ATTENTION:

WE HAVE RETURNED TO "IN-PERSON" REGULAR AND SPECIAL BOARD MEETINGS AND COMMITTEE MEETINGS.

INSTRUCTIONS FOR PRESENTATIONS TO THE BOARD BY PARENTS AND OTHER MEETING ATTENDEES:

El Camino Real Alliance (“ECRA”) welcomes your participation at ECRA’s Board meetings. The purpose of a public meeting of the Board of Directors (“Board”) is to conduct the affairs of ECRA in public.

Your participation assures us of continuing community interest in our charter school. To assist you in the ease of speaking/ participating in our meetings, the following guidelines are provided:

1. Agendas are available to all audience members at the door to the meeting.

2. “Request to Speak” forms are available to all audience members who wish to speak on any agenda items of the Special Baord Meeting only.

“Public Comments” is set aside for members of the audience to raise issues that are on the agenda.

However, due to public meeting laws, the Board can only listen to your issue, not respond or take action.

These presentations are limited to **two (2) minutes** and and total time allotted is only for the topics in the agenda items and will not exceed fifteen (15) minutes. A member of the public who requires the use of a translator, in order to receive the same opportunity as others to directly address the Board, shall be permitted twice the allotted time to speak.

The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.

3. You may also complete a “Request to Speak” form to address the Board on Agenda items. With regard to such agenda items, you may specify the item(s) on your “Request to Speak” form and you will be given an opportunity to speak for up to three (3) minutes before the item is addressed, and total time allocated to agenda items will not exceed six (6) minutes for a Discussion item and nine (9) minutes per Vote item.

A member of the public who requires the use of a translator, in order to receive the same opportunity as others to directly address the Board, shall be permitted twice the allotted time to speak, and the total allocated time shall be appropriately increased as well.

4. When addressing the Board, speakers are requested to state their name and adhere to the time limits set forth. In order to maintain allotted time limits, the Board Chair may modify speaker time allocations or the total amount of allotted time for an item.

5. Any public records relating to an agenda item for an Open Session of the Board which are distributed to all, or a majority of all, of the Board members shall be available for public inspection at 5440 Valley Circle Blvd., Woodland Hills, California, 91367.

IMPORTANT NOTE REGARDING PUBLIC COMMENTS:

- Effective September 2022, public comments presentations at all ECRA Regular and Special Board Meetings and at Committee Meetings must be made in person.**
- There is no obligation on the part of the school to have a school official read public comments during in-person Board Meetings.**
- A member of the public is welcome to appear at the Board meeting to make a public comment or make arrangements with another person in attendance to speak on the person's behalf.**

Consent Agenda: All matters listed under the consent agenda are considered by the Board to be routine and will be approved/enacted by the Board in one motion or more motions in the form listed below. Unless specifically requested by a Board member for further discussion or removed from the agenda, there will be no discussion of these items prior to the Board vote(s) on the Consent Agenda item(s). The Executive Director recommends approval of all consent agenda items.

In compliance with the Americans with Disabilities Act (ADA) and upon request, El Camino Real Alliance may furnish reasonable auxiliary aids and services to qualified individuals with disabilities. Requests for disability related modifications or accommodations shall be made 24 hours prior to the meeting to David Hussey, in person, by email at comment@ecrchs.net, or by calling (818) 595-7500.

Purpose

El Camino Real Charter High School and Birmingham Community Charter High School are seeking competitive proposals for student laptops as part of a joint procurement initiative. By combining our purchasing power, we aim to secure the highest quality products and services at the most competitive pricing, ensuring cost efficiencies and enhanced value for our schools. This RFP presents an opportunity for vendors to provide innovative, cost-effective solutions that meet the needs of both institutions while fostering long-term partnerships. We encourage bidders to submit proposals that align with our commitment to quality, reliability, and fiscal responsibility.

Overview

1) El Camino Real Alliance dba El Camino Real Charter High School ("ECRCHS" or the "School") is seeking proposals from qualified vendors ("Vendor") for seven (700) hundred **Lenovo 300w** devices for the school's incoming freshmen on the upcoming 2025-2026 school year.

2) Birmingham Community Charter High School ("BCCHS" or the "School") is seeking proposals from qualified vendors ("Vendor") for one-thousand (1,000) **Lenovo Yoga 300e G4**, 11.6 inch devices for the school's incoming freshmen on the upcoming 2025-2026 school year.

Vendors are invited to submit proposals for one or more of the requested line items. The schools reserve the right to award contracts to multiple vendors based on the most competitive pricing, quality, and overall value per line item or category. Awards may be issued in whole or in part, meaning that different vendors may be selected for different products or services based on the proposal evaluations.

Evaluation of proposals will consider factors such as cost, product/service quality, vendor reliability, warranty and support offerings, and alignment with the schools' needs. While competitive

About Arey Jones -

We're a leading provider of K-12 Technology Solutions. Our experience in successful partnerships with Districts nationwide means that we understand the challenges you face, and deliver products and services to aid you in reaching your goals.

Headquartered in San Diego, California, Arey Jones was founded in 1897 to serve the stationary and administrative needs of the local educational market. In 1972, Arey Jones was purchased by Broadway Typewriter Company, owned by the Scarpella Family. Since that time, the Scarpella Family has operated and expanded the business as Arey Jones Educational Solutions.

Arey Jones first location in San Diego, CA

Today, Arey Jones Educational Solutions is the premier nationwide provider of technology solutions dedicated to working exclusively with K-12 educational market. Arey Jones Educational Solutions has been involved with this business from the very beginning in the early 1990's providing hardware, software, integration, configuration, service and support. This dedication to working exclusively with the K-12 marketplace offers Arey Jones a unique qualification to meet the technology needs of Districts nationwide. Every employee within the Arey Jones company has experience working with the hundreds of School Districts around the county we have contracts with.

Part of Arey Jones extensive training for new candidates is included in our 90-day introduction organizational training all employees are required to take. This is an extensive training process that involves all departments of our organization. Experience has proven that investing in our employees training results in maintaining a high level of customer satisfaction and employee retention. Additional training provided by our partner manufacturers Lenovo, HP, Dell, Apple and many more is part of an on-going training program. This ensures that all managers and team members have the same base knowledge and are able to work together well.

Many of the managers/supervisors have all been promoted from within, and some have even been with Arey Jones since the beginning of their K-12 journey. The managers all have at least five years of experience in working with customers and suppliers in educational technology, some even having upwards of 20 years of experience. Each of the manager's teams are trained broadly, as well as specifically to their area of work. Our technicians and engineers working service and repair all have the necessary manufacturer HP, Dell, Lenovo, Apple, and so on certifications required to perform work. Arey Jones also requires our technicians and engineers to have other technical certifications such as A+ Certified, CC Certified, Google for Education and Microsoft Office Certified.

Our policy is that all Arey Jones employees must be hired by the personnel who do not believe in automation systems. We do not believe in automation systems. At Arey Jones, you will never be required to work unless requested after seeing to our chief officer. This is the service we have been offering straight to our other clients.

Our staff are all re-trained and our employees are all trained in the latest technology.

The Executive Team and Scarpella Family believe in the value that is created in having a strong workforce that focuses on putting the customer first. Our team's commitment to our customers is responsible for the success we have in meeting the differing needs of school Districts nationwide.

Arey Jones strongly believes in the idea having qualified and well trained employees on all aspects of our business that can provide the best possibly customer service to the District at every level.

Arey Jones has a strict policy regard all background checks on employees and keeps current all necessary fingerprinting or registration for employees. We understand the importance of having trustworthy employees working with schools.

Our senior staff not only includes the executive team, but also all of our management team have been with us for over 10 years. The Scarpella family makes up the executive team, and Michael, Peter, and Mattie Scarpella have all worked in the K-12 education technology market since the late 1980's. The other members of the senior staff have between 10-20 years in K-12, and work closely with the Scarpella family in all facets of the business.

Local Presence and Community Engagement

Arey Jones Educational Solutions takes pride in maintaining a robust local presence in the Districts we work with, actively engaging with and contributing to the communities we serve. This core competency reflects our commitment to fostering strong relationships at the local level and ensuring that the specific needs of each community are not only met but exceeded.

Key Aspects:

- **Community Collaboration:** Arey Jones actively collaborates with local educational stakeholders, including school districts, administrators, teachers, and parents. We understand the unique characteristics and challenges of each community, allowing us to provide tailored solutions that align with local educational goals.
- **Responsive Support:** Our local presence enables us to offer swift and responsive support to our clients. Whether it's troubleshooting technical issues, conducting on-site training, or addressing specific concerns, our team is readily available to ensure a seamless and positive experience for the educational community.
- **Local Employment and Expertise:** Arey Jones prioritizes hiring local talent, ensuring that our team members have a deep understanding of the educational landscape in the communities we serve. This approach fosters a connection with our clients and allows us to provide insights that are informed by firsthand knowledge of local educational dynamics. Many of our employees are graduates from Districts we work with.
- **Student Internships:** Arey Jones provides opportunity for students to learn first hand what goes into creating their learning through technology. We set up "internship sessions" for students to come in a learn how their devices get to their hands, and skills on how to fix them.

Benefits to District:

- **Tailored Solutions:** Our local presence enables us to craft solutions that are not only technologically advanced but also culturally and contextually relevant to the specific needs of each community. This ensures that our clients receive personalized, effective, and impactful technology solutions.
- **Timely and Personalized Support:** With a local team, Arey Jones can provide prompt and personalized support, addressing issues and inquiries with a deep understanding of the local context. This approach enhances the overall client experience and fosters long-term, collaborative partnerships.
- **Community Integration:** Our local presence is a testament to our commitment to being more than a vendor; we aim to be an integral part of the educational community.

Role of Implementation of the Proposed Requirements

Arey Jones Educational Solutions works exclusively with schools and our delivery teams, installers, certified technicians, and network/systems engineers are familiar with the special circumstances of working within schools. Arey Jones' staff is sensitive to the classroom environment and the limitation schools have when receiving equipment and services. The teams of employees are in schools and administrative offices every day, and conduct themselves in a courteous, professional manner. Arey Jones will not subcontract any portion of this contract unless requested by the District.

In addition to the representatives and managers for your District, a specific project manager is assigned to large deployment related projects. The project manager will work together with the account representatives to ensure completeness of project. We will also assign a lead installer who will be present onsite throughout each rollout to verify all services have been complete. Arey Jones will work directly with the District, our suppliers and manufacturer partners to forecast large quantity purchase orders to ensure standard or expedited lead times on all orders. Product can be secured at the time a purchase order is received from the District.

At Arey Jones we are committed to providing cost-effective, right-sized solutions that meet your District's educational and technological goals. We also understand the occasional need to leverage and existing installed-base of equipment and are well versed with technologies such as virtual desktops (VDI) and thin-client solutions that allow the District to maximize the efficiency of their purchasing dollar. We also provide a full portfolio of server, network, and wireless solutions and can schedule sessions with our sales engineers and vendor partners, such as Intel, Lenovo, Dell, HP and others to assist the District in assembling cost-effective solutions that meet the district's needs.

All manufacturers each offer product roadmaps and information on new and upcoming models prior to manufacturer build or release date with a signed Non-Disclosure Agreement. Arey Jones works directly with the manufacturers to ensure that product roadmaps and new product releases are presented as these are available. Arey Jones also provides resources to assist the District in testing the exciting new and upcoming products within the District's specific environment.

- Conduct thorough testing in a controlled environment before deployment to identify and address any issues proactively, such as DOA checks upon device arrival to AJ facility

On-Going Trainings:

- With the use of professional development resources, deliver comprehensive training programs for educators, administrators, and IT personnel to ensure they are proficient in using and maintaining the new technology.
- Provide ongoing support and resources to address any challenges that may arise during the implementation phase.

Post-Implementation Evaluation:

- Conduct a thorough evaluation after the project completion to assess the effectiveness of the implemented technology in meeting educational goals.
- Gather feedback from end-users to identify areas for improvement and inform future projects.

Continuous Improvement and Warranty Support:

- Establish ongoing warranty support mechanisms, including help desks and technical support for devices deployed
- Utilize feedback from the project to inform continuous improvement efforts for future projects.

Customer Testimonials

Wake County Schools Testimonial –

We have partnered with Arey Jones for over 6 years and have had nothing but a positive experience with the company. Arey Jones provides hardware warranty service to our organization with over 200,000 Lenovo chromebooks, laptops, and desktops. They are responsive to our needs and have worked with us over the years to customize and implement a successful warranty repair process that we have been extremely pleased with. Their support team is always responsive and readily available to discuss our needs and requests. I would highly recommend them as a warranty service provider.

Manatee County School District Testimonial –

The School District of Manatee County has utilized the Warranty Repair Services provided by Arey Jones Educational Solutions for the past three years.

The warranty service provided by the Arey Jones Team has been top notch, timely and a team you can count on! I highly recommend Arey Jones Educational Solutions to provide quality service 100% of the time!

Saraland County Schools Testimonial -

Arey Jones Educational Solutions has become an integral asset to the technology department at Saraland City Schools. They are effectively an extension of our team.

Their pricing is competitive with vendors who only supply hardware and their onsite service is second to none. We have nothing but great things to say about all of their staff.

Lastly, our account manager is professional, timely, and knowledgeable of the logistics and availability of our device needs.

Experience / Qualifications

Arey Jones Educational Solutions stands as a preeminent provider of K-12 Technology Solutions, leveraging a rich history and extensive experience in forging successful partnerships with school districts nationwide. Our experience comes from 30 years of working with some of the largest and some of the smallest Districts nationwide and handling the turn key solutions of their integration and warranty support.

Origins and Evolution:

Established in 1897 in San Diego, California, Arey Jones initially dedicated itself to serving the stationary and administrative needs of the local community, and some Districts. Over the years, our commitment to excellence and customer satisfaction has been unwavering. In 1972, a pivotal moment in our history occurred with the acquisition by Broadway Typewriter Company, under the ownership of the Scarpella Family. This marked the beginning of a new era for Arey Jones, now operating and expanding under the banner of Arey Jones Educational Solutions.

Family-Led Legacy:

Under the leadership of the Scarpella Family, Arey Jones has flourished and evolved into a dynamic force in the educational technology landscape. The family's stewardship has been characterized by a dedication to innovation, client satisfaction, and the continuous enhancement of our offerings. Siblings Michael (Managing Principal), Peter (VP Sales and Marketing) and Mattie (Director of Services) make their selves know to the District by actively meeting with Districts and ensuring complete customer satisfaction and project completion.

Our Commitment:

At Arey Jones Educational Solutions, our commitment extends beyond being a mere provider, we do not drop and ship – we are partners in your educational journey. We recognize that every District is unique, and our tailored solutions are crafted to meet the diverse needs of educational institutions nationwide. By combining our century-old legacy of complete customer satisfaction with a forward-thinking approach, we strive to be at the forefront of technological advancements.

Relevant Experience

San Diego Unified School District - CA

Arey Jones has worked with the San Diego Unified School District for over 35 years. The San Diego Unified School District (SDUSD) serves over 75,000 students, and has marked more than 150 years of service to San Diego's children. Arey Jones currently provides integration services (Acquisition, Warehousing, Delivery/Installation, Asset Tagging and Imaging) and maintenance support on all procured equipment.

Over the past year we have deployed over 40,000 new devices to the District, some with deadlines of only weeks in advance. In June 2020, San Diego Unified trusted Arey Jones to collect the remaining carts and devices, clean and bulk-package them for delivery to each school site in order to facilitate a transition to full on-line learning in at the beginning of the 2020-2021 school year. When the project concludes on 7/31/2020, Arey Jones will have collected, cleaned with lint-free cloths and 70% isopropyl alcohol and re-distributed 3,900 carts and over 60,000 devices.

Los Angeles Unified School District - CA

Arey Jones has worked with the Los Angeles Unified School District for over 20 years. We currently provide Dell, HP, Lenovo, Samsung, Microsoft Surface (desktops, laptops, servers, Chromebooks, tablets) warranty service for the 750+ the schools.

5 Months - 280,000 devices configured, integrated and deployed

Notable Project - -Deploy 75,000 new Chromebooks and 101,000 new iPads for 1:1 Learning in 6 weeks.

Arey Jones provides hardware, configuration/laser engraving, cleaning and deployment services for the Chromebook devices. For iPads, Arey Jones worked with Apple to rapidly develop a deployment strategy and workflow and provision, configure, case and deploy all 101,000 iPads in 6 weeks. Arey Jones also provides next business day support for all LAUSD systems and has been doing so for 25 years

San Francisco Unified School District - CA

Arey Jones has partnered with San Francisco School District for the last ten years and provides a turn-key solution on all desktops, laptops and Chromebooks purchased throughout the District. Arey Jones also provides the integration services on the Apple devices as well. All Chromebooks and Laptops are configured, asset tagged and tested prior to delivery.
