Kyna Collins, teacher, spoke regarding Black History Month and the Black Lives Matter National Week of Action.

Richard Russell, special education assistant and AFSCME representative, spoke regarding item V.A. and asked that the Board add a Classified Representative.

**E. Executive Director Update**

There was a house fire nearby earlier today, and several staff members (Mr. Dhillon, Mr. Lerma and Officer Miranda) acted quickly to see what was happening and helped save lives.

WASC will be here beginning Sunday, February 23 through February 25, 2020.

ECR Clean-Up Day is February 15 from 8 am to 12 pm. The program is being coordinate by Mr. Lerma.

Our lottery was held today. We had approximately 800 applicants. We drew 400 9th graders and approximately 200 10th, 11th and 12th graders. We currently have a wait list of about 200 students and the list is growing.

LAUSD looked at the special education materials on our website and stated that COP will use it as a template to show other schools what information should be available.

CSD is working on providing us with a name "soon" for the LAUSD seat on our board.

LAUSD has indicated that there would be a temporary fix for the heating by Monday. The long-term fix will take approximately a year to a year and a half, and will be paid for by LAUSD. We are still waiting for word as to whether the alternative education rooms may be used.

Mr. Ryburn asked regarding the CCTV program; Mr. Hussey stated that we are still waiting for LAUSD to give us a quote for their portion. Mr. Ryburn also asked if we are seeking rent reimbursement regarding the condemned AltEd rooms; Mr. Darby advised that we have not paid rent for those rooms since they were condemned.

#### **F. Chief Business Officer Update**

The North Campus property tax exemption will be hand-filed by February 15th. We are seeking exemption for this year, as well as possibly for last year.

Mr. Darby expects he will have a draft of the updated actuarial report for the Other Post-Employment Benefits (OPEB) trust by early to mid February, and will have it for review and possible vote at the next Board meeting. The OPEB trust, as of December 31, 2019, had @\$13M; as of this past week, it was up to @\$14M. Our CD account balance is currently @\$7.38M

Mr. Darby stated that he would provide accounts payables aging which shows 30/60/90 days due.

Mr. Silverstein asked if there was a written protocol regarding how invoices are handled; Mr. Darby indicated that there is a written policy that he could provide to the Board.

Dr. Davis noted that transparency was crucial, and that the more transparency we can show the better.

John Arndt of ICON Management noted that the YTD Comparison might show large variances as compared to 2018-2019, but this is because last year our back office provider used cash basis and now we are on an accrual basis.

As to the projected budget, Mr. Ryburn asked why we are using an estimate of 93% attendance rate, when our actual attendance rate last year was closer to 95%; Mr. Darby noted that our historical rate has been closer to 93% than 95%, and also we will take a conservative route in our forecasts.

Mr. Silverstein noted that the fundraising projection in the current forecast shows \$900K when we are currently at just under \$300K, and asked whether that is a reasonable forecast. Mr. Arndt noted that the \$900,000 forecast would include ASB student fundraising, which typically comes in more in the Spring.

## **IV. School Business**

### **A. Discuss and Vote on 2018-2019 School Accountability Report Card**

Mr. Hussey stated that the School Accountability Report Card (SARC) provides data as requested by the CDE, in a specific format and with specific information sought.

Mr. Ryburn why there was a drop in the number of teachers with full credentials; Mr. Hussey noted he would have to look into this but he believes the number for 2019-20 does not look correct to him. If that is incorrect, it will be corrected. Upon review, Mr. Hussey reported that the number for this year was correct as it only included teachers, it did not include those with credentials who were not classroom teachers.

Mr. Silverstein asked how the facilities are rated. Mr. Hussey noted that LAUSD sends out people to survey the equipment and facilities, and we also have our staff review the facilities as well. Mr. Silverstein also asked if the facility had been inspected by an ADA compliance expert; Mr. Hussey believed an inspection had taken place when the path of travel study was done. As to who has to bring any non-compliant issues into compliance, it would depend on the nature of the issue.

The board **VOTED** unanimously to approve the motion.
