Scott Silverstein arrived.

**E. Executive Director Update**

Mr. Hussey recognized Friends of ECR for purchasing and distributing yard signs to celebrate the Class of 2020.

Weekly schedules were adjusted this week to support students, parents/guardians and staff. Monday, Tuesday, Thursday and Friday are regular days; Wednesday will be used for professional development and for students to catch up on their assignments and for teachers to conference with students who may be struggling. This was done as many students were reporting being overwhelmed with the distance learning, so the new schedule was created to try to alleviate this concern. Wednesdays will also be used to assist students who may be struggling, and for conferences as well as professional development.

LAUSD is finishing up on the heating project, but LAUSD is suspending other projects except for emergencies due to the school closures. We have also purchased disinfectant

fogging machines to help clean the classrooms. And we are looking to purchase hand sanitizing stations to put throughout the school.

On the LCAP, the California Department of Education announced a likely postponement on the deadline to file the new LCAP, from July 1st to sometime towards the end of the year. A team of 20 members, including administrators, teachers, and parents, have begun working on the LCAP.

This Wednesday, Mr. Hussey will be starting Coffee with the Principal again online.

Topics will include distance learning, 2020 senior events, summer school, and the 2020-2021 school year.

We have a 90+% daily login rate and a 96% weekly login rate for students. For those not logging in, our administrators and counselors are reaching out to students and parents/guardians to assist them.

Mr. Ryburn asked what marketing is being done to ensure we have full attendance for next year. Mr. Hussey noted that, as of March 5th, our enrollment was 3,558. We will begin calling to make sure that everyone who is to return will be returning. We are also looking into opening up more spots for the Independent Study program.

Mr. Ryburn also asked as to the charter renewal, and whether LAUSD was deferring any mandated timelines. Mr. Hussey replied that, as of yet, we are not aware of any deferments on the timeline. We will likely have our first virtual meeting with Young, Minney & Corr to ensure we will be submitting our charter renewal petition in a timely manner, by July or August.

Mr. Silverstein asked if there is enough time to work on the marketing and outreach for the Independent Study program before the end of the school year. Mr. Hussey noted that he will ask Lisa Ring to help with the outreach.

## **F. Board Committee Updates**

Finance Committee met on Thursday, April 16th. #### **B. March 2020 Financial Update**

John Arndt of ICON presented the Financials for March 2020. On the YTD Comparison, the total expenses are skewed because of the lifetime benefits (OPEB) investments in the stock market and the market downfall due to the COVID-19 pandemic. In January the account was worth about \$14M; right now it is just under \$12M.

On the YTD to Current Forecast, the downturn in local revenues have caused things to be skewed a bit.

On the YTD Revenue, there was a loss of \$1.6M in March and about \$900K in April.

Mr. Ryburn asked on the YTD Expenses, why food expenses were deferred and are now being paid regularly. Mr. Arndt responded that perhaps deferred is not the right word, that a correct statement was that payments were paid late. He stated that he is also not aware of any late fees that were assessed as a result. Mr. Ryburn stated that he would ask the Business Office regarding this issue specifically.

Dr. Davis noted that, during the prior recession in 2008, the State reduced the amount of ADA substantially; what is the possible impact due to the current pandemic? Mr. Arndt stated that cost of living adjustment next year may be 0%, and that there may be as much as a 20% reduction in revenue. ECR has enough in reserves to maintain for a while, but there is definitely some concern because of the impact on the economy.

Mr. Silverstein asked whether the Finance Committee should work with ICON on developing the budget with a possible 20% reduction in mind; Mr. Hussey noted that he has already begun working with ICON to present different scenarios for the budget to the Board.

The meeting was suspended at 5:28 pm to conduct the Special Board Meeting.

The meeting was reconvened at 5:55 p.m.
