A new internship program is being discussed with New Filmmakers L.A.

Mr. Hussey had applied for the 2020 COPS Office School Violence Prevention Program grant, but was told we did not qualify because we are a charter school.

An email will be sent this coming Monday to create an LCAP committee.

We will be establishing a charter renewal committee, and will be meeting with outside counsel to go over the new legal requirements for AB1505. Our goal is to submit the charter renewal by July or August due to the new extended timelines.

Assembly member Jesse Gabriel hosted a Cash for College FAFSA night here on February 18th.

There was an AP Expo night, with over 300 students and parents come out to get information on AP classes. Thanks to the college office and teachers who participated.

## **III. Financial**

### **A. Review and Vote on January 2020 Check Registers**

This matter has been tabled until the next Board meeting.

### **B. January 2020 Financial Update**

Daniel Lee of ICON gave the financial presentation for January 2020. The books have been closed, and next month the 2nd Interim Report will be reviewed.

The YTD Comparison, increase in revenue is due to the month in which revenue was reported. The depreciation amount has not yet been determined, but ICON does not believe it will vary much from last year's @ \$150K.

The Current Forecast, revenue is higher in the start of the year because we receive funds starting July, and ADA is higher in the first months.

Revenue and Expenses appear to be on schedule. Note that books are purchased at the beginning of the year so that percentage used will be on the higher side.

Adopted budget v. Current Forecast, there is not much change.

ECR ending cash balance is projected at \$6.1M at the end of the year.

Mr. Lee noted that we must select an auditor and report the selected auditor to LACOE by April 1st.

Darin Ryburn left.

#### **IV. School Business**

##### **A. Discuss and Vote on Safe School Plan**

Mr. Dhillon, Safety Coordinator, spoke regarding the Comprehensive School Safety Plan. Mr. Dhillon noted there are two parts to the plan: the Comprehensive portion, which is the larger document and is much more detailed with instructions for emergencies; and the Safe School Plan, which identifies goals that the school will work on for the school year. For the current Safe School Plan, ECR has started activities in order to accomplish these goals, including: putting up posters with positive messages; giving rewards for student integrity and good acts through ECR's Best; and a new program called Drop in Your Bucket. We are also working the design for a mural to welcome visitors. We are also working using color-coordinated vests for admin, health office, etc., to make it easier to recognize different groups during emergencies.

Steven Kofahl made a motion to approve the Comprehensive School Safety Plan.

Brian Archibald seconded the motion.

The board **VOTED** to approve the motion.

##### **B. Discuss and Vote on Lease of 1:1 Laptops for Incoming Freshmen**

Ms. Chen stated that the Tech Committee had met and considered the proposals. The Tech Committee recommends going with the same vendor as previously, STS Education.

The total cost will be up to \$489,485 for 1,000 laptops; the amount financed will be \$451,000 for a 4 year lease as the e-waste and the taxes will be paid up front. Ms. Chen noted this amount is about the same as for last year's lease, but last year the lease was for 900 units.

Mr. Silverstein asked why we could not give the laptops being returned by this year's seniors, which are just 2 years old, to the incoming freshmen. Ryan Guinto noted that the lease for this year's seniors was only for 2 years, as incoming freshmen would need their devices for 4 years and we do not want to have to do a mid-cycle refresh.

The Board decided that the lease for the laptops should be brought to the Board each year for review and approval.

Beatriz Chen made a motion to approve a 4-year lease through STS Education for up to the total sum of \$489,485 for up to 1,000 units.

Brian Archibald seconded the motion.
