I. Opening Items

A. Call the Meeting to Order

Brian Archibald called a meeting of the Finance and Investment Committee Committee of El Camino Real Charter High School to order on Monday Dec 14, 2020 at 4:33 PM.

B. Record Attendance and Guests

C. Public Comments

There were no public comments.

II. Consent

A. Approve Minutes of November 16, 2020 Finance Committee Meeting

Mr. Wood noted that the minutes for item III.B. identified him as being absent; he is not a voting member and it should not reflect him in the vote for that item. This will be corrected.

Beatriz Chen made a motion to approve the minutes from Finance Committee Meeting on 11-16-20.

Scott Silverstein seconded the motion.

The committee **VOTED** unanimously to approve the motion.

III. Financial Review

A. Review of Investment Portfolio

Mr. Wood went over the investment portfolio review.

Mr. Archibald asked how the 14.2% investment change was calculated; Mr. Wood said that this was by taking the \$1.98M gains/losses divided by the \$13.94M beginning balance, this is only for this year. The reduction in the general account is due to moving over of contributions to the OPEB account.

B. Review of November 2020 Check Registers

The November 2020 check registers were reviewed.

Mr. Archibald asked about the utilization of the Shoup property. Mr. Hussey stated that it is open 5 days a week, with 2 teachers, 1 administrator and 1 clerical staff. But the students are all remotely learning. Mr. Archibald asked about the DWP amount; Mr. Silverstein stated that this amount has been consistent throughout. Mr. Silverstein asked

if it would be possible to put solar panels. Mr. Silverstein also noted that the HVAC system is likely auto-programmed, and asked if we could go through and limit when the HVAC system and lights are on, both at the Shoup property and the main campus. Mr. Hussey noted that the lights in the main campus are on automatic motion sensor, so if the lights are on they may be because someone is there. Mr. Hussey stated he will talk to the plant managers about the Shoup property system tomorrow.

Mr. Silverstein asked about the reconditioning of the track, and whether this was an annual contract. Mr. Hussey said no, but there were quite a few holes that needed to be repaired. Mr. Silverstein asked if expenses are down overall, whether funds could be found to renovate the bleachers. Mr. Hussey said that he will discuss this with the plant managers.

Mr. Silverstein asked about the allocation to Chartwells of \$63K; this is a reimbursable expense.

Mr. Silverstein also asked about the payment to LAUSD of \$183K, and asked what the remaining disputed balance is; Mr. Hussey responded that there is still \$215K being reviewed, and there is another meeting scheduled with LAUSD sometime possibly this week.

Scott Silverstein made a motion to recommend approval of the November 2020 check registers to the Board.

Beatriz Chen seconded the motion.

The committee **VOTED** to approve the motion.

C. Review of November 2020 American Express Bill

The November 2020 American Express statement and summary were reviewed.

Mr. Archibald asked about the \$511.87 delinquency charge; Mr. Wood stated that this was something new, and that we are disputing an overcharge from McGraw Hill but it has been delayed due to COVID. Once resolved, it is expected that the delinquency charge will be waived.

Mr. Archibald also asked regarding Amazon Web Services, and whether we can do better than this; Mr. Hussey stated that Fernando Delgado was looking into alternatives, including possibly paying an annual fee up front at a lower cost than making monthly payments. Ms. Chen asked for a breakdown of this charge.

Mr. Silverstein asked about a possible new credit card with points; Mr. Wood noted he has a possible one he is looking into.

Beatriz Chen made a motion to recommend approval of the November 2020 American Express statement to the Board.

Scott Silverstein seconded the motion.

The committee **VOTED** to approve the motion.

D. November 2020 Financial Update

John Arndt of ICON School Management went over the November 2020 financial update. On the Investment Analysis, Mr. Silverstein asked why the investment shows a loss. Mr. Arndt noted that this is how Cetera is reporting the investment account to ICON. Mr. Archibald stated that this was based on the fair market value to date.

The 1st Interim Financial report was submitted to LAUSD on 12/2/2020; to date, no issues or questions have been received. Mr. Wood said that he has spoken to LAUSD and they indicated that everything looked complete.

Mr. Silverstein asked where the substitute teachers were listed. This is on the income Income Statement section, line 5884.

E. Discuss and Vote on 1st Interim Financials

Mr. Wood went over the 1st Interim Financial Report, which was submitted to LAUSD on 12/2/2020.

Mr. Silverstein asked if the food services expenses were being reimbursed; Mr. Wood stated yes.

Mr. Silverstein also asked about the learning loss; while expenses may be less, is there not an expectation of increased costs once school resumes in person? Mr. Hussey stated yes, we may have to increase our summer school program to help mitigate some of the learning loss.

Scott Silverstein made a motion to recommend approval of the 1st Interim Financial report to the Board.

Beatriz Chen seconded the motion.

The committee **VOTED** to approve the motion.

F. Discuss Investment Advisor Proposals

Mr. Wood went over the proposals received from the investment advisors. One company, Merrill Lynch, declined making a proposal as they said they no longer provide services for charter schools. Mr. Wood said that he would recommend that we have an interview process with one or more of the advisors before making a vote to recommend one to the Board.

Mr. Archibald asked if staff had come up with a matrix and evaluated the proposals based on that. Mr. Wood said no, but the executive team met and reviewed the proposals and asked for an executive summary based on the volume of documents received.

Mr. Hussey said that, based on the review, he would like to see Beacon Pointe proceed to the next round, as it appears they have institutional experience and their fee structure appeared to be the most cost-effective.

Mr. Archibald asked that the staff send an email with their recommendation; the Committee can then review and make a vote as to their recommendation at the next Committee meeting.

Mr. Silverstein suggested that staff (certificated and classified) be present at the discussions regarding the selection of the investment advisor. Mr. Archibald clarified that the staff would not have a vote since it is not in their area of expertise, but they should certainly have a voice. Mr. Hussey and Mr. Wood will coordinate communicating with staff regarding this.

IV. Closing Items

A. Adjourn Meeting

Scott Silverstein made a motion to adjourn the meeting.

Beatriz Chen seconded the motion.

Respectfully Submitted,
Daniel Chang
