B. Possible Board Approval Vote on a memorandum of understanding with AFSCME for compensation to unit members for years 2024-2025, 2025-2026, and 2026-2027.

With the approval, salary increases or new rates for employees, will be processed in December. The regular payroll will be run on December 13th, followed by a special payroll before Christmas. Retroactive pay for the period from July through November will also be processed, ensuring that employees receive these funds before Christmas.

Brad Wright made a motion to approve the memorandum of understanding with AFSCME for compensation to unit members for years 2024-2025, 2025-2026, and 2026-2027.

Alexandra Ramirez seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Possible Board Approval Vote on compensation increases for Unrepresented Employees' for 2024-2025

Mr. Solkovits expressed concerns regarding the structural issue of equal percentage pay raises across all employee levels. While acknowledging the hard work of employees and their deserving of raises, he argued that applying the same percentage increase to both

the highest-paid and lowest-paid employees leads to widening disparities, a principle he finds flawed. As a result, he stated he would **vote NO** on the matter.

Mr. Wright responded, clarifying that the approach Mr. Solkovits disagrees with is consistent with practices established by other unions, such as UTLA, which have been in place for years. He emphasized that this system has been agreed upon by the unions, and they have had the opportunity to challenge it without doing so. Mr. Wright suggested that while individual Boards could apply changes, it was important to move forward with approving the raises at this time to ensure fair compensation for employees. As such, he stated he would **vote YES**.

Brad Wright made a motion to approve compensation increases for Unrepresented Employees' for 2024-2025.

Steven Kofahl seconded the motion.

The board **VOTED** to approve the motion.

G. Possible Board Approval Vote on Compensation Increase for Executive Director for 2024-2025

Mr. Solkovits reiterated his decision to vote NO, citing concerns about growing disparities in compensation between classroom teachers and out-of-classroom individuals. While acknowledging Mr. Hussey’s hard work, he argued that each time equal percentage raises are applied across the board, the gap widens, reflecting a systemic issue in education. He urged the board to consider breaking from this standard practice to address the disparity, stating, “This board could do something unusual in the world of education.”

Mr. Kofahl offered a contrasting perspective, emphasizing the role of supply and demand in determining compensation. He noted that to attract and retain high-performing individuals, whether teachers or executive directors, the institution must offer competitive pay, benefits, and work environments. He stated that rewarding valuable employees is needed for retaining top talent, suggesting that compensation reflects the realities of the job market.

III. School Business

A. RFP Bid Award: Campus Security Services

Prior to the vote, Jason Camp, Administrative Director, presented the RFP Bid award for the Campus Security Services.

After the unexpected departure of the previous security provider, who exited the school security sector on October 20th, a rapid response was necessary. In collaboration with Mr. Hussey and Mr. Guinto, a Request for Proposals (RFP) was prepared, resulting in bids from 6-7 companies. After thorough vetting and review by the finance and investment committee, **ALLIED Security Company** was selected.

ALLIED stood out not only for their competitive pricing but also because they were the only bidder offering the specific services required for our campus environment. Other companies either lacked school experience or focused solely on nighttime security for larger facilities. The contract with ALLIED includes **10 security officers and 1 manager** to oversee operations.

Concerns about campus security gaps were raised during the discussion. Mr. Wright noted issues such as students occupying security desks, running in hallways, and open gates after 4:30 p.m., highlighting the current vulnerability. The expectation is that the new security team will address these challenges and restore a secure environment.

Gregg Solkovits made a motion to approve the RFP Bid Award: Campus Security Services Brad Wright seconded the motion.

At the end of **October**, due to market fluctuations, the **OPEB account** stood at **\$31.7 million** and the **General investment account** at **\$7.8 million**. Since then, market improvements, influenced by the elections, have increased the OPEB account by **\$300,000** and the General account by **\$100,000**.

After accounting for retiree payments, overall changes remain moderate, with an approximate **3% fluctuation**.

During the last **finance committee meeting**, the investment advisor, **Beacon Pointe**, presented a **35-page report**. Bill from Beacon provided a detailed summary, confirming that **all investments comply with guidelines**.

VI. Finance

A. Financial Update October 2024

1. Greg Wood, CBO presented the Financial Update for October 2024 and answered questions.

Enrollment:As of the end of **Month 3**, enrollment stands at **2,937 students**, a decrease of **222 students** compared to the previous year.

Average Daily Attendance (ADA): ADA is currently at **93.3%**, which directly affects reimbursement levels. The budgeted ADA was **2,731**, and the actual ADA recorded is **2,745**, placing us **14 students above budget**. However, attendance traditionally trends downward as the year progresses. The State finalises attendance-based reimbursement in **Month 8**.

Cafeteria:Despite lower enrollment, cafeteria use has increased. The number of meals served is up by **3%**, with **40%** of meals falling under free or reduced categories - the highest rate recorded to date.

B. Discussion of ECRCHS' Fiscal Policies and Procedures

Greg Wood, CBO and Arleta Ilyas, Director of Accounting and Finance discussed ECRCHS' Fiscal Policies and Procedures

It is standard practice to review fiscal policies and procedures annually to ensure they are current and meet best practices. Several areas for improvement have been identified and updated accordingly.

Travel Policy (Page 17): References to specific airlines were removed to promote flexibility and cost-efficiency. Language now allows for coach class, economy, lowest airfare, or promotional discounted tickets. To avoid layovers while travelling with students, a proposed edit could specify "lowest nonstop cost" instead of just "lowest cost."

Meal Reimbursements (Page 19): Updated to align with GSA per diem rates, which vary by city. There are plans to collaborate with HR to ensure employee acknowledgment of these updated policies.

Credit Card Policy (Page 22): Outdated vendor-specific cards have been addressed and phased out.

Title Updates (Page 23): References updated to reflect the current title, "Director of Human Resources" (formerly "Director of HR and Compliance").

Annual Bid Limit (Page 29): Revised to reflect the new limit of **\$114,500**.

Mr. Wood clarified that this is an open discussion for feedback. A finalized version of the document will be presented for a December vote. No formal vote is required at this stage.

VII. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:17 PM.

Respectfully Submitted,

Ryan Guinto

Steven Kofahl made a motion to Adjourn the Meeting.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
El Camino Real Alliance
Woodland Hills, California

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of El Camino Real Alliance which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of El Camino Real Alliance as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of El Camino Real Alliance and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about El Camino Real Alliance's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of El Camino Real Alliance's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about El Camino Real Alliance's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**EL CAMINO REAL ALLIANCE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024**

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

El Camino Real Alliance (the “Charter”) was formed as a nonprofit public benefit corporation on November 2, 2010 for the purpose of operating as El Camino Real Charter High School, a California public school, located in Los Angeles County. El Camino Real Charter High School was numbered by the State Board of Education in May 2011 as California Charter No. 1314. The Charter’s mission is to prepare its diverse student body for the next phase of their educational, professional, and personal journey through a rigorous, customized academic program that inspires the development of students’ unique talents and skills, builds character, and provides opportunities for civic engagement and real-world experiences. El Camino Real Charter High School first began school operations in July 2011 and currently serves grades 9 to 12.

El Camino Real Charter High School is authorized to operate as a charter school through the Los Angeles Unified School District (“LAUSD” or the “authorizing agency”). On December 8, 2020, the Board of Directors of LAUSD approved the charter petition renewal for a five-year term beginning July 1, 2021 and expiring on June 30, 2026. As a result of SB 114, the charter petition end date is extended to June 30, 2027. Funding sources primarily consist of state apportionments, in lieu of property tax revenues, and grants and donations from the public.

B. Basis of Accounting

The Charter’s policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned rather than when cash is received and certain expenses and purchases of assets are recognized when the obligation is incurred rather than when cash is disbursed.

C. Financial Statement Presentation

The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) “Audit and Accounting Guide for Not-for-Profit Organizations” (the “Guide”). ASC 958-205 was effective July 1, 2018. Under the Guide, El Camino Real Alliance is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions – These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program-related services, raising contributions, and performing administrative functions.

Net assets with donor restrictions – These assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires (that is until the stipulated time restriction ends or the purpose of the restriction is accomplished) the net assets are restricted. When a restriction expires, restricted net assets are reclassified to net assets without donor restrictions.

As a public charter school, El Camino Real Alliance also accounts for its financial transactions in accordance with the policies and procedures of the Department of Education’s *California School Accounting Manual* presented in Procedure 810 Charter Schools. Fund accounting is not used in the Charter’s financial statement presentation.

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Comparative Totals

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Charter’s audited financial statements for the year ended June 30, 2023, from which the information was derived.

E. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures, such as depreciation expense and the net book value of capital assets. Accordingly, actual results could differ from those estimates.

F. Functional Expenses

The costs of providing services have been summarized on a functional basis in the statement of activities and detailed in the statement of functional expenses. Certain costs and expenses have been allocated between program and supporting services based on management’s estimates.

G. Contributions

Unconditional contributions are recognized when pledged and recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported on the statement of activities as “net assets released from restrictions.” Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support. Contributions restricted for the acquisition of land, buildings, and equipment are reported as net assets without restriction upon acquisition of the assets and the assets are placed in service.

Non-cash contributions of goods, materials, and facilities are recorded at fair value at the date of contribution. Contributed services are recorded at fair value at the date of contribution if they are used to create or enhance a non-financial asset or require specialized skills, are provided by someone possessing those skills, and would have to be purchased by the organization if not donated.

H. In Lieu of Property Taxes Revenue

Secured property taxes attach as an enforceable lien on property as of March 1. Taxes are payable in two installments on December 10 and April 10. Unsecured property taxes are payable in one installment on or before August 31. The County bills and collects the taxes for the authorizing agency. In lieu of distributing funds out of property tax proceeds, the authorizing agency makes monthly payments to El Camino Real Alliance. Revenues are recognized by the Charter when earned.

I. Cash and Cash Equivalents

El Camino Real Alliance considers all highly liquid deposits and investments with an original maturity of less than ninety days to be cash equivalents.

EL CAMINO REAL ALLIANCE
NOTES TO FINANCIAL STATEMENTS, continued
JUNE 30, 2024

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

J. Investments

The Charter’s method of accounting for most investments is the fair value method. Fair value is determined by published quotes when they are readily available. Gains and losses resulting from adjustments to fair values are included in the accompanying statement of activities. Investment return is presented net of any investment fees.

K. Receivables and Allowances

Accounts receivable are stated at the amount management expects to collect from outstanding balances. An allowance for doubtful accounts is established, as necessary, based on past experience and other factors which, in management’s judgment, deserve current recognition in estimating bad debts. Such factors include the relationship of the allowance for doubtful accounts to accounts receivable and current economic conditions. Based on review of these factors, the Charter establishes or adjusts the allowance for specific revenue sources as a whole. At June 30, 2024, an allowance for doubtful accounts was not considered necessary as all accounts receivable were deemed collectible.

L. Capital Assets

El Camino Real Alliance has adopted a policy to capitalize asset purchases over \$5,000. Lesser amounts are expensed. Donations of capital assets are recorded as contributions at their estimated fair value. Such donations are reported as net assets without donor restrictions. Capital assets are depreciated using the straight-line method over the estimated useful lives of the property and equipment or the related lease terms.

M. Deferred Revenue

Deferred revenue arises when potential revenue does not meet the criteria for recognition in the current period and when resources are received by the organization prior to the incurrence of expenses. In subsequent periods, when both revenue recognition criteria are met, the liability for deferred revenue is removed from the statement of financial position and revenue is recognized.

N. Fair Value Measurements

The Fair Value Measurements Topic of the FASB *Accounting Standards Codification* establishes a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

O. Income Taxes

The Charter’s management believes all of its significant tax positions would be upheld under examination; therefore, no provision for income tax has been recorded. The Charter’s information and/or tax returns are subject to examination by the regulatory authorities for up to four years from the date of filing.

**EL CAMINO REAL ALLIANCE
 NOTES TO FINANCIAL STATEMENTS, continued
 JUNE 30, 2024**

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (continued)

O. Income Taxes (continued)

El Camino Real Alliance is a 509(a)(1) publicly supported nonprofit organization that is exempt from income taxes under Section 501(a) and 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The Charter is exempt from state franchise or income tax under Section 23701(d) of the California Revenue and Taxation Code. As a school, the Charter is not required to register with the California Attorney General as a charity.

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents as of June 30, 2024, consists of the following:

Cash in county treasury	\$ 29,346,223

Cash in Banks

Custodial Credit Risk

As of June 30, 2024, \$7,180,765 of the El Camino Real Alliance’s bank balance was exposed to custodial credit risk as there were deposits over \$250,000 in accounts held at one or more banks. Custodial credit risk is the risk that in the event of a bank failure, an organization’s deposits may not be returned to it. El Camino Real Alliance does not have a policy for custodial credit risk for deposits. The FDIC insures up to \$250,000 per depositor per insured bank.

Cash in County Treasury

Policies and Practices

El Camino Real Alliance is a voluntary participant in an external investment pool. The fair value of the Charter’s investment in the pool is reported in the financial statements at amounts based upon the Charter’s pro-rata share of the fair value provided by the County Treasurer for the entire portfolio in relation to the amortized cost of that portfolio. The balance available for withdrawal is recorded on the amortized cost basis and is based on the accounting records maintained by the County Treasurer.

General Authorizations

Except for investments by trustees of debt proceeds, the authority to invest Charter funds deposited with the county treasury is delegated to the County Treasurer and Tax Collector. Additional information about the investment policy of the County Treasurer and Tax Collector may be obtained from its website. The table on the next page identifies examples of the investment types permitted in the California Government Code.

Interest Rate Risk

Interest rate risk is the risk that changes in the market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of the investment, the greater the sensitivity of its fair value to changes in the market interest rates. The Charter has managed its exposure to interest rate risk by investing in the county treasury. The Charter’s investments in the Los Angeles County Treasury Investment Pool, which combines the Charter’s share of the portfolio, has a combined fair value of \$28,029,427 and an unadjusted amortized book value of \$29,346,223 as of June 30, 2024. The average weighted maturity for this pool is 668 days.

Fair Value Measurement

Cash in county treasury is measured at Level 1 using the fair value input levels noted in Note 1N. The Charter has classified these funds as Level 1 because the amounts invested in the county treasury pooled investment fund primarily consist of investments types having observable inputs that reflect quoted prices. The investment types include those noted under the general authorizations section. As such, the carrying value consists of the amortized book value presented as “cash in county treasury” offset by the “county treasury fair value adjustment” to arrive at the combined fair value amount noted under the interest rate risk section.

NOTE 3 – INVESTMENTS

Investments as of June 30, 2024 consist of \$7,174,261. The table on the following page provides a description and sets forth, by level within the fair value hierarchy explained in Note 1N, the Charter’s investments as of June 30, 2024.

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the State of California. In accordance with *California Education Code 47605*, charter schools have the option of participating in such plans if an election to participate is specified within the charter petition. The Charter has made such election. Certificated employees are members of the California State Teachers’ Retirement System (CalSTRS), and non-certificated employees are members of the California Public Employees’ Retirement System (CalPERS).

California State Teachers’ Retirement System (CalSTRS)

Plan Description

El Camino Real Charter High School contributes to the California State Teachers’ Retirement System (CalSTRS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalSTRS. The plan provides retirement, disability and survivor benefits to beneficiaries. CalSTRS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the CalSTRS annual financial report may be obtained from CalSTRS, 7667 Folsom Boulevard; Sacramento, California 95826.

Benefit provisions are established by state statutes, as legislatively amended, within the Public Employees’ Retirement Law. CalPERS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the CalPERS annual financial report may be obtained from the CalPERS Executive Office, 400 P Street; Sacramento, California 95814.

Funding Policy

Active plan members, who entered into the plan prior to January 1, 2013, are required to contribute 7.0% of their salary. The California Public Employees’ Pension Reform Act (PEPRA), specifies that new members entering into the plan on or after January 1, 2013, shall pay the higher of fifty percent of normal costs or 8.0% of their salary. Additionally, for new members entering the plan on or after January 1, 2013, the employer is prohibited from paying any of the employee contribution to CalPERS unless the employer payment of the member’s contribution is specified in an employment agreement or collective bargaining agreement that expires after January 1, 2013.

The actuarial methods and assumptions used for determining the rate are those adopted by the CalPERS Board of Administration. The Charter’s contributions to CalPERS for the last three fiscal years were as follows:

The total liability or obligation is offset by investments maintained by the Charter and specifically held to fund the postretirement benefit plan.

NOTE 11 – COMMITMENTS AND CONTINGENCIES

Charter School Authorization

As mentioned in Note 1A, El Camino Real Charter High School is approved to operate as a public charter school through authorization by the Los Angeles Unified School District. As such, the Charter is subject to the risk of possible non-renewal or revocation at the discretion of its authorizing agency if certain criteria for student outcomes, management, and/or fiscal solvency are not met.

On July 10, 2023, the Governor of California approved Senate Bill 114 (SB 114), which amended California Education Code (EC) 47607.4. The EC was amended to add “all charter schools whose term expires on or between January 1, 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year.” As a result, the charter petition end date is extended to June 30, 2027.

The Charter makes payments to the authorizing agency, to provide required services for special education and other purchased services in addition to fees for oversight. Fees associated with oversight consisted of 1% of revenue from local control funding formula sources. Total fees for oversight amounted to \$387,029 and total fees for special education and other services amounted to \$705,821 for the fiscal year ending June 30, 2024.

Governmental Funds

El Camino Real Alliance has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, it is believed that any required reimbursements would not be material.

Multiemployer Defined Benefit Plan Participation

Under current law on multiemployer defined benefit plans, the Charter’s voluntary withdrawal from any underfunded multiemployer defined benefit plan would require the Charter to make payments to the plan, which would approximate the Charter’s proportionate share of the multiemployer plan’s unfunded vested liabilities. CalSTRS has estimated that the Charter’s share of withdrawal liability is approximately \$20,461,767 as of June 30, 2023, the date of the most recent actuarial study. Also, as of June 30, 2023, CalPERS has estimated the Charter’s share of withdrawal liability to be \$8,165,748. The Charter does not currently intend to withdraw from CalSTRS or CalPERS. Refer to Note 9 for additional information on employee retirement plans.

Pending or Threatened Litigation

The Charter is involved in various litigation arising from the normal course of business. The Charter is currently disputing three invoices for COVID-19 testing, the total amount in dispute is \$1,271,853.

NOTE 12 – DONATED GOODS AND SERVICES

During the year, many parents, administrators and other individuals donated significant amounts of time and services to El Camino Real Alliance in an effort to advance the Charter's programs and objectives. These services have not been recorded in the Charter's financial statements because they do not meet the criteria required by generally accepted accounting principles. The Charter did not receive any donated items during the fiscal year ended June 30, 2024.

NOTE 13 – SUBSEQUENT EVENTS

El Camino Real Alliance has evaluated subsequent events for the period from June 30, 2024 through December 5, 2024, the date the financial statements were available to be issued. Management did not identify any transactions or events that require disclosure or that would have an impact on the financial statements.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Independent Auditors' Report

To the Board of Directors of
El Camino Real Alliance
Woodland Hills, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of El Camino Real Alliance (the "Charter") as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Charter's financial statements and have issued our report thereon dated December 5, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Charter's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Charter's internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Charter's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Charter's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Charter's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Independent Auditors' Report

To the Board of Directors of
El Camino Real Alliance
Woodland Hills, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited El Camino Real Alliance's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of El Camino Real Alliance's major federal programs for the year ended June 30, 2024. El Camino Real Alliance's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, El Camino Real Alliance complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of El Camino Real Alliance and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on compliance for each major federal program. Our audit does not provide a legal determination of El Camino Real Alliance's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to El Camino Real Alliance's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on El Camino Real Alliance's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect a material noncompliance when it exists.

Auditor's Responsibilities for the Audit of Compliance (continued)

Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user of the report on compliance about El Camino Real Alliance's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding El Camino Real Alliance's compliance with the compliance requirements referred to above and performing such procedures as we consider necessary in the circumstances.
- Obtain an understanding of El Camino Real Alliance's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances, and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of El Camino Real Alliance's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

REPORT ON STATE COMPLIANCE AND ON INTERNAL CONTROL OVER COMPLIANCE FOR STATE PROGRAMS

Independent Auditors' Report

To the Board of Directors of
El Camino Real Alliance
Woodland Hills, California

Report on State Compliance

Opinion on State Compliance

We have audited El Camino Real Alliance's compliance with the requirements specified in the *2023-24 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, applicable to El Camino Real Alliance's state program requirements for the fiscal year ended June 30, 2024. Reference to El Camino Real Alliance within this letter is inclusive of El Camino Real Charter High School (Charter No. 1314).

In our opinion, El Camino Real Alliance complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on the applicable state programs for the year ended June 30, 2024.

Basis for Opinion on State Compliance

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *2023-24 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed by Title 5, *California Code of Regulations*, section 19810 as regulations (the K-12 Audit Guide). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of State Compliance section of our report.

We are required to be independent of El Camino Real Alliance and to meet certain ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on state compliance. Our audit does not provide a legal determination of El Camino Real Alliance's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of internal control over compliance with the requirements of the laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to El Camino Real Alliance's state programs.

Auditor’s Responsibilities for the Audit for State Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the state compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on El Camino Real Alliance's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the K-12 Audit Guide will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user of the report on compliance about El Camino Real Alliance's compliance with the requirements of the applicable state programs as a whole.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, and the K-12 Audit Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding El Camino Real Alliance's compliance with compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of El Camino Real Alliance's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the K-12 Audit Guide, but not for the purpose of expressing an opinion on the effectiveness of El Camino Real Alliance's internal control over compliance. Accordingly, no such opinion is expressed; and
- Select and test transactions and records to determine El Camino Real Alliance's compliance with the state laws and regulations to the following items:

Description	Procedures Performed
School Districts, County Offices of Education and Charter Schools	
Proposition 28 Arts and Music in Schools	Yes
After/Before School Education and Safety Program	Not applicable

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies or material weaknesses in internal control over compliance that we identified during the audit.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

OVERVIEW

The Governing Board (“Board”) of El Camino Real Alliance (“ECRA”), a California nonprofit public benefit corporation, has reviewed and adopted the following Fiscal Policies and Procedures (“FPP”) to ensure the funds of ECRA are appropriately budgeted, accounted for, expended, and maintained.

1. The Board holds ultimate authority over all fiscal matters. The Executive Director and/or Chief Business Officer (“CBO”) of El Camino Real Charter High School (“ECRCHS” or the “Charter School”) shall report to the Board and, in particular, the Board Chair regarding all fiscal matters.
2. The Board oversees the administration of the fiscal policies and procedures and delegates administration of the policies and procedures to the CBO.
3. ECRA may commission a Back-office Services Provider (e.g., ICON School Management). If ECRA does so elect to utilize a Back-office Services Provider, the Back-office Services provider will report to both the administration and the Board. The financial compilations presented to the Board may be compiled by the Back-office Services Provider, and may also include input from ECRA staff.
4. The CBO has responsibility for all business operations.
5. The Director-Human Resources (“DHR”) will work with the Executive Director and the CBO and Business Office staff to enforce the FPP.
6. Financial duties and responsibilities must be separated so that no one employee has sole control over cash receipts, disbursements, payrolls, and reconciliation of bank accounts.
7. All documentation related to financial matters must be completed by computer, word processor, typewriter, or ink.
8. The Board will commission an annual financial audit by an independent third-party auditor who will report directly to the Board. The Board will approve the final audit report, and a copy will be provided to the charter-authorizing entity. Any audit exceptions and/or deficiencies will be resolved to the satisfaction of the Board and be in compliance with GAAP and/or related laws and regulations.
9. The Board may appoint someone else to perform the CBO's responsibilities in the case of absence.

As used in the FPP, the term “Authorizing Personnel” includes: Executive Director, CBO, Assistant Principals, and Board Chair or Vice Chair.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Safeguarding of Financial Assets

ECRA is committed to safeguarding public funds. ECRA's financials are overseen by the following entities:

1. Charter School Authorizer (i.e. LAUSD's Charter Schools Division) reviews financials annually;
2. Independent Certified Public Accountant conducts annual financial audit;
3. Back-office Services Provider (e.g., ICON School Management), as applicable, ensures segregation of duties and fiscal compliance; and
4. Board of Directors.

In addition, ECRA/ECRCHS does the following:

1. Presents monthly financial updates at regular Board meetings;
2. Seeks Board approval of check registers and all major financial documents (e.g. interim financials, budget, Local Control and Accountability Plan ("LCAP"), etc.);
3. Provides financial information to the staff through presentations;
4. Posts major Board approved financial documents on ECRA's website, including Approved Budget, Interim Reports, **Tax Returns** and Annual Audit; and
5. Has written policies identifying its investment policies and strategies. The written policies, titled Investment Policy Statement ("IPS"), applies to both the retirement healthcare benefits trust and the general account, and are reviewed and adopted by the Board (including any revisions or amendments thereto). The IPS identifies that all investments with ECRA assets should be reasonably and prudently invested, and also notes the scope and types of permitted investments in which the School may engage as well as guidelines for the composition of the investment portfolio. The IPS for both the lifetime healthcare benefits trust and the School's general account shall be posted on the School's website.

Annual Financial Audit

1. ECRA will select an independent auditor to conduct an independent audit of ECRA's finances. The independent auditor will be selected by the Board **on** or before the March Board meeting in those years when a new auditor is to be selected. The Board will appoint an Audit Committee no later than the January board meeting for those years when an auditor is to be selected.
2. Audit Committee members, like all ECRA Directors, must be fiscally independent from ECRA.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

3. The CBO and other necessary staff will assist Audit Committee members.
4. ECRA will select a new auditor at least every three (3) years; however, the same auditing firm may be retained as long as a different audit partner within that firm is retained every 5 years.
5. The audit shall include, but will not be limited to:
 - a. An audit of the accuracy of the financial statements;
 - b. An audit of the attendance accounting and revenue accuracy practices; and
 - c. An audit of the internal control practices.

Prohibition on Purchase of Alcohol and Marijuana

- Use of Charter School, state, and federal funds for the purchase of alcohol, or any items related to the consumption of alcohol or purchase of marijuana, or marijuana-related products or paraphernalia is prohibited.
- .

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

PAYMENT / REIMBURSEMENT POLICIES

ECRA employees must receive pre-approval for all purchases for goods and/or services. Pre-approvals can be received through the Charter School's Approved Financial Accounting System (e.g.) to which employees have access.

Any items purchased without pre-approval should be kept in new condition so that item(s) can be returned to the vendor in the event the approving administrator denies the purchase.

All staff members making financial choices on behalf of ECRA must factor in time and quantitative/qualitative factors before each purchase. Below are a few examples:

- Staff members should not spend significant time to save the Charter School a de minimis amount. For example, s/he should not incur reimbursable mileage expenses from driving around to different stores to save the Charter School a few dollars on school supplies.
- Staff should look beyond quantitative factors, such as cost, and evaluate the qualitative factors such as reliability, warranty, reputation, durability, environmental impact, maintenance costs, etc. For example, LED products may be more expensive initially, but they require less maintenance, use less energy and have a lower environmental impact. Also, technology equipment being considered for purchase should be vetted by the IT Department. Some devices or equipment considered may not fit the existing Charter School's platform of Technology.
- Staff should look at total services provided, not just the product price. For example, some vendors will also assist with design and planning. This can save the Charter School additional time and money spent doing such work itself, or from making costly mistakes.
- All purchases must have a legitimate business purpose and must be for the benefit of and use by the Charter School. Purchases for personal use are strictly prohibited.
- Staff must always avoid conflicts of interests. A conflict of interest arises when an employee, officer, agent, or any member of their immediate family, a partner, or an organization that employs or is about to employ any immediate family member, has a financial or other interest in, or would gain a tangible personal benefit from, a firm considered for a contract. Should a potential conflict of interest arise or exist, staff must disclose the conflict, in writing, to the Executive Director and the CBO.

Failure to comply with the policies and procedures as described herein, may result in a delay in reimbursement being paid to the employee or, in some instances, a denial of a reimbursement request in whole or in part.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Purchasing Flow Charts

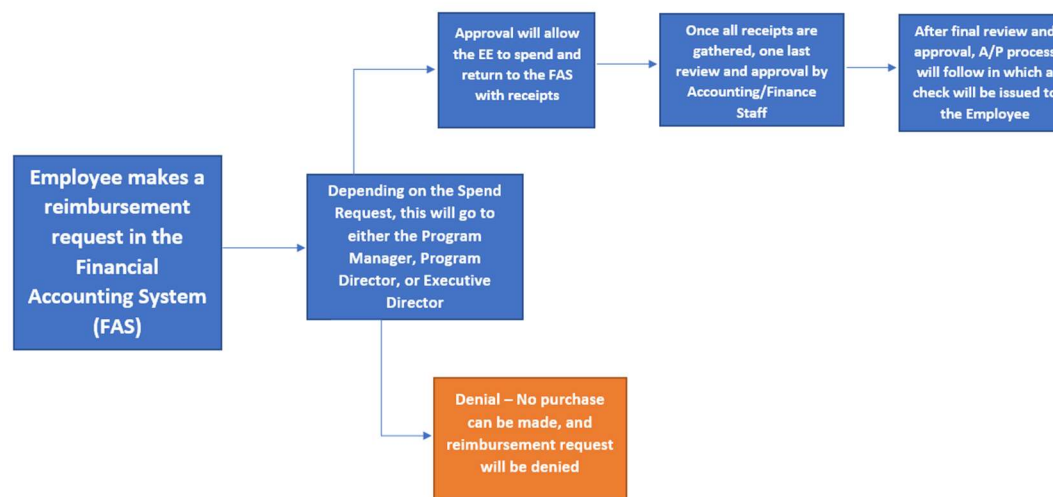

Regular Purchases

- Purchases done through the Financial Accounting System involve different approvers depending on the spend amount.
 - Under \$1,000, these will go to a Program Manager (Dept. Chairs) for approval.
 - Spend requests between \$1,000 and \$10,000 will go to Program Directors (Administrators).
 - Anything over \$10,000 will go directly to the ED for approval.
 - Requests (Unbudgeted) over \$50,000 will be brought before the Board for approval.

Reimbursement Requests or Expense Requests are subject to approval. All Reimbursement requests must have pre-approval. The maximum for cumulative total reimbursements in a fiscal year is \$5,000.00. Any personal amounts in excess of the stated annual limit require the pre-approval of the Executive Director

- These requests submitted in the Financial Accounting System involve different approvers depending on the spend amount requested.
 - Requests under \$1,000 & \$5,000 will go to Program Directors/Administrative Directors (“AD”).
 - Requests over \$5,000 will go to the ED for final approval.
 - After approval, employee may make the purchase.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Purchases w/o Approved Purchase Orders, Reimbursement Requests or Travel Reimbursement Requests.

- Items are subject to review by an administrator. If purchase(s) are rejected, they are the responsibility of the employee.
- Only the Charter School address may be used on the sales order prior to processing payments.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Employee Receipts/Substantiation

1. All purchases made by an employee must be accompanied by an original, itemized receipt. The individual making the charge or requesting reimbursement shall be held responsible for the amount if a receipt is not provided within 30 days. Additionally, reimbursements to employees for items charged on personal cards should be supported by a copy of the Employee's Credit Card. A copy of the credit card must be kept on file by the Accounting Department (redacted copy showing name and last four digits of card number used). The only exceptions are for parking meters and gratuities given to taxi drivers (within the limit set herein).
2. When receipts are lost, employees must retrieve a copy of the receipt or provide a document with comparable detail. There are a few exceptions for which credit card receipts or cancelled checks may be considered sufficient. Below are a few examples:
 - a. Taxi fares incurred while traveling for ECRCHS;
 - b. Parking fees incurred the day employee attended workshops or other work events.

If a receipt is lost and an acceptable replacement is not provided, the employee has to complete a lost receipt affidavit and have their administrator sign off on the form. When receipts are lost and a lost receipt affidavit is not provided, ECRA will not reimburse employee costs and will require employee payment of credit card or vendor-specific card charges.

3. For all meals, detailed receipts are a requirement (see "Meals" on the following page for more details).
4. The Director of Finance & Accounting /CBO or designee shall be responsible for enforcing this policy.

Gratuity

Employees are allowed to tip up to 18% of the subtotal cost, rounded up to the nearest dollar, when gratuity is customary. Any incremental excess is the responsibility of the employee.

Employee Reimbursements and Expense Reports

This policy is to ensure that individuals who incur valid business expenses are reimbursed in a fair and equitable manner, that business expenses are properly recorded, reconciled, and reimbursed in a consistent manner, and that ECRA complies with all applicable federal, state and local rules and regulations.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Reimbursement expenses should be dedicated for those occasions when other procurement methods (e.g. Purchase Order, Purchase Request) are not a viable option.

Employees may be reimbursed for purchases made with personal funds for goods and/or services in special circumstances where items are needed immediately and/or with short notice and the purchase of such items by staff may be unavoidable.

Every effort should be made to purchase goods and/or services through established ECR purchasing vendors.

An individual employee can be reimbursed for expenses up to a maximum of \$5,000 per school (fiscal) year. If an employee should need to exceed the \$5,000 per school (fiscal) year maximum, prior approval from the Executive Director is required.

1. Employees will be reimbursed for expenditures within fifteen (15) days after the submission and approval of all required documentation.
 - a. Whenever possible, original, itemized receipts must be provided. (See “Employee Receipts/Substantiation” above.)
 - b. Electronic receipts are considered original, itemized receipts.
 - c. In certain cases, supporting documentation such as email confirmations may be accepted as a receipt.
 - d. To be reimbursable, Purchases of tangible products (as opposed to items such as subscriptions) should be delivered to the Charter School’s address, not a personal address.

2. Employees shall submit, for each reimbursement request, a signed copy of an Expense Report substantiating:
 - a. Who the expenditure was for;
 - b. What the expenditure was for;
 - c. Where the expenditure was made;
 - d. Why the expenditure was made; and
 - e. When the expenditure was made.

A copy of the Expense Request Form is attached as Appendix III. A copy of the Purchase Request Form is attached as Appendix IV.

3. The employee must sign expense report to certify the expenditures.

4. Authorizing personnel must sign expense report for reimbursement.

5. The Business Office will email a copy of the Executive Director's expense report to the Board Chair when processed for payment. For expense reports greater than \$300 in single month, the Board Chair and one other Board member, or Board Vice Chair and one other Board member, must approve.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

6. Non-reimbursable Expenses

Some expenses are not considered valid business expenses, yet may be incurred for the convenience of the traveling individual. Because these are not expenses for the Charter School, they are not reimbursable. Examples of non-reimbursable expenses include, but are not limited to, the following:

- a. Alcohol
- b. Tobacco and all nicotine-related products
- c. Marijuana
- d. Theft or loss of personal property
- e. Parking or traffic tickets or car towing if illegally parked
- f. Airline travel insurance
- g. Airport lounge clubs
- h. Dry cleaning
- i. Movies or personal entertainment
- j. Books, magazines or newspapers (unless specific to education or the employee's job)
- k. Doctor bills, prescriptions, or other medical services
- l. Health club membership, even if for one day or short-term use
- m. Babysitter or pet care fees
- n. Gift cards

Reimbursements – Digital Payments

The use of digital payments, such as 'Apple Pay' or Venmo (or similar) are not a preferred method of payment and should be used only when other forms of payment such as check, ACH transfer, or ECRCHS credit card are unavailable.

When an employee seeks reimbursement for an allowable reimbursement expense paid with their personal 'Apple Pay' or Venmo (or similar), the requestor must include a copy of their bank/card statement showing the amount paid. The proof of payment must be attached to the reimbursement request.

Purchases made via digital payment are subject to the same criteria and requirements as all other purchases.

1. Employee shall submit, prior to the purchase being made, for each digital payment transaction, a signed copy of the appropriate purchasing form substantiating:
 - a. Who the expenditure is for;
 - b. What the expenditure is for;
 - c. Where the expenditure is made;
 - d. Why the expenditure is made; and
 - e. When the expenditure is made.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Personal Use of School Items

Personal use only applies to non-de minimis use consumption. For example, using an ECRA computer for personal use can be considered de minimis unless it creates noticeable wear and tear.

1. Employees will avoid the personal use of ECRA owned items without prior approval from a supervisor.
2. Employees will reimburse the Charter School for all ECRA-owned items that are consumed. For example, if the Charter School incurs additional expense as a result of personal telephone calls, employees must reimburse the Charter School for these calls.

Meals

1. School-related meals (ie. for Professional Development) occur on a regular basis. If the meal is not pre-approved, the employee runs the risk of bearing the full cost of the meal if it is ultimately denied. For meals to be charged to ECRA or reimbursable to an employee, the ECRA employee must provide the following information:
 - a. Purpose of the meeting or agenda;
 - b. Itemized and detailed receipt(s);
 - c. Number of individuals in the party; and
 - d. Names of all attendees or a sign-in sheet.
 - e. Meal order 48 hours in advance for payment to be processed by ECRA directly to the vendor
2. On professional development, non-school days, ECRA may purchase meals for staff for meetings lasting three or more hours.
3. The Charter School may cater in food and snacks for ECRA Board meetings, community meetings, staff meetings, etc., but they require pre-approval by the Executive Director, CBO or Administrative Director through the Financial Accounting System.

Mileage

Employees will be reimbursed for mileage when the event is school-related and requires employees to travel outside of their normal commute. Mileage will be reimbursed at the IRS-approved rate for the distance traveled.

Reimbursable travel starting from or ending at a residence cannot include the normal commute miles to/from work. Below are some examples:

1. Home to/from school is not reimbursable.
2. Home to/from school event/meeting is partially reimbursable.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

- a. If the mileage to/from home to school-related event/meeting exceeds the regular commute to/from school, then employee can claim the incremental difference.
- b. School to/from school event/meeting is 100% reimbursable.
- c. Home to/from non-school event/meeting is not reimbursable. For example, driving around to purchase non-essential supplies, driving around to purchase essential supplies on a non-school day, or commuting to a non-school sponsored staff meeting.

Travel

The following travel policy is designed to provide guidelines and best practices when making travel arrangements, advances, and reimbursements.

1. Travel must receive the following approvals:
 - a. Employees requesting in-state travel must receive approval from the designated authorizing personnel (**next level Administrator or Executive Director**) with a summary of the purpose of travel, educational or professional benefit, number of employees attending and estimated cost.
 - b. Employees requesting out-of-state travel must also present the ECRA Board Travel Committee, which consists of three (3) ECRA Board members, with a summary of the purpose of travel, educational or professional benefit, number of employees attending, and estimated cost.
2. All expenses must be pre-approved prior to travel for an event or meeting through the Financial accounting system software system or an approved travel form. The approver cannot be the traveler. All supported documentation follows the specific rules in the Fiscal Policies and Procedures.
3. Unless charter school administrators consider something an emergency, it is encouraged that travel arrangements should be made at least 15 days in advance to obtain better pricing.
4. ECRA uses published GSA (General Services Administration rates as a guideline for per diem rates. Per diem rates do not apply to one day/same day conferences.
5. Chargeable and Reimbursable Expenditures:
 - a. **Only pre-approved coach class, economy, or promotional discounted airfare ticketing will be paid by ECRA for documented school-related travel.** It is incumbent on all ECRA employees, when arranging school related air travel, to seek the most reasonable and logical airfare accommodation available at the time of booking, and to provide contemporaneous documentation to substantiate the same.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

- b. First class, business class, economy plus, and other similar fare classes will not be paid for or reimbursed by ECRA.
- c. Upgrade or non-emergency changes in flights are the exclusive responsibility of the ECRA employee. For non-medical/emergency changes or cancellations of a flight, the out-of-pocket cost is the responsibility of the employee.
- d. All employee-initiated changes to airfare ticketing that are made on an ECRA credit or charge card must be reimbursed by the employee within five (5) business days of the conclusion of travel. Personal charges are not permitted on ECRA credit or charge cards.
- e. Air travel requiring special accommodations due to a personal medical issue will require a signed note from the employee's treating physician attesting to the medical necessity of an upgraded airfare accommodation, which must be submitted prior to travel. ECRA strongly respects the medical privacy of its employees. Therefore, the note from the treating physician does not need to disclose the specific medical ailment or injury of the employee. The medical note from the treating physician only needs to state the medical necessity for an accommodation and if the travel accommodation will need to be temporary or permanent.
- f. ECRA's policy is a reflection of the FCMAT Best Practices Manual as it applies to ECRA.
- g. The Board shall annually review this policy to ensure consistency with state and federal reimbursement standards.
- h. Hotels/motels are allowable when the event is more than 50 miles from either the employee's residence or the school site and the requesting employee has received approval from ECRA administration prior to booking the hotel. Specific rules include:
 - i. Reservations will be made by ECRA business office staff, where the hotel room selected must be the least expensive available room offered within the hotel.
 - ii. Hotels should be chosen for the following reasons:
 - 1) Total cost relative to the other nearby hotels near the venue. Total cost includes parking fees, wireless fees, free breakfast, and other relevant fees. These costs need to be considered because the total cost of a hotel stay with a less expensive room rate may end up being higher than the total cost of a hotel stay with a more expensive room rate.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

- 2) Qualitative costs should be considered, as these may impact the total travel costs and employee wellbeing. For example, access to public transportation, safety, and walkability to event location. However, these considerations should be balanced with prudence and reason.
- iii. Hotel rates exceeding an average of \$250/night (when not ordered by the Business Office), not including taxes and fees, must be accompanied with an explanation as to why the specific hotel was chosen. If the reason is denied by the authorizing personnel, and the employee still chooses the room rate, then employee will be responsible for the incremental cost over \$250/night plus applicable taxes and fees.
- iv. Employees must provide an itemized receipt from the hotel that details all charges and dates, and clearly indicates for whom the lodging was provided.
- v. The ECRA Board of Directors shall review this policy annually to ensure consistency.
- vi. Meals are reimbursed up to the published GSA rate for the event location, based on the receipt documentation provided. Employees must seek the applicable GSA rate from the CBO or designee. The applicable GSA rates for each meal type can be found at <https://www.gsa.gov/travel/plan-book/per-diem-rates>.
- i. Other customary and reasonable travel-related expenses, such as Internet, cab fares, rental car (with prior approval from Authorizing Personnel), and mileage for using an employee's own car, gasoline are reimbursable.
- j. The Board shall review and update these rates annually in accordance with the IRS and GSA schedules for Los Angeles County.
6. Below are approved travel days:
 - a. The day before the event if it starts before 11am.
 - b. The day after the event if it ends after 12pm.
 - c. An additional non-event travel day may be permitted due to flight scheduling.
7. After the trip, the employee must enter all of the appropriate information on an expense report and submit it to the Authorizing Personnel for approval.
8. Documents should include any itemized receipts for parking, tolls, car rentals, taxis, food and other expenditures related to the travel for which the employee obtained prior approval

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

9. Excessive and unreasonable costs, such as valet parking, in-room telephone, and food from the honor bar in hotel rooms, shall not be reimbursed. Payment for internet service will only be reimbursed if preapproved by an administrator, and then only if deemed necessary for work.

Governing Board Expenses

1. The individual incurring authorized expenses while carrying out the duties of the Charter School will complete and sign an expense report.
2. The completed expense report will be submitted to the Business Office for review and initial approval. Once approved by the Business Office, the completed expense report will follow the same workflow as other Purchase Orders. The approved expense report will then be submitted to the Business Office for payment.

Tuition Costs for Non-Teaching Staff

The tuition reimbursement program aims to encourage staff to gain new workplace skills.

1. Classes must be pre-approved.
2. Tuition will be subsidized for staff who do not receive additional compensation tied to units when s/he takes approved courses in education, business, or technology.
 - a. \$700/class all courses must be Pre-approved by the HR Department with a \$1,400 cap for any one academic period and a \$2,800 cap per calendar year. Employees must submit an expense report with supporting documentation (e.g. tuition bill).
3. All classes must be taken for a grade or pass/fail. A grade must be provided at the end of the course.
 - a. A failing grade, or the failure to report a grade, will prevent the employee from taking another subsidized class for 12 months.

Classes/Conferences/Workshops/Seminars (“Course”) for All Staff

All staff **are** encouraged to take advantage of opportunities to improve their craft. If the Charter School is subsidizing any of the cost, the employee cannot use the attained credit for salary advancement other than for a degree differential (e.g. master's degree).

1. Course must be pre-approved by an administrator.
2. Employee must complete an Expense Report and provide all receipts.
3. Employee will not be compensated for his/her time if employee made the request to attend the class/conference/workshop/seminar.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Tuition Costs for BTSA

ECRA provides Beginning Teacher Support and Assessment (“BTSA”) through Ventura County Department of Education. For those employees who would like to complete their BTSA elsewhere, ECRA will reimburse up to \$4,000. Employee will be required to do the following:

1. Employee must notify an administrator that Teacher Inductions courses are being completed elsewhere.
2. Upon completion of Teacher Induction coursework, employee must go through the reimbursement process (i.e. expense report).
 - a. Substantiation must include the copy of tuition paid since ECRA will only reimburse up to \$4,000/employee.

Professional Dues and Costs

ECRA encourages all employees to maintain membership in professional organizations. If the dues and costs are associated with the employee’s job responsibilities, the employee may seek reimbursement from an administrator through the Expense Report process. **This reimbursement is limited to the membership or dues cost only.**

Student Awards

For ECRA school sponsored activities, the Charter School is authorized to spend up to \$300/student/activity/year for individuals and teams that win city, state and/or national athletic or academic competition(s).

1. A school sponsored activity is any activity that a school employee receives compensation to oversee.
2. The recommendation process will be based on input from the relevant staff and Assistant Principal(s). The Executive Director will make the final decision.
3. For teams, the \$300/student/activity/year limit can be used for (e.g. trophies, rings, etc.), ceremonies w/up to two guests per student, etc.
4. ECRA issues Scholarships for various types of academic achievement. Scholarship winners will complete a scholarship award form indicating which College/University the scholarship check gets issued and mailed to. See form in the appendix.

Policy for Use of Credit Cards

1. Credit cards are held by Board-approved personnel only. Only one general card account in the name of ECRA is authorized by the Board. There are two cards that are issued in the name of the CBO and the Executive Director. These credit cards will be kept in the custody of the CBO and Executive Director.
2. The Executive Director’s and CBO’s credit or card privileges may be revoked by the Board.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

3. Purchases made using a credit card are subject to the same criteria and requirements as all other purchases.
4. Prior to issuance of a credit card to an employee, the employee shall review and sign the “Credit Card Responsible Use Form.” (Appendix II.)
5. All cardholders should report the loss or theft of the school credit card immediately to the credit card company and the CBO, even if the loss or theft occurs on a weekend or holiday. If a credit card is stolen, the cardholder should file a police report, and a copy of the report should be maintained for insurance purposes.
6. The credit card and vendor-specific charge cards must be board approved before being issued to an employee. Below is a list of outstanding credit and store charge cards, by departments, as of **November 7, 2022**:
 - a. Home Depot for Woodshop and Building and Grounds
 - b. Smart and Final for Culinary Arts
 - c. CalCard (VISA)
7. The Board shall review a list of all credit card Charter School-authorized users and associated expenditures monthly.
8. Cardholders should be made personally liable for all inappropriate charges and personally responsible for settling any dispute over any purchase from a vendor.
9. Any charter school credit card holder may have their card revoked for violation of the preapproval process if it is determined there was enough time to request and receive approval for a purchase order using normal purchasing procedures.
10. Board-approved spending limits are currently, \$250,000 within a monthly statement period, \$1,000 for Home Depot, and \$2,000 for Smart and Final). The Charter School-authorized user shall be responsible for verifying that limits are not exceeded.
11. ECRA uses CalCARD VISA as its credit card vendor. Credit card charges in excess of \$50,000 require approval of the expense by two Board members. Such approval is required as part of the supporting documentation prior to payment processing.
12. The types of transactions to be charged on the credit card include: advance purchase or arrangement of approved employee travel and accommodations, school supplies, instructional materials, pupil transportation, technology, assistive technology, furniture, athletic equipment, school food, dues, subscriptions, and other items related to Charter School operations. Authorized expenses that do not fall under this Credit Card Use Policy shall be submitted and paid through the check disbursement process.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

13. Credit card points accrued by ECRA employees using ECRA's credit cards are the property of ECRA. **Cash Rewards program paid Quarterly**

- a. Credit card points can be converted only and exclusively for the benefit of the Charter School and with the permission of the Executive Director and Board of Directors.
- b. Prior to the conversion of any specific school-related use of accrued points, ECRCHS shall provide a memorandum to the ECRA Board of Directors for approval.
- c. Records of how the converted credit card points were used must be maintained.

14. Personal use of the school's credit card is prohibited. Credit cards shall not be used for personal expenses, gift cards, equipment, communication devices, institutional memberships, or computer software or hardware. Cardholders shall not make personal use of a credit or debit card, assign to someone else the use of a credit or debit card, or pay for another employee's or person's expenses with the credit card.

State laws prevent the unauthorized loaning and/or misappropriation of public funds. Accidental personal use of ECRA's credit card must be brought to the immediate attention of the employee's direct administrative supervisor and will be dealt with on a case-by-case basis. In all cases, reimbursement for accidental charges shall be paid in full within 30 days of the purchase. Reimbursement of the personal expense in this manner is required, but shall not prevent ECRA from taking further action against the employee. Interest charges will accrue at the then-applicable IRS-established rate when reimbursement is not made in 30 days from the personal charge.

15. Employee is responsible for maintaining all receipts. If a receipt is missing, then the employee must request copies of the receipt from the credit card company at his/her expense. See "Employee Receipts/Substantiation" for exceptions to the receipts requirement.

16. If the Business Office identifies any inadvertent personal charges or unauthorized uses of the card, the card statement and all backup documentation will be forwarded to the Executive Director, CBO, and/or DHR for review. The Executive Director, CBO, and/or DHR will discuss with the cardholder any charges of concern, and the cardholder will be required to reimburse the school immediately for any inadvertent personal charges or unauthorized charges. The Executive Director, CBO, and/or DHR will determine whether to revoke the cardholder's credit privileges and whether any disciplinary actions will be taken.

17. Employee shall submit, prior to the purchase being charged on the credit card, for each credit card transaction, a signed copy of the "Credit Card Expenditure Form" substantiating:

- a. Who the expenditure was for;
- b. What the expenditure was for;
- c. Where the expenditure was made;

**ECRA/ECRCHS
FISCAL POLICIES AND PROCEDURES**

- d. Why the expenditure was made; and
- e. When the expenditure was made.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

ACCOUNTING

Key Accounting Thresholds

1. Checks over \$10,000 require two approvers/signatures.
 - a. Note, credit card transactions over \$10,000 do not require two signers since paying the monthly statement will require two check approvers/signatures.
2. Non-budgeted contracts that exceed (or are likely to exceed) \$50,000 during a calendar year or which last beyond an academic year require Board approval.

Purchasing in the Financial Accounting System (FAS)

1. School will use an FAS system to store all financial transactional data.
2. Employees will make purchase requisitions in the FAS. Purchase Requisitions can be created using the following information provided by the vendor:
 - An invoice or estimate prepared by the vendor, but which has not yet been processed for sale by the vendor.
 - Sales quotation provided by the vendor for use by the employee to assist in decision making and subsequent creation of a purchase requisition in the FAS system.
3. The Business Office will review the purchase requisition to determine whether the Charter School has adequate resources (i.e. cash) and is within budget.
4. If the expenditure is in the approved budget, or the Charter School has adequate resources to make the purchase, the Business Office will forward the purchase requisition to the authorized supervisors (e.g. department head and authorizing administrator). The authorized supervisors must:
 - Determine if the expenditure is allowable under the appropriate revenue source.
 - Determine if the expenditure is appropriate and consistent with the Charter School's mission, approved charter petition, school policies and procedures, and any related laws or applicable regulations.
 - Determine if the price is competitive and prudent. All unbudgeted purchases over \$100,000 must be Board approved and must include documentation of a good faith effort to secure the lowest possible expected cost¹ for comparable

¹ Expected cost considers the product's price, quality, life, future maintenance costs, salvage value, environmental impact, school's mission, source and materials.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

goods or services. If the purchase does not represent the lowest cost option, a business purpose must be provided.

5. When the supplier/vendor submits the final invoice to the ECRA Business Office, or when an employee submits an expense report, the Charter School will make the payment by requesting a check or credit card.

6. Since goods and services are sometimes received after payment, the employee making the purchase or shipping and receiving staff must certify that the product has been received, or that service has been provided, before closing the purchase in the Approved FAS software.

If a vendor is a sole proprietor or a partnership, a valid W-9 form (or foreign equivalent) must be submitted prior to payment. Employee requesting a vendor or vendors, must submit a vendor information form.

7. The name of the vendor/business must reflect the same name and address as will appear on invoices submitted. Please include DBA ('doing business as'), if applicable.

All vendors must submit their Taxpayer Identification Number (TIN), commonly known as Employer Identification Number (EIN) / Federal Tax ID, Social Security Number (SSN), or foreign equivalent for those vendors who are conducting business as individuals.

8. The Board approved credit card holders may authorize an individual to use the school credit card to make an authorized purchase on behalf of the Charter School, consistent with guidance provided by the FPP.

a. The Charter School Credit Cards are in the custody of the CBO and Executive Director. Any authorized person who uses this card must return it within three (3) hours of use, unless authorized otherwise by the card holder.

b. The other school vendor-specific charge cards will be kept under supervision of the board approved card holders

c. If receipts are not available or are "missing", the individual making the charge will be held responsible for payment.

d. Credit and vendor-specific charge cards will bear the names of both El Camino Real Alliance and the board approved card holder(s).

Petty Cash

ECRCHS will maintain a petty cash account for small and emergency purchases, generally costing \$100 or less. When presented with a request for petty cash, the petty cash custodian should verify whether the item to be purchased is available in the organization's stock of supplies. If it is, the petty cash reimbursement is unnecessary; if it is not, the custodian can initiate a petty cash disbursement by doing the following:

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

1. The Business Office will manage the petty cash fund from the student store.
2. The petty cash fund will be capped at \$1,000 at the school site, but it will typically hold \$500. This does not include cash held for school events.
3. All petty cash will be kept in the Charter School's safe. Only select Business Office personnel will have access to the petty cash box.
4. All disbursements will require a completed and signed petty cash request form, as well as a register receipt for all purchases.
5. The Business Office will ensure that the petty cash slip is properly completed and that a proper receipt is attached.
6. At all times the petty cash box will contain receipts and cash totaling \$500. A register receipt must support the petty cash slip. The individual using the petty cash to make a purchase is responsible for submitting the receipt for the petty cash slip to the Business Office within 48 hours of withdrawing the petty cash.
7. When expenditures total \$300 (when cash balance is reduced to \$200), the Business Office will total the disbursements, complete a petty cash reimbursement form, and obtain the approval of the Assistant Principal. This should be done on at least a quarterly basis. The petty cash slips and supporting receipts will be attached to the reimbursement request form and forwarded to the Business Office.
8. Petty cash fund reimbursement checks will be made payable to ECRA.
9. Any irregularities in the petty cash fund will be immediately reported in writing to the CBO.
10. Loans will not be made from the petty cash fund.
11. The CBO or designee may conduct surprise counts of the petty cash fund.

Cash Boxes

Currently the school has five (5) portable cash boxes which are controlled by the Business Office and used to collect money at fundraising activities, ticket sales and other events or activities.

Individuals who collect cash for fundraisers and activities for which a cash box is issued collect the cash and recorded the total on a cash count form. Two individuals will count the cash together, and both will sign and date the cash count form and remit the funds to the Business Office.

Every effort is made to turn in the cash the same day as fundraiser or activity. Any funds collected but not turned in to the Business Office for the final counting and deposit to the bank should never be taken home or left in any unprotected environment. When the principal or the Business Office receives the cash box funds, the funds will be counted again by a Business Office staff member and another witness. Each will sign the cash count form as verification of their confirmation. The cash and the verified cash count form will be placed in and secured in a locked, fireproof safe until the cash is deposited.

No funds will be left in the cash box.

Alternative Payment Methods – Third-Party Processors

Third-Party Processor – A third-party processor is a company that can accept payments over the internet on behalf of an individual or another merchant (i.e., PayPal).

The use of third-party processors such as PayPal (or similar) is not a preferred method of payment and should be used only when a merchant will not accept a check, ACH transfer, or ECRA credit card. Purchases made via a third-party processor are subject to the same criteria and requirements as all other purchases. Employee shall submit, prior to the purchase being made, for each third-party purchase made, a signed copy of the appropriate purchasing form substantiating:

- a. Who the expenditure is for;
- b. What the expenditure is for;
- c. Where the expenditure is made;
- d. Why the expenditure is made; and
- e. When the expenditure is made.

The use of third-party processors is not intended to avoid or bypass appropriate purchasing or payment procedures.

Payments made to service providers via a third-party processor are subject to the same criteria and requirements as all other contracts. A third-party processor may not be used for payments to an individual for services.

Personal third-party processor accounts should not be used to transact ECRA business.

When using a third-party processor, employees will make purchase requisitions in the FAS. Purchase Requisitions can be created using the following information provided by the vendor:

- a. An invoice or estimate prepared by the vendor, but which has not yet been processed for sale by the vendor.
- b. Sales quotation provided by the vendor for use by the employee to assist in decision making and subsequent creation of a purchase requisition in the FAS system.

Third-party processors often do not include detailed information about the item(s) purchased. In the event this occurs, a copy of the web page that identifies the item(s) purchased and the web receipt from the third-party processor must be included in the FAS record.

Third-party processor payments will be made by the Business Office after all required documents are submitted and approvals obtained. The Business Office will use a dedicated ECRA account, such as PayPal, to make purchases.

Any email address linked to a third-party processing account must be a valid ECRA email address.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

Contracts

1. The following may sign school-related contracts within the approved budget:
 - Authorizing Personnel

The Board must also approve the following contracts:

- Non-Public Contracts - \$50,000 or more for construction, equipment, materials, supplies, non-professional services and repairs.
 - Public Contracts (i.e. public bonds):
 - Must obtain at minimum 3 quotes/bids from vendors
 - Annual Bid limit under Public Contract Code § 20111(a) for 2024 is **\$114,500** or more for equipment, materials, supplies, services and repairs.
 - Bid limit under Public Contract Code § 20111(b) of \$15,000 or more for construction contracts.
2. Consideration will be made of in-house capabilities before contracting for outside services. Below are considerations:
 - a. Whether the services needed is for a limited time period.
 - b. Whether the contract service provider has expertise not otherwise available to the Charter School.
 - c. Whether the current staff has capacity to do the work.
 - d. Whether the contract service provider's core competency would lead to long-term savings.
 - e. Whether the utilization of the contract service provider would cost less than a comparable employee with benefits.
 3. The Business Office will keep and maintain a contract file evidencing the competitive bids obtained (if any) and the justification of need for any contracts over \$100,000.

ECR will maintain a copy of all signed contracts, regardless of the amount or duration.

Written contracts clearly defining the 'Scope of Work' (SOW) to be performed will be maintained for all contract service providers (i.e. consultants, independent contractors, subcontractors).

A SOW must be submitted by the consultant, independent contractor, or subcontractor and reviewed by the Executive Director, **DHR**, and the CBO prior to the commencement of services.

The elements of a SOW can vary with the objective, complexity, size, and nature of the work to be performed. A SOW should be drafted in clear, simple, and concise statements. There should never be a question as to what work is to be completed, or what the contractor is obligated to do.

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

To the fullest extent possible, a SOW should include the following:

- (a) A general statement of the scope or extent of the work to be performed.
- (b) The period of performance of the work.
- (c) The site location of the work to be performed.
- (d) Reference documents, procedures, or specifications governing the work to be performed.
- (e) The specific work requirements:
 - (i) A detailed statement of the purpose, objective or goals to be undertaken by the vendor.
 - (ii) The job classification or approximate skill level of the personnel to be made available by the vendor.
 - (iii) An identification of all significant data deliverables and material to be developed by the vendor and delivered to the school.
 - (iv) An identification of all significant data or materials to be delivered by the to the school to the contractor.
 - (v) An estimated time schedule for the provisioning of these services by the vendor.
 - (vi) Completion and Acceptance criteria for the work to be performed.
 - (vii) Management or administrative requirements of the work.
 - (viii) Compliance or Progress Reporting requirements.
 - (ix) Completion or Close-out requirements.

Requirements should be clearly stated to easily determine compliance to the contract. All requirements should be described in sufficient detail to assure clarity.

Deliverables / Data / Proprietary Rights

It is important to include where applicable data or proprietary rights will be stored. For example: “Contractor in performance of its duties described within the scope of services agreed upon between the school or office and the contractor, acknowledges that the school holds all exclusive and proprietary rights to the deliverables produced under the referenced agreement (contract or purchase order). i.e., photographs taken as part of the scope of work; programs, software, lines of code written for a specific development project; intellectual properties developed as a part of a school paid/funded contract or project; documents written as a deliverable under an agreed upon project; etc.” “Contractor acknowledges that the school has exclusive and unlimited rights to such deliverables, which the contractor shall not have any rights to use, reuse, sell, resell, re-engineer, reverse engineer, provide to others, or maintains copies for work or archival purposes. Upon completion of the contract and within thirty (30) days from acceptance of final deliverables by the school, contractor shall provide written certification that it has purged and destroyed all copies of the deliverables (hard and electronic copies) from their possession, including subcontractors and those affiliated with the performance of duties under the agreement.”

Contract service providers must show proof of being licensed and bonded, if applicable, and of having adequate liability insurance and worker’s compensation insurance currently

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

in effect. The CBO or designee may also require that contract service providers list ECRA as an additional insured.

4. If the contract service provider is a sole proprietor or a partnership (including limited partnerships or limited liability partnerships), the Business Office must obtain or receive a W-9 (or foreign equivalent) from the contract service provider prior to submitting any requests for payment.
5. The Executive Director or CBO will approve proposed contracts and modifications in writing.
6. Contract service providers will be paid in accordance with approved contracts as work is performed.
7. The CBO and Executive Director will be responsible for ensuring the terms of the contracts are fulfilled.
8. Potential conflicts of interest will be disclosed upfront, and the Executive Director, DHR , CBO, Assistant Principal(s) and/or Member(s) of the Board with the conflict will not participate in any manner in the preliminary discussions, negotiations, compromises, reasoning, planning and solicitation for applications for the contracts. If an ECRA Board member is financially interested in a contract, the entire Board is prohibited from voting on the contract. Financially interested employees shall disclose the conflict in writing and are prohibited from participating in, influencing, or attempting to influence the making of the contract.
9. ECRA may not recognize “After the Fact” contracts which occur when a contractor is authorized to commence services or ship products prior to a valid, fully executed contract or Purchase Order having been submitted and approved prior to commencement of the work or products being purchased.
10. Contractors who provide services or goods without a fully executed contract or Purchase Order may not be paid.
11. Splitting contracts to avoid a stated accounting threshold is strictly prohibited. According to the California Public Contract Code, “It shall be unlawful to split or separate into smaller work orders or projects any work, project, service, or purchase for the purpose of evading the provisions of this article requiring contracting after competitive bidding.”
12. An employee cannot issue multiple contract requests (or low-dollar Purchase Orders) for smaller sections of the total requirement to avoid going thru the competitive process, or to avoid obtaining the required approvals.

Donations and Fundraising

ECRA/ECRCHS FISCAL POLICIES AND PROCEDURES

ECRCHS may receive donations of cash, supplies or equipment. **Donations will be deposited in a separate Bank Account** and amounts **> \$1,000** will be reported to the Board. Donations are for the exclusive use of the school, and may not be used to influence any person or decision made at the school.

A donor can choose to state a specific purpose for which the funds (or other) are being donated. If a donation is given for a specifically stated purpose, the donated funds may be used only for that purpose. When supplies or equipment are purchased using donated funds, the supplies or equipment become the property of the charter school. All equipment and supplies purchased by a donor for the school must be shipped to the charter school's address. The donor's address may not be used for purchases made for the charter school using donated funds.

Supplies

All supplies purchased by the school should be tracked sufficiently to help prevent theft, spoilage, over- or under-stocking, and obsolescence. For example, obsolescence can occur when an organization purchases toner cartridges but replaces the laser printers before the cartridges are used and cannot use the cartridges in the new laser printers.

Supplies should be safeguarded in a secure area and inventoried. The cost value of the supplies should be adjusted in the accounting records at the end of each fiscal year.

Professional Development

Professional development can improve employees' performance in their present positions and help them obtain skills, knowledge, and abilities that may improve their opportunities for advancement within the organization. Professional development should be preapproved by the administration and by the Executive Director and the Business Office to ensure adequate funding exists.

Professional development opportunities include seminars, educational courses and degree programs that will help an employee perform their essential job functions and increase the employee's contribution to the charter school. Other professional development expenses that can be reimbursed under this policy are membership fees to professional organizations; registration fees for meetings, conferences, workshops and seminars; and fees and subscriptions for scholarly journals, books, and computer-based resources.

Employees must submit documentation of the completion of any professional development within 10 days after receiving the documentation. Failure to do so may result in the employee being required to reimburse the school for the costs of the training or coursework.
