## **I. Opening Items**

### **A. Call the Meeting to Order**

Beatriz Chen called a meeting of the board of directors of El Camino Real Charter High School to order on Thursday Nov 19, 2020 at 4:32 PM.

### **B. Record Attendance and Guests**

### **C. Pledge of Allegiance**

Dr. Davis led the Pledge of Allegiance.

### **D. Public Comments**

Meredith Adams, teacher, spoke regarding a student technology issue.

### **E. Community Representative Candidate Statements**

Dr. Davis shared the statements from each of the candidates, and went over their qualifications and experience.

Ms. Lopez-Vargas spoke in support of her candidacy.

Mr. Wright spoke in support of his candidacy.

### **F. UTLA Update**

Kyna Collins, UTLA Co-Chair, presented the UTLA update. The ECR-UTLA bargaining team have so far discussed proposals on six (6) articles. The next session is scheduled for early December.

Ms. Collins also voiced her support for having an educator and UTLA member as a Co-Trustee for the Retirement Benefits Trust, and support the selection of Anita Gruen.

Ms. Collins thanked the Board again for passing the Resolution Recognizing Black Lives Matter at ECRCHS, and noted that the Equity Advisory Committee had been meeting.

Ms. Collins noted there were still some concerns about switching to SISC from CharterLIFE, particularly as some of the costs may be increasing for its employees.

Finally, Ms. Collins thanked the parents and community members for all their support during distance learning, and noted that it has been extremely difficult and fatiguing for everyone involved.

### **G. Executive Director Update**

Mr. Hussey also thanked students, parents, and community members for their diligence and hard work during the distance learning.

A survey was sent out regarding distance learning and whether students would physically return to school if school was reopened in January. A total of 841 responses was received; 67% said they would send their students either fully in person or in a hybrid model. This is down from the summer survey, where 85% said they would send their students back to school. However, at this time there is no foreseeable timeline for reopening the campus, as LA County is still in the purple tier and the Governor recently announced a curfew and a possible lockdown. Other questions were asked in the survey, including: whether students had sufficient tech support; whether counselors supported the students' needs; and whether a response could be received in a timely manner.

Regarding the heating issue, the heating line repairs were started again.

The Equity Advisory Committee has met twice so far. They are focusing on how departments need to have a culturally diverse curriculum and how to measure that; and the need for a uniform curriculum for teachers with regards to equity and diversity. The Committee also discussed bringing back an anonymous survey, and having events, and more professional development for teachers, including regarding implicit bias.

Regarding the cost associated with changing the mascot, he has considered the cost associated with the change. This would include refurbishing the championship banners in the gym, and the mission statements in each class. Mr. Hussey stated that he would send the list of costs to the Board. He has also continued working with the Indian group, and they have discussed what the message of the mascot would be. There will be a second round of voting. At the beginning of the year, we will have the final vote on the mascot.

Mr. Hussey has been working with Mustang Marketing on the branding, including changing of the mascot and the school colors. The brand messaging and tag lines have been completed. The next step is to set up monthly marketing calls.

Finally, Mr. Hussey noted that he had to correct something said at the last Board meeting regarding the audit of the Shoup Property expenses. He stated that this audit was an audit of the agreed upon procedures requested by ECR, and that the audit was not requested by LAUSD, but was rather the decision of ECR to request the audit be conducted by an outside audit company.

Ms. Chen asked that, when calculating the cost of the new mascot, whether the cost of designing the new mascot was included. Mr. Hussey said that he was going to have students submit ideas for the mascot, and that the marketing company had also agreed to help with the design.

#### **H. Chief Business Officer Update**

Mr. Wood stated that we were still in discussions with LAUSD regarding the Maintenance and Operations charges, and that as a result of the discussions additional payments were made, and M&O has agreed to provide additional documentation on the remaining disputed charges.

Mr. Wood discussed the status of the year-end audit.

During the Finance Committee meeting this past Monday, it was discussed that ECR would be sending out an RFP for an investment management advisor.

Mr. Wood also noted that, under the new SISC plan, the co-pay for generic prescriptions at Costco would be at no cost to the employee, and the employee would not have to be a member to be able to enter to get a prescription filled.

Mr. Silverstein asked what the attendance was at the Main Campus and the Shoup Property.
