A scholarship fund has been set up by the Friends of ECR, particularly geared towards those students who may be suffering from depression. Also, asked that the Board put the word out that the school has programs to assist such students. A moment of silence was observed.

G. UTLA Update

Mr. Kinsella advised that UTLA has recommended a yes vote on the UTLA agreement, 129 teachers voted and more than 98% (127) voted to ratify.

One point he wanted to clarify was that in ECRA's position on the package proposal, there is a section that talks about a 17% pay raise for teachers over the last 2 years, noted that this number is not accurate because some of the teachers were paid on a lower pay scale and the pay raise brought those teachers up to standard, stated the majority of teachers received a 10% pay raise.

Regarding the schedule change to allow more time to collaborate, noted that UTLA worked with administration on the change. Teachers voted on the schedule change; of the 113 teachers who voted, 86% voted in favor of the change.

Ms. Wynne questioned whether ECRA pays its teachers more than LAUSD; yes, ECRA pays about 7% more than LAUSD pays its teachers.

D. Discuss and Vote on Board Meeting Calendar for 2017-2018

Public comment: Beth Corbett spoke on the start time of the Board meetings. Noted that Board meetings historically started at 4 pm, but last year it was changed to 5 pm due to the unavailability of one of the Board members. Stated that changing the time back to 4 pm would allow for greater teacher involvement.

The Board discussed moving the Board meetings to Tuesdays, as there are far fewer after-school events and athletic events on Tuesdays. Mr. Silverstein and Mr. Takeguma both favored having Board meetings on Tuesdays, and Mr. Takeguma also favored changing the Board time to 4 pm to allow teachers to participate. Ms. Kornack questioned whether changing the time to 4 pm would limit the participation of parents.

Asked if the Board can come to a compromise at 4:30 p.m. Mr. Kofahl stated that he could not attend Tuesday meetings at all. A discussion was held whether Thursdays would work. The Board also discussed whether a July meeting to conduct Brown Act training and for any pressing business was needed, but it was decided a July meeting was not necessary.

Steven Kofahl made a motion to approve the calendar for Board meetings to take place on the third Thursday of each month starting at 4:30 p.m. beginning in August 2017, with modifications as needed.

Net change between forecasted revenue and forecasted expenses is nominal, less than \$35K. Net income will be @ \$1.15M.

Mr. Takeguma asked why 57% of the forecasted expenses for books & supplies has yet to be spent. It's possible that there are some big expenditures expected in June and there's pre-spending for the next school year. Mr. Darby noted that it is his responsibility to evaluate the budget and determine if there was any unspent monies in the budget, and if so why.

Mr. Darby will find out about the reimbursement for the property tax paid.

Revenues coming in faster than forecasted and expenses being spent slower than expected, due primarily to timing.

Mr. Silverstein asked for a comparison of actuals year-end, which Mr. Darby agreed to provide at the next Board meeting.

For the 2017-18 budget, the biggest issue was where we would be in the Local Control Funding Formula, which ended up being 43%, with an increased cost of living adjustment of 1.56%.

This year we are ending with a net revenue of \$1.148M. Next year, we expect to end the year with a net revenue of \$727K.

The enrollment for next year is projected at 3,755, including the 100 international students who do not qualify for ADA.

Revenue sources, there will be an increase in revenue of \$879K.

The salary expenses includes the 3% salary increase which was approved. The increase in classified salaries of \$681K is due to more personnel for technology and the business office.

The Shoup budget is based on Shoup being operational by January of 2018. Some of the capital outlay will be spent regardless whether the facility is opened or not, but some of the expenses will only be spent if the facility does open (such as a receptionist).

The Board would like monthly updates on the Shoup project.

Update on Closing the Achievement Gap

Two parents, Ken and Sakenna Walker, spoke regarding their organization RISE: For Black Student Success, which has been working with the Village Nation for approximately 2 years to accelerate African-American student achievement in order to close the achievement gap. They invited all the Board members to the Black Family Summer Fair for Student Success, taking place at Anderson Hall on July 8, 2017.

B. Technology Update and Possible Vote on Budget to Upgrade Phone System

On the update, the internet vendor was changed. All hardware will be moved starting July 10th.

LAUSD notified the school on June 22nd that the school would have to take over the phone system as of June 30th. The school will have to bring the phone system in-house.

The \$250K includes enough cushion to determine what is needed, since we were just advised of this very recently. Mr. Delgado will get multiple quotes and find different options before making a commitment. A question arose as to what the school was paying LAUSD for the phone system; staff is unsure as there was a lump sum paid for Utilities. Every Wednesday, teachers would meet from 8 am to 9 am; the school day would start at approximately 9:07 am, but would end at the same time at 3:14 pm. Each class would be reduced by about 10 minutes. Zero period would still start at 7 am. Parents who have children at different schools would not necessarily be impacted as students can still be dropped off before 8 am, there will be supervision available. Also, this will not affect the instructional time. Parent stakeholders will be notified after the Board meeting of the change in schedule.

G. Discuss and Vote on Resolution Re Material Revision for Shoup Property

The Board requested that NAEROK come to the August Board meeting to talk about status, including the feasibility of having the campus opened by January 2018.

On page 4 of the attachment to the Resolution, the section on 2016-2017 enrollment at Shoup Property should be deleted, and the 2017-2018 enrollment should be determined projected. Janelle Ruley asked that she be allowed to review the Material Revision itself before it is sent to LAUSD.
