### **I. Opening Items**

**A. Call the Meeting to Order**

Jonathan Wasser called a meeting of the board of directors of El Camino Real Charter High School to order on Thursday Mar 15, 2018 at 4:38 PM.

**B. Record Attendance and Guests**

**C. Pledge of Allegiance**

**D. Public Comments**

There were no public comments.

**E. Executive Director Update**

Matriculation pattern - ECR did not know how middle school students were matriculating to high schools. Other high schools have advised that they would get a rough estimate of the students who should go to their high school based on the area. As such, ECR does not have the data of how many middle school students will be coming. Mr. Hussey met with the principal of Hale Middle School; the relationship is good, and they will promote ECR, but they will not go out of their way to promote ECR. Hale's principal advised that we are welcome to send staff and students to Hale to do more recruitment.

The walk-out occurred on March 14, 2018. There was one group that planned to walk out during nutrition. There was a second group that we tried to encourage to go to the athletic field, but they went to the front of the school instead, approximately 200 students total participated.

Next week, there will be a lock out. And after Spring Break, we will attempt a lockout during nutrition time, to see how students react when they are not in the classroom.

Charter School Division (CSD) oversight visit will be on April 11-12.

Next year, we would like to change the lottery dates to reflect what Granada Hills and Birmingham does. This year, we had over 800 applications, took in 350 students, so we have a waiting list for next year. This current year, we did not have a waiting list.

Boys and girls soccer won the City Championship.

SBAC test dates are April 9 and 10. Mr. Hussey will visit classrooms next week to explain what SBAC is and to encourage students to participate.

Drama is performing the musical Bloody Bloody Andrew Jackson. Opened last night, goes on through 3/17.

Academic Decathlon will be travelling to Sacramento for the State championships, and we will know on March 25th whether we will be going to the National Finals.

Las Virgenes and Agoura are losing teachers due to declining enrollment, we need to be aware of the importance of recruiting.

CalSTRS is here conducting an audit for the 2015-2016 and 2016-2017 school years, to ensure that we are properly classifying service time. Our report should be received before the end of the year.

LA School Police came out and did a presentation on lockdown procedures.

Mr. Silverstein questioned whether we could act as a sub-contractor for LAUSD for the local schools that they elected not to develop. Staff to sit down and determine if this is feasible, and if so a conversation with LAUSD can be started.

#### **F. UTLA Update**

Mr. Monroy advised that bargaining has yielded a couple of tentative agreements, and we are perhaps just a few words on agreeing on the whole thing. UTLA is also working on selecting candidates for department chairs. UTLA joins the majority of educational organizations in opposing Trump's proposal of arming teachers. Yesterday was Orange Wednesday, where individuals wore orange to remember the victims of the Highland Park shooting. Governor Brown in his State of the State address proposed an increase in per-student funding. To promote this, UTLA proposes that our Board visit classrooms during the week of February 2019.

#### **G. Committee Reports/Updates**

The Travel Committee met today and approved trips for the Softball Team and the Boys' Volleyball Team.

### **III. Financial**

#### **A. Review and Vote on January 2018 Check Registers**

Greater detail was asked for in the check register. Because this is a check register as opposed to a general ledger, the check register cannot have much more information.

Bruce Takeguma arrived.

Steven Kofahl made a motion to approve the January 2018 check register.

Beatriz Chen seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **B. January 2018 Financial Update**

The 2018-19 State Budget showed a strong benefit, full funding for LCFF, two years ahead of schedule.

Enrollment projections do not change after January as students may be sick or slow in coming back to school, will adjust later in the school year.

The Forecast shows a change, the bulk of which is due to Shoup projected to opening next year, and the revenue from the Option 3 Special Education revenue.

The Shoup forecast was modified to reflect that Shoup would not be opening this year.

### **IV. School Business**

#### **A. Update on Closing the Achievement Gap**

The Intervention team has been working tirelessly to ensure that students' needs are met in order for them to succeed. Could not do reverse minimum day due to minimum instructional minutes requirements. Parents are encouraged to check in on AERIES regularly.

#### **B. Review and Vote on Auditor for 2017-2018 Audit Report**

The Audit Committee met today and discussed using the same auditor from last year, Clifton Larson Allen, and discussed whether a 1 year or 2 year contract should be entered into. The 2 year contract provides for a slight increase in the fee from year 1 to year 2. The Committee recommended using Clifton Larson Allen on a 2 year contract.

Darin Ryburn made a motion to approve the use of Clifton Larson Allen for a 2 year contract.

Steven Kofahl seconded the motion.

The board **VOTED** to approve the motion.

**C. Discuss SafeSchools Plan and Other Safety Programs**

Each teacher has an E-packet in their classrooms. Maps were updated to provide a more hotel-style plan that shows a main escape route and a secondary escape route. A cheat sheet was handed out to show what to do for each of the 4 major disasters. Mr. Bennett and Mr. Dhillon are going to each classroom to ensure each class has an emergency packet. And each class will have a picture roster of the students, so that if a substitute is there he/she will know who the students are in the class. When substitutes come in, the folder contains information on the emergency procedures, staff should ensure that all substitutes are aware of these procedures. Students should be aware as well.

Mr. Ryburn stated that we will be working with the security company to improve the safety plan, a plan that is specific to our school.

**D. Discuss and Vote on Canvas Contract**

Mr. Wilson spoke on Canvas, a Learning Management System. Canvas is an integrated learning system that allows students to see and complete their assignments online, take online quizzes, interface with their teacher, have chatrooms to discuss assignments with other students, etc. We were able to get a competitive pricing. We had a pilot program that lasted 3 months; there has been a series of training for the staff as well.

Ms. Wynne asked what the difference is with Aeries - Aeries is more to contain student information and enter grades; there is some overlap for now in terms of checking grades.

Mr. Ryburn asked if the teachers are buying into the use of Canvas. The teachers voted and selected Canvas from various options.

Mr. Silverstein asked why we are entering into a 3 year contract if there is overlap with Aeries. Mr. Hussey noted that Aeries is needed for State reporting, while Canvas is more instruction oriented.

Beatriz Chen made a motion to approve the Canvas 3-year contract, at a total cost \$63,236.25.

Darin Ryburn seconded the motion.

The board **VOTED** to approve the motion.

**E. Discuss and Vote on TurnItIn**

TurnItIn is an online platform that we've been using since 2013. It started as a plagiarism check, but has evolved to a more robust application that assists with writing. It is a writing tool that uses artificial intelligence to help with student writing.

Samantha Spencer, teacher, spoke regarding the use of TurnItIn, which she described as an irreplaceable tool for the English department; it is available for all departments, but mostly used in the English department, and we hope to see greater use in all departments in the coming years.

We were able to obtain a 3 year contract with a locked in price for the same price as we received this year. It would integrate with Canvas as well.

This goes to improving the scores in the SBAC language arts; all of the rubrics in TurnItIn coincides with the SBAC rubrics.

Beatriz Chen made a motion to approve entering into a 3-year contract for \$116,837.00.

Lisa Crosthwait seconded the motion.

The board **VOTED** unanimously to approve the motion.

**F. Tech Update**

Ryan Guinto, Systems Analyst, and Jacob Yoo, Network Analyst, spoke. Microsoft licensing is coming up, staff has secured significant discounts on Microsoft products such as MS Office, at a cost of \$12K per year, plus the backup battery/UPS for \$5,000. The

web content filter will cost approximately \$60,000, which will be financed; the firewall will cost approximately \$52,000.00; and there will be miscellaneous items of an additional \$10,000. E-rate program allows us to get 50% rebates on technology. We are working with a consultant to maximize the rebates. However, the web content filter does not qualify for the rebate, nor will wireless infrastructure or the Microsoft licensing. The proposed purchases shared at the last Board meeting did not include Shoup. As some of the purchases at Shoup would be e-rate eligible, we are working with our consultant to determine which are and are not e-rate eligible. This includes a quote on the cable pull, which has to be updated as there is a question whether waiting a week will result in a significantly lower price. Staff will talk with the project manager about this. Scott Silverstein left.

#### **G. Discuss and Approve 2018-19 School Calendar**

ERC's calendar committee, which is made up of administrators and teachers, proposes the school calendar for the 2018-19 school year. It mirrors LAUSD's calendar, with the exception that August 8th is a professional development day, and we are starting on August 13th (LAUSD starts August 14th); graduation will be on June 7th.

Board requested that the Rosh Hashanah and Yom Kippur holidays be labeled as Unassigned.

Darin Ryburn made a motion to approve the 2018-19 School Calendar.

Bruce Takeguma seconded the motion.

The board **VOTED** unanimously to approve the motion.

### **V. Governance**

#### **A. Discussion Regarding Upcoming Board Openings**

A committee must be created for the Community Representative position which will open on July 1, 2018. Ms. Chen indicated that she would be applying for the position again.

Mr. Ryburn, Ms. Kornack, and Ms. Crosthwait agreed to serve on the committee. It will be an ad hoc committee, it will end at the time the committee makes its recommendation to the Board, which can take place at the May Board meeting.

Mr. Wasser also noted that the Classified Representative position, currently held by Diane Wynne, will have to be advertised and an election will take place. Ms. Wynne stated that she would not be running for another term.

#### **B. Discuss and Approve Certification of Board Compliance Review**

Each category of the Compliance Review was discussed, and affirmed that the School was in compliance.
