 **Terms & Conditions**

THIS IS A QUOTATION ONLY AND IS NOT AN ORDER OR OFFER TO SELL.

All prices and descriptions are subject to change without notice. No contract for sale will exist unless and until a purchase order has been issued by you and accepted by Golden Star Technology Inc. ("GST"). By issuing a purchase order to GST, you agree to GST's Terms and Conditions of sale set forth in GST's quote, GST's invoice, and GST online Terms and Conditions (<https://gstinc.com/resources/terms-and-conditions/>). If there is a separate purchase agreement signed by both your company and GST, the separate agreement will govern.

The prices contained in this list may not be relied upon as the price at which GST will accept an offer to purchase products or provide services unless expressly agreed to by GST in writing. Products and/or services quoted were selected by GST based on specifications available at the time of the quotation and are not guaranteed to meet your specifications. Product and services specifications may be changed by the manufacturer without notice. All products are subject to availability from the manufacturer. It is your responsibility to verify product and service conformance to specifications of any subsequent contract.

The freight costs listed are estimates. Shipping costs may vary based on time of purchase, additional services required, quantity ordered, shipment carrier and warehouse sourced. Actual shipping costs will be calculated during shipment and will be reflected on your invoice.

For hardware product(s), manufacturer warranty will begin upon physical delivery of the hardware products(by) by the customer or GST warehouse. For software product(s), the manufacturer warranty will begin upon electronic or physical receipt of the software product(s) by you or GST. Any returns must be approved by GST based on manufacturer approval. More details at gstes.com/RMA.

GST is not responsible for compliance with regulations, requirements or obligations associated with any contract resulting from this quotation unless said regulations, requirements or obligations have been passed to GST and approved in writing by an authorized representative of GST.

GST DOES EVERYTHING WE CAN TO ENSURE THAT THE PRICES WE HAVE QUOTED ARE CORRECT AND CURRENT. DUE TO SHORTAGES OF RAW MATERIAL, INCREASED LOGISTIC COSTS, AND TARIFFS, PRICING MAY INCREASE AT ANY TIME FROM OUR VENDORS AND MANUFACTURERS THAT IS OUT OF OUR CONTROL.
