III. Financial Review

A. April 2021 Financial Update

John Arndt from ICON reviewed the April 2021 financial update including balance sheet, cash flow, cash analysis, investment analysis, profit and loss summary, budget comparison, and year-to-date spending compared to the prior year.

Mr. Silverstein asked if there were any large expenditures planned or of which ECR is aware. Mr. Arndt replied no, and anything for the 2021-2022 school year would go into pre-planned expenses. Mr. Wood noted that ECR had purchased \$400,000 worth of student laptops that were approved by the Board back in February. Mr. Wood also stated that the payroll expenses would be about \$200,000 higher than normal due to stipends

for in-person instruction. And there will also be increased expenses for student athletics which had been postponed until recently.

On the budget comparison, Mr. Arndt noted that there was a misclassification, as special education revenues should be classified as local revenue and not as state revenue; he stated this would be corrected for the next meeting.

Mr. Silverstein asked if there would be a budget that was broken down by department; Mr. Wood stated yes, primarily in the areas of textbooks and supplies. Mr. Archibald asked as to whether there was a plan for getting an interim budget; Mr. Arndt replied that there would be a budget that would be available for the next Committee meeting. Mr. Archibald noted that this was more of an operational question; Mr. Wood stated that ECR had just received data last week that is needed to create the budget, and that there were various options for a timeline to get a budget proposed and adopted.

B. Review of Investment Portfolio

The investment summary was reviewed.

C. Review and Vote on Revised Investment Policy Statements

Mike Breller from Beacon Pointe went over the revisions to the Investment Policy Statements for ECRA's general account and OPEB account. The Committee discussed the appropriate job titles versus ECRA officer titles for use in this document for the Executive Director and CBO; it was noted that whether the CBO is the designated officer to oversee and administer the Trust would be subject to discussion and approval by the Board. It was also decided that the references to Chief Executive Officer would be changed to President.

The Committee reviewed proposed changes to the types of investments authorized under the policies for OPEB and for the general account, and reviewed the allowable ranges for different asset classes. Mr. Breller noted that one change made in the permitted investments was the inclusion of Interval Funds. The Committee determined that Interval Funds would be removed from the list of authorized investments. Also, the Committee agreed to keep the allowable ranges as listed in the revised documents.

Beatriz Chen left at 4:57 PM.

Scott Silverstein made a motion to recommend approval of the Investment Policy Statements as amended to the Board.

Brian Archibald seconded the motion.

The committee **VOTED** to approve the motion.

D. Review of April 2021 Check Registers

The Committee reviewed and discussed the April check registers and requested follow-up at the next meeting regarding questions. Specifically, Mr. Archibald asked for more

information regarding the purchase of Surface Books for administrators; Mr. Hussey noted that this was for approximately 8 to 9 individuals, and that the last tech refresh for the group occurred approximately 5 years ago. Mr. Hussey noted that more information on this would be provided. And Mr. Silverstein asked about the charge for helmet replacement, and questioned why this amount was being spent if we had already paid to have them replaced. Mr. Wood noted that this may be to replace the check for the payment previously made; he will get clarification on this.

Mr. Silverstein asked if payment was being made to Cetera or US Bank; Mr. Wood noted that the transition was being made to US Bank, and that the May payment would be made through Cetera but future payments would be made to US Bank assuming linkage is established.

Mr. Archibald asked about the cost associated with the bank office provider, Icon. Mr. Wood replied that Icon has made a proposal for next year which will include a reduction in rate; he and Mr. Hussey has not responded to the proposal as of yet.

Due to the need for additional information, the Committee did not make a recommendation regarding Board approval.

E. Review of April 2021 Credit Card Bills

Mr. Archibald asked about the outdoor surface cleaner purchased through Home Depot, and whether other options were considered; Mr. Wood replied yes, and the cleaner from Home Depot seemed to be the best available option.

Scott Silverstein made a motion to recommend approval of the April 2021 credit card bills to the Board.

Brian Archibald seconded the motion.

The committee **VOTED** to approve the motion.

F. Review and Vote on 2019-2020 Tax Return

Mr. Archibald asked about the line for salaries and other benefits, and whether there was such a significant increase. Mr. Wood replied that the difference was due to an auditor adjustment that recharacterized certain employee benefits.

Scott Silverstein made a motion to recommend approval of the 2019-2020 tax return to the Board.

Brian Archibald seconded the motion.

The committee **VOTED** to approve the motion.
