A-G REQUIREMENTS

“A-G” requirements are a sequence of high school courses that students must complete (with a grade of “C” or better) to be minimally eligible for admission to the University of California (“UC”) and California State University (“CSU”). They represent the basic level of academic preparation that a high school student should achieve to undertake university work. All ECRCHS students will be automatically placed on the A-G path; ECRCHS encourages all students to remain on this path. However, if a parent/guardian elects to remove the student from the A-G path, the parent/guardian must come to the School, meet with a counselor, and affirm the election to remove the student from this path.

For the A-G path, please note the following:

- Minimum requirements needed to apply directly to a 4-year college after graduation.
- Completing requirements does NOT guarantee entrance to any college.
- Courses used to satisfy the “A-G” requirements in which the student earns “D” or “F” grades MUST be repeated with grades of “C” or better. In these cases, the second set of grades are used in calculating the grade point average for college admission (for ECRCHS grade point average, all grades are averaged including repeats). Each course in which a grade of “D” or “F” has been received may be repeated only once.
- If a student repeats a course used to satisfy the “A-G” requirements in which he or she originally earned a grade of “C” or higher, the repeated grade will not be used in the calculating the grade point average.
- A student must complete eleven of the fifteen A-G requirements by the end of their junior year in order to be UC-eligible.
