III. Financial Review

A. February 2021 Financial Update

John Arndt of ICON School Management and Greg Wood went over the February 2021 Financial Update.

On the Investment Analysis, Mr. Silverstein asked if we were still with Cetera/Schwartz, and whether the investment fees listed are in line with what they should be. Mr. Wood indicated yes, we are still with Cetera/Schwartz but are in the process of making the transition, and the fees are in line.

Mr. Silverstein asked if the deferrals have been scheduled. Mr. Wood stated that the first round of deferrals did go into effect in February, and as a result we will be owed a large amount in June.

Mr. Archibald asked why the Cash Analysis for this report did not include the 5% cash reserve; Mr. Wood noted that it was a recommended reserve amount, but that it is not a

segregated fund. Until the Board decides what a sufficient cash reserve should be, Mr. Wood elected not to include it on the report.

Mr. Silverstein stated that the Finance Committee could not make a recommendation to the Board as to what the cash reserve should be, unless staff made a recommendation.

B. Review and Vote on 2nd Interim Financial Report

Mr. Wood went over the 2nd Interim Financial Report. The Report shows a total deferral of \$9.185M, some of which should be coming in June. There is nothing in the Governor's budget that indicates the deferrals will not be coming. Mr. Wood has been working with the actuary, and we have received a draft of the actuarial report based upon updated healthcare and OPEB information. The preliminary amount given by the actuary is \$35.2M needed to fully fund the OPEB account, including all projections. Mr. Archibald stated that it would be an important conversation with Beacon Pointe as to what the optimum rate of funding should be in order to meet this goal. Mr. Silverstein asked if the actuary was independent of the advisor; Mr. Wood replied yes.

Mr. Wood stated that the Form 621 was the form submitted to LACOE that has more detailed information that is summarized in the actual 2nd Interim Financial Report.

Mr. Wood also shared the report for Special Education; it shows a total encroachment of \$2.7M. This is slightly less than last year's encroachment of approximately \$3M. He stated that he believes the \$2.7M is appropriate for our total special education population.

Mr. Silverstein asked if this number was skewed due to COVID; Mr. Wood stated that if we were in person, we may be closer to the prior \$3M number, but we are continuing to provide services to our special education population. Mr. Hussey stated that we may end up owing some services which will have to be made up in the next school year. Mr. Silverstein asked if we were expecting more funding next year; Mr. Wood stated that funding is not scheduled to go up significantly, perhaps 1% to 2% based on preliminary reports.

Mr. Silverstein asked regarding segregation of funds, whether funds for matters such as Shoup or capital projects were being segregated or being taken out of the general fund. Mr. Wood noted that we have begun the process for creating a capital budget, and that each capital project was being assigned a budget which would be segregated. This will be presented as part of the 2021-2022 budget which will be presented to the Board at a future date, possibly a preliminary version in May with the final to be presented in June. Mr. Hussey noted that we could even present the preliminary budget in April. Mr. Archibald suggested that capital projects be submitted to the Board for review and recommendation in April, though the preliminary budget can be submitted to the Committee in April.

Beatriz Chen made a motion to recommend approval of the 2nd Interim Financial Report to the Board.

Scott Silverstein seconded the motion.

The committee **VOTED** to approve the motion.

C. Review of Investment Portfolio

Mr. Wood went over the investment portfolio, which shows a total of \$18,653,477 in the OPEB account and \$7,545,186 in the General Account, as of the end of February 2021. In terms of transitioning to Beacon Pointe, we have been informed that Beacon Pointe is prepared for, and Schwartz has been advised of, the change. One requirement for Beacon Pointe is that the corporate trustee be in place, and we have yet to receive the agreement from US Bank (the trustee recommended by Beacon Pointe). Until we have the US Bank documents in place and have had a chance to review, we would not be able to transition everything over to Beacon Pointe.

Mr. Chang stated that we just received the documents from US Bank, and that they will be reviewed and hopefully be presented at the Regular Board Meeting.

Mr. Archibald asked that Beacon Pointe be present at the next Finance Committee meeting to discuss investment strategy.

D. Review of February 2021 Check Registers

The February 2021 check registers were reviewed. Ms. Chen asked if the consultant for the AT&T lines had been able to help; Mr. Hussey noted that we will be able to disable 9 of the lines, and on 5 of the lines we are going to CalNet, which will give us a 50% savings. Overall, this would be a savings of at least \$1,500 per month. More detail will be provided at the Regular Board Meeting.

Mr. Archibald asked if it was possible to have a year-to-date version of the check registers spreadsheet pivot table, so that trends can be seen. Mr. Wood said yes, and that he would provide a summary by vendor.

E. Review of February 2021 American Express Bill

Mr. Wood went over the February 2021 American Express bill. He noted that there were no large or unusual expenditures. He also noted that no new spending will occur on the AMEX card, and we are trying to get all recurring charges switched over to the US Bank card. It may take another month to get everything moved over. Mr. Wood stated that the

next summary will include any lingering charges for AMEX as well as new charges on the US Bank card.

Beatriz Chen made a motion to recommend approval of the February 2021 American Express bill to the Board.

Scott Silverstein seconded the motion.

The committee **VOTED** to approve the motion.

F. Discuss Status of CARES Act Funding

Mr. Wood went over the CARES Act Funding to date. He noted that we would prioritize those funds that have an upcoming deadline, in particular the GF Fund which has a deadline of 06/30/2021.

Mr. Archibald noted that the document shows that there is about \$6M in funding, the \$3.3M received to date and the \$2.7M in ESSER III estimated to be received. In addition to this, we have close to \$4M in PPP funding obtained. Mr. Archibald stated that we would not have received the PPP loan absent COVID, and noted that we applied for the PPP loan due to uncertainties regarding the impact of COVID.

IV. Closing Items

A. Adjourn Meeting

Scott Silverstein made a motion to adjourn the meeting.

Beatriz Chen seconded the motion.

The committee **VOTED** unanimously to approve the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:25 PM.

Respectfully Submitted,
Daniel Chang
