or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed thirty (30) minutes. A member of the public who requires the use of a translator, in order to receive the same opportunity as others to directly address the Committee, shall have twice the allotted time to speak. 3. You may also complete a "Request to Speak" form to address the Committee on Agenda items. With regard to such agenda items, you may specify that agenda item on your "Request to Speak" form and you will be given an opportunity to speak for up to three (3) minutes before the item, and total time allocated to agenda items will not exceed six (6) minutes for a discussion item and nine (9) minutes per vote item. The committee **VOTED** unanimously to approve the motion.

III. Financial Review

A. Review of August 2019 Check Registers

Mr. Silverstein questioned why ECR was paying union dues; Mr. Darby stated he would look into this.

Mr. Silverstein also asked as to whether we pay sales tax when ECR purchases goods to sell to students and others; Daniel Lee of ICON responded that we do not pay sales tax, we pay a use tax. We do collect sales tax when we sell the products.

The LADWP bills for Shoup are paid on a monthly basis.

Brian Archibald made a motion to recommend approval of the August 2019 check registers to the Board pending the answer to the question regarding union dues.

Scott Silverstein seconded the motion.

The committee **VOTED** unanimously to approve the motion.

B. American Express Bill Review

C. August 2019 Financial Update

Daniel Lee of ICON stated that there may have been some miscommunication and some incorrect coding that have to be reviewed, and that may be creating some of the

discrepancies in numbers in the financials, such as in salaries and benefits and books and supplies. The budget is being revised (though not expected to be significant), and will be sent to the Board in the next week or so to be presented at the October Board meeting, which will reflect more actual expenses and hires to date as well as actual enrollment as of the beginning of the year. The local revenue is international students. Mr. Archibald asked as to the marketing budget, and whether it should be higher in the revised budget to be presented. The biggest discrepancy in the balance sheet is with current loans and other payables, Mr. Lee noted he would look into this and have it ready by the Regular Board Meeting.

Mr. Archibald asked as to whether the CBO should be presenting financials, as opposed to having ICON do the presentation. Mr. Lee noted that for his client's it is about half-half.

Mr. Lee noted that for this month's presentation, he was not able to get the financials to the CBO in a timely manner. Mr. Darby noted that he will be presenting in the future. For the expenses, there was discussion regarding improving the food service lines. Scott Silverstein made a motion to recommend approval of the August 2019 Financial Update to the Board.

Brian Archibald seconded the motion.

The committee **VOTED** unanimously to approve the motion.

D. Average Daily Attendance Update

The ADA estimate for the start of the year was 3,512. Current enrollment is 3,519, as well as 72 international students. Enrollment at North Campus is 101 students. Also, schools around will hold on to students at the start of the year for norms and compensatory _____; once that initial period is over, these students will be released and can be enrolled at North Campus. Mr. Archibald recommends that, as ECR builds out the enrollment at North Campus, the marketing should look at increasing enrollment at North Campus while thoughtfully also thinking about increasing enrollment at the Main Campus, which should only be done without diminishing the experience for the students and the teachers.

E. Investment Review

There were no statements received by the Finance Committee; Mr. Darby noted that he would be sent the statements. Mr. Archibald would like to set a deadline by the October Board meeting to have an investment plan.

IV. Closing Items

A. Adjourn Meeting

Scott Silverstein made a motion to adjourn the meeting.

Brian Archibald seconded the motion.

The committee **VOTED** unanimously to approve the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:25 AM.

Respectfully Submitted,
Daniel Chang
