RE: 2024-2028 PLATINUM RENEWAL CONTRACT

Dear Mr. Hussey,

I would like to personally thank you and the students of El Camino Real Charter High School for becoming **First Class Events** **"PLATINUM MEMBERS"**. By signing this contract, you are agreeing to a consecutive five-year contract term for both Homecoming and Prom. This contract will take effect beginning with the 2024 Prom and continue through to the conclusion of Homecoming 2028. In return, you will receive an exclusive collection of "Platinum Benefits" as indicated in your original "Platinum Member" school benefits description.

As of July 1, 2023, your "Platinum Benefits" will become activated and available for redemption. Simply, call or email me when you are ready to utilize your 2023-2024 benefits. You will then repeat this process in the following years, in order to obtain your future class benefits.

Please refer to the specification of time and date in which all benefits are to be redeemed and considered valid. You will find this information specifically listed on your original "Platinum Member" description page. If the benefits are not used within the year in which they are offered, they will be considered expired and non-transferable.

Once this contract has been signed by both parties (**First Class Events and El Camino Real Charter High School**), it is considered to be legal and mutually binding. This contract is to remain enforceable regardless if either signer is no longer under the company/school employ

Cancellation: Either party may cancel this contract in whole or part, for any substantial reason beyond either party's control. In the event of a cancellation, neither party shall be liable to the other for any lost profits, lost revenues or consequential damages.

Force Majeure: Either party may choose to relocate or suspend its obligation under this agreement if such obligations are delayed, prevented or rendered impractical by any of the following events to the extent such event is beyond the reasonable control of the party whose performance is prevented or rendered impractical:

Fire, flood, riot, strike, earthquake, civil commotion, Act of God, pandemic, any law ordinance, rule or regulation.

In any such event, such party shall not be held liable to the other for the delay or failure to perform its obligations, except there shall be prorata reduction in the consideration, which would otherwise be payable or otherwise due under this agreement.

Initial

If the foregoing is in accordance, please sign and date where provided below. We at First Class Events, thank you for your business, trust and support. We are all looking forward to providing El Camino Real Charter High School with excellent service for many years to come! If you should have any questions, please do not hesitate to call.
