E. UTLA Update

Kyna Collins, UTLA co-chair, provided the UTLA update.

F. Executive Director Update

Mr. Hussey thanked the students who made public comments.

We had a successful start to the school year. We have 3,670 students enrolled, which is 200 more students than last year. And we opened the year with 275+ students that opened the year in the Alternative Education and Independent Study program, which is an increase of about 100 students compared to last year.

Mr. Hussey thanked the Tech Team for their work in getting the school ready for opening.

Approximately 1,000 laptops were distributed. A chat feature was also created to get students instant help with tech questions or issues.

He also thanked staff for helping out with textbook distribution, textbooks were distributed in 100+ degree heat over 4 days.

We are currently working on the charter renewal petition, which is due to be submitted to LAUSD on September 14 - 16, 2020.

ECR started a mentor program, and had over 200 students sign up to be mentors for incoming 9th graders; of those, 99 students were chosen. Each mentor has 7 to 10 students, they meet on MS Teams during lunchtime and are a support system for the 9th graders.

G. Chief Business Officer Update

Mr. Silverstein welcomed Chief Business Officer Gregory Wood.

Mr. Wood introduced himself and spoke of his background and how he has been acclimating to ECR.

The 2019-2020 Unaudited Actuals Report has been completed and will be discussed. The SBA Paycheck Protection Program loan was received and funds in the amount of \$3.8M has been received. There is an agenda item to allow for opening a separate bank account to deposit and segregate those funds for tracking purposes.

The Notice to Cure from LAUSD will be looked at carefully; Mr. Wood noted that Palisades Charter High School also had issues with maintenance and operations charged assessed by LAUSD. He would like to have things done more efficiently in coordination with LAUSD for these type of services.

There is a new funding source, the Learning Loss Mitigation Funding, which he will pursue. The funding, which may be about \$1.8M, is expected to be released starting in December. These funds have restrictions and have to be budgeted with the Board's approval.

The cafeteria is open for service, from 11:30 am to 12:30 pm. Students/parents drive by and are giving multiple meals to support them through the week. We are averaging about 50 to 75 meals a day. In anticipation of students returning either in a hybrid model or full in-person learning, we are looking into touchless systems of scanning for students to access student meals.

ECR's healthcare insurance policy expires at the end of the calendar year; we are looking for current rate information from different providers.

The Closed Session agenda was moved up to this time.

Darin Ryburn left.

B. Discuss and Vote on 2019-2020 Year-End Unaudited Actual Financial Report

Mr. Wood first went over the Special Education report, which identifies the revenues and expenses associated with special education. We received \$2.24M in special education funds and grants, and allocated \$5.3M in expenses for special education. Previously we had not properly allocated our resources that were used to special education, such as the Assistant Principal's salary, the legal costs that were specifically attributable to special education matters, etc. This identifies a \$3M encroachment (negative balance), which puts us more in line with other conversion charter schools.

John Arndt of ICON discussed the Unaudited Actuals report.

V. School Business

A. Discuss and Vote on Opening Additional Bank Accounts

Mr. Wood discussed the need for additional bank accounts, including one to segregate the PPP loan funds. This would provide greater transparency and make it easier to track spending on salaries.

Mr. Wood also asked for authority to open a fundraiser account. There are different guidelines or constraints on fundraising, and having a segregated account to hold those funds would be best practice. Mr. Archibald questioned whether we had donations previously, or was this in preparation for fundraising efforts? Mr. Wood advised that he just received a check for \$1,000.00, which (per AP Minita Clark) was received from Agoura Math Circle, and there have been other donations received previously.

Brian Archibald made a motion to authorize the Chief Business Officer to open an additional bank account at City National Bank for the PPP funds.

B. Discuss Notice to Cure from LAUSD

Mr. Hussey discussed the Notice to Cure, which was sent on August 21, 2020. We are comfortable paying 2018-2019 charges, as that has all been reconciled, and have paid off Q1, Q2 and Q3 for 2019-2020. We also paid \$250,000 as part of our negotiations, but now LAUSD wants ECR to pay the entire amount, but we do not have the necessary documentation for 2014 through 2018. We have been discussing this with LAUSD, we are comfortable with paying for 2018-2019; the remaining amount will be put into an escrow account until the issues with prior years can be discussed. Mr. Wood noted that he had dealt with this same issue at Palisades, where unsubstantiated charges had been assessed and resolved. For ECR, Mr. Wood went through and created an accounting of all the various charges, and that we require additional information and documentation regarding approximately \$549K of the charges. Mr. Wood noted that Mr. Archibald asked whether this issue had come up in prior audits (Mr. Wood responded no); he also asked if this changed the 2019-2020 Unaudited Actuals Report (again, no). Our budget identifies that we have accrued this disputed amount, but this does not mean we agree that we owe that amount. Mr. Wood recommends that we create a separate bank account and put the disputed amount into the separate account, possibly called an LAUSD Account, to be negotiated with LAUSD.

C. Discuss Learning Continuity and Attendance Plan

Ms. Clark stated that the Learning Continuity and Attendance Plan (LCP) is new this year, in lieu of the Local Control and Accountability Plan (LCAP). She will be sharing the rough draft of the LCP with the School Site Council (SSC) meeting. The Board will then have to have a public hearing the week after that, and then the Board will vote on the LCP at a subsequent Board meeting. It has to be approved by the Board by September 30, 2020.

D. Discuss and Vote on 2020-2021 Consolidated Application

Mr. Hussey and Mr. Wood discussed the 2020-2021 Consolidated Application. This Application identifies that we are using funds received appropriately in the manner we are required to under federal and state guidelines.

Darin Ryburn made a motion to approve 2020-2021 Consolidated Application.

Brian Archibald seconded the motion.

Mr. Hussey stated that the response to the bus pass program has been overwhelmingly positive, and something that should be continued for the next school year. Mr. Wood also noted that we have funding in our LCFF that provides assistance for students with financial difficulties. Dr. Davis noted that the parents have also been very appreciative of this program.

G. Discuss and Possible Approval of Resolution Recognizing Black Lives Matter

Mr. Hussey read a brief summary of the issue into the record, and noted that there were some revisions to be made to the Resolution. The changes were, in the third "WHEREAS" paragraph, to delete the word "educational"; and from the sixth "WHEREAS" paragraph, change the last sentence to read "deconstructing white supremacy culture from institutions."

Mr. Archibald, Ms. Chen, and Dr. Davis spoke in favor of the resolution, and the moving statements made during public comments.

Mr. Silverstein asked that the Resolution be modified to reflect that it is supporting the movement and not the organization, such that the Black Lives Matter references in the Resolution be changed to lowercase letters. Ms. Ibach noted that including the movement can have the initial capitalized letters. Mr. Archibald stated that the Black Lives Matter organization is the Black Lives Matter Foundation, which was not included in the Resolution; he also noted that the Resolution was clear that it was a support of the movement and not the organization. Mr. Silverstein asked if a statement could be included that "Black Lives Matter is a statement and not affiliated with any political organization." It was suggested that this be included at the end of the paragraph starting "THEREFORE, BE IT RESOLVED..."

Brian Archibald made a motion to approve the Resolution Recognizing Black Lives Matter at ECRCHS, with the revisions as identified.

Linda Ibach seconded the motion.

The board **VOTED** to approve the motion.
