II. School Business

A. Board Review of Comparable Compensation Data for Charter School Executives

Mr. Archibald asked if there was any other data, other than salary ranges. It was noted that the charts all had Enrollment numbers, which would provide an idea as to the revenues based on ADA.

Regarding the Chief Business Officer (CBO) comparables, Dr. Davis noted that Birmingham's enrollment is about 500 students less, but their CBO is at a higher salary than our previous highest rate (based on step 3) and with a much wider range.

Regarding the Executive Director comparables, Dr. Davis stated that Granada Hills' salary (even pro-rated to account for their higher enrollment numbers) is much higher than that for ECR.

Mr. Silverstein asked who brought this information together; Mr. Hussey stated that it was Mr. Chang who reached out to the other conversion charter schools to gather the information.

Regarding the Chief Compliance Officer (CCO) comparables, Dr. Davis said that it appeared the salary being considered was reasonable as compared to the other conversion charter schools. Mr. Ryburn asked if the differential for a JD was comparable

to what certificated staff would receive for a master's or doctorate; it was noted that the certificated salary table lists a differential of \$1,500 for a master's, and \$3,000 for a doctorate. Mr. Archibald asked if the Chief Compliance Officers at other schools did not have a JD or get a JD differential; it was noted that other schools do not have a compliance officer. Mr. Ryburn asked who the CCO supervises; the CCO directly supervises the HR Manager and the HR Specialist, though as an executive all employees (except the Executive Director and CBO) are under his purview.

The Board suspended the meeting to conduct the Special Board Meeting at 5:12 p.m.

V. Financial

A. Discuss and Possible Approval of Revised Executive Salary Table

This matter was moved up to Section II.A., immediately following discussion and vote on Section V.C. below.

Mr. Archibald asked why the CBO table needed a step 4 and 5. Mr. Hussey noted that the current table does not have a step 4 or 5 for the CBO, and that this would make it

consistent with the other executive salaries on the table. Also, it is part of the negotiation with the candidate for the CBO position. Dr. Davis also noted that it would be consistent with the executive comparables.

Mr. Perez asked if there is no step 4 or 5 right now, wouldn't someone getting that be getting a pay raise? Dr. Davis noted that there was no one in the position right now so it would not be a pay raise. Mr. Perez stated that he would oppose this, as he had not heard of this before and believes it to be gamesmanship.

Dr. Davis noted that the rate was competitive in the market, and that he believes adding the two steps was a reasonable thing to do in order to find a qualified candidate.

Mr. Silverstein noted that the increases in steps 4 and 5 is at 2%, which is in keeping with the increases for steps 1 through 3.

Darin Ryburn made a motion to approve the revised Executive Salary Table.

Jeff Davis seconded the motion.

B. Discuss and Vote on Adding Check Signers

With the retirement of Mrs. Ring, we only have 2 check signers. In addition to the CBO, we should also have one additional Assistant Principal to sign checks; all checks of \$10,000 or more requires two signatures. Mr. Hussey recommended Assistant Principal Juan Alba.

Beatriz Chen made a motion to add the new CBO Gregory Wood and Assistant Principal Juan Alba as check signers.

Jeff Davis seconded the motion.

C. Discuss and Vote on Application for SBA Paycheck Protection Program Loan

Mr. Silverstein moved this item up to before II.A. Mr. Silverstein noted that this had been discussed and rejected previously, but new information has been received and so there would be a reconsideration of the Board's prior vote. Mr. Perez noted that, since it was not previously moved and seconded, there was no vote and so it would not be a reconsideration but a new motion.

Mr. Archibald noted that with the change in circumstances, he is on board with proceeding with this.

Mr. Silverstein stated that this issue was being raised again because of the deferrals in revenue that ECR will be facing, currently 4 months worth of deferrals.

Dr. Davis agreed that this should be considered, because of the deferrals and the possibility that the deferrals may go on for the next year or two.

Mr. Perez said that he would be in opposition to this motion. Since these funds are not available to LAUSD schools, he stated that he believes it would be wrong for ECR to have access to funds that schools in the LAUSD would not have. However, Mr. Hussey stated that, while what Mr. Perez said is correct, charter schools do not have access to monies that districts would have, such as bond money.

Mr. Silverstein read the Resolution into the record. Mr. Archibald noted that the Resolution as currently drafted listed that employees be kept on payroll for eight (8) weeks - that is now twelve (12) weeks so the Resolution should be corrected before it is signed.

Darin Ryburn made a motion to accept the Resolution re Small Business Administration Paycheck Protection Program Loan.

Brian Archibald seconded the motion.

The board **VOTED** to approve the motion.
