The Board, by majority, agreed to table this matter to a special meeting to be held at the end of this week or early next week.

II. Board Procedure

A. Discussion and Possible Vote on Board Communication Policy

The policy deals with communication to outside counsel. Policy is as follows:

1. Whenever practical and possible, ECRA staff should be the primary contact with outside counsel for legal matters;
2. All Board communications to outside counsel should be made through the Board Chair, absent exigent circumstances which would warrant direct communication to outside counsel, or when the Board Chair is unavailable or non-communicative for any reason;
3. Should exigent circumstances exist or the Board Chair is unavailable or non-communicative, Board communications to outside counsel should be made through the Vice-Chair of the Board (if any), or the Secretary of the Board, whenever possible and practical;
4. In the event a question comes from a Board member to staff and the question is referred to outside counsel, the response from outside counsel shall be provided to the questioning Board member unless doing so would violate the Brown Act.

B. March 2017 Financial Update

Overall revenue went down by \$334,000. Expenditures increased by \$1.45M due to increased lifetime retiree benefits contributions, tech budget, and instructional consultants.

Mr. Silverstein asked that, for Cash Projections, the Board be provided 3 years' data to be able to make a comparison. Also 3 years' worth of expenses as well.

2017-18 preliminary budget had to be submitted to LAUSD by the beginning of May, so this is very preliminary; a final budget will be presented to the Board in June.

LCFF next month will change slightly due to recent State budget changes. The LCFF Target (as set by the State) is \$10,142/ADA (hope to reach this by 2021).

Teachers were concerned that the lifetime benefit account was not being funded sufficiently. An actuarial analysis should be conducted to determine if the amount of the contributions will be enough.

Darin Ryburn made a motion to continue contributing \$200,000.00 per month to the lifetime retirement fund through the end of the school year (May and June 2017).

Diane Wynne seconded the motion.

The board **VOTED** unanimously to approve the motion.

V. School Business

A. Discuss Status of Energy Services Contract with OpTerra and Possible Vote on Financing

Mr. Silverstein questioned why the \$63,800 cost was not included in the IRR. Mr. Lumino responded that this amount was previously approved and budgeted, and so was not included in the future projected IRR. However, OpTerra can include the \$63,800 in the IRR if desired. OpTerra does not believe there are any other costs that have not been disclosed. There are no minimums on the change orders. Also, LAUSD is approving the project, and if there are any changes that LAUSD requires, that will be discussed.

The question of financing is whether to pay the out-of-pocket costs out of current available funds, or to finance it, possibly through the Hanmi Bank line of credit. The Board agrees to earmark / set aside the cost of the OpTerra contract, with progress payments to be made pursuant to a payment schedule. If cash flow becomes an issue, the Board will revisit the issue of financing.

Darin Ryburn made a motion to set aside the entire cost of the OpTerra project from available funds, with payments to be made pursuant to the payment schedule.

Julie Kornack seconded the motion.

The board **VOTED** to approve the motion.

B. Technology Update

The recent technology update of laptops was used for SBAC testing, and the new WiFi system worked well. However, there is not sufficient personnel to handle these updates. Create an ad hoc committee to come up with budgeting numbers to determine the need for additional personnel. Beatriz Chen and Diane Wynne will be on that committee.

C. Update and Possible Vote on NWEA MAP Program

The MAP Program was presented last month. The Program is great for students with disabilities. CSD is requiring that schools have an assessment and ways to measure growth. We have a quote for a lower price that expires on June 30, 2017. The total expected cost is \$53,800, but also may want additional training so the request is for a total of \$60,000 for the Program.

Beatriz Chen made a motion to approve the purchase of the MAP Program for a one year term, up to a total cost of \$60,000.00.

Diane Wynne seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. Local Control Accountability Plan - Presentation and Discussion

Lisa Ring presented an initial draft of the LCAP. However, it is not finished yet in terms of budgeting, still need to input numbers. Once the numbers are inputted, it should go to staff to determine what the steps are and what is necessary to accomplish those steps.

Staff needs additional time to finalize the LCAP, to input numbers and steps.

The Board will schedule a special meeting to discuss and approve, once the finalized draft of the LCAP is done.

E. Discussion on Plans to Close the Achievement Gap

This matter will also be discussed at a special meeting, once the LCAP and budget is finalized.
