**I. Opening Items**

**A. Call the Meeting to Order**

Scott Silverstein called a meeting of the board of directors of El Camino Real Charter High School to order on Tuesday Nov 19, 2019 at 5:06 PM.

**B. Record Attendance and Guests**

**C. Pledge of Allegiance**

**D. Public Comments**

Letty Zane spoke in favor of the revised Classified Management Salary Table. She also expressed her appreciation to administration for all the security provided at this last Saturday's Homecoming Dance, to make it a safe and fun event. She also spoke in favor of the Resolution re Safe Firearm Storage.

Helen Fouras spoke in favor of the revised Classified Management Salary Table.

**E. Executive Director Update**

Mr. Hussey spoke regarding the school's safety preparedness procedures, including the upcoming active shooter drill during nutrition. We are also considering purchasing medical trauma kits; the cost would be \$15,000 to purchase a kit for each classroom. The other option is to purchase enough kits to place them strategically instead of in each classroom. The decision will be made and the kits ordered right after the Thanksgiving break.

We are still dealing with the broken heating pipe. LAUSD is fixing it, but we will have to pay for the repairs unless it is found to be a recurring issue.

Mr. Hussey spoke with LAUSD yesterday, they are getting us an estimate on the drilling needed for the CCTV cameras. We currently have 40 cameras; the new system would have 80 cameras and would allow us to be more proactive towards keeping our campus safe.

For WASC we are working on the four goals; goal 3 will be discussed tomorrow. The WASC visit is scheduled for February.

Student Council and all the volunteers did a fantastic job at the Homecoming Dance. Last spring, 89% of the students made it to first period on time; this past month, 94% of the students with a TAP card made it to first period on time.

Girls' Tennis won the Division I championship, coached by Lori Chandler.

Band placed 7th in the Southern California School Band and Orchestra Marching Band Championship, earning their highest marks of the year.

Girls' Volleyball lost in the regional semifinals this past Saturday.

The football team will be playing the Division I semifinal game at Eagle Rock High School.

Through the collaborative efforts of the student support services office, the counselors, the deans, the psychiatric social worker, the Student Services office, the intervention coordinators, and our new LA school police officer, we have reduced the number of suspensions, which will be reflected on the California dashboard for next year.

Mr. Silverstein requested that staff look into spending up to \$100,000 of our budget into safety measures and presenting that to the Board for review. This will reduce the need for staff to come to the Board each time monies need to be spent for campus security.

Mr. Archibald questioned whether this might create issues as to what constitutes a security item. Otherwise, the Executive Director can come to the Board if there is an immediate need.

Mr. Ryburn asked about having more notice before the school's Safety Committee meets so that he can make plans to attend.

Dr. Davis commended Mr. Hussey for the efforts made for safety preparedness. Dr. Davis also stated that the Safe School Plan be reviewed annually. It was noted that LAUSD will not provide us a digital version of the Safe School Plan. Perhaps the option would be to ask another school district for theirs and tailor it to conform to our needs.

#### **F. Chief Business Officer Update**

A revised Conditional Use Permit for the North Campus was submitted; the City responded this past week and asked for some more additional information, which will be provided.

#### **G. Board Committee Updates**

The Tech Committee met on November 1st; the Committee discussed incorporating technology in instruction and possible professional development days where training on technology could be provided.

The Travel Committee did not meet.

The Safety Committee did not meet.
