Once the changes have been made, US Bank and Beacon Pointe are fully ready to receive the funds and to start investing them in accordance with the Investment Policy Statements.

Mr. Wood noted that the unaudited actuals report must be completed by September 15th and submitted LAUSD and CDE, and will include the actuarial report. The unaudited actuals report and the actuarial report will be presented to the Board.

Mr. Silverstein stated that the Finance Committee discussed the possibility of creating a designated reserve fund for deferred maintenance needs including current and future capital improvement projects.

### B. Review and Vote on Resolution Re: Education Protection Account

Mr. Wood advised that the Resolution was included in the Board packet. There is a chart included that shows how the Proposition 30 funds will be allocated and used.

**C. Review and Vote on Chartwells Food Service Contract**

Mr. Wood explained that, if not for the pandemic, we would have had to go through the bidding process and enter a new multiple-year contract, whether with Chartwells again or with another vendor. However, because of the pandemic, CDE offered a waiver to allow an extension of one year of an existing contract. This contract is the one year extension.

The contract has been factored into the proposed budget to be presented. The contract includes a schedule of pricing per diem, as well as staffing schedule which can be adjusted based on student participation.

## Review and Vote on ICON School Management Contract

Mr. Wood stated that ICON has been providing back-office services for the past 2 years. They will be doing less as Mr. Wood has taken on some of what they were previously doing, resulting in a reduced rate for the year of \$96,000. This is compared to the current cost of \$132,000. Mr. Wood recommended approval of the ICON contract.

Mr. Silverstein noted that some 400 pages of documents were provided in this Board packet, and that he was unable to go through all the pages. Mr. Wright agreed.

John Perez made a motion to postpone the vote on this contract until the next Regular Board Meeting.

Scott Silverstein seconded the motion.

Mr. Perez asked Mr. Wood if there would be a financial impact if this item was postponed.

Mr. Wood said yes from the standpoint as this is an annual contract that is to start July 1st and they are expected to provide financial services starting July 1st.

Mr. Wright suggested having a special meeting in a few days to discuss this contract.

Ms. Chen agreed with this suggestion. Mr. Hussey stated that this particular contract was not that many pages, and perhaps the Board could go over the contract now. Mr.

Silverstein asked for a redline comparing this version with the prior year's contract.

The motion did not carry.

The new contract would be for three more years; Mr. Hussey stated that Canvas is vital, both during the pandemic and as we come out of the pandemic.

Scott Silverstein made a motion to approve the three-year contract for the Instructure (Canvas) Learning Management System.

**B. Review of Charter Schools Division Oversight Report**

Mr. Hussey reviewed the LAUSD Charter School Division (CSD) oversight report. The ratings were 3's in governance, organization, and operations, and a 2 in student achievement. It was noted that we went from a 3 to a 2 in student achievement, but the data used was that from 2018-19, since there were no state tests taken; however, the criteria was changed while the data did not. It was noted that the fiscal operations were in good condition. And it was noted that there are areas of growth that ECRA will continue to work on.

Mr. Kofahl asked about the suspension rate; Mr. Hussey noted that, again, this is based on data from 2018-19, but since then our suspension rates have decreased significantly.

On the sub-group for math, Mr. Hussey noted that we have not tested in 2 years, so we do not have any new test scores to use.

### **Discuss and Vote on Local Control Accountability Plan**

The Board reviewed the revised Local Control and Accountability Plan, which was updated to reflect questions and comments from the Board at the last meeting. In particular, Ms. Clark went over the changes made to Goal 2 Action 9 and Goal 5 Action 2.

Mr. Silverstein noted that the version provided to the Board did not reflect some of the redlined changes; Ms. Clark replied that some of the changes were made very recently after further review and the changes were only to the numbers for the two Action items. Ms. Chen requested that if there are changes made to anything in the packet, they be sent to the Board before the start of the meeting.

Scott Silverstein made a motion to approve the Local Control and Accountability Plan.

Brad Wright seconded the motion.

The board **VOTED** to approve the motion.

### **D. Review and Vote on 2021-2022 Budget**

Ms. Chen noted that the budget was reviewed at the Finance Committee meeting, and the Finance Committee is recommending approval of the budget.

Mr. Wood went over the budget. The budget calls for a \$2.3 million surplus for the year. The budget does not incorporate any salary increases other than the normal step increases; any salary increases to be negotiated in bargaining will result in an adjustment to the budget. The budget is broken down by departments for the first time, based on information and input from admin and teachers. Mr. Wood explained that the increase in administrative salaries went up is due to filling an open position that wasn't filled this last year.

Mr. Silverstein asked if the unemployment insurance is a state mandated rate increase; Mr. Wood replied yes, and it will be in effect for 2021-2022.

Brad Wright made a motion to approve the 2021-2022 budget.

Scott Silverstein seconded the motion.

The board **VOTED** to approve the motion.

**E. Discuss and Vote on Insurance Contract**

Mr. Wood went over the insurance proposals received from Bolton and CharterSAFE; the quote from CharterSAFE was received just last night. It was noted that insurance rates had gone up in general, and for educational institutions in particular; as a result, many insurers have pulled out of the market. And there were also other factors that led to an increase in the proposal from Bolton. However, Mr. Wood noted that, though Bolton's proposal was a 37% increase compared to last year, the quote was less than from CharterSAFE.

Mr. Silverstein noted that he did not have an opportunity to review the proposals due to the number of documents involved. And while it is good to have another bid from the insurance company, it has not been provided to the Board in advance for review. He asked to see more of a competitive analysis or bids, and stated that perhaps it may be necessary to have a consultant review the process. He asked for more time to review the proposals.

Ms. Chen expressed similar concerns to Mr. Silverstein.

Mr. Wright asked when this needs to be approved. Mr. Wood stated it needs to be approved by June 30th when the current policy expires. Mr. Wright suggested that this be continued to a Special Board Meeting. Mr. Silverstein expressed concern about not getting Bolton's quote until just 6 days before it was set to expire. Mr. Wood also noted that, in talking to other conversion charter schools, they have also been experiencing increases in their insurance rates. Mr. Wright asked if it would be possible to see some comparisons; Mr. Wood stated he would ask if he could get this information from the other conversion charter schools and he will make a comparison chart, though there are specific factors that may affect each school's rates differently.

It was agreed to continue this matter to a Special Board Meeting, and to have both brokers available to present at the Meeting.

Second, the Board unanimously approved that ECRA take part in the class action litigation against JUUL, the vaping company. Mr. Perez explained the reasoning behind this decision, stating that it is a serious health problem and that the Board has to take a stand against the actions being undertaken by JUUL, for the sake of the students and the community in general.

## VII. Governance

### A. Discuss and Vote on Board Meeting Calendar for 2021-2022

The Board went over the proposed Board meeting calendar for the 2021-2022 as listed on the agenda. Ms. Chen noted that the Board will begin meeting in-person again in August, as allowed.
