V. School Business

A. Average Daily Attendance (ADA) Update

Mr. Wood presented the ADA, noting that month 5 was the worst of the year, impacted by COVID-19 Omicron variant.

Ms. Malconian noted a 75% ADA in LAUSD, and we are well above that as we are in the 93+% ADA range.

Mr. Wood expects that we'll lower our LCFF revenue projections.

Ms. Malconian inquired about the possibility of the State looking into alternative ADA funding models. Mr. Wood acknowledged the possibility but is unclear about whether or not charter school districts will need to adhere to the same model(s) for reporting ADA.

April or May is when we will lock in, typically. Next year's funding is most likely to be impacted, not this year's funding.

Ms. Lopez-Vargas noted that there are four ADA funding proposals/models available, but only one or them would likely help charters this year.

Ms. Malconian asked about ADA and PPP revenue reductions would take ECRCHS into the "red." Mr. Wood noted that there will be approximately a \$4M difference, but we'd still be okay.

B. 2022-2023 Budget Planning Calendar
