or subpoena.

The records relating to disclosures of PII may be inspected by parents and eligible students, ECRCHS officials (or their assistants) responsible for the custody of the records, and parties authorized by regulations for the purpose of auditing the recordkeeping procedures of ECRCHS.

Student cumulative records may not be removed from the premises of ECRCHS, unless the individual removing the record has a legitimate educational interest, and is authorized by the Executive Director, or by a majority of a quorum of the Board of Directors at a duly agendized meeting. Employees who remove student cumulative records or other student records from ECRCHS premises without a legitimate educational interest and authorization may be subject to discipline. Employees are permitted to take student work-product, or other appropriate student records, off premises without authorization for legitimate academic purposes (e.g. grading work-product, assigning credit, reviewing materials for classroom discussion, etc.)

VII. COMPLAINTS

Parents and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by ECRCHS to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Lost or Damaged Textbook Policy

LOST OR DAMAGED TEXTBOOK POLICY

When property of El Camino Real Charter High School (“ECRCHS”) is lent to students, the school expects that it will be returned in a timely manner, with no more than usual wear and tear. If the property has been willfully cut, defaced or otherwise damaged, or if the student fails or refuses to return it at the request of a school employee, ECRCHS policy states that the student must pay for the lost or damaged materials. ECRCHS shall afford the student his or her due process rights, and ECRCHS has the right to withhold the student’s grades, diploma, and/or transcripts until full restitution has been made. California law provides that the parent/guardian of a minor shall be liable for all damages caused by the minor’s conduct (Education Code Section 48904).

If the parent/guardian is unable to pay for the damages or return the property, ECRCHS may, at its discretion, provide a program of voluntary work for the student. When the work is completed or the fine is paid, the student’s grades, transcripts, and/or diploma shall be released.

Refunds may be issued for cases in which lost or misplaced textbooks are found, if the textbook is returned in usable condition *and* provided it is still currently in use. Textbooks that have been paid for in full by a student becomes the property of the student and shall not be part of the school’s inventory.

If charges for a damaged textbook exceeds 50% of the cost of the book, the book is to be considered destroyed and the full price of the textbook will be assessed.

Removal of the ECRCHS barcode labels is **PROHIBITED**. The barcoding system provides a direct link from textbook to student; as such, a student cannot return a textbook that has been issued to another student, and no refund or credit shall be provided except to the student to whom the textbook was issued.

Immigration and Citizenship Status Policy

IMMIGRATION AND CITIZENSHIP STATUS POLICY

Policies for Collecting and Retaining Student Information

The Executive Director of El Camino Real Alliance dba El Camino Real Charter High School (“ECRCHS” or the “School”) shall maintain in writing ECRCHS’S policies and procedures for gathering and handling sensitive student information, and appropriate personnel shall receive training regarding those policies and procedures. If the School possesses information that could indicate immigration status, citizenship status, or national origin information, the School shall not use the acquired information to discriminate against any students or families or bar children from enrolling in or attending school.

If parents or guardians choose not to provide information that could indicate their or their children’s immigration status, citizenship status, or national origin information, ECRCHS shall not use such actions as a basis to discriminate against any students or families or bar children from enrolling or attending school.

ECRCHS shall not allow school resources or data to be used to create a registry based on race, gender, sexual orientation, religion, ethnicity, or national origin.

Policies for Inquiries Regarding Immigration Status, Citizenship Status, and National Origin Information

ECRCHS personnel shall not inquire specifically about a student’s citizenship or immigration status or the citizenship or immigration status of a student’s parents or guardians; nor shall personnel seek or require, to the exclusion of other permissible documentation or information, documentation or information that may indicate a student’s immigration status, such as a green card, voter registration, a passport, or citizenship papers.

Where any law contemplates submission of national origin related information to satisfy the requirements of a special program, School personnel shall solicit that documentation or information separately from the school enrollment process.

Where permitted by law, the Executive Director of ECRCHS shall enumerate alternative means to establish residency, age, or other eligibility criteria for enrollment or programs, and those alternative means shall include among them documentation or information that are available to persons regardless of immigration status, citizenship status, or national origin, and that do not reveal information related to citizenship or immigration status.

Where residency, age, and other eligibility criteria for purposes of enrollment or any program may be established by alternative documents or information permitted by law or this policy, the School’s procedures and forms shall describe to the applicant, and

accommodate, all alternatives specified in law and all alternatives authorized under this policy.

Policies for Inquiries About Social Security Numbers or Cards

ECRCHS shall not solicit or collect entire Social Security numbers or cards. ECRCHS shall solicit and collect the last four digits of an adult household member's Social Security number only if required to establish eligibility for federal benefit programs.

When collecting the last four digits of an adult household member's Social Security number to establish eligibility for a federal benefit program, ECRCHS shall explain the limited purpose for which this information is collected, and clarify that a failure to provide this information will not bar the student from enrolling in or attending the school.

ECRCHS shall treat all students equitably in the receipt of all school services, including, but, not limited to, the gathering of student and family information for the free and reduced lunch program, transportation and educational instruction.

Policies and Procedures Regarding Information Sharing

ECRCHS shall avoid the disclosure of information that might indicate a student's or family's citizenship or immigration status if the disclosure is not authorized by Family Educational Rights and Privacy Act (FERPA).

ECRCHS personnel shall take the following action steps upon receiving an information request related to a student's or family's immigration or citizenship status:

- Notify a designated School official about the information request.
- Provide students and families with appropriate notice and a description of the immigration officer's request.
- Document any verbal or written request for information by immigration authorities.
- Unless prohibited, provide students and parents/guardians with any documents issued by the immigration-enforcement officer.

Except for investigations of child abuse, child neglect, or child dependency, or when the subpoena served on the local educational agency prohibits disclosure, ECRCHS shall provide parental or guardian notification of any court orders, warrants, or subpoenas before responding to such requests.

ECRCHS shall require written parental or guardian consent for release of student information, unless the information is relevant for a legitimate educational interest or includes directory information only. Neither exception permits disclosing information to immigration authorities for immigration-enforcement purposes; no student information shall be disclosed to immigration authorities for immigration enforcement purposes without a court order or judicial subpoena.

ECRCHS’s request for written or parental or guardian consent for release of student information must include the following information: (1) the signature and date of the parent, guardian, or eligible student providing consent; (2) a description of the records to be disclosed; (3) the reason for release of information; (4) the parties or class of parties receiving the information; and (5) if requested by the parents, guardians or eligible student, a copy of the records to be released. ECRCHS shall permanently keep the consent notice with the record file. The parent, guardian, or eligible student is not required to sign the consent form. If the parent, guardian or eligible student refuses to provide written consent for the release of student information that this not otherwise subject to release, ECRCHS shall not release the information.

Policies for Annual Information Notice to Parents

Guardians General Information Policy

ECRCHS must provide an annual notice to parents and guardians of the School’s general information policies that includes:

- Assurances that ECRCHS will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.
- A description of the types of student records maintained by the School.
- A list of the circumstances or conditions under which the School might release student information to outside people or entities.
- A statement that, unless the School is providing information for a legitimate educational purpose under FERPA and the California Education Code or directory information, the School shall notify parents or guardians and eligible students—and receive their written consent—before it releases a student’s personally identifiable information.

Directory Information Policy

If ECRCHS decides to release directory information, ECRCHS shall provide an annual notice to parents and guardians, and “eligible students” in attendance, of the School directory information policy that includes:

- The categories of information that ECRCHS has classified as public directory information that may be disclosed without parental consent and which should only include the information specifically identified in Education Code section 49061, subdivision (c).
- A statement that directory information does not include citizenship status, immigration status, place of birth, or any other information indicating national origin (except where ECRCHS receives consent as required under state law).
- The recipients of the directory information.
- A description of the parent’s or guardian’s abilities to refuse release of the student’s directory information, and how to refuse release.

- The deadline in which the parent, guardian or student must notify the school in writing that he or she does not want the information designated as directory information.

Policies for Monitoring and Receiving Visitors onto Campus

No outsider - which would include immigration-enforcement officers - shall enter or remain on school grounds of ECRCHS during school hours without having registered with the Executive Director or designee. If there are no exigent circumstances necessitating immediate action, and if the immigration officer does not possess a judicial warrant or court order that provides a basis for the visit, the officer must provide the following information to the Executive Director or designee:

- Name, address, occupation;
- Age, if less than 21;
- Purpose in entering school grounds;
- Proof of identity; and
- Any other information as required by law.

ECRCHS has adopted measures for responding to outsiders that avoids classroom interruptions, and preserves the peaceful conduct of the School's activities, consistent with local circumstances and practices.

ECRCHS has posted signs at the entrance of its school grounds to notify outsiders of the hours and requirements for registration.

ECRCHS personnel shall report entry by immigration-enforcement officers to any on-site school police or other appropriate administrator as would be required for any unexpected or unscheduled outside visitor coming on campus.

Policies for Responding to On-Campus Immigration Enforcement

ECRCHS personnel shall notify the Executive Director or designee of any request by an immigration-enforcement officer for school or student access, or any requests for review of school documents (including for the services of lawful subpoenas, petitions, complaints, warrants, etc.).

In addition to notifying the Executive Director or designee, ECRCHS personnel shall take the following action steps in response to an officer present on the school campus specifically for immigration-enforcement purposes:

1. Advise the officer that before proceeding with his or her request, and absent exigent circumstances, school personnel must first receive notification and direction from the Executive Director or designee.
2. Ask to see, and make a copy of or note, the officer's credentials (name and badge number). Also ask for and copy or note the phone number of the officer's supervisor.

3. Ask the officer for his/her reason for being on school grounds and document it.
4. Ask the officer to produce any documentation that authorizes school access.
5. Make a copy of all documents provided by the officer. Retain one copy of the documents for school records.
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, School personnel should comply with the officer's orders and immediately contact the Executive Director or designee.
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation. If the immigration-enforcement officer has:
 - ***an ICE (Immigrations and Customs Enforcement) administrative warrant (see Appendix B)***, School personnel shall inform the agent that he or she cannot consent to any request without first consulting with the School's counsel.
 - ***a federal judicial warrant (search-and-seizure warrant or arrest warrant, see Appendix C & D)***, prompt compliance with such a warrant is usually legally required. If feasible, consult with the School's legal counsel before providing the agent access to the person or materials specified in the warrant.
 - ***a subpoena for production of documents or other evidence (see Appendix E & F)***, immediate compliance is not required. Therefore, School personnel shall inform the School's legal counsel of the subpoena, and await further instructions on how to proceed.
8. While School personnel should not consent to access by an immigration-enforcement officer, except as described above, he/she should not attempt to physically impede the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters the premises without consent, School personnel shall document his or her actions while on campus.
9. After the encounter with the officer, School personnel shall promptly take written notes of all interactions with the officer. The notes shall include the following items:
 - List or copy of the officer's credentials and contact information;
 - Identity of all school personnel who communicated with the officer;
 - Details of the officer's request;
 - Whether the officer presented a warrant or subpoena to accompany his/her request, what was requested in the warrant/subpoena, and whether the warrant/subpoena was signed by a judge;
 - School personnel's response to the officer's request;
 - Any further action taken by the agent; and
 - Photo or copy of any documents presented by the agent.
10. ECRCHS personnel shall provide a copy of those notes, and associated documents collected from the officer, to the School's legal counsel or other designated agency official.

11. In turn, ECRCHS's legal counsel or other designated official shall submit a timely report to the School's governing Board regarding the officer's requests and actions and the School's response(s).
12. E-mail the **Bureau of Children's Justice** in the **California Department of Justice**, at **BCJ@doj.ca.gov**, regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes.

Policies for Parental Notification of Immigration-Enforcement Actions

ECRCHS personnel must receive consent from the student's parent or guardian before a student can be interviewed or searched by any officer seeking to enforce the civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge, or presents a valid, effective court order.

ECRCHS personnel shall immediately notify the student's parents or guardians if a law-enforcement officer requests or gains access to a student for immigration-enforcement purposes, unless such access was in compliance with a judicial warrant or subpoena that restricts the disclosure of the information to the parent or guardian.

Policies for Responding to the Detention or Deportation of a Student's Family Member

ECRCHS shall encourage that families and students have and know their emergency phone numbers and know where to find important documentation, including birth certificates, passports, Social Security cards, doctors' contact information, medication lists, lists of allergies, etc., which will allow them to be prepared in the event that a family member is detained or deported.

ECRCHS shall permit students and families to update students' emergency contact information as needed throughout the school year, and provide alternative contacts if no parent or guardian is available.

- ECRCHS shall ensure that families may include the information of an identified trusted adult guardian as a secondary emergency contact in case a student's parent or guardian is detained.
- ECRCHS shall communicate to families that information provided within the emergency cards will only be used in response to specified emergency situations, and not for any other purpose.

In the event a student's parent/guardian has been detained or deported by federal immigration authorities, ECRCHS shall use the student's emergency card contact information and release the student to the person(s) designated as emergency contacts. Alternatively, ECRCHS shall release the student into the custody of any individual who presents a Caregiver's Authorization Affidavit on behalf of the student. ECRCHS shall only contact Child Protective Services if School personnel are unsuccessful in arranging for the timely care of the child through the emergency contact information that the

school has, a Caregiver’s Authorization Affidavit, or other information or instructions conveyed by the parent or guardian.

Policies for Responding to Hate Crimes and Bullying

Adopting and Publicizing Anti-Bullying and Anti-Harassment Policy

ECRCHS has adopted and publicized policies that prohibit discrimination, harassment, intimidation, and bullying on the basis of a student’s actual or perceived nationality, ethnicity, or immigration status. These policies must be translated in the student’s primary language if at least 15 percent of the students enrolled in the school speak a single primary language other than English.

ECRCHS shall notify parents and guardians of their children’s right to a free public education, regardless of immigration status or religious beliefs.

- This information shall include information related to the “Know Your Rights” immigration enforcement established by the Attorney General (see Appendix G).
- ECRCHS shall inform students who are victims of hate crimes of their right to report such crimes.

Processing Complaints of Harassment and Bullying

ECRCHS has adopted a process for receiving complaints of and investigating complaints of discrimination, harassment, intimidation, and bullying based on any of the following actual or perceived characteristics:

- | | | |
|---------------------|----------------------|---|
| • disability | • nationality | • association with a person or group with one or more of the aforementioned characteristics |
| • gender | • race or ethnicity | |
| • gender identity | • religion | • immigration status |
| • gender expression | • sexual orientation | |

The complaint process must include, but is not limited to, the following steps:

- A requirement that, if school personnel witness an act of discrimination, harassment, intimidation, or bullying, they shall take immediate steps to intervene when safe to do so;
- A timeline to investigate and resolve complaints of discrimination, harassment, intimidation, or bullying that shall be followed by all schools under the jurisdiction of the local educational agency; and
- An appeal process afforded to the complainant should he or she disagree with the resolution of a complaint.
- ECRCHS shall ensure that complaint procedures contain confidentiality safeguards for immigration status information.
- ECRCHS shall prohibit retaliation against a person who submits a complaint of discrimination, harassment, intimidation, or bullying.

Training Students, Teachers, and Staff on Anti-Bullying and Anti-Harassment Policy

ECRCHS shall educate students about the negative impact of bullying other students based on their actual or perceived immigration status or their religious beliefs or customs. ECRCHS shall also train teachers, staff, and personnel to ensure that they are aware of their legal duty to take reasonable steps to eliminate a hostile environment and respond to any incidents of harassment based on the actual or perceived characteristics noted above. Such training should, at minimum, provide agency personnel with the skills to do the following:

- Discuss the varying immigration experiences among members of the student body and school community;
- Discuss bullying-prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims;
- Identify the signs of bullying or harassing behavior;
- Take immediate corrective action when bullying is observed; and
- Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior.

RE: COMMITMENT TO ALL ENROLLED STUDENTS

The Board of Directors (the “Board”) of El Camino Real Alliance (“ECRA”), a nonprofit public benefit corporation, does hereby adopt the following resolution.

WHEREAS, ECRA, under the name El Camino Real Charter High School, operates as a public school of the Los Angeles Unified School District (“District”) for purposes of special education pursuant to Education Code Section 47641(b); and

WHEREAS, ECRA’s high school program, Grades 9-12, converted from a traditional public school to become a charter school in 2011 pursuant to Education Code Section 47605(a)(2);

WHEREAS, as a charter school, ECRA must accept all students who wish to attend its school, subject only to capacity pursuant to Education Code Section 47605(d)(2); and

WHEREAS, as a charter school, enrollment must not be determined upon the place of residency of the student of his or her parent or parents pursuant to Education Code Section 47605(d)(1) and as such ECRA is not the school of residence for any student; and

WHEREAS, as a charter school, if there are more students who wish to attend than capacity, admission is determined by a public random drawing pursuant to Education Code Section 47605(d)(2)(B); and

WHEREAS, students who reside in the pre-charter, *former attendance area* of the traditional public school converted to ECRA’s charter school are given a preference in any public random drawing pursuant to Education Code Section 47605(d)(1); and

WHEREAS, as a charter school, no student may be required to attend ECRA pursuant to Education Code Section 47605(d) and (f); and

WHEREAS, ECRA currently enrolls students who do not reside in its former attendance area, along with students who do reside in its former attendance area; and

WHEREAS, the District has historically required ECRA, on behalf of the District, to provide special education assessments and/or to conduct Individualized Education Program (“IEP”) meetings for students who attend private schools who reside in the pre-charter, former attendance area of ECRA; and

WHEREAS, ECRA and other conversion charter schools authorized by the District have incurred significant legal fees and faced liability exposure as a result of being named as respondents in due process complaints as a result of the role that they have played on behalf of the District in the assessments and IEP meetings for students of the District residing in ECRA’s former attendance area but attending private schools; and

WHEREAS, ECRA is not compensated or reimbursed by the District, in part or in whole, for assessing and holding IEPs on behalf of the District for students attending private schools who reside in ECRA's pre-charter, former attendance area; and

WHEREAS, ECRA is not reimbursed for the legal fees incurred when named as Respondents in due process complaints as a result of the role that they have played on behalf of the District conducting assessments and IEP meetings for students attending private schools who reside in ECRA's former attendance area; and

WHEREAS, ECRA continues to be required to assess, hold IEPs, and serve all students who are enrolled in ECRA regardless of residency; and

WHEREAS, ECRA does not have the staffing required to assess and hold legally compliant IEPs for its own enrolled students and the students attending private schools on behalf of the District;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

ECRA shall no longer assess or hold IEPs on behalf of the District for students who reside in ECRA's pre-charter, former attendance area who are attending private schools, effective as of the date of the adoption of this Resolution.; and
