III. Investment

A. Corporate Trustee US Bank Presentation

Mr. Wood gave an overview of the school's OPEB account, which has approximately \$22.4M as of August 2021. Mr. Wood then introduced Pamela Uyehara of US Bank. Ms. Uyehara spoke regarding her role on behalf of the school, and gave an overview of US Bank and its role as the corporate trustee. Beacon Pointe is an investment advisory firm that directs the investments, but the assets are held by US Bank. This segregation of duties is a better policy than having the funds both held and controlled by the same entity.

B. Investment Portfolio and Outlook

Mike Breller reviewed the investment portfolio and identified the overall investment strategy and how it relates to the Investment Policy Statement (IPS). He spoke regarding

the difference between an equity and a bond. Ms. Malconian asked if Beacon Pointe was involved in the drafting of the revised IPS; Mr. Breller replied that the revised IPS was worked on by Beacon Pointe and revisions were also made based on recommendations of the Finance Committee at a prior meeting. As such, the IPS is ready to be finalized and approved. Mr. Wood suggested that the Committee have a quarterly meeting with Mr. Breller to go over the investments (in-person when possible), and possibly schedule a meeting for the entire Board to meet with Mr. Breller once or twice a year.

Mr. Webster, teacher and one of the three individual trustees of the OPEB account, asked regarding Beacon Pointe's fees. Mr. Breller replied that Beacon Pointe charges a fee for its advisory services, and there is also a separate investment manager fee. Mr. Webster also asked specific questions regarding some of the investments, to which Mr. Breller provided responses.

Finally, Mr. Breller advised that ECR is absolutely within the bounds of a traditional institutional investing model.

IV. Finance

A. August 2021 Financial Update

John Arndt presented the August 2021 financial update. For the Cash Analysis, Ms. Malconian asked about the days of cash on hand; Mr. Arndt replied that ICON recommends 90 days of cash on hand in order to meet operational expenses before an influx of revenue is needed, and ECR currently has 168. On the Profit & Loss (Summary) page, Ms. Lopez-Vargas asked what the capital outlay expense was; Mr. Arndt noted it was simply depreciation. On the Profit & Loss (YTD), Ms. Malconian asked if our revenue has increased since returning to in-person instruction; Mr. Arndt replied that the revenue will adjust after December 15th when the state certifies our attendance numbers.

Our numbers will not change from online versus in-person instruction, the per-student revenue remains the same (with a COLA adjustment).

Mr. Wood went over the Department Budgets page, and noted that ECR had not previously had a budget broken down by departments. This is a work in progress trying to determine the budget that each department needs.

Finally, Mr. Wood also advised that he will provide ADA numbers and a cafeteria report each month that is presented to the full Board.

B. Review of August 2021 Check Registers

Mr. Wood went over the check registers for August 2021, including the general account and the ASB account.

Danielle Malconian made a motion to recommend approval of the August 2021 check registers to the Board.

Daniela Lopez-Vargas seconded the motion.

The committee **VOTED** unanimously to approve the motion.
