Mr. Hussey stated that ECR had been visited by the Department of Public Health (DPH), which reviewed ECR's contract tracing methods. DPH were impressed by ECR's system and were also impressed by ECR students for following proper guidelines. Mr. Hussey thanked Nurse Peggy Valentine, admins Ms. Larew and Ms. Endres, and members of Tech Department for their work in setting up the systems.

Mr. Hussey noted that Mr. Alba and CTE teachers were working on securing CTE funds for upgrades to equipment and the facilities; more information will be provided at a future Board meeting.

ECR is working with LA County Public Health to host another vaccination event at the school, which will take place on September 29th from 7:30 am to 9:30 am. At this time, ECR is not required to enforce vaccination for all students, so it will stay with that policy for now.

Mr. Hussey thanked the HR department and staff for 100% compliance with required training modules.

Mr. Hussey thanked Board members for their work in helping to grow the school.

#### **G. Chief Business Officer Update**

Mr. Wood reviewed enrollment and average daily attendance (ADA), which relate to school funding. He stated that our enrollment is slightly lower than projected. He noted that, as compared to last year: special education enrollment is down slightly; alternative education enrollment has more than doubled; and Independent Study is slightly down. He reviewed the Meal Participation report showing the number of meals served each day. As to the PPP loan, ECR submitted its request for forgiveness; the lender has 60 days to respond; and then the SBA has 3 months to make the ultimate decision as to how much (if any) of the \$3.8 million loan will be forgiven.

#### **H. Committee Updates**

Ms. Malconian provided an update on Finance and Investment Committee meeting this week; the Committee is recommending approval of the August 2021 check registers and the August 2021 credit card statements. ## **III. Financial**

### **A. August 2021 Financial Update**

Mr. Wood reviewed the August 2021 financial update prepared by ICON.

On the Balance Sheet, it was noted that the State had overpaid the deferral amount, which will result in reduced revenue of \$2M for 2021-22.

On the Profit & loss (Summary) page, Mr. Wood stated that there is a negative net income number because ECR receives lower LCFF revenue in July and August (5% per month), and the remaining 90% of the revenue is received over the next 10 months.

Mr. Wood went over the Department Budgets report, and noted that this is the first year ECR is creating a budget by department.

Ms. Malconian stated that the Finance Committee is working on the Investment Policy Statement (IPS), and if anyone had any input regarding the investments or the IPS, they should contact her.

Mr. Wright asked why enrollment numbers are down. Mr. Hussey replied that we are about 20 students less as compared to last year (which was all virtual). However, the enrollment numbers are down because: the numbers do not include international students; some families did not want their children to be tested every week; and some families have moved out of the area.

## **IV. School Business**

### **A. Discuss and Vote on Mandatory COVID-19 Employee Vaccination Policy**

Mr. Hussey shared information regarding LAUSD's Mandatory COVID-19 Vaccination Policy for employees working at an LAUSD-owned school site. Because we lease the ECR campus from LAUSD, this Policy applies to us. The Policy has a deadline of October 15, 2021. Ms. Lopez-Vargas asked if the ECR Board needed to formally adopt the policy if we are required to follow it anyway. Mr. Hussey stated that he feels it's important that the Board adopt the policy to show LAUSD that ECR has adopted the policy. Mr. Wright asked how teachers feel about the mandate; Mr. Hussey replied that there is a wide range of responses, from those who are in favor to those who believe it is a violation of their rights, with many being somewhere in between. Ms. Lopez-Vargas asked if we knew how many of the staff have already been vaccinated; Dr. Lowry noted that we are still working with staff members who have not yet provided evidence of vaccination, though he did not have the numbers readily available.
