3. You may also complete a "Request to Speak" form to address the Board on Agenda items. With regard to such agenda items, you may specify that agenda item on your "Request to Speak" form and you will be given an opportunity to speak for up to three (3) minutes before the item, and total time allocated to agenda items will not exceed six (6) minutes for a discussion item and nine (9) minutes per vote item. C. Pledge of Allegiance

D. Public Comments

Letty Zane spoke regarding the block scheduling committee, she is in favor of disbanding the committee.

Kathy Her, teacher and Intervention Coordinator, spoke regarding concerns on having the Board evaluating education-related matters.

E. Executive Director Update

Mr. Hussey noted that this last week was a very difficult one for the community and for the school and its students and staff. Gave special recognition and thanks to: first responders; LAUSD for coming to change our air filters; Friends of ECR for helping to get the word out to the community; Mr. Silverstein and Mr. Ryburn for discussing issues with him; parents and students for their understanding; and the administration for providing input and support in making the decision to close the school. Mr. Hussey noted that the school is in the process of finding out if any students or staff were impacted by the fires and if so will offer assistance as needed.

Mr. Hussey addressed the concerns of Ms. Shoemaker raised at the last Board meeting. Mr. Hussey advised that ECR will be applying for the waiver to get ADA attendance credit for the days the school had to close.

Mr. Hussey passed out the Executive Director Report. He noted that, after 3 weeks, we currently have 415 applications for the lottery. We are also working with Pierce College for dual enrollment classes on our campus. Also, we will be receiving \$134,541 for Special Education through a STEPS Grant. Also, Mr. Thurow and the Marching Band qualified for the Southern California Band & Orchestra Association Field Championship, which has not happened for some time. Finally, the Girls' Volleyball team made it to the State Finals.

Mr. Silverstein thanked the lacrosse team for going out with one of the neighborhood councils and cleaning the community, would like this type of information included in our newsletters.

F. Chief Business Officer Update

Mr. Darby noted that every 6 months, we meet with LAUSD's Charter Schools Division to check in with them, which has helped to build a positive relationship. The next meeting is scheduled for December 4th.

At the last Board meeting, there was a mention of going to a different vendor for our payroll processing. We currently use multiple systems for payroll, time and attendance, would like to integrate these into one function. Paycom will be given opportunity to present at the next Board meeting. It should save costs; for example, Stratustime alone is \$24,000 - Paycom for all integrated services would be about \$70,000. Trees N Things will be here this Saturday.

G. Board Committee Reports

Tech Committee will report during the agenda.

Safety Committee, Mr. Ryburn will introduce a vendor who has created a system that will identify the location of a shooter and the type of weapon being used, for the Board's consideration.

Lisa Crosthwait made a motion to approve the October 2018 check registers.

Darin Ryburn seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. October 2018 Financial Update

Ms. Frantz noted that not a lot of detail was provided as to which students would qualify or what the rates will be for the low-performing student block grant, but it appears that it will be about \$1,976 per eligible student, and El Camino has 142 eligible students, which

will equal a total of \$281,000 received from this grant. This has yet to be accounted for in the budget. There will be a plan that will have to be approved on by the Board by March 1, 2019. The school has to spend the money within 3 years on matters such as professional development and related services for student performance.

Mr. Silverstein asked where we were last year in terms of cash flow; Ms. Frantz stated that she did not recall exactly, but noted that there were a lot of one-time expenses last year. Mr. Silverstein asked that the next financial update include year to date cash flow comparisons with the last 3 years.

IV. School Business

A. Discuss Local Indicators for California School Dashboard

Mr. Hussey discussed the California Department of Education's California Dashboard Local Indicators. The scores reflect an implementation of academic standards, on a scale of 1 to 5. The scores have been consistent compared to last year. We just started the common planning days last year; this year, there is a lot of buy-in from the teachers. Mr. Kofahl asked if the scores were self-reported; Mr. Hussey responded that they were, and possibly we have graded harder than we needed. Mr. Kofahl asked if we could possibly have one of the other conversion schools grade us; AP Minita Clark noted that the grades were based on programs that we have implemented individually. Sustainability is the ultimate goal.

B. Tech Update and Status of IT Audit

Ms. Chen noted that the proposal was received back from the tech audit company, NIC Partners. The plan is to ask the vendor to lower the bid, and if so they can get started soon.

Ms. Chen also noted that, if the Board meeting is being streamed, we should notify the public where they can go to have access to the live feed.

C. Discuss and Approve Certification of Board Compliance Review

The Board reviewed the Certification of Board Compliance Review, with the caveat that the boxes will be checked as appropriate on the right hand column.

Steven Kofahl made a motion to approve the Board Compliance Review.

Darin Ryburn seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. Discuss and Approve Request for Allowance of Attendance

It was noted that the Request has to go through LAUSD, LACOE, and then on to California Department of Education, which results in some delay in having the Request approved. Mr. Lee asked whether there was anything being planned to have additional instructional time built-in in the event such emergencies happen in the future. Mr. Hussey noted that we have discussed this with UTLA, and one option is to start at 8 am and ending at 3:15, which would provide 12 additional hours of instructional time. If there is

no need to use the extra instructional time, we can use the minutes to end early for events such as back to school night.

Darin Ryburn made a motion to approve the Attendance Allowance.

Lisa Crosthwait seconded the motion.

The board **VOTED** unanimously to approve the motion.
