#### **B. February 2020 Financial Update**

John Arndt of ICON School Management went over the Financial Presentation. The YTD Comparison shows the comparisons of revenue and expenses for February 2020 as compared to February 2019. This is done on an accrual basis. The cash flow projection is only cash on hand, it does not take into account the CD's. Mr. Ryburn asked why it states that health insurance was deferred from August through October and paid in November 2019. Asked that Mr. Hussey look into this. Mr. Silverstein asked how exchange students were being handled; Mr. Arndt advised that exchange students would go into deferred revenue account. At the end of the year, the administration will have to decide whether there will be refunds, and revenue will be adjusted accordingly. The total tuition received from international students is about \$820,000. Mr. Hussey noted that many of the international students want to continue through online learning in order to complete their semester of work; at this time, no refunds have been requested. Regarding the investment accounts, Mr. Hussey has not been able to get the login information, though he has asked several times. He will work on this.

## **IV. School Business**

### **A. Discuss and Possible Approval of Creating Building Reserve Fund**

Mr. Silverstein noted that we do not have a fund on hand to consider any building reserve, for items such as major repairs or building a pool, etc. He does not have a specific amount in mind, and we do not currently have a financial person to ask. Mr. Ryburn noted that the financial information could be obtained through the Executive Director if need be, but now does not seem to be the best time for this due to the current coronavirus issue. Dr. Davis stated that he believed this was a forward-thinking idea, but there seems to be more appropriate uses for our funds at this time, and that the timing now did not seem to be right.

Ms. Chen also believed this matter should be tabled for a future date.  
The matter was tabled.

## **B. Discuss and Vote to Extend School Closure**

During the Emergency Board Meeting, the school closure was approved for two weeks, with the Executive Director having authority to close for one additional week. Mr. Hussey noted that the school closure would need to be extended either through the governor lifting of the stay at home mandate AND the closure of LAUSD. The Board would give authority to close the school in alignment with LAUSD's school closure dates.

Darin Ryburn made a motion to authorize the Executive Director to extend the school closure dates to align with LAUSD's school closure dates.

Brian Archibald seconded the motion.

The board **VOTED** to approve the motion.
